

Data Controller (97.0%):

Overview We care about protecting your privacy.

Data Controller (94.5%), Legal Basis (72.9%), Required Purpose (85.2%):

Your privacy is taken very seriously and therefore we aim to comply with all privacy regulations worldwide especially with the Children's Online Privacy Protection Act (COPPA).

Legal Basis (70.0%), Non-Personal Data (72.8%):

Mini Muffin Toggle navigation About Us Contact Privacy Policy This is Mini Muffin's Privacy Policy.

Processing (98.9%), Required Purpose (81.7%):

This Privacy Policy describes the information collected by Mini Muffin through mobile applications and how we use that information.

Personal Data (71.2%):

Therefore we do not collect any user information from apps on iOS.

Organisational Measure (76.0%), Personal Data (82.7%), Processing (97.1%):

For apps that involve the collection of user data, we provide clear disclosure within the application and display information about data collection on the Google Play listing.

Personal Data (99.6%):

We do not collect any personal information.

Processing (98.2%):

This includes details regarding the use of advertisements and the specific types of data gathered upon initiating the app.

Required Purpose (81.8%):

Non-personally identifiable information is general, non-identifiable and anonymous information that is gathered for analytical purposes such as the improvement of our apps.

Required Purpose (88.0%), Third Party (94.7%):

To achieve the best experience in our apps, we work with third party service providers.

Required Purpose (71.3%):

Our apps are developed for iOS and Android.

Data Controller (79.6%), Third Party (94.9%):

We also work with ad networks AdMob (Google) and Unity Ads (Unity) to serve ads in our apps.

Data Controller (97.9%), Third Party (87.1%):

<https://support.google.com/googleplay/android-developer/answer/9283445?hl=en> Our third party partners, and their privacy policies are as follows: Firebase: <https://www.firebase.com/terms/privacy-policy.html> AdMob (Google) Privacy Policy:

<https://policies.google.com/privacy?hl=en> Unity Ads (Unity) Privacy Policy:

<https://unity3d.com/legal/privacy-policy> Our apps are built with Unity and use the Unity In-App Purchases service which requires Unity Analytics to run.

Processing (87.9%):

Unity Analytics does not share user data.

Organisational Measure (76.0%), Third Party (96.0%):

All ad requests that include TFUA flag disable ads personalization for users under the age of consent and collection of data by third party partners.

Personal Data (99.4%), Processing (80.5%), Required Purpose (79.8%):

Admob uses Personal and Non-Personal Data only for internal purposes.

Legitimate Interest (94.4%), Processing (71.4%):

Legal foundation for data processing: legitimate interests (support for internal operations).

Required Purpose (80.7%), Third Party (93.5%):

In order to enable advertising we allow our advertising partners to collect online identifiers (such as Advertising ID on Android) that might be considered as personal information under some legislations, but they should use it solely for the purposes of contextual advertising.

Organisational Measure (89.2%):

If we learn that we have collected personal information of a child under the age of 13, we will proceed to delete the information as soon as possible.

Personal Data (82.3%):

The only personal information we collect from users who have identified themselves as below the age of 13 are persistent identifiers (such as device ID, advertising ID, IP address).

Processing (98.9%), Recipient (81.1%), Required Purpose (95.4%), Third Party (94.8%):

Such persistent identifiers are used and shared with third parties solely for providing support for the internal operations meaning to place contextual advertisement, to analyze the functioning of the apps, to prevent fraudulent activity, to ensure legal or regulatory compliance.

Processing (86.2%):

Additionally, we only work with advertising partners that adhere to the same standards for the collection, usage and disclosure of childrens personal information as we do.

Third Party (82.8%):

In case of such breaches you agree that our liability is limited to the amounts we are able to receive as indemnification for the breaches from our advertising partner.

Third Party (97.4%):

Links Our website or services may include links to third parties.

Organisational Measure (84.5%):

We are not responsible for these companies, therefore be sure to check their privacy policies if you decide to visit them.

Legal Basis (90.6%):

Changes to this Privacy Policy We may change or update the Privacy Policy from time to time when we add new or different features, or as the law changes.
