Account information - such as product type, dates of payment owed and received, top up information or any other information related to your account.

Personal Data (98.8%):

Financial information - such as bank account details for debit orders.

Legal Basis (73.5%):

There are certain laws which require or authorise The Company to collect a users personal

information, including RICA, FICA and directives issued under this Act.

Contract (77.7%), Legitimate Interest (91.1%), Required Purpose (79.5%):

Such purposes may include the following: to enter into a contract with a user; to perform any obligations under a contract with a user; to comply with a legal obligation; to protect a legitimate interest of a user (unless the user has specifically objected in writing to all or some of the processing activities on reasonable grounds); to pursue its own legitimate interests or the legitimate interests of a third party who it is sharing the information with (unless the user has specifically objected in writing to all or some of the processing activities on reasonable grounds); to process personal information for direct marketing purposes (the user can object to receiving any direct marketing material at any time); to customise and display content to the user in a way that The Company feels may interest the user or be most beneficial to them; to send content including, but not limited to products, articles, listings and advertisement content to the user via email or other electronic media, where the user has consented to be contacted by The Company with such content; to enable the user to voluntarily participate in interactive features; to notify the user about changes to the website or services.

Consent (72.4%), Legal Basis (91.5%), Legitimate Interest (94.5%):

If The Company intends to process a users personal information for any other purpose not listed in clause 5.2 or which is otherwise not automatically permitted by law, it shall ensure that it obtains the users written consent to do so.

Legitimate Interest (67.7%), Required Purpose (77.8%):

Afrihost shall, as far as possible, collect personal information about a user directly from the user, except in the following circumstances: where personal information is available in a public record; where the user has given their written consent to Afrihost to collect their information from another source; where it is more practicable to collect the information from another source; where the collection of a users personal information from another source will not prejudice any of the users legitimate interests; where the collection of personal information from another source is necessary to maintain Afrihosts legitimate interests or those of any third party it intends sharing the information with; where the collection of personal information directly from the user would prejudice the purpose for the collection; where the collection of personal information directly from the user is not reasonably practicable in the circumstances.

Personal Data (97.1%):

If Afrihost collects personal information from a source other than the user, it shall record in writing the details of that source, including the full names and contact details of that source where applicable.

Technical Measure (97.4%):

Afrihost may use Cookies on this website to:through the use of an iOS or Android application; through the use of the service via a computer or mobile browser; when requesting further services or information from Afrihost; when contacting Afrihost to report a problem with the website or the services or for any other reason; when completing any forms on the website.

Non-Personal Data (91.3%), Processing (91.7%), Required Purpose (94.2%):

However, the websites servers may still collect technical information regarding the use of the website, which is aggregated for analytical purposes, technical maintenance and for improving the content offered on the website.

Non-Personal Data (91.6%), Personal Data (92.6%):

Such information may include details of the users visit, information about the users computer, including IP (Internet Protocol) address, operating system and browser type, the users location, and usage information.

Processing (75.0%), Right (86.0%):

An individual user will not be identified from or by this information and Afrihost is entitled to copy, distribute or otherwise use such information without limitation.

Processing (99.7%):

Cookies are small text files transferred by a web server to a users hard drive and thereafter stored on their computer.

Personal Data (92.3%), Technical Measure (71.1%):

The types of information a cookie collects includes a users username, the date and time of their visits to the website, their browsing history and preferences.

Processing (94.9%), Required Purpose (88.5%), Technical Measure (96.5%):

Afrihost may use cookies on this website to:distinguish one user from another on the website; remember the users last session when they return to the website; estimate the website's audience size and usage patterns; store information about the users preferences, which allows Afrihost to customise the website and content according to the users individual preferences; and speed up searches on the website.

Processing (82.1%), Third Party (85.2%):

Afrihost cannot and does not control or access cookies used by third party service providers and takes no responsibility therefore.

Consent (62.8%):

The user has the right and ability to either accept or decline the use of cookies on their computers web browser, whether they are logged in as a member, or simply casually visiting the website.

Right (78.3%):

Afrihost shall respect the users right to privacy at all times.

Consent (78.8%):

If there is another way in which it can achieve the same goal without posing any risk of harm to the privacy rights of the user, then it will choose that option.

Processing (87.8%):

Similarly, if Afrihost needs to process personal information but there are less privacy-invasive methods of collecting, using and sharing that information, then it will use those methods.

Processing (99.0%):

Afrihost shall ensure that the personal information that is collected and processed is and remains relevant to the identified purpose/s for such processing, and that such information is and remains adequate, but not excessive, for achieving the identified purpose/s.

Processing (92.1%), Retention (90.2%):

In the event a user objects to the indefinite storage, once Afrihost has achieved the purpose for the collection of the users personal information, it will destroy or delete such information, unless the user has directed otherwise in writing, or Afrihost is required by law to retain the information for a longer period of time.

Processing (97.7%):

The information shared and the categories of third party operators with whom it is shared will always be notified to you prior to being shared.

Third Party (68.2%):

Notwithstanding the foregoing, you consent to us sharing your personal information with the following operators:Partners or agents involved in delivering the products and services to the user.

Authority (94.9%), Consent (66.9%), Legal Basis (79.8%):

Law enforcement agencies, regulatory organisations, courts or other public authorities if Afrihost

have to, or are authorised to by law.

Processing (94.0%):

Afrihost will release information if its reasonable for the purpose of protecting it against fraud, defending its rights or property, or to protect the interests of its users.

Processing (67.9%):

If Afrihost is reorganised or sold to another organisation, it may transfer any personal information it holds about the user to that organisation.

Non-Personal Data (80.0%):

Afrihost may also share aggregated information about users of this website and their usage patterns.

Processing (75.7%):

Such aggregated information will be de-identified and the users personal information will not be disclosed.

Third Party (98.1%):

Other than as stated in this clause 9, Afrihost shall not share a users personal information with any third parties unless it has the users express consent to do so.

Art. 16 Right to rectification (69.9%):

Users shall have the following rights in relation to the processing of their personal information:to access and correct any personal information held by Afrihost about them; to object to the processing of their information; and to lodge a complaint with the Information Regulator here.

Required Purpose (91.5%):

Afrihost shall not process a users personal information for any purpose not previously specified except in the following circumstances:where the user has consented to such further processing; where the further processing is necessary for the exercise of any contractual rights or the fulfilment of any obligations between Afrihost and the user; where the further processing activities are linked to or compatible with the original purpose; where the further processing is necessary for the prevention, detection, investigation, prosecution and punishment of an offence; where the further processing is necessary to enforce any law; where the further processing is necessary for the conduct of legal proceedings in any court or tribunal that have commenced or are reasonably contemplated; where the further processing is necessary to prevent or mitigate a serious and imminent threat to the life or health of the user or another individual; where the further processing is necessary for historical, statistical or research purposes.

Legal Basis (74.3%):

12.

Organisational Measure (84.1%):

Afrihost takes steps to continually identify and document any risks to the personal information it has in its possession or under its control and that appropriate security safeguards are in place against those risks.

Legal Basis (90.2%), Organisational Measure (74.5%), Processing (95.4%), Third Party (88.8%):

Afrihost shall ensure that in any contracts entered into with third party operators who process personal information on Afrihost behalf, include the following obligations: the operator shall not process any personal information without Afrihosts knowledge and authority; the operator shall treat all personal information given to it as confidential and shall not disclose it to any unauthorised third parties; the operator shall establish and maintain adequate security measures which are the same or offer similar protection over the personal information as that employed by Afrihost; the operator shall notify Afrihost immediately where there are reasonable grounds to believe that any personal information has been leaked to or accessed by any unauthorised person; if the operator is situated in another country, it must comply with the data protection laws in that country and be able to provide verification that it is so compliant; if an operator is legally obliged to disclose any personal information processed by them on Afrihost behalf to other parties, it must notify Afrihost beforehand to enable Afrihost and/or individual users to protect their rights if necessary.

Processing (64.5%):

Afrihost shall ensure that all personal information on its systems is properly backed-up and that back-up copies are stored separately from the live files.

Required Purpose (70.3%):

The user consents that personal information (including special personal information) may be transferred transborder, even to countries without data protection laws similar to those of South Africa, for storage purposes, or if it is in Afrihosts legitimate interests or those of a third party to do so.

Personal Data (75.0%), Processing (92.1%), Retention (91.0%):

The user consents that Afrihost may keep record of his/her personal information for an indefinite period of time, unless user objects.

Consent (73.9%):

Should a user wish to withdraw any consent previously given by the user, they must notify Afrihosts information officer in writing.

Personal Data (99.6%):

What information can be requested to be removed? Personal Information - First name, surname, email address, cell phone number, company name, ID number, all addresses.

Personal Data (98.0%):

Payment Details - Any bank details or debit/credit card information used with this account.

Art. 17 Right to erasure (right to be forgotten) (75.0%):

How to request the removal of your information.

Personal Data (96.7%):

If you have an active product/service with us, you CANNOT request the removal of your personal or payment information.

Required Purpose (97.9%):

This is because we need that information to continue providing you with our services.

Processing (91.1%):

The team will review requests on a case by case basis and will contact you on the outcome of your request.

Processing (84.1%):

users may use the process and forms contained within Afrihosts PAIA manual available on our website.

Art. 16 Right to rectification (65.6%):

Afrihost shall take reasonably practicable steps to ensure that the personal information kept by it about users is complete, accurate, not misleading and is updated when necessary.
