Data Subject (90.0%), Personal Data (90.9%), Processing (99.6%):

When you access, browse, or use the Services, information will be collected, transferred, processed, stored, and disclosed in accordance with this privacy policy (Policy).

Processing (99.4%):

This Policy governs the information collection and disclosure practices for the Services.

Consent (86.7%), Personal Data (99.8%), Processing (98.9%), Required Purpose (69.8%):

By accessing, browsing, or using the Services, including registering an account with our Services, you expressly consent to the collection, transfer, use, processing and storage of your information (including personal information), as described in this Policy.

Data Source (85.3%), Personal Data (99.7%), Processing (87.8%), Retention (83.4%):

If you register for an account within or to access a Service, we will collect some personally identifiable information from you, including your full name, username, email address, and a password that you select.

Personal Data (62.2%), Processing (97.6%):

When you interact with the Services, we also receive and store certain additional types of information which, in general, do not directly identify you.

Automated Decision Making (96.8%), Non-Personal Data (97.9%), Personal Data (98.8%), Processing (76.1%):

For example, we automatically receive and record information on our server logs from your browser or device including your IP address, browser type and language, referring/exit pages and URLs, other browser history, device type, WIFI network information (including name and password), platform type, number of clicks, landing pages, cookie information, the pages you requested and viewed, the amount of time spent on particular pages, and the date and time.

Retention (66.0%), Third Party (98.9%):

You can register for an account from our account registration system, or a third party site or service such as Facebook (Account).

Personal Data (99.4%), Processing (96.8%):

When you register for an Account you will be asked to provide some personally identifiable information, such as your full name, email address, phone number, camera SN code and a user name and password that you select.

Processing (95.1%), Third Party (98.3%):

When you provide credentials for a third party site or service, we may use those credential to obtain information about you from that third party.

Data Controller (98.2%):

We are not responsible for any problems, interruptions in access, or liability that may arise if you do not give us complete and accurate information or if you fail to update your information so that it is current.

Personal Data (92.5%):

When you associate a product with your Account you will need to provide WIFI network information (including username and password) and provide a unique identifier associated with your Account (e.g.

Retention (91.1%):

Once a product is associated with your Account it will remain associated until you unbind the product from your Account or terminate your Account.

Organisational Measure (68.3%), Personal Data (97.7%), Processing (95.5%), Required Purpose (67.7%), Third Party (99.4%):

If you send us personal correspondence, such as emails or letters, or if other users or third parties send us information about your use of the Services, we may save the information in a profile specific to you.

Consent (89.3%), Personal Data (93.6%), Processing (98.6%):

You may choose to share information with third-parties such as social networking Sites like

Facebook and WeChat (Social Sites) by sharing videos and photos.

Automated Decision Making (67.0%), Non-Personal Data (88.3%), Personal Data (71.1%):

In general, automatically collected information about use of the Services does not directly identify you and the information may include your diagnostic log information, IP address, browser type and language, referring/exit pages and URLs, other browser history, platform type, number of clicks, landing pages, cookie information, the pages you requested and viewed, the amount of time spent on particular pages, the actions performed in the APP, the info(OS type/version, network, etc.) of the phone which the APP was installed, and the date and time.

Required Purpose (94.0%):

We collect this information for the purposes described in this Policy, including to better understand our customer base and to improve the quality of our Services.

Processing (87.8%):

The primary mode of transmission of video from our camera products to our mobile apps is through a peer-to-peer connection.

Consent (96.6%), Processing (93.7%), Required Purpose (66.4%):

When encountered unreliable peer-to-peer network condition, the Camera may opt to relay videos through our servers to the mobile app to achieve optimal viewing experience.

Retention (92.1%):

The individually encrypted video, no more than six seconds, may be transferred to and stored on our servers when the camera has detected activity, provided that you have activated the activity alerts functionality within the mobile app for Camera.

Processing (73.4%):

If you don't delete the videos stored on our servers, they shall be automatically deleted on a regular basis (typically 7 days), however we cannot ensure that residual copies do not survive elsewhere (e.g., in a cache or backup).

Processing (98.8%), Required Purpose (98.1%), Technical Measure (97.1%), Third Party (66.5%):

Our third-party analytics provider uses cookies to record information about your activities on the Services to remember you when you return to the Services.

Retention (77.4%):

Some cookies remain on your computer or device until you delete them.

Retention (89.9%), Technical Measure (85.3%):

Others, like session ID cookies, expire when you close your browser.

Organisational Measure (89.9%), Retention (90.5%):

You may set your browser setting to attempt to reject cookies and you may still use the Services.

Third Party (95.5%):

We do not control the use of cookies by third parties.

Third Party (89.2%):

See Section 4 (Third Party Providers) for more information and review the privacy policies of all third party providers for more information on third party cookies.

Required Purpose (98.6%):

Pixels are tiny graphics with a unique identifier that are used to track the online movements of web users.

Processing (93.7%), Required Purpose (99.0%):

Our third-party analytics provider uses information obtained from pixels to help us improve our business and the Services.

Third Party (85.7%):

We may obtain both personal and non-personal information about you from business partners, contractors, Social Sites, and other third parties and add it to our account information or other information we have collected.

Personal Data (98.6%):

For example, our Site allows you to create an account and login using your Facebook account credentials and, in addition to allowing you to log-in to the Site and share videos with Facebook, we also use your credentials to obtain the following information from Facebook: Facebook username, first name, last name, and profile picture.

Personal Data (87.6%), Required Purpose (98.1%):

We may use your personally identifiable information (including tracking information) to manage your Account.

Required Purpose (98.1%):

We may use your personally identifiable information to send you emails or other communications related to your Account or the Services, or in response to your inquiries or requests.

Data Subject (68.4%):

Information that You Provide.

Required Purpose (96.4%):

We may use non-identifying information for any lawful purpose, including analyzing trends, research, Services administration, tracking users movements around the Services, and to improve our

business and the Services.

Retention (93.2%):

In general, we will retain your information indefinitely, or as long as legally required or allowed.

Third Party (92.2%):

However, we may disclose your information to any affiliated entity or organization and to agents and service providers.

Legal Basis (86.2%):

We may also use it to operate, maintain, and improve the Services (including providing you a more personal experience); communicate with you; provide you information about products and services (including products and services of third parties); market; research purposes; resolve disputes; collect fees owed; detect and protect against errors, fraud, and criminal activity; assist law enforcement; enforce this Policy and any the terms related to our Services; and any other purpose described in this Policy or that we describe to you at the time of collection.

Processing (95.6%), Third Party (75.2%):

Use of information by affiliated entities and organizations will be subject to this Policy or an agreement that is at least as restrictive as this Policy.

Authority (80.6%), Legal Basis (88.8%), Required Purpose (78.3%):

In some cases, we may disclose your personally identifiable information as required by law; if we believe that disclosure is needed to protect our rights; to government regulators; to law enforcement authorities; in connection with any judicial proceeding, court order, subpoena, or legal process served on us or the Services; and to respond to a physical threat to you or another person.

Personal Data (91.7%), Recipient (87.8%), Third Party (63.6%):

If we ever file for bankruptcy or engage in a business transition such as a merger with another company or if purchase, sell, or reorganize all or a part of the Services or our business or assets, we may disclose your personal information, including to prospective or actual purchasers in connection with one of these transactions.

Third Party (74.9%):

Some of the Services permit you to share access to your camera products with others.

Personal Data (65.6%):

In addition to using Facebook credentials to set up an Account, certain Services may permit you to choose to share information and videos taken with our camera products with Social Sites.

Third Party (83.6%):

Social Sites.

Processing (97.5%):

Information shared with a Social Site is subject to that Social Sites privacy policy and practices, you should familiarize yourself with the Social Sites privacy policy and practices before sharing.

Organisational Measure (60.6%):

We cannot ensure that all of your personal information will never be disclosed in ways not otherwise described in this Policy.

Processing (85.0%):

For example, we may be required to disclose personal information to the government or third parties under certain circumstances, third parties may unlawfully intercept or access transmissions or private communications, or users may abuse or misuse your personal information that they collect from the Services.

Required Purpose (93.3%):

We use third parties to help us operate and improve the Services.

Required Purpose (98.7%):

We may provide information we collect to third parties and it will, unless specifically noted otherwise in this Policy, be governed by this Policy and may only be used by those third parties to help us operate or improve our business or the Services and provide services to us.

Not Required Purpose (90.3%):

We do not control information collected by third parties and are not responsible for their use of that information.

Personal Data (86.8%), Required Purpose (94.2%):

We use Google, a third-party analytics provider, to collect information about Services usage and the users of the Services, including demographic and interest-level information.

Non-Personal Data (87.8%), Personal Data (84.1%):

Google uses cookies and pixels in order to collect demographic and interest-level information and usage information from users that visit the Services, including information about the pages where users enter and exit the Services and the pages users view on the Services, time spent, browser, operating system, and IP address.

Required Purpose (93.7%):

Cookies and pixels allow Google to recognize a user when a user visits the Services and when the user visits other websites.

Personal Data (98.8%), Processing (98.9%), Required Purpose (96.7%):

Google uses the information it collects from the Services and other websites to share with us and

other website operators information about users including age range, gender, geographic regions, general interests, and details about devices used to visit websites and purchase items.

Personal Data (98.6%):

We do not link information we receive from Google with any of your personally identifiable information.

Processing (90.9%):

In order to use certain products such as our camera products, you will need to associate the product with your Account following the directions provided with the product.

Scale Non-EU (60.5%):

CALIFORNIA SHINE THE LIGHT LAW California Civil Code Section 1798.83 permits California residents to request and obtain from us once a year, free of charge, a list of the third parties to whom we have disclosed personal information (as defined under that statute) of that California resident, for direct marketing purposes in the preceding calendar year and the categories of that kind of personal information that was disclosed to them.

Required Purpose (70.8%):

We will not sell or rent any of your personal information to third parties for marketing purposes.

Personal Data (82.4%):

If you become aware that a child has provided us with personal information without parental consent, please contact us at by using the contact information in the Privacy Questions section at the bottom of this Policy, and we will take steps to remove the information and terminate the child's Account.

Processing (89.1%):

If you do not want your information accessed or stored as described in this Policy, you should not access, use, or register an Account with the Services.

Organisational Measure (82.6%):

MODIFICATION OF THIS POLICY We will occasionally update this Policy.

Organisational Measure (64.3%):

We recommend that you check our Service from time to time to inform yourself of any changes in this Policy or any of our other policies.
