

Data Controller (91.8%), Technical Measure (84.5%):

Privacy - Cowly Owl Games About Fan Club Blog Help Privacy Introduction At Cowly Owl we care very much about your privacy.

Data Controller (87.5%):

We are upfront about what our apps contain, so there are no hidden surprises.

Data Controller (80.0%), Data Subject (83.9%), Personal Data (99.2%), Processing (97.5%):

Child friendly app - No in-app purchases - No third-party advertising - No social media integration - No collection or sharing of personal information Data Collection We dont collect any personally identifiable information about the users of our apps.

Non-Personal Data (87.9%), Required Purpose (95.0%):

We do collect anonymous usage statistics to help us improve our apps.

Required Purpose (91.3%):

Anonymous usage statistics, also called analytics, help us improve an app once it has been released.

Required Purpose (86.8%):

As creators of apps for children, we follow the best practices as specified by the "Know what's inside" program and aim to comply with The Childrens Online Privacy Protection Act (COPPA) and GDPR.

Personal Data (98.4%):

- Firstly, we collect NO personally identifiable information.

Personal Data (95.8%):

So not your phone number, email address, your city, photos.

Consent (84.7%), Non-Personal Data (97.2%), Processing (86.9%):

- We do store what device you are using, which version of the operating system.

Third Party (84.1%):

How do we do this Prior to 24th May 2018, we were using a third party service called Flurry Analytics.

Non-Personal Data (76.3%), Required Purpose (92.6%):

We were using the restricted version of their analytics product designed specifically for use with apps for children, meaning that the anonymous data created from our apps isnt used anywhere else in their system, its only for us to improve the apps.

Processing (98.8%):

These audio files are saved on the iPad and are never uploaded or shared anywhere.

Processing (97.0%):

All of our apps and games are marked as 'for children' within Unity Analytics, so data isn't shared (more information).

Processing (98.8%):

If you believe we have mistakenly collected such information, please contact us so we can resolve the issue.
