Personal Data (99.8%):

Personal Information Personal Information in this policy is defined as information that could reasonably personally identify you as an individual.

Personal Data (97.4%), Processing (66.3%):

Examples would include your name, mailing and e-mail addresses, age, birthday, telephone number, picture and voice recording.

Data Controller (96.2%), Processing (99.1%):

(collectively Stingray Radio) websites.

Consent (96.3%), Non-Personal Data (97.1%), Personal Data (76.0%):

Non-identifiable Personal Information is information that by itself cannot be associated with you as an identifiable individual, such as browser type, information about your operating system, device, and the unique identifier assigned to your device.

Non-Personal Data (88.6%), Personal Data (66.6%), Third Party (99.1%):

Browsing Data is information that Stingray Radio and its third party partners may collect about your web browsing and app usage, such as the date and time you visited certain websites or apps, pages of such websites or apps that you visited, the names or types of mobile app that you visited, and other data such as page visits, ads shown, ads clicked and conversions.

Required Purpose (94.4%):

It is our policy not to associate Non-identifiable Personal Information or Browsing Data with customers, even though we verify some kinds of technical information to ensure that our websites are optimized to serve our customers.

Required Purpose (65.2%), Retention (64.1%), Scale Non-EU (81.3%):

We may collect Personal Information when you enter a contest or other promotional activities

through our websites, when you participate in interactive online activities and/or when you contact us to make requests or comment on our services.

Processing (86.1%):

You may be required to register for these features, particularly if you wish to enter a contest or promotional activity or leave comments or provide articles.

Consent (87.8%), Processing (78.3%):

If you register, and in the process provide us with Personal Information, rest assured that any such information you provide will not be shared with any third-party organization except with your express consent.

Required Purpose (95.4%):

Personal Information from children is not required to obtain access to, surf or view the content of our websites.

Required Purpose (94.7%):

However, for a child to participate in our contests or promotions, certain Personal Information may be required.

Personal Data (98.3%):

Under this scenario, we may collect the first and last name (or user name) of the child, the child's e-mail address, home address, birth date and gender, as well as the name, home address, e-mail address and telephone number of the child's parent or guardian.

Processing (98.0%), Required Purpose (71.5%):

Personal Information from a child under the age of 13 is only collected when it is necessary for the purposes of verifying the child's age, administering the child's participation in the contest or promotion and, if the child wins a prize, contacting the child's parent or guardian.

Not Required Purpose (77.0%), Processing (61.1%):

We will not use, maintain or disclose this Personal Information for any other purpose, without consent.

Personal Data (89.8%):

The child's parent or guardian can contact us at any time to get more information about our Personal Information practices or to remove the child's Personal Information from our records.

Consent (77.6%):

We also provide visitors to our websites the opportunity to opt-in to receive communications from us.

Personal Data (99.1%):

In this case, we may ask the visitor for his or her email address, first name and last name, or

username, address, city, province, phone number, postal code and birth date.

Third Party (82.6%):

Again, if you provide us with your email address and/or name for the purposes of receiving communications from us, this information will not be shared with any third party organization except in accordance with this Policy or with your express consent.

Processing (81.9%):

A lookalike audience uses either an existing custom audience or conversion data (conversion pixels) as a seed and an audience is built of similar users.

Art. 17 Right to erasure (right to be forgotten) (67.5%), Processing (89.4%), Required Purpose (86.3%):

Lookalike audiences can be used to support certain Stingray Radio business objectives, such as increasing listenership to Stingray Radios radio stations or providing additional marketing exposure to our advertising partners.
