Therefore, be sure that Amuse does not collect any Personal Data about your online activities over time.

Data Source (78.0%), Required Purpose (96.4%), Technical Measure (76.8%):

However, please note that Amuse is working with Unity Analytics in order to collect data to help us improve your experience with the Apps.

Personal Data (93.7%), Processing (97.9%), Required Purpose (93.7%):

In order to provide analytics for our Apps, Unity Analytics generates us an anonymized user ID for each user of the App.

Personal Data (99.8%), Processing (99.1%):

In addition to these IDs, Unity Analytics also collects the following personal information from our Apps: IP address and device identifiers (IDFV, Android device ID or IMEI if Android device ID is unavailable).

Processing (88.0%), Required Purpose (75.9%):

We do not use any of these data generated by Unity Analytics to track users across apps built by other developers or to map users between different services, devices, or browsers on the same computer.

Processing (99.1%):

If you post Personal Data about yourself on the Downloading Service Platform via comments for example, in addition to being collected, such data is made public for others to see.

Processing (84.7%):

You are therefore responsible for the disclosure of any such Personal Data.

Required Purpose (97.2%):

NON PERSONAL DATA Amuse may collect non-Personal Data about your use of the Apps via the Downloading Service Platform, in order to help us improve our Apps and Services.

Consent (78.0%), Organisational Measure (71.2%), Processing (93.2%):
