APPLICATION END USER LICENSE AGREEMENT This Application End User License Agreement
(this EULA or Agreement or License) is an agreement between you and Kidgames.

Right (67.4%):

You are expressly prohibited from sub-licensing, renting, leasing, transferring or otherwise distributing the Application or rights to use the Application.

Retention (72.7%):

THIRD PARTY AD-SERVING TECHNOLOGY This Application may incorporate third-party dynamic in-game advertisement serving technology which enables advertising to be temporarily uploaded into the Application on your mobile device and replaced while you are online.

Third Party (88.6%):

Unless you have received prior written authorization from Kidgames, you must not: access or use the Application through any technology or means other than those provided in the Application, or through other explicitly authorized means Kidgames may designate; make a copy of the Application available on a network where it could be used by multiple users; copy, translate, modify, or make derivative works of the Application or any part thereof; redistribute, sublicense, rent, publish, sell, assign, lease, market, transfer, or otherwise make the Application available to third parties; reverse engineer, decompile or otherwise attempt to extract the source code of the Application or any part thereof, unless this is expressly permitted or required by applicable law or by the licensing terms governing use of any open sourced components included with the Application; delete, obscure, or in any manner alter any warning, notice (including but not limited to any copyright or other proprietary rights notice), or link that appears in the Application; or remove or alter Kidgames trademarks or logos or legal notices included in the Application or related assets.

Consent (69.5%):

This EULA does not entitle you to receive from Kidgames hard-copy documentation, support, maintenance, telephone assistance, enhancements or updates to the Application.

Personal Data (99.2%):

NON-PERSONAL INFORMATION For purposes of this EULA, non-personal data means information that does not directly identify you.

Processing (87.2%):

Kidgames may use and disclose to Kidgames partners and contractors the collected non-personal data for purposes of analyzing usage of the Services, advertisement serving, managing and

providing the Services and to further develop the Services and other Kidgames services and products.

Retention (64.3%):

Logged data may include IP address, unique device I.D., device make and model, advertisement(s) served, in game location, length of time an advertisement was visible, size of the advertisement, advertisement response (if any), and viewing angle.
