

Data Controller (97.4%), Legal Basis (92.8%), Organisational Measure (78.5%):

PBS KIDS .

Data Controller (98.0%), Data Subject (93.2%), Processing (88.0%), Retention (75.0%):

We value the trust you have placed in us for many years to make quality educational children's content.

Data Controller (98.3%), Non-Personal Data (70.2%), Processing (99.6%), Required Purpose (97.9%):

Sometimes, we may need to collect information about our users and their use of our services to help us achieve that goal.

Processing (98.3%):

This privacy policy ("Privacy Policy") describes how we use, share, and protect information that we collect from you and your child, who may be under the age of 13 or 18, through websites, applications, or online services that PBS KIDS operates or that link to this Privacy Policy (collectively, the "Services").

Processing (94.8%):

Additionally, if we conduct a research study we may do so pursuant to a separate agreement, therefore this Privacy Policy may not govern the processing of information from that research study.

Non-Personal Data (87.0%), Personal Data (81.2%):

We ask parents to provide their email address so they may access certain services, login to OTT devices, see what their child has played and watched on certain Services and/or receive tips about PBS KIDS content.

Required Purpose (79.0%):

This Privacy Policy applies only to the Services.

Personal Data (99.6%):

If you do create an account, we may collect your user name and password.

Consent (95.3%), Personal Data (90.9%):

Please note that if you or your child chooses to create an account, you or your child will create a custom username.

Personal Data (99.8%):

Usernames are moderated with the aim of preventing you or your child from using any personal information to create an account.

Personal Data (82.3%):

User name and password for account creation.

Consent (92.0%), Non-Personal Data (97.4%), Processing (84.0%), Required Purpose (86.0%):

Privacy Policy Toggle message bar Apps Shop Parents TV Times Settings For Families Visiting PBS KIDS: Last modified: May 12, 2020 PBS is a nonprofit institution that strives to serve the American public.

Personal Data (79.0%), Required Purpose (95.4%):

We collect your zip code and other rough information about your location when using the Services, solely to display information for your local PBS station and provide you with localized content.

Processing (91.3%), Required Purpose (95.3%):

However, all such information is either canned or moderated to avoid collecting personal information and to help maintain a safe environment for users.

Processing (99.5%):

In most instances, these photos are only able to be stored locally on the device.

Personal Data (82.3%):

We may store correspondence with parents related to our Services.

Non-Personal Data (96.7%):

We may collect information such as preferences, avatars, high scores, connections between friends, what happens in a game, what videos are watched, or pages you view and links you click on within the Services.

Art. 17 Right to erasure (right to be forgotten) (75.0%), Non-Personal Data (96.2%), Personal Data (86.4%):

We may collect information about your device, including hardware model, operating system version, and unique identifiers.

Consent (94.5%), Legal Basis (94.3%), Personal Data (99.1%):

Student education records (and therefore PBS KIDS is not subject to the Family Educational Rights and Privacy Act ("FERPA")); Biometric or health data; Information that directly identifies a child (such as name, e-mail address, phone number); or Personal information of a child, unless we endeavor to obtain a parent or legal guardian's consent or otherwise comply with law.

Legal Basis (90.9%), Personal Data (96.4%):

We strongly encourage you to familiarize yourself not only with this Privacy Policy, but any other privacy policies or agreements that may govern your use of services.

Required Purpose (95.7%):

Provide local PBS station information including TV schedule; Please note that we only use rough geolocation information, such as zip code, as necessary to identify your local station.

Personal Data (91.6%), Technical Measure (84.7%):

A user's IP address is stored in a local cookie.

Data Subject (84.4%), Organisational Measure (75.1%):

Users may be able to disable this cookie using their browser settings.

Organisational Measure (80.2%), Processing (82.0%):

Users can also change their local station by manually providing their zip code.

Consent (79.5%), Legitimate Interest (89.9%), Non-Personal Data (79.2%), Processing (91.5%), Required Purpose (97.9%):

Provide you with other localized content, for instance our PBS KIDS 24/7 channel localized for your PBS station; To debug, or cap the frequency of, underwriting messages; Save a child's game state, settings and/or content; Send parents PBS promotional materials, or other materials related to our services; Customize the content displayed when a child uses our educational services so that their experience is appropriate for their skill level; Analyze use of the Services to understand, develop and improve our Services, such as determining which pages are most popular, which browsers are most used, how long users spend on the Services, and from which websites they come; Otherwise support the internal operations of the Services; Provide you with notifications pursuant to our legal obligations, including in the case of a data incident; Prevent potentially prohibited or illegal activities and enforce the Terms of Use; and For any other purposes disclosed to you or your child at the time we collect the information or pursuant to your consent.

Third Party (99.0%):

Do we share information we collect with any third parties?

Processing (99.7%):

We may share information that is collected from you or your child as follows: Authorized third-party vendors.

Required Purpose (99.1%):

We may share information with our third-party vendors to help us evaluate, develop and improve the Services, including performing usage analytics and data processing.

Third Party (70.8%):

PBS member stations.

Technical Measure (92.2%), Third Party (71.8%):

We are committed to creating a safe and secure environment that family members of all ages can enjoy.

Not Required Purpose (86.7%), Third Party (84.2%):

We do not rent or sell information to third parties, but we may disclose information to respond to subpoenas, court orders, legal process, law enforcement requests, legal claims or government inquiries, and to protect and defend the rights, interests, property, safety, and security of PBS, our member stations, users, or the public.

Technical Measure (97.6%):

We may use javascript, cookies, web beacons, Local Shared Objects, and other similar technologies to collect information about your or your child's use of the Services.

Required Purpose (96.5%):

We use these technologies for measurement, analytics, and to improve our Services.

Processing (84.0%):

For example, we use these technologies to help us recognize your or your child's browser as a previous user and save any preferences that may have been set; to help us customize the content shown while you use or your child uses the Services; to provide you or your child with content customized to your interests; to understand whether parents read email messages and click on links contained within those messages, so that we can deliver relevant content and offers; and to help measure and research the effectiveness of our Services.

Required Purpose (99.7%):

We may allow third parties to place and read their own cookies, web beacons, and similar technologies to collect information through the Services, including to help us with traffic measurement, research, and analytics.

Personal Data (71.9%):

We permit these third parties only to collect cookie information and similar identifiers that do not, on their own, directly identify you or your child.

Consent (91.9%), Organisational Measure (82.0%):

You may be able to refuse or disable cookies by adjusting your web browser settings.

Processing (99.4%):

Note regarding do-not-track signals and similar mechanisms: Some web browsers transmit "do-not-track" signals to websites.

Processing (83.8%):

Because of differences in how web browsers incorporate and activate this feature, it is not always clear whether users intend for these signals to be transmitted, or whether they even are aware of them.

Non-Personal Data (76.0%), Processing (96.1%):

Does PBS aggregate information?

Data Subject (87.6%):

We do not collect information that, on its own, directly identifies your child.

Required Purpose (99.6%):

We also may share aggregated or de-identified information with third parties, including to help us develop, analyze and improve content and Services.

Required Purpose (98.3%):

It is possible that the third parties may use this aggregated or de-identified information to develop their own products and service offerings.

Personal Data (84.0%):

Information regarding parental consent, access, and deletion As PBS KIDS does not collect personal information, we are not able to identify your child and therefore are not able to fulfill modification, access, correction, deletion, or portability requests.

Processing (94.7%):

We will not use children's personal information we collect, if any, for marketing or online advertising.

Retention (86.8%):

We will not keep this personal information for longer than necessary.

Personal Data (96.7%):

Parents or legal guardians may also contact us to ask if we have collected their child's personal account information, to review that information, if any, and request that PBS KIDS stop collecting this information and have it deleted.

Organisational Measure (92.2%):

We have adopted reasonable technical, administrative, and physical procedures to help protect this information from loss, misuse, and alteration, including encryption as appropriate.

Legal Basis (93.0%), Scale Non-EU (92.9%):

Notice for international users The Services are designed for and targeted to United States audiences, and are governed by and operated in accordance with the laws of the United States.

Legal Basis (92.6%):

We make no representation that the Services are operated in accordance with the laws or regulations of any other nations.

Processing (99.4%):

Information collected through the Services may be stored and processed in the United States or any other country in which we or our service providers maintain facilities.

Processing (99.3%):

Business transfers.

Legal Basis (95.9%):

Our service providers may transfer information that we collect about you, including personal information, across borders and from your country or jurisdiction to other countries or jurisdictions, some of which may not have the same data protection laws as your jurisdiction.
