Scale EU (81.3%):

If you are located in the European Region, WhatsApp Ireland Ltd.

Personal Data (99.2%), Processing (96.1%), Required Purpose (83.3%):

WhatsApp LLC is also the data controller for any processing of personal information about you and you can contact us using the details in the section Contact Us below.

Required Purpose (82.4%), Third Party (98.9%):

Business Functions may be offered by WhatsApp, third parties and/or Meta, via integrations into our Business App, and may be subject to the third parties own terms of service and privacy policies.

Data Subject (84.1%), Legal Basis (99.2%), Personal Data (99.0%), Processing (99.6%):

This WhatsApp Business App Privacy Policy (Business App Privacy Policy) explains WhatsApps data practices with respect to the Business Functions, and applies only to the extent information

relating to users of the WhatsApp Business App would be considered personal data and is processed by WhatsApp as a controller, each under applicable law.

Data Controller (98.0%):

WhatsApp Legal Info If you are located in the UK, WhatsApp LLC ("WhatsApp," "our," "we," or "us") provides our Business App to you under this Terms of Service and this WhatsApp Business App Privacy Policy.

Processing (99.3%):

Information We Collect In addition to the information described in the applicable WhatsApp Privacy Policy, we collect the following information.

Non-Personal Data (96.5%), Personal Data (97.6%), Required Purpose (70.9%):

In addition to your phone number, you must provide basic information about your business to create a WhatsApp business account, including your business name and business category.

Non-Personal Data (80.6%), Personal Data (98.2%):

You can add other optional information to your business account, such as a profile picture and cover photo; contact information like your business address, business email, and website; a description of your business and any products or services you offer (such as their names, descriptions, images, videos, prices, and related marketing materials); and your intended audience.

Non-Personal Data (88.5%):

For example, we collect information about your business profile settings; how you use Business Functions like catalogs, labels and quick replies; purchases and transactions with your business; and metrics related to how customers interact with your business.

Required Purpose (99.1%):

How We Use Information We use the information we collect for the same purposes described in the WhatsApp Privacy Policy, and also to operate, provide, improve, understand, customize, support, and market our WhatsApp Business App and Business Functions.

Required Purpose (98.8%):

We use the information we have to operate and provide our WhatsApp Business App and Business Functions, including providing you with business support; providing onboarding tools; providing message creation and delivery tools; providing you new and premium Business Functions (some of which may be offered by third parties and/or Meta); and improving, fixing, and customizing our WhatsApp Business App.

Required Purpose (91.7%):

While the WhatsApp Business App includes various features available in the WhatsApp Messenger

App, some features may not be available; and not all Business Functions are available everywhere.

Personal Data (89.6%), Required Purpose (96.2%):

We also use your information to respond to you when you contact us.

Required Purpose (98.0%):

In addition to the safety, security and integrity purposes described in the WhatsApp Privacy Policy, we also use the information we have to maintain safety, security and integrity on our WhatsApp Business App, for example: to create quality and integrity inferences about businesses; secure WhatsApp systems and WhatsApp Business App users accounts; fight threats, abuse, or infringement activities; promote safety, security, and integrity on the WhatsApp Business App; and to ensure compliance with our terms and policies.

Processing (99.4%):

Information You and We Share You and we share information as described in the WhatsApp Privacy Policy, plus additional sharing relevant to the Business Functions.

Non-Personal Data (81.6%), Personal Data (96.3%):

Business profile information is publicly available, including your business name, phone number, hours of operation, business category, address, email address, website(s), description, and Facebook and Instagram accounts (if added).

Right (73.2%):

Region Specific Information Additional information for users located in the US You can learn more about the consumer privacy rights that may be available to you, by reviewing the WhatsApp Business App United States Regional Privacy Notice [here](#).

Legal Basis (96.0%), Recipient (79.7%):

Assignment, Change Of Control, And Transfer In the event that we are involved in a merger, acquisition, restructuring, bankruptcy, or sale of all or some of our assets, we will share your information with the successor entities or new owners in connection with the transaction in accordance with applicable data protection laws.

Legal Basis (76.4%), Processing (97.7%):

Law, Our Rights, And Protection Review the WhatsApp Privacy Policy to understand how we access, preserve, and share your information in response to legal obligations.
