Tinder

Match.

Personal Data (92.6%):

When you pay directly with us (rather than through a platform such as iOS or Android), you provide your debit or credit card number or other financial info.

Required Purpose (92.4%):

Marketing, Survey and Research Data We sometimes run (i) surveys, focus groups, or market studies for research purposes and (ii) promotions, events or contests for marketing purposes.

Consent (79.7%), Processing (99.1%):

When you choose to participate, you give us information to process your entry and participation, as well as your responses to our questions and your feedback.

Personal Data (95.1%), Processing (82.8%), Required Purpose (98.1%):

Third-Party Data When you choose to share with us information about other people (for example, if you use the contact details of someone you know for a given feature or if you submit a query or report involving a member), we process this data on your behalf to complete your request.

Processing (99.5%):

For more information on the Friends of Friends feature see [here](#), and you can learn more about how Tinder processes the information of non-members [here](#).

Required Purpose (96.4%):

Customer Support Data When you contact us, you provide us with information that may be necessary to help address your inquiry.

Processing (97.5%), Required Purpose (79.6%):

If you were banned from another Match Group service, your data may be shared with us to allow us to take necessary actions, including closing your account or preventing you from creating an account on our service.

Consent (88.3%):

Social Media Data You may decide to share data with us through your accounts on other platforms (e.g., Facebook, Instagram, Spotify, Apple), for instance if you decide to create and log into your account via these platforms or if you decide to upload data such as photos or playlists onto our

service from these platforms.

Non-Personal Data (85.5%), Personal Data (80.6%):

Data generated or automatically collected Categories Description Usage Data Using the service generates data about your activity, including how you use it (e.g., when you logged in, features youve been using, actions taken, information shown to you, referring webpages, ads you interacted with) and how you interact with others (e.g., searching, matching, communicating).

Legal Basis (83.2%), Processing (92.2%):

Where legally allowed, we can also receive information about suspected or convicted bad actors from third parties as part of our efforts to ensure our members safety and security.

Personal Data (76.0%):

We may also receive data related to interactions you had with our ads on third partys websites or apps.

Non-Personal Data (90.7%), Personal Data (98.5%), Processing (98.6%), Required Purpose (66.0%), Technical Measure (93.0%):

Technical Data Using the service involves the collection of data from and about the device(s) you use to access our service, including hardware and software information such as IP address, device ID and type, apps settings and characteristics, app crashes, advertising IDs and identifiers associated with cookies or other technologies that may uniquely identify a device or browser.

Consent (97.4%), Data Source (93.1%), Personal Data (64.5%), Retention (79.2%):

Other data we collect with your permission/consent Categories Description Geolocation Data If you give us permission, we can collect your geolocation (latitude and longitude) from your device.

Personal Data (72.8%):

Modern Dating.

Consent (74.5%):

If you decline permission, features that rely on precise geolocation may not be available to you.

Personal Data (99.7%):

Face Geometry Data You may choose to participate in certain of our features like Photo Verification, or Photo and ID Verification, that involve the collection of face geometry data, which may be considered biometric data in some jurisdictions.

Authority (82.5%), Personal Data (62.0%):

ID Data You may provide us with a copy of your government-issued ID to help us check that youre who you say you are.

Required Purpose (98.3%):

Why and How We Use Your Data The main reason we process your data is to provide our service to you and improve it over time.

Required Purpose (97.6%):

That includes connecting you with members who might make your heart skip a beat, personalizing your experience, and just helping you make the most of our service.

Required Purpose (98.3%):

We also process your data to keep you and all of our members safe and secure while using our service.

Required Purpose (86.8%):

We take this responsibility very seriously and were always working to improve our systems and processes to help protect you.

Required Purpose (97.8%):

And yes, we process your data to show relevant ads you can control this in your settings.

Consent (81.4%), Legal Basis (99.2%), Legitimate Interest (96.4%), Processing (98.1%), Recipient (70.9%), Required Purpose (99.3%):

Reporting illegal or infringing content to law enforcement, government or other authorities
Establishing, exercising, or defending ongoing or threatened claims
Sharing data with law enforcement or partners to combat abusive or illegal behavior
Our legitimate interest: It is in our legitimate interest to comply with applicable law and protect ourselves, our members and others, including as part of investigations, legal proceedings and other disputes
Protection of your vital interests and that of other members
Compliance with legal obligations applying to us such as responding to law enforcement requests for information
The categories of data shared will vary based on the specific circumstances surrounding each obligation, compelling interest or dispute 5.

Legitimate Interest (63.6%):

Finally, our moderation tools and teams can collect additional data as part of their investigations.

Required Purpose (82.9%), Third Party (92.7%):

We also share data with service providers and partners who assist us in operating the service, with other Match Group companies for the reasons laid out below and, in some cases, for legal and related reasons.

Data Subject (65.2%), Required Purpose (96.8%):

Who We Are Where This Privacy Policy Applies Data We Collect How We Use Data How We Share Data How Match Group Companies Work Together Cross-Border Data Transfers Your Rights How Long We Retain Your Data Children's Privacy Privacy Policy Changes How To Contact Us 1.

Personal Data (81.5%), Processing (96.4%):

Recipients Reasons for sharing Categories of Personal Data Other members You share data with other members when you voluntarily disclose information on the service for others to see (e.g., your public profile).

Recipient (95.6%), Required Purpose (96.8%):

Profile Data Content Social Media Data Third Party Data Customer Support Data Service providers/partners We share data with vendors and partners who help us operate, promote and improve our service.

Required Purpose (88.8%), Retention (91.5%):

They provide us services such as data hosting and maintenance, analytics, customer care, marketing, advertising, payment processing, legal support, and security operations.

Required Purpose (84.6%):

Match Group considers the safety and security of members a top priority.

Personal Data (72.8%), Required Purpose (91.2%), Technical Measure (74.0%), Third Party (90.8%):

To help improve the relevance of these ads, we provide certain info about you to third parties, including advertising partners, or allow them to collect such data from our services (such as via cookies, SDKs, or similar technologies).

Technical Measure (82.5%):

For more information about cookies, see our Cookie Policy.

Personal Data (95.6%), Required Purpose (77.1%):

Some of our advertising partners enable us to transform your email address, advertising identifiers or phone number into an identifier that can't be used to identify you personally and then use that unique identifier to either exclude you from our marketing campaigns, or to target our ads at an audience that is similar to you in terms of background, interests or app usage.

Recipient (98.4%):

Account Data Profile Data Usage Data Technical Data Affiliates We may share data with affiliates or receive data from them for the purposes laid out in Section 6 of this policy.

Legitimate Interest (82.7%):

Account Data Profile Data Content Purchase Data Marketing, Survey and Research Data Third Party Data Customer Support Data Social Media Data Usage Data Technical Data Geolocation Data Face Geometry Data ID Data Law enforcement authorities We may disclose your data to: (i) comply with a legal process, such as a court order, subpoena or search warrant, government / law enforcement investigation or other legal requirements; (ii) assist in the prevention or detection of crime; (iii) protect the safety of any person; and (iv) establish, exercise or defend legal claims.

Processing (95.5%):

The categories of data shared will vary depending on the specific circumstances surrounding the request, but it often can include: Account data Profile Data Content Purchase Data Customer Support Data Third Party Data Social Media Data Usage Data Technical Data Geolocation Data ID Data In the context of merger and acquisition, with our Affiliates or new owner(s) We may transfer your data if we are involved, whether in whole or in part, in a merger, sale, acquisition, divestiture, restructuring, reorganization, dissolution, bankruptcy or other change of ownership or control.

Required Purpose (82.5%):

To assist each other in data processing operations, as service providers.

Required Purpose (83.9%):

This assistance may include processing operations, such as data hosting and maintenance, customer care, marketing and targeted advertising, analytics, finance and accounting, legal support, payment processing, service improvement, data security and fighting against spam, abuse, fraud

and other wrongdoings.

Required Purpose (98.1%):

To improve your chances at building significant connections with others, we may make you visible on other Match Group services or allow you to benefit from cross-platform functionalities.

Consent (72.6%):

We will of course comply with applicable law and, where relevant, notify you of any such opportunity and allow you to agree or to refuse.

Required Purpose (98.7%):

Where and as allowed under applicable law, to better understand how people use Match Group services overall, to personalize your experience across Match Group services and to enhance marketing and advertising campaigns.

Legitimate Interest (86.9%):

For other legitimate business purposes including corporate / consolidated audit, analysis and reporting.

Legal Basis (96.6%), Processing (88.7%), Scale Non-EU (92.2%):

Cross-Border Data Transfers Because we operate a global service, the sharing of your data laid out in Section 5 involves cross-border data transfers to the United States of America and other countries that may have different laws about data processing.

Authority (68.4%), Contract (92.5%), Legal Basis (92.6%), Scale Non-EU (84.9%):

When we transfer personal data outside of the EEA, the United Kingdom, Switzerland or other countries whose data protection laws have been deemed adequate by the European Commission or other competent governmental bodies, we typically rely on what are called standard contract clauses.

Authority (64.4%):

Hey there!

Contract (67.4%), Personal Data (87.5%), Processing (98.1%), Required Purpose (67.4%):

These standard contractual clauses are commitments between companies transferring personal data, binding them to protect the privacy and security of your data.

Consent (68.0%):

Your Rights We want you to be in control of your data, so we want to remind you of the following rights, options and tools available to you.

Processing (80.7%):

You can also retrieve a copy of your data by following the process explained here.

Art. 17 Right to erasure (right to be forgotten) (78.3%):

You can also close your account as explained here and we will delete your data as laid out in this Privacy Policy.

Art. 21 Right to object (66.0%), Organisational Measure (94.8%):

Objection (Opt-out) or Restriction Right to object to us processing personal data or to request that we temporarily or permanently stop processing personal data You can directly opt-out from certain of your personal data processing in your account settings.

Consent (94.0%), Personal Data (96.7%), Right (88.2%):

Consent Withdrawal Right to withdraw a consent you've given us to process your personal data for a specific purpose You can directly withdraw consent you've given us either by updating your account setting or removing Device Permissions you've agreed to in your device settings (e.g., access to specific types of device data such as phone contacts, pictures, advertising identifiers and location services or consent to receive push notifications).

Authority (70.9%), Scale Non-EU (91.2%):

If you are a resident of Delaware, Iowa, Nebraska, New Hampshire, New Jersey, Texas, Oregon, Montana, Virginia, Colorado, or Connecticut, USA, if we deny your privacy request, you may be able to appeal by contacting us, and explicitly referencing Privacy Request Appeal. If you have concerns about the result of your appeal, you may contact the attorney general for your state.

Authority (88.8%), Lodge Complaint (81.6%), Personal Data (98.5%):

In certain countries, including in the European Economic Area and the United Kingdom, you have a right to a judicial remedy and to lodge a complaint with the appropriate data protection authority if you have concerns about how we process your personal data.

Legal Basis (98.5%), Retention (85.7%):

How Long We Retain Your Data We want the connections you make through our service to last forever, but we keep your personal data only as long as necessary for legitimate business reasons (as laid out in Section 4) and as permitted by applicable law.

Required Purpose (91.7%), Retention (76.9%):

Following account closure, we delete your data as laid out below: To protect the safety and security of our members, we implement a safety retention window of three months following account closure or one year following an account ban.

Required Purpose (95.4%):

During this period, we keep your data to investigate unlawful or harmful conducts.

Legitimate Interest (80.6%):

The retention of data during this safety retention window is based on our legitimate interest as well as that of potential third-party victims.

Personal Data (95.9%), Required Purpose (78.4%), Retention (95.7%):

We maintain limited data to comply with legal data retention obligations: in particular, we keep transaction data for 10 years to comply with tax and accounting legal requirements, credit card information for the duration the user may challenge the transaction, and traffic data / logs for one year to comply with legal data retention obligations.

Personal Data (76.3%), Required Purpose (68.7%), Retention (86.0%):

We also keep records of consents members give us for five years to comply and evidence our compliance with applicable law.

Personal Data (63.9%), Required Purpose (96.7%), Retention (89.0%):

We maintain limited data on the basis of our legitimate interest: we keep customer care exchanges with you for 6 years from the date of the communication, customer care records and supporting data, as well as imprecise location of download/purchase, for five years in support of our safety efforts, to support our customer care decisions, enforce our rights and enable us to defend ourselves in the event of a claim, information on the existence of past accounts and subscriptions, which we delete three years after the closure of your last account to ensure proper and accurate financial forecasting and reporting, profile data for one year in anticipation of potential litigation, for the establishment, exercise or defense of legal claims, and data necessary to prevent members who were banned from opening a new account for as long as necessary to ensure the safety and vital interests of our members.

Retention (78.0%):

If you have any questions on your rights and how to exercise them, please contact us [here](#).

Required Purpose (97.1%):

Where and as legally permitted, we may maintain and use data that, by itself, cannot identify or be attributed specifically to you for the purposes described in this Privacy Policy, including to improve our service and create new features, technologies and services and keep Match Group services safe.

Organisational Measure (94.6%):

We will notify you before material changes take effect so that you have time to review the changes.

Data Protection Officer (81.2%):
