

Consent (79.2%), Data Subject (85.9%), Legal Basis (81.6%), Personal Data (83.2%), Processing (99.6%), Required Purpose (75.6%), Right (93.9%):

The Church of Almighty God is very concerned with the privacy of the users of the App (aUser,a aUsers,a ayoua or ayoura), so we state in this Privacy Policy how we collect, handle and transfer your information as well as how you can exercise your rights, in compliance with local regulations.

Personal Data (93.3%), Processing (87.6%), Retention (78.2%):

The User guarantees that the data sent or provided are true, accurate, complete and up to date, and is responsible for any direct or indirect damage or harm that may result from any breach of this obligation.

Personal Data (99.4%), Right (73.0%), Third Party (99.5%):

In the event that the data provided belong to a third party, the User guarantees that he or she has informed said third party of the content of this Privacy Policy and has obtained prior written authorization to provide his or her data to The Church of Almighty God for the purposes indicated.

Personal Data (99.6%), Processing (97.8%):

Who is the data controller for the collection and processing of the User's personal data?

Processing (99.4%):

The personal data collected through the present App are controlled by The Church of Almighty God (147-54 Ash Avenue, Flushing, New York 11355, US, EIN: 37-1820870), as owner of the App.

Data Controller (95.8%), Data Subject (89.8%), Legal Basis (79.7%), Personal Data (61.0%), Required Purpose (68.9%), Third Party (79.4%):

i Privacy Policy CAG Hymns Privacy Policy Welcome to the CAG Hymns App (the aAppa) of The Church of Almighty God (aThe Church of Almighty God,a awe,a aoura or aUSA).

Consent (91.5%), Data Controller (97.9%), Data Source (65.1%), Non-Personal Data (94.9%), Personal Data (99.5%), Processing (98.9%), Required Purpose (92.3%), Third Party (78.2%):

The Church of Almighty God will collect: Your profile information, including your name, surname, country, uploaded profile picture, mood message, and social media profile URL you provide in your profile; Your email address and password through the Sign Up section, and if you choose to log in with Facebook or Google, any necessary information from your Facebook or Google account, including your name, surname, email address, user ID and profile picture; The universally unique identifier (UUID) generated when the App is started the first time after installation; Data synced with your account including your Favorites and Playlists; Your email address, telephone number and any messages you submit through the Contact Us section; Your feedback messages and screenshots or photos submitted (which may request your permission to access your photos and camera on your

device) through the Feedback section; Any personal information necessary for providing you with the relevant service that you share with us through the Live Chat section or when you contact us through instant messaging services such as WhatsApp, Skype, Messenger and Line, including your name and email address; Information about you from Firebase (see Section 8.1 below for details on Firebase), including: Firebase Instance ID; non-identifying, aggregate usage data relating to Users' activity within the App; device data, such as operating system, mobile network information, country and language; and crash data, such as crash logs, operating system, and App version; App installations and launches tracked by the Facebook SDK (see Section 8.4 below for details on the Facebook SDK).

Contract (61.6%), Processing (97.8%), Required Purpose (95.7%):

The Church of Almighty God will process the Useras data for the following purposes: Management of queries, questions and/or suggestions; Communication with you via the live Chat function; Emailing you a verification code so that you can create a new password and restore access to your account if you forget your password; Conducting research on our User interests and behavior based on the data collected in order to optimize User experience; Improving features and fixing issues; Sending push notifications to your mobile device, such as service and content updates (you can deactivate these messages at any time in the App Settings section); Prohibiting behaviors which are unlawful, harmful or violate our Terms of Use; Contacting fellow believers and others interested in The Church of Almighty God to extend invitations and notifications for church activities and gatherings, and to provide spiritual support.

Legal Basis (95.4%):

What is the legal basis for the processing of the Useras personal data?

Consent (90.7%):

The legal basis for the processing of the Useras personal data is the consent provided by the User when explicitly accepting this Privacy Policy by clicking the check box or Yes, made available on each of the data collection forms referred to above.

Processing (87.1%):

How long will we keep the Useras personal data?

Retention (96.4%):

The Church of Almighty God will keep the personal data provided as long as necessary to fulfill the purposes for which it is collected, to respond to any requests made by the User, or while the live Chat is active, and as long as you do not withdraw your consent.

Processing (96.3%), Third Party (80.5%):

What third parties will the User's personal data be shared with?

Authority (95.7%), Processing (69.8%):

The data will not be shared with any third parties except, where appropriate, competent authorities as needed to exercise their functions.

Authority (87.1%), Legitimate Interest (79.9%), Processing (62.0%):

Thus, the personal data collected through the App may be shared with public entities, courts, or other administrative authorities, when we deem it necessary to comply with a legal obligation or to take legal action against claims.

Authority (94.2%), Automated Decision Making (78.8%), Legal Basis (60.2%), Legitimate Interest (84.9%), Lodge Complaint (81.4%), Processing (66.1%), Right (71.4%):

The User has and may exercise the following rights in relation to the personal data provided to The Church of Almighty God: Right of access to his/her personal data to know which data are being processed and how they are being processed; Right to rectification of any inaccurate data; Right to erasure of his/her personal data, where possible; Right to request the restriction of the processing of his/her personal data where the accuracy of the data, or the legality or need to process them is in question, in which case we may store the User's data for the exercise of or defense against any legal claims; Right to data portability, in the case of processing carried out by automated means, to obtain personal data that he/she has provided to us (in a structured, commonly used and machine-readable format) as well as to request that they be transmitted to another entity responsible for data processing, when this is technically possible; Right to withdraw his/her consent at any time; Right to lodge a complaint with the local data protection authority if the User believes that data protection legislation has been breached in the processing of his/her personal data by The Church of Almighty God.

Authority (92.5%), Consent (86.3%), Legal Basis (95.4%), Right (81.9%):

If the User is based in the European Union (EU), he or she may visit this website for a list of the relevant local data protection authorities: https://edpb.europa.eu/about-edpb/board/members_en. Therefore, the User may exercise his/her legal rights with the data controller at any time; requests can be made in writing addressed to 147-54 Ash Avenue, Flushing, New York 11355, US, or by email addressed to GDPR@kingdomsalvation.org.

Personal Data (93.4%):

The request must contain: his/her name and surname, photocopy of his/her national identity document (passport or other valid identification), a statement of his/her request, an address to be used for the purpose of notifications, the date, the User's signature and, when needed, supporting

documents for the request he or she is making.

Legal Basis (68.4%), Processing (99.2%), Required Purpose (99.7%):

Firebase collects Instance IDs and other information to help us operate, analyze, and improve our services.

Data Controller (94.0%), Required Purpose (93.3%):

You may opt out of certain Firebase features through your mobile device settings, such as through your device's advertising settings or by following the instructions provided by Google in their privacy policy: <https://policies.google.com/privacy?hl=en> For more information on Google's privacy practices and what type of information Firebase collects, please visit the Google Privacy & Terms web page: <https://policies.google.com/?hl=en> 8.2 JivoChat JivoChat provides a real-time messaging platform for the User to reach us that we use for our live chat platform and its support.

Non-Personal Data (86.3%), Personal Data (96.1%), Required Purpose (98.9%):

JivoChat may collect your IP address and use it in aggregate form to maintain and improve the JivoChat Service and to generate and analyze statistics about the JivoChat Service and your use of the JivoChat Service.

Consent (60.6%):

If you don't allow this, you can turn off the collection of online chat information in App Settings.

Consent (62.3%):

Please refer to JivoChat's privacy policy for more information: <https://www.jivochat.com/privacy/> 8.3 Google login We offer you the option of easier registration for our services through Google.

Required Purpose (91.8%):

If you choose to log in with Google, we recommend you read their privacy policy: <https://policies.google.com/privacy?hl=en> 8.4 Facebook SDK We use Facebook's Software Development Kit (SDK) to track App installations and launches, give you the ability to share content, and support the ability to log in with Facebook.

Data Controller (70.9%), Required Purpose (93.8%):

If you choose to use any of these services to contact us, we recommend you read its privacy policy:
