

Personal Data (99.8%), Processing (99.5%):

In addition, where more detailed information is needed to explain our privacy practices, we post separate privacy notices to describe how particular services process personal information.

Data Controller (86.8%):

If you have any questions about this Policy, please feel free to contact us through our website or write to us at Unbound Medicine, Inc, 3 Boars Head Ln., Charlottesville, VA 22903, USA.

Consent (74.4%), Data Controller (71.5%), Data Source (80.2%), Legal Basis (98.9%), Organisational Measure (68.6%), Required Purpose (81.5%):

Privacy Policy

Unbound Medicine Unbound Medicine Privacy Policy October 23, 2023 Your privacy is important to Unbound Medicine.

Data Controller (98.8%), Processing (99.4%):

Information we collect and how we use it: We offer a number of services that do not require you to register for an account or provide any personal information to us.

Personal Data (88.7%), Processing (70.9%), Required Purpose (93.3%), Retention (67.2%):

In order to provide our full range of services, we may collect the following types of information: Information you provide - When you sign up for an Unbound Medicine account or other Unbound Medicine service or promotion that requires registration, we ask you for personal information (such as your name, email address and an account password).

Data Controller (94.3%):

This Privacy Policy applies to all of the products, services and websites offered by Unbound Medicine, Inc.

Personal Data (99.3%):

For certain services we also request credit card or other payment account information which we process in encrypted form on secure servers.

Data Source (79.3%), Processing (95.2%), Recipient (65.7%), Required Purpose (96.3%), Third Party (84.4%):

We may combine the information you submit under your account with information from other Unbound services or third parties in order to provide you with a better experience and to improve the quality of our services.

Personal Data (66.7%), Processing (94.9%), Technical Measure (94.0%):

Cookies - When you visit Unbound Medicine, we may send one or more cookies - a small file containing a string of characters - to your computer that uniquely identifies your browser.

Consent (91.9%), Required Purpose (96.4%):

We use cookies to improve the quality of our service by storing user preferences and tracking user trends, such as how people search.

Organisational Measure (73.9%), Processing (96.4%):

Most browsers are initially set up to accept cookies, but you can reset your browser to refuse all cookies or to indicate when a cookie is being sent.

Automated Decision Making (73.6%):

Log information - When you use Unbound Medicine services, our servers automatically record information that your browser sends whenever you visit a website.

Non-Personal Data (95.5%), Personal Data (95.7%), Required Purpose (99.0%):

These server logs may include information such as your web request, Internet Protocol address, browser type, browser language, the date and time of your request and one or more cookies that may uniquely identify your browser.

Processing (90.7%), Required Purpose (93.5%):

User communications - When you send email or other communication to Unbound Medicine, we may retain those communications in order to process your inquiries, respond to your requests and improve our services.

Third Party (91.3%):

Affiliated sites - We offer some of our services in connection with other web sites.

Personal Data (99.8%), Required Purpose (97.6%):

Personal information that you provide to those sites may be sent to Unbound Medicine in order to deliver the service.

Third Party (72.0%):

The affiliated sites may have different privacy practices and we encourage you to read their privacy policies.

Required Purpose (71.6%):

Links - Unbound Medicine may present links in a format that enables us to keep track of whether these links have been followed.

Required Purpose (98.8%), Technical Measure (91.2%):

We use this information to improve the quality of our technology, content and services.

Processing (99.7%):

Unbound Medicine only processes personal information for the purposes described in the applicable Privacy Policy and/or privacy notice for specific services.

Required Purpose (94.5%):

In addition to the above, such purposes include: Providing our products and services to users, including the display of customized content and advertising; Auditing, research and analysis in order to maintain, protect and improve our services; Ensuring the technical functioning of our network; and Developing new services.

Scale Non-EU (88.8%):

Unbound Medicine processes personal information on our servers in the United States of America.

Required Purpose (98.8%):

We may process personal information to provide our own services.

Third Party (97.3%):

In some cases, we may process personal information on behalf of and according to the instructions of a third party, such as our business partners.

Consent (72.2%), Processing (96.7%):

If we use this information in a manner different than the purpose for which it was collected, then we will ask for your consent prior to such use.

Organisational Measure (83.6%), Processing (96.8%), Recipient (67.7%), Required Purpose (65.4%):

Unbound Medicine only shares personal information with other companies or individuals outside of Unbound Medicine in the following limited circumstances: We provide such information to our subsidiaries, affiliated companies or other trusted businesses or persons for the purpose of processing personal information on our behalf.

Consent (70.4%), Organisational Measure (86.2%), Third Party (69.8%):

We require that these parties agree to process such information based on our instructions and in compliance with this Policy and any other appropriate confidentiality and security measures.

Legal Basis (89.3%), Processing (98.4%), Required Purpose (95.3%), Technical Measure (78.4%):

We have a good faith belief that access, use, preservation or disclosure of such information is reasonably necessary to (a) satisfy any applicable law, regulation, legal process or enforceable governmental request, (b) enforce applicable Terms of Service, including investigation of potential violations thereof, (c) detect, prevent, or otherwise address fraud, security or technical issues, or (d) protect against imminent harm to the rights, property or safety of Unbound Medicine, its users or the public as required or permitted by law.

Non-Personal Data (94.0%):

We may share with third parties certain pieces of aggregated, non-personal information, such as the number of users who searched for a particular term, for example, or how many users viewed particular content.

Personal Data (99.5%):

Please contact us at the address below for any additional questions about the management or use of personal data.

Organisational Measure (90.8%):

Information security We take appropriate security measures to protect against unauthorized access to or unauthorized alteration, disclosure or destruction of data.

Organisational Measure (86.0%), Processing (78.4%):

These include internal reviews of our data collection, storage and processing practices and security measures, as well as physical security measures to guard against unauthorized access to systems where we store personal data.

Organisational Measure (79.4%), Required Purpose (70.7%):

When you make a credit card purchase using Unbound Medicines Payment Service we follow industry standards to keep your financial information private and safe.

Required Purpose (95.8%):

All credit transactions occur in a secure area of the site to prevent loss, misuse, or alteration of the information collected.

Processing (86.0%), Required Purpose (74.2%):

Unbound uses technology such as Secure Socket Layers (SSL) to encrypt and immediately transmit information to the appropriate credit card company during order processing.

Personal Data (95.1%), Processing (93.9%), Retention (70.3%):

Following completion of the transaction, no record of your credit card number will be stored on Unbound Medicines servers.

Required Purpose (96.9%):

We restrict access to personal information to Unbound Medicine employees, contractors and agents who need to know that information in order to operate, develop or improve our services.

Organisational Measure (69.8%):

These individuals are bound by confidentiality obligations and may be subject to discipline, including termination and criminal prosecution, if they fail to meet these obligations.

Organisational Measure (77.7%), Required Purpose (95.5%):

We review our data collection, storage and processing practices to ensure that we only collect, store

and process the personal information needed to provide or improve our services.

Organisational Measure (90.0%):

We take reasonable steps to ensure that the personal information we process is accurate, complete, and current, but we depend on our users to update or correct their personal information whenever necessary.

Legitimate Interest (89.4%):

Accessing and updating personal information When you use Unbound Medicine services, we make good faith efforts to provide you with access to your personal information and either to correct this data if it is inaccurate or to delete such data at your request if it is not otherwise required to be retained by law or for legitimate business purposes.

Organisational Measure (90.8%):

We ask individual users to identify themselves and the information requested to be accessed, corrected or removed before processing such requests, and we may decline to process requests that are unreasonably repetitive or systematic, require disproportionate technical effort, jeopardize the privacy of others, or would be extremely impractical (for instance, requests concerning information residing on backup tapes), or for which access is not otherwise required.

Authority (95.2%):

We will cooperate with the appropriate regulatory authorities, including local data protection authorities, to resolve any complaints regarding the transfer of personal data that cannot be resolved between Unbound Medicine and an individual.

Organisational Measure (84.8%):

We will post any Policy changes on this page and, if the changes are significant, we will provide a more prominent notice (including, for certain services, email notification of Policy changes).
