Last Updated a May 2018 About Us At Oceanhouse Media, our website(s) (www.oceanhousemedia.com, www.committo3.com, www.beautyeverywhere.com) are just for adults, while our apps are designed for the whole family, including young children with parent supervision.

Data Controller (91.7%), Personal Data (98.6%), Processing (99.5%):

We take privacy seriously at Oceanhouse Media and this policy is designed to share what information we collect and how we use it.

Legal Basis (72.8%), Organisational Measure (76.6%):

Oceanhouse Media may change or update the Privacy Policy at any time as we add new or different features, or as the law changes.

Organisational Measure (89.8%):

Unless another date is given, the changes are effective upon posting.

Organisational Measure (91.3%):

If we make a material change to this policy we will post notice here.

Consent (85.6%), Personal Data (75.2%), Third Party (98.0%):

The only third party service providers we use in our apps are to support our internal operations and we do not collect anything that is personally identifiable in our apps for children.

Required Purpose (92.3%), Third Party (93.4%):

Third Party Providers To help us provide you with the best service, we work with third party analytics providers AppsFlyer and Facebook.

Personal Data (97.7%):

In association with them, we may collect your unique device identifier and IP address.

Required Purpose (96.9%), Technical Measure (81.7%):

We use mobile analytics software to allow us to understand the functionality of the apps on your device.

Non-Personal Data (96.1%), Processing (99.2%):

This software may record information such as how often you use the apps, what happens within the apps, aggregated usage, performance data, app errors and debugging information, and where the apps were downloaded from.

Personal Data (99.4%), Processing (97.4%):

We do not link the information we store within the analytics software to any personally identifiable information that you submit within the mobile application.

Art. 17 Right to erasure (right to be forgotten) (83.7%), Data Source (87.7%):

Note: If you prefer that Facebook not have access to analytics data from our apps, please simply delete the Facebook app from your mobile device.

Personal Data (99.6%), Required Purpose (98.9%), Third Party (90.7%):

Also, for the purposes of managing user accounts and customer service, we work with third party service providers ActiveCampaign, Heroku and UserVoice.

Data Source (78.9%):

In association with them, we may collect and store information provided by you.

Processing (98.5%):

There are two types of data that may be collected.

Personal Data (99.8%):

The first one is called personal data.

Data Source (86.8%):

Oceanhouse Media may collect personal data that adults voluntarily provide on the website(s), or by volunteering data via our apps.

Personal Data (99.7%):

This may include first name, last name, username, email address, password and preferences.

Personal Data (98.7%):

The second type is non-personal data which doesn't directly identify an individual or which may have been personal information, but has had the personally identifiable information removed.

Non-Personal Data (84.3%), Personal Data (90.7%):

This may include technical data such as internet protocol (IP) address, browser type and version, time zone setting and location, browser plug-in types and versions, operating system and platform and other technology on the devices you use to access this website or our apps. Oceanhouse Media may also collect non-personal information about the use of the website(s), products and apps to help us improve our services.

Personal Data (99.1%), Required Purpose (92.2%):

More About Personal Data We collect personal data when a user subscribes to a newsletter or alert, submits content to a forum or blog, requests technical support, gives us feedback, sends an email through one of our apps or creates a user account.

Personal Data (81.9%):

This data may include a name (screen or nickname), email address, mailing or shipping address and telephone number.

Processing (90.3%), Required Purpose (98.9%):

This information may be used to provide services and the sites to you, information about new services & features and to send notifications if consent to receive them has been given.

Personal Data (93.5%), Required Purpose (95.5%), Technical Measure (98.3%):

More about Non-Personal Data We may use cookies and web beacons to help deliver and analyze our services (e.g., by counting the number of times a page or advert has been viewed).

Automated Decision Making (97.4%), Data Source (71.3%), Personal Data (79.1%), Processing (97.1%), Required Purpose (98.8%):

Automated Information Oceanhouse Media automatically receives and records information from your browser or your mobile device when you visit our websites or use our apps or use certain other services, such as your IP address or unique device identifier, cookies and data about which pages you visit in order to allow us to operate and provide the Services.

Processing (96.9%):

Some of this information is stored in log files and is collected automatically.

Data Source (74.5%), Processing (96.1%), Third Party (87.6%):

We may combine this information from your browser or your mobile device with other information that we or our partners collect about you, including across devices.

Required Purpose (99.0%):

This information is used to provide advertising, including across your devices, and a more personalized experience for you.

Retention (89.9%):

We may also automatically collect device-specific information when you install, access, or use our apps.

Non-Personal Data (88.4%), Personal Data (95.9%):

This information may include information such as the hardware model, operating system information, app version, app usage and debugging information, browser information, IP address, and device identifiers.

Data Source (81.1%), Third Party (95.1%):

Third parties or publicly available sources We may receive Personal Data about you from various third parties and public sources including: Technical Data from analytics providers [such as Google based outside the EU] and our social media pages [such as Twitter, Facebook, LinkedIn & Instagram].

Required Purpose (99.6%):

A Word About What We Might Disclose As you can see, we collect minimal personal data, and some non-personal data for internal use only or in conjunction with third parties to help us operate, analyze, and improve our sites and services.

Legal Basis (70.3%), Personal Data (85.7%), Processing (99.1%), Required Purpose (97.8%):

In addition, we may disclose your personal or non-personal information to additional parties if we believe we are required to by law, by a judicial proceeding, to protect Oceanhouse Media's rights and properties, or to investigate fraud, intellectual property infringement, and any other conduct that might be illegal or expose Oceanhouse Media or a user of its services to legal liability.

Required Purpose (83.3%):

In addition, Oceanhouse Media may disclose information in the event of a change or proposed change in the ownership of the company; for example, a sale, a merger, or bankruptcy.

Required Purpose (99.7%):

Tracking We use Google Analytics Advertising Features to better understand the use of our website.

Required Purpose (87.5%), Technical Measure (76.1%):

We may use cookies and anonymous identifiers to collect information and help target advertising.

Technical Measure (81.0%):

You can also configure your browser to accept or reject cookies.

Data Source (76.7%):

Links We may include links to third parties from our website or services.

Third Party (75.3%):

And remember, your use of Oceanhouse Media's sites and services may also be subject to the terms and conditions and privacy policies of other services that Oceanhouse Media doesn't control such as mobile application stores, mobile software platforms, online social media sites, or payment processors.

Personal Data (85.6%):

This Privacy Policy is also part of the Terms of Service that explain your rights and responsibilities and Oceanhouse Media's when using Oceanhouse Media's services and sites.

Required Purpose (98.8%):

Promotional Offers From Us We may use your Personal Data to form a view on what we think you may want or need, or what may be of interest to you.

Required Purpose (84.8%):

This is how we decide which products, services and offers may be relevant for you (we call this marketing).

Consent (92.7%):

You will receive marketing communications from us if you have requested information from us or received services from us and, in each case, you have not opted out of receiving that marketing.

Organisational Measure (81.4%):

Security Oceanhouse Media uses generally accepted security measures and safeguards in an attempt to keep the data it collects secure and requires that the third parties it works with agree to do the same.

Organisational Measure (72.5%):

If you don't agree with this Privacy Policy or the Terms of Service, you should not use the sites and services.

Organisational Measure (92.8%):

The measures and safeguards include limiting access to the data to those persons who need it to complete their work for Oceanhouse Media, using a firewall protected environment, and storing personal information in secure operating environments.

Organisational Measure (76.3%):

That said, Oceanhouse Media cannot and does not guarantee and does not accept liability for unintentional disclosure.

Personal Data (73.0%), Processing (94.0%), Retention (98.5%):

Data Retention Oceanhouse Media keeps your data for as long as necessary in providing its services.

Retention (77.9%):

Occasionally it may take us longer than a month if your request is particularly complex or you have made a number of requests.
