The information collected includes: Questions or concerns you submit via our customer service functions or in consultations with our personnel Service Call or online Chat recordings Video Conference Calls: interactions with our staff may be via video conferencing and, in such circumstance, the video may be recorded Screen sharing: We may also ask to share your screen for the purpose of resolving your inquiry, and in such cases, these screen share sessions may also be recorded.

Data Source (88.2%), Processing (94.8%), Technical Measure (88.4%), Third Party (98.9%):

Social Media: We may monitor and collect information from interactions with our social media accounts, which are operated by third parties, posted on our accounts or linked to us on third-party operated social networks or other web offerings (such as Twitter, LinkedIn, Facebook, Instagram, TikTok, or Google).

Personal Data (98.7%), Required Purpose (81.8%), Technical Measure (95.7%):

These features may collect your IP address, which page you are visiting on our site, and may set a cookie to enable the feature to function properly.

Third Party (98.1%):

Social media features and widgets are either hosted by a third party or hosted directly through our Services.

Personal Data (96.0%), Required Purpose (75.2%):

Information and content you post: Our services may include community forums or other similar online spaces where you may be able to connect with other users.

Personal Data (90.0%):

When you post or share comments or other content when using our services, we may collect

information such as your name, username, email, comments, likes, interest, status, and pictures.

Consent (91.6%), Personal Data (99.2%), Processing (77.0%):

We may also collect audio or visual content such as photos, videos, or recordings you choose to post when using our services, or when granting us access to your camera or microphone while using interactive features of our services.

Contract (93.7%), Personal Data (86.1%), Retention (80.1%):

Information you provide when you do business with us: If you are a vendor, service provider, or business contractor of AHA, we may collect information about you and the services you provide, including your or your employees business contact information.

Non-Personal Data (75.3%), Required Purpose (75.9%):

Usage Information We collect information about your browser or device as it interacts with the Services.

Processing (98.3%), Required Purpose (99.8%):

Automatically collected information may be combined with other information we collect about you to improve the services we offer you, and our marketing, analytics, and site functionality.

Personal Data (96.8%), Processing (96.8%):

This information includes: Computer or mobile device information you use to access our Services, including: your IP address the hardware model operating system version mobile network information location information other information that identifies your computer or device User interaction information: We log information about your use of the Services, including, information such as: the type of browser you use loading and access times pages viewed and features accessed the page you visited before navigating to our Services whether you have started or completed use of an offering other events that occur while engaging with our Services Links: We also may keep track of how you interact with links on the Services, such as in emails, third-party services, and client applications Email read receipts: If we send you a communication, such as an electronic mail, we may collect available information regarding your receipt and review of such communication.

Non-Personal Data (75.5%), Technical Measure (77.7%):

It can include health and other information you submit when you use our interactive tools and services.

Automated Decision Making (92.3%), Data Processor (75.5%), Processing (97.6%), Technical Measure (99.0%):

Cookies, etc.: We and our service providers may use cookies and similar technologies to automatically collect and store other information about your visit to, or use of, our online services.

Non-Personal Data (97.6%):

Mobile Analytics: When you interact with us on your mobile device, our mobile analytic software may record information such as how often you use the application, the events that occur within the application, aggregated usage, performance data, and where the application was downloaded from.

Required Purpose (98.4%):

This information allows us to better understand the functionality of our mobile software.

Personal Data (99.1%):

We do not utilize the information we store within the analytics software in connection with personally identifiable information you submit within the mobile application.

Processing (91.3%), Required Purpose (92.6%), Technical Measure (98.7%):

Information from Other Sources We, or our service providers, and other companies we work with may deploy and use cookies, web beacons, local shared objects and other tracking technologies for various purposes, such as fraud prevention and monitoring of our advertising and marketing campaign performance.

Data Source (77.6%):

We may also collect information about you from additional online and offline sources including from social media activities, other nonprofits, and commercially available third-party sources, and other publicly available sources.

Processing (85.3%), Third Party (88.0%):

Information We Derive We may derive additional information or draw inferences about you based on the information we have collected from you directly, through your device, or through third parties, such as research agencies and data companies.

Data Source (87.1%):

Independent of your device, the IP address we collect through your use of our Services, as described above, may itself indicate information about your location.

Required Purpose (94.9%):

If you change your mind about allowing us to use your information or have questions about our privacy practices, please use the contact options on our Contact Preference Center page to let us know.

Consent (70.5%), Personal Data (92.6%), Required Purpose (97.3%):

How We Use Information We Collect We use the information discussed above in a number of ways, such as: Processing donations and purchase transactions; Verifying your identity (such as when you access your account information); Preventing fraud and enhancing the security of your account or

our online services; Providing you the services you request; Responding to your requests and communicating with you; Managing your preferences; Performing analytics concerning your use of our online services, including your responses to our emails and the pages and advertisements you view; Providing you tailored content and marketing messages, including fundraising messages; Operating, evaluating, and improving our programs (including developing new products and services; improving existing products and services; performing data analytics; and performing accounting, auditing and other internal functions); Supporting the growth of our volunteer diversity and ensuring that the composition of our Boards and Committees reflect the communities that they serve Complying with and enforcing applicable legal requirements, relevant industry standards, contractual obligations, and our policies; Helping you understand your personal health information; Performing any of our contractual obligations; and For any other purposes that we may specifically disclose at the time you provide or we collect your information.

Required Purpose (73.5%):

Harnessing this information has the potential to lead to breakthroughs in research, product and program development, and more effective services.

Legal Basis (96.2%), Non-Personal Data (72.6%), Required Purpose (98.5%):

We may also use data that we collect on an aggregate or anonymous basis (meaning it does not identify any individuals) for various purposes, where permissible under applicable laws and regulations, to help deliver products, services, and content that are better tailored to the users of our services and for other purposes.

Legal Basis (91.7%), Processing (95.6%):

Consent When required by applicable law or regulation, we will ask for your consent before processing your personal information.

Third Party (85.9%):

What We Disclose to Others We may share the information we collect from and about you within our organization and with certain third parties.

Data Processor (76.5%), Required Purpose (74.0%):

For example, we may share your information with: Credit card processing companies, to process your payments and donations; Service providers that provide us with certain services or perform services on our behalf, such as professional advisors, business support, web hosting providers, information technology providers, payment processors, event service providers, direct mail and email distribution providers; analytics and market research services.

Legal Basis (95.9%), Required Purpose (95.4%), Retention (82.1%), Technical Measure

(88.3%):

These service providers are only permitted to use your personal information to help us offer our services to you and not for any other purpose; Our other Sites in an effort to bring you improved service across our large range of products and services, when permissible under relevant laws and regulations; Other organizations we work with to provide services, research, products or programs; Other similar charities; Other third parties to comply with legal requirements such as the demands of applicable subpoenas and court orders; to verify or enforce our terms of use, our other rights, or other applicable policies; to address fraud, security or technical issues; to respond to an emergency; or otherwise to protect the rights, property or security of our customers or third parties; Any third party entity that acquires or is merged with as part of a merger, acquisition, consolidation, restructuring, the sale of substantially all of our shares and/or assets, in connection with bankruptcy proceedings, reorganization, or any other change of control.

Legitimate Interest (72.3%), Personal Data (86.3%), Required Purpose (98.8%):

Donor Privacy From time to time, and where required under applicable law, with your consent, we exchange or share our donor names and mailing addresses with other reputable organizations, predominantly other non-profit organizations, in order to maintain an active donor list to support our mission to be a relentless force for a world of longer, healthier lives.

Personal Data (99.6%):

We do not share email addresses and health-related data.

Art. 17 Right to erasure (right to be forgotten) (75.5%):

To request that your information be deleted, not be shared, or otherwise change your preferences on how we contact you, please send a request using our Contact Preference Center page.

Required Purpose (88.1%):

Children's Privacy We encourage children to participate in age-appropriate activities to promote healthier lives free of cardiovascular diseases and stroke.

Personal Data (82.0%), Required Purpose (88.2%):

Although some AHA sites allow children, with parental consent, to register and participate in certain activities through their schools and communities, we do not collect more information than is necessary to enable children to participate in these activities.

Consent (90.8%), Personal Data (78.2%):

With parental consent, we may collect information from children under the age of 13 such as: name, address, email address, account information, school, messages sent to us through our chat interface, and content they create themselves.

Required Purpose (99.6%):

That information allows us to fulfill requested transactions, respond to questions about our website and programs, facilitate their participation in activities and other programs, keep records, or to otherwise customize or enhance the website experience for children.

Personal Data (94.2%):

This might include, for example, a webpage or parts of webpages operated by children that have been designed for group or public viewing, or photos of themselves involved in our programs or other activities.

Personal Data (81.9%), Required Purpose (96.6%):

Such tools store unique identification numbers or codes (i.e., persistent identifiers) that enable us to provide a personalized web experience to users, among other benefits.

Required Purpose (90.5%):

We use such persistent identifiers to support the internal operations of our web sites as described in more detail in the Section of this Privacy Statement on Cookies, Tags & Remarketing Pixels. We engage third-party service providers to help us develop and operate our web sites and Apps and to help us provide age-appropriate prizes and other rewards for children who participate in our activities.

Organisational Measure (90.4%):

Regardless of what is displayed or submitted, parents can revoke their consent, request that information about their children be hidden or, in some cases, deleted, by contacting our offices via our Contact Preference Center page.

Organisational Measure (95.1%):

When a parent revokes consent, we will stop collecting, using or disclosing information relating to that child.

Organisational Measure (81.0%):

To comply with such a request, we must verify the identity of the requesting parent.

Organisational Measure (82.6%):

Your interactions with these features are governed by the privacy notice of the company providing it.

Organisational Measure (75.2%), Processing (76.8%), Retention (73.3%):

To respect the privacy of parents, we dispose of information that is collected and used solely for obtaining verifiable parental consent or providing notice after a reasonable time after parental consent is declined or revoked.

Scale Non-EU (91.1%):

We do not knowingly collect personal information of any children under the age of 13 outside the United States.

Organisational Measure (85.7%):

You may review your information, request that we exclude your information from any donor list exchange activity, request that we stop using it, or update certain account information by logging in and accessing the account profile section of each online service for which you have registered.

Authority (95.6%), Personal Data (99.1%):

Please note that depending on where you live, you may also have the right to lodge a complaint with a supervisory authority or other regulatory agency if you believe that we have violated any of the rights concerning Personal Information.

Organisational Measure (81.5%):

We encourage you to periodically review this page for the latest information on our privacy practices.

Consent (79.3%):

We may also collect other information you or your employees provide as part of your services and our agreement with you.

Organisational Measure (81.3%), Personal Data (86.8%):

Information Security We take the security of your personal, financial and medical information that you provide to us very seriously and we take reasonable measures to safeguard your information consistent with our Privacy Statement.

Legal Basis (82.7%), Technical Measure (77.5%):

We comply with the Payment Card Industry Data Security Standards ("PCI DSS") for financial transactions, and other laws and regulations applicable to the information we collect from you.

Technical Measure (80.5%):

Our network is composed of access-controlled measures, security monitoring tools, vulnerability management program, SSL encryption, scheduled network scans, and internal and external penetration tests.

Processing (91.4%):

Cookies, Tags & Remarketing Pixels A cookie, tag, or pixel (collectively, "cookie") is a small piece of text or technology sent to your browser by a website you visit or stored on your device.

Required Purpose (95.4%):

It helps the website to remember information about your visit, like your preferred language and other settings.

Processing (98.6%), Required Purpose (96.4%):

Cookies are also used by web sites for authenticating users, tracking a users session, and/or for storing other essential textual information.

Legitimate Interest (86.0%), Processing (97.6%), Required Purpose (98.2%):

AHA tracks your interests on our sites so that we can provide you with additional content that might be of importance to you.

Required Purpose (81.6%):

Providing you with fresh and engaging content is important to us, as we know it is important to you.

Required Purpose (92.2%), Technical Measure (87.2%):

We use tools, cookies and services such as AdWords, DoubleClick and Google Analytics, and Hotjar for tracking, reporting and analyzing our Site and App activity.

Required Purpose (93.3%):

Some cookies are used to measure conversion events.

Technical Measure (98.3%):

We may later associate the usage and other information we collect online with Personal Information about you (See also the Cookies, Tags & Remarketing Pixels Section below).

Required Purpose (99.5%):

Pixel tags might be used together with some of the advertising cookies described above, to operate, evaluate, and improve our programs, and to perform data analytics, accounting, auditing, and other internal functions.

Personal Data (99.6%):

We do not run interest-based advertising campaigns that collect Personal Information including, but not limited to, email addresses, telephone numbers, and credit card numbers, nor do we use or associate Personal Information with remarketing lists, cookies, data feeds, or other anonymous identifiers.

Personal Data (97.8%):

AHA will not send Google precise location information without obtaining your consent.

Consent (82.4%):

If you want to opt out of Google's use of cookies visit Google's Ad Setting Site.

Consent (73.2%), Legal Basis (95.9%):

To learn more about other cookies used for interest-based advertising, including through cross-device tracking, and to exercise choices regarding such cookies, please visit the following websites (or your device settings for mobile applications): Digital Advertising Alliance (<http://optout.aboutads.info/>) Network Advertising Initiative (<https://www.networkadvertising.org>)

European Union Interactive Digital Advertising Alliance (<https://www.youronlinechoices.eu>) Digital Advertising Alliance-Canada (<https://youradchoices.ca/choices/>) Other Issues What is the legal basis of processing?

Processing (97.5%):

Other Privacy Policies and Practices This Privacy Statement describes our practices related to our most common data collection activities.

Legal Basis (97.4%), Legitimate Interest (94.9%):

We have several different legal grounds on which we collect and process Personal Information, including: (a) as necessary to perform a transaction (such as when we respond to your requests); (b) as necessary to comply with a legal obligation (such as when we use Personal Information for recordkeeping to [e.g., substantiate tax liability or eligibility for a course completion credential]); (c) consent (where you have provided consent as appropriate under applicable law, such as for marketing or certain cookies); and (d) where necessary for legitimate interests (such as when we act to maintain our business generally).

Consent (92.0%), Technical Measure (70.9%):

Certain web browsers allow users to opt-out of tracking by websites and online services by enabling an opt-out preference signal such as Do Not Track (DNT) or Global Privacy Control (GPC) If you choose to enable an opt-out request preference signal you will only be opted out of online sales or sharing of your information and will need to turn it on for each browser you use.

Processing (72.2%):

How long does AHA retain your Personal Information?

Retention (95.9%):

We retain your Personal Information only for so long as is necessary to fulfill the purposes for which your Personal Information was collected unless a longer retention period is required by applicable law.

Retention (73.8%):

We will take all reasonable steps to destroy, or erase from our systems, all Personal Information that is no longer required for the purposes for which the Personal Information was collected.

Right (72.5%):

Object to processing of Personal Information about you where we are relying on a legitimate interest (or those of a third party) and there is something about your particular situation which makes you want to object to processing on this ground as you feel it impacts on your fundamental rights and freedoms.

Art. 18 Right to restriction of processing (75.4%):

We may combine this information with the personal and other information we have collected about you.

Third Party (88.9%):

Request the transfer of Personal Information to you or to a third party.

Processing (88.8%):

Your personal information may be transferred to the United States or other locations outside of your state, province, country, or other location where privacy laws may not be as protective as those in your jurisdiction.

Legal Basis (85.2%), Processing (92.8%):

Where required, data transfers will be made subject to the terms of the applicable Standard Contractual Clauses or with your consent.
