StoryToys Apps Privacy & Security Policy About Blog Support Careers Apps About Blog Support Careers Apps 29 October 2024 Für die Datenschutzerklärung in deutscher Sprache klicken sie hier StoryToys Privacy Notice 1 Who we are StoryToys Limited, a private limited company incorporated under the laws of Ireland under company registration number 459470 and having its registered office at Exchequer Chambers, 23 Exchequer Street, Dublin 2, Ireland (StoryToys, we, us, our) is the controller for the purpose of this privacy notice.

Personal Data (99.8%), Required Purpose (85.4%):

As such, any feature of the website that permits the input of personal data, for example by subscribing to newsletters or other publications, are only intended for use by an adult and is generally placed in areas of our website directed to adults only.

Data Controller (95.0%), Personal Data (97.7%), Processing (98.9%):

We do not knowingly process children's personal data.

Processing (96.3%):

If you make any in-app purchases on a StoryToys App, the privacy notices of the relevant App Channel Provider will also apply in respect of the personal data it controls and processes.

Personal Data (99.4%):

3 Types of personal data we process Personal data means information about an individual from which that person can be identified.

Data Processor (83.1%), Processing (97.8%):

StoryToys Apps provide numerous activities and features for children that do not require the processing of personal data.

Consent (88.0%), Personal Data (82.0%), Processing (98.8%), Right (93.3%):

Throughout this privacy notice we use the term processing to refer to all activities involving your personal data, including collecting, handling, storing, sharing, accessing, using, transferring, erasing and disposing of it.

Data Subject (91.6%), Non-Personal Data (91.6%), Processing (95.0%):

This notice applies to you when you access, browse and use our website (through various domains) and StoryToys Apps, join our mailing lists to receive our newsletter communications, and interact with us on the website, our social media pages, by telephone, email and by other means.

Non-Personal Data (85.2%), Personal Data (98.9%):

Website: Typically, we process the following kinds of personal data when you use our website: Identity and Contact Data includes your name, email address, country of residence, authentication token for social media accounts and any personal data provided when contacting us.

Non-Personal Data (99.0%), Personal Data (85.6%):

Technical Data (Website) may include internet protocol (IP) address, browser type and version, time zone setting and location, country and language, browser plug-in types and versions, operating system and platform and other technology on the devices you use to access our website; Usage Data (Website) includes information about how you use our website such as the services you view or search for, page response times, download errors, length of visits and page interaction information (such as scrolling, clicks and mouse-overs), traffic data, web logs and other communication data and the resources that you access; and Marketing and Communications Data includes your preferences in receiving electronic newsletters and marketing communications from us and your communication preferences.

Data Subject (74.4%), Non-Personal Data (93.6%), Processing (97.1%):

However, your App Channel Provider only provides us with aggregated information so that we know how many users purchase content for StoryToys Apps via the App Channel Provider, but we do not know the actual identity of those users (including you).

Personal Data (94.8%):

Please consult your App Channel Providers privacy notices for information on how they process this type of personal data; Technical Data (App) except as described below in respect of our older apps, StoryToys Apps do not collect your device ID.

Non-Personal Data (76.6%), Processing (88.6%):

Instead, we create an anonymous ID in respect of your device, which is a random alphanumeric value but not linked to a device ID, so that we know generally the time zone setting and location, country and language, browser plug-in types and versions, operating system and platform and other technology on the devices used to access StoryToys Apps, but not specifically relating to you or your device.

Non-Personal Data (90.8%):

Instead, we create an anonymous ID in respect of your device, which is a random alphanumeric value but not linked to a device ID, so that we know generally (but not specific to you) information on use of a StoryToys App, length and frequency of use, content use (e.g.

Non-Personal Data (93.5%):

pages, game play or video watched), information regarding the volume and status of data transmission, page interaction information, activity completion information, click-through statistics, and the date and time users access certain parts of a StoryToys App.

Third Party (93.4%):

When you download an App, you may do so through a third party application online store such as the Apple App Store.

Personal Data (72.2%), Processing (91.2%):

Website and StoryToys Apps (except apps that are available on Apple Arcade): We also collect, use and share aggregated data such as statistical or demographic data for various purposes.

Processing (96.7%):

However, if we combine or connect aggregated data with your personal data so that it can directly or indirectly identify you, we treat the combined data as personal data which will be used in accordance with this privacy notice.

Personal Data (98.9%):

We do not collect any special categories of personal data about you (this is personal data that reveals racial or ethnic origin, political opinions, religious or philosophical beliefs or trade union membership; genetic data; biometric data for the purpose of uniquely identifying an individual or data concerning health or sexual orientation).

Required Purpose (94.3%):

We will let you know at the time of collecting personal data from you whether you must provide the personal data in order to receive any of our products or services, and whether the provision of personal data requested by us is optional.

Data Source (81.1%), Personal Data (92.7%), Processing (76.1%):

4 How your personal data is received We may receive your personal data through various means including: Direct interactions: As a user of our website, you may give us your Identity and Contact Data, filling in website forms, sharing product details or by corresponding with us by post, phone, email, social media or otherwise.

Technical Measure (98.2%):

We collect this by using cookies, tracking codes and other similar technologies.

Technical Measure (98.8%):

We may also receive Technical Data if you visit other websites using our cookies.

Data Source (70.5%), Required Purpose (98.0%), Technical Measure (99.4%), Third Party (99.4%):

Third party sources: For website users only, we may receive personal data about you from third parties, as set out below: Technical Data (Website) from the following parties: We use Google Analytics to better understand the use of our website (which is intended for adults only).

Processing (94.8%):

Our website <https://storytoys.com/> is intended for use by adults who wish to learn about our products and services (each a StoryToys App).

Data Controller (93.2%), Required Purpose (87.8%), Technical Measure (92.4%), Third Party (82.8%):

These features use cookies and anonymous identifiers to collect information and help target advertising; we also receive this kind of data from advertising networks such as Google Ads; Identity and Contact Data (specifically your email address) from Mailchimp when you subscribe for our newsletters.

Required Purpose (85.1%):

However, the App Channel Operator provides us with aggregated and de-identified information so we do not know it is specific to you or your device.

Personal Data (98.6%), Processing (97.1%), Required Purpose (80.1%):

StoryToys Apps are only available for download from app stores made available by authorised app channel providers (for example, Apples App Store, Google Play, Amazon Appstore or such other app store as we may authorise) (an App Channel Provider).
