EFFECTIVE AS OF OCTOBER 26, 2020 Welcome to Boomplay.

Consent (96.1%):

By accessing or using our website, software, services, applications, products and content offered via Boomplay (collectively, the Services), you are accepting and consenting to the practices described in this Policy.

Processing (99.2%), Required Purpose (75.4%):

The Types of Personal Data We Collect and Use We may collect and use the following information about you: Information you share with us.

Processing (98.4%):

This is the information about you or relating to you that is voluntarily shared by you on Boomplay.

Authority (71.0%), Personal Data (99.1%), Processing (97.8%):

Information you share with us may include without limitation postings that you make on Boomplay (including your public profile, name, identification number, address, email address, social media login details, telephone number, information about your device, your browsing records, the comments you make on Boomplay, as well as account and billing details, the lists you create, and photos, videos and voice recordings as accessed with your prior consent through your device settings you turn on), any postings from others that you re-post and location data and log data associated with such postings.

Non-Personal Data (88.8%), Processing (79.8%), Retention (92.2%):

Information you share with us will remain publicly-available for so long as you or a user that has shared such information retains it.

Data Source (84.7%):

Information you share from your social networks.

Consent (93.7%), Data Source (87.5%), Processing (96.6%), Third Party (91.0%):

If you choose to link Boomplay to your social network or public forum account (including without limitation Facebook, Twitter or Google account), you may provide us or allow your social network to provide us with information from your social network or public forum accounts.

Personal Data (96.9%), Processing (99.1%), Third Party (84.3%):

For further information as to how and for what purpose the social network provider processes your data, please see their privacy policies.

Consent (95.1%), Non-Personal Data (98.0%), Personal Data (98.2%), Processing (93.9%), Required Purpose (94.8%), Technical Measure (99.4%):

We automatically collect certain data from you, including IP address or other unique device identifiers such as Google advertising ID, Android ID, Identifier for Advertising, Cookies (as defined below), mobile carrier, time zone and locale setting, operating system and platform, hardware and software versions, battery level, signal strength, available storage space, browser type, app and file names and types, Bluetooth signals, International Mobile Equipment Identity, International Mobile Subscriber Identity, data from device settings: information you allow us to receive through device settings you turn on, such as access to your GPS location, photos, videos and voice recordings and such other information on your device.

Personal Data (72.8%), Processing (96.7%), Required Purpose (74.2%):

your comments on Boomplay or any other content that you Posted on or through the Services, views and interactions on Boomplay.

Personal Data (94.6%):

In addition, we link your contact or subscriber information with your activity on Boomplay across all your devices using your email or social media log-in details, engagement (including without limitation likes, shares, comments, repeated views) and relate users based on your behavior.

Personal Data (88.9%):

Location data We may collect and process information about your location, including location information based on your SIM card, IP address or mobile device location settings, and if activated on your mobile device, by use of a Global Positioning System (GPS).

Automated Decision Making (71.6%), Personal Data (86.8%), Processing (73.5%):

When you Post content, including images, text and audio to Boomplay, you automatically upload certain metadata that is connected to the content.

Processing (81.8%):

In essence, metadata describes other data and provides information about your content that will not always be evident to the viewer.

Processing (98.7%):

Any automated decision-making, including profiling, based on the data automatically collected from you, will solely be used in optimizing the Services and tailoring it to your preferences.

Personal Data (77.7%):

It further includes information such as your account name that enables other users to trace back the content to your user account.

Third Party (95.6%):

Information from third parties.

Personal Data (88.1%):

Contact Information.

Personal Data (99.4%):

We may collect contact information from your contact list, address book and your social network to help you and others find people you may know and enable you to link your Boomplay contact list with the contact lists on your device and/or in your account on third party services.

Consent (74.8%):

We will ask for your consent to access your contact list and address book before doing so.

Consent (81.7%):

You may at any time allow or disallow us to access your contact list and address book by changing your settings.

Personal Data (99.5%), Third Party (74.9%):

If you create a Boomplay account by connecting with a third-party service, such as Facebook, Google, Instagram, Whatsapp or Email, we may collect information from such third-party service, including without limitation your third-party service user name, gender, profile image, birthday and third-party service contact list.

Technical Measure (98.4%):

Cookies We use cookies and other similar technologies (e.g.

Required Purpose (98.3%), Technical Measure (86.4%):

web beacons, Flash cookies, App cache, etc.) (Cookies) to enhance your experience using Boomplay.

Required Purpose (79.9%):

Cookies are small files which, when placed on your device, enable us to provide certain features

and functionality.

Required Purpose (93.2%):

These are Cookies that are required for the operation of Boomplay and to keep your account and data safe and secure.

Required Purpose (94.7%):

They allow us to recognize and count the number of visitors and to see how visitors move around Boomplay when they are using it.

Required Purpose (96.6%):

This helps us to improve the way Boomplay works, for example, by ensuring that users are able to find what they are looking for easily.

Retention (76.7%):

In connection with your content the metadata can describe how, when and by whom the piece of content was collected and how that content is formatted.

Required Purpose (83.3%):

This enables us to personalize our content for you, greet you by name and remember your preferences (for example, your choice of language or region).

Required Purpose (97.7%):

We will use this information to make Boomplay and the advertising displayed on it more relevant to your interests.

Required Purpose (80.5%):

We may also share this information with third parties for this purpose.

Consent (87.4%):

Unless you opt out of Cookies, we will assume you consent to the use of Cookies.

Third Party (90.7%):

"Do not track" signals are preferences that users can set on their web browser to limit how their activity is tracked across third-party websites or online services.

Required Purpose (94.1%):

Analytics information On Boomplay, we use third-party analytics tools to help us measure traffic and usage trends for the Services.

Required Purpose (85.6%):

These tools, for example, collect information sent by your device or our Services, including the pages you visit, add-ons, and other information that assists us in improving the Service.

Required Purpose (99.5%):

The information will be used to report and evaluate your activities and patterns as a user of Boomplay to provide services in accordance with these activities.

Required Purpose (89.2%):

How We Use Your Personal Data We will use the information we collect about you in the following ways: To administer Boomplay (i.e.

Required Purpose (92.8%):

to provide our Services to you) and for internal operations, including troubleshooting, data analysis, testing, research, statistical and survey purposes (i.e.

Data Source (70.1%), Personal Data (94.2%), Required Purpose (97.2%):

to guarantee Boomplays stability and security) and to solicit your feedback; To allow you to participate in interactive features of Boomplay, when you choose to do so; To personalize the content you receive and provide you with tailored content that will be of interest to you; To improve and develop Boomplay and conduct product development; To measure and understand the effectiveness of our recommendation and service we offer to you and others; To provide you with tailored services based on the country settings you have chosen, such as recommendations and other content that is related to the country settings; To make suggestions and recommendations to you and other users of Boomplay about goods or services that will interest you or them; To allow other users to identify you as a user of the Service and to support the socializing function of the Services; To provide you with your profile information to send to anyone you choose and to enable you to participate on Boomplay and interact with other users; To make your information available to other users in accordance with the privacy settings you chose for the respective information; To show you content that is similar to content you liked or interacted with (by commenting and/or watching the content), content from your region as well as content from users you follow; To promote the Services and use information that you give to us, such as content which you choose to Post on or through the Services, as part of our advertising and marketing campaigns to promote the Services; To enable our messenger service to function; To verify accounts and activity, combat harmful conduct, detect and prevent spam and other bad experiences, maintain the integrity of Boomplay, and promote safety and security on and off of Boomplay; To notify you about changes to our Services; To communicate with you; To provide you with user support; To enforce our terms, conditions and policies; For any other specific reason provided to you at the time we collect your information.

Required Purpose (84.4%), Third Party (92.2%):

Please read the following carefully to understand our views and practices regarding your personal

data and how we will treat it.

Legitimate Interest (96.0%):

It is in our legitimate interest to promote the Services, and we may use information that you give to us, such as content that you choose to Post on or through the Services, as part of our advertising and marketing campaigns to promote the Services.

Third Party (73.2%):

How We Share Your Personal Data We may share your personal data with selected third parties in or outside your country, including without limitation: Our business partners so that we can make you special offers via Boomplay; With respect to on-screen ads, advertisers and advertising networks that require the data to select and serve advertisements to you and others.

Third Party (76.2%):

We may also receive information from third parties (such as advertising networks and analytics providers) and from other sources, including business directories and other commercially or publicly available sources.

Contract (95.1%), Personal Data (90.4%), Processing (97.4%), Required Purpose (88.9%):

Without your consent, we will not share your contact details to our business partners to avoid direct contact from them, but we may share other information so that they can make you offers tailored to your requirements; Cloud storage providers to store the information you provide and for disaster recovery services, as well as for the performance of any contract we have entered into with you; Analytics and search engine providers that assist us in the improvement and optimization of Boomplay.

Authority (96.5%), Legal Basis (79.4%), Required Purpose (75.3%), Right (94.8%):

We may share your information with law enforcement agencies, public or tax authorities or other organizations if legally required to do so, or if we have a good faith belief that such use is reasonably necessary to: Comply with a legal obligation, process or request (including tax and related reporting requirements); Enforce our Terms of Service and other agreements, policies, and standards, including investigation of any potential violation thereof; Detect, prevent or otherwise address security, fraud or technical issues; Protect the rights, property or safety of us, our users, a third party or the public as required or permitted by law (including exchanging information with other companies and organizations for the purposes of fraud protection and credit risk reduction).

Processing (93.6%), Recipient (77.0%):

We may also disclose your information to third parties: In the event that we sell or buy any business or assets, in which case we may disclose your data to the prospective seller or buyer of such

business or assets; or If we sell, buy, merge or partner with other companies or businesses, or sell some or all of our assets.

Third Party (79.0%):

We may share your information with any member or affiliate of our group, which includes our subsidiaries, our ultimate holding company and its subsidiaries, and companies that we control, are controlled by or under common control, and our service providers and strategic business partners, and their respective subsidiaries, in each case in or outside your country, for the purposes set out above (How We Use Your Personal Data).

Personal Data (98.3%), Processing (73.5%):

In such transactions, user information may be among the transferred assets.

Third Party (96.7%):

In any such cases, the third party company or business will adhere to the provisions of this Privacy Policy and where it will result in a change in any of the provisions herein, such changes will be communicated to you and you will be given the chance to consent or opt out at your discretion.

Organisational Measure (72.6%):

The Security of Your Personal Data We take steps to ensure that your information is treated securely and in accordance with this policy.

Processing (97.8%):

Unfortunately, the transmission of information via the internet is not completely secure.

Processing (93.4%):

Although we will do our best to protect your information, for example, by encryption, we cannot guarantee the security of your information transmitted through Boomplay; thus, any transmission is at your own risk.

Organisational Measure (84.2%):

We have put in place appropriate technical and organizational measures to ensure a level of security appropriate to the risk of varying likelihood and severity for the rights and freedoms of you and other users.

Organisational Measure (92.8%):

We maintain these technical and organizational measures and will amend them from time to time to improve the overall security of our systems.

Third Party (89.7%):

We will, from time to time, include links to and from the websites of our partner networks, advertisers and affiliates.

Retention (78.5%):

After you have terminated your use of our Services, we can store your information in an aggregated and anonymized format.

Personal Data (98.9%), Required Purpose (93.7%):

Notwithstanding the foregoing, we can also retain any personal information as reasonably necessary to comply with our legal obligations, allow us to resolve and litigate disputes, and to enforce our agreements.

Legal Basis (97.4%), Processing (77.8%):

Information Relating to Children The Services are not offered to children whose age makes it illegal to process their personal data or requires parental consent for the processing of their personal data under any applicable laws.

Art. 17 Right to erasure (right to be forgotten) (75.9%):

If you are a parent of a child under the Age Limit and become aware that your child has provided personal data to us, please contact us at privacy.boomplay@transsnet.com to delete such data.

Organisational Measure (70.5%):

If you are under the Age Limit, please do not use the Services, and do not provide any personal data to us.

Organisational Measure (75.0%), Personal Data (78.2%):

If we are aware that we have collected the personal data of a child under the Age Limit, we will take reasonable steps to delete the personal data.

Personal Data (97.7%):

Complaints In the event that you wish to make a complaint about how we process your personal data, please contact us in the first instance at privacy.boomplay@transsnet.com and we will endeavor to deal with your request as soon as possible.

Organisational Measure (82.2%):

It is your responsibility to remain informed of any changes.

Art. 16 Right to rectification (95.3%):

Your rights You have the right to make a request to access and delete the personal data we hold about you, to rectify any personal data held about you that is inaccurate, the right to data portability and the right to request the suspension of the processing of your personal data.
