July 28, 2025 At MINDBODY, Inc.

Data Controller (97.1%), Data Source (73.3%), Data Subject (94.0%), Legal Basis (82.6%), Personal Data (77.7%), Processing (89.5%):

and our Mindbody subsidiaries (Mindbody), we respect your privacy and are committed to maintaining your trust.

Authority (68.8%), Data Subject (80.2%), Legal Basis (89.9%), Organisational Measure (61.7%), Personal Data (76.0%), Processing (96.0%), Scale EU (62.9%):

This privacy policy (Privacy Policy) applies to visitors of our Mindbody sites and users of the Mindbody Services.

Processing (99.5%), Required Purpose (97.3%), Right (95.4%), Third Party (61.1%):

This Privacy Policy describes our practices and your rights in connection with information that we collect, use, or disclose through: our consumer-facing mobile application (Mindbody App), our consumer-facing websites, currently located at <https://www.mindbodyonline.com/explore> and <https://www.fitmetrix.io> (the Mindbody Consumer Site(s)), our online business management software products (Software Service), our social media pages, our applications through which Mindbody makes the Software Service available, including the Mindbody business app and the Mindbody, Booker, and FitMetrix branded mobile apps (collectively the Apps), HTML-formatted email messages that we send to you that link to this Privacy Policy, and any other products and services offered through any other venues, websites and mobile applications that direct you to this Privacy Policy.

Consent (76.6%), Processing (99.2%):

When you access or use the Mindbody Services, you agree to the terms and conditions of this Privacy Policy and that the information contained in this Privacy Policy serves as notice at or before the point of collection for all information collected as described below.

Data Subject (88.0%), Scale EU (68.3%):

End User means any individual who interacts with the Mindbody Services, including users of our

mobile applications such as the Mindbody App, and individuals who book appointments, purchase services and otherwise interact with our Subscribers through the Mindbody Services.

Data Controller (87.1%), Personal Data (93.1%), Third Party (80.9%):

Mindbody Group Companies means our parent entities, subsidiaries and affiliates, including the Playlist group companies and ClassPass, LLC.

Personal Data (91.0%), Required Purpose (69.3%):

Other Information is any information that does not reveal your specific identity or does not relate to an individual, such as usage data not linked to any unique identifiers.

Legal Basis (96.6%), Personal Data (99.8%):

Personal Information means data that relates to or about an identified or identifiable natural person or, where applicable, household as defined under relevant law.

Personal Data (98.6%), Processing (91.4%), Technical Measure (98.4%):

This may include information such as name, postal address, telephone number, email address, or unique online identifiers.

Data Source (64.2%), Data Subject (80.2%), Third Party (92.5%):

Please refer to our Subscriber Terms of Service or the Mindbody Consumer Agreement for any capitalized terms that are not defined in this Privacy Policy.

Consent (77.3%), Data Source (71.9%), Personal Data (99.5%), Processing (96.4%), Third Party (99.2%):

Categories of Personal Information While the Personal Information we collect varies depending upon the nature of the Mindbody Services provided or used and our interactions with individuals, Personal Information we may collect or obtain includes: Contact details (e.g., name, address, email, telephone number, which may include third party emergency contact information), Personal details (e.g., date of birth, education, nationality), Financial and transaction data (e.g., purchase history, account information, shipping and billing information, including credit card information etc.), Health and fitness tracker data collected from heart rate monitors and other performance monitoring activities, Other Mindbody Services related data (e.g., customer requests, statistics, etc.), Geolocation data with your permission (e.g.

Data Source (86.6%), Processing (90.8%):

geolocation data sent via a mobile device).

Processing (75.4%):

Please note that if you do not give permission to providing your geolocation data via your device settings, certain features may not work, Images you upload to the Mindbody Services, Online

identifiers (e.g.

Legal Basis (99.0%), Personal Data (78.1%):

Sensitive Personal Information: In limited circumstances, some of the Personal Information we collect may be considered sensitive (Sensitive Data) under applicable law and may be subject to additional restrictions and consumer rights under these laws.

Data Controller (96.8%), Legal Basis (85.0%), Organisational Measure (64.0%), Processing (95.7%), Required Purpose (79.7%), Retention (67.6%):

We, generally, do not collect, disclose or otherwise process Sensitive Data, unless necessary to comply with the law and legal obligations, protect and defend our rights and the rights and safety of others, or to respond to your request or otherwise provide services to you that you have requested.

Consent (97.3%), Legal Basis (89.9%), Processing (93.2%):

Where required by applicable law, we will obtain your consent and allow you to opt out or withdraw your consent to the processing of your Sensitive Data.

Consent (97.4%), Required Purpose (88.7%):

For a copy of ClassPass, LLCs privacy policy, please see [here](#).

Consent (64.4%), Data Subject (95.7%):

Generally, we ask that End Users do not disclose Sensitive Data on or through the Mindbody Services, except where explicitly requested or consented to.

Personal Data (99.7%), Required Purpose (93.9%), Scale Non-EU (96.1%):

For example, in the United States, we may collect drivers license and other government identifiers (e.g., where necessary for identity verification, fraud detection, and compliance purposes), credit card and financial account information (for transaction processing), precise geolocation data (with your permission e.g., to show you Subscribers studios and facilities in your area and provide other location-based information), account log-in information (e.g., to enable you to login and to prevent, detect, and investigate security incidents).

Legal Basis (78.6%), Scale Non-EU (93.2%):

This Personal Information may be considered Sensitive Data under certain state privacy laws in the United States, but not under in other jurisdictions (e.g., the EU or United Kingdom).

Processing (68.1%), Required Purpose (94.6%):

De-identified Information: To the extent that we are in possession of de-identified information, we commit to maintaining and using de-identified information without attempting to re-identify the information.

Personal Data (98.4%):

How We Collect Information Through the Mindbody Services We collect information about you whenever you use the Mindbody Services, for example: If you are an End User, when you create an account on the Mindbody App or through the Mindbody Consumer Site(s), we may ask for Personal Information such as your name, email and postal address, social media account ID, and Other Information you may provide with your account.

Data Source (73.1%), Data Subject (71.1%), Required Purpose (66.8%):

If you are an End User interacting with the Mindbody Services through a Subscriber, we also collect Personal Information that you provide to the Mindbody Services when you initiate a transaction or otherwise engage with the Subscriber, such as to book an appointment, make a purchase, or respond to a marketing campaign.

Personal Data (96.0%):

If you are a Subscriber, when you sign up for our Software Service, we ask for your company name, address, phone number, email, credit card information, tax identification number, and other information about your business, as well as names and email addresses of authorized individuals on your account.

Consent (80.1%), Personal Data (98.6%), Retention (76.3%):

If you attend one of our events (e.g., a tradeshow, webinar, or training), we may ask for your feedback, contact details or other information to follow-up with you, such as send you marketing communications consistent with your choices.

Retention (76.6%):

We collect information about you when you interact with the Mindbody Services.

Personal Data (81.9%), Required Purpose (88.3%):

For example, if you initiate a transaction through the Mindbody Services, such as a purchase, we may collect information about you, such as your name, email, phone number, address, credit card information, as well as any other information you provide in order to process the transaction.

Processing (98.3%):

This information may be shared with others for the same purposes.

Contract (82.7%), Personal Data (99.7%), Technical Measure (97.1%):

We encrypt credit card numbers using industry standard technology.

Non-Personal Data (95.4%), Personal Data (60.7%), Processing (99.2%):

We may also store information that your computer or mobile device provides to us in connection with your use of the Mindbody Services, such as IP address, operating system, device ID, and device type.

Personal Data (98.7%), Technical Measure (62.6%):

IP address, Device IDs, etc.), and Cookie-related data as described below and as detailed in our Cookie Policy.

Personal Data (81.8%):

We may collect information about others from you, including your emergency contacts, and only use this information for the reason it was provided.

Personal Data (92.9%), Retention (72.1%), Third Party (68.9%):

We and our service providers collect information about your location when you use or access Mindbody Services.

Organisational Measure (78.1%), Processing (60.2%), Required Purpose (91.0%):

Those sources include: Data from your device through settings you activate: Other location sources:IP address We collect and use this location-related data in order to Provide you with services you have purchased or requested Deliver content that is relevant to you based upon your location Deliver marketing or ad content that is relevant to you based on your location Protect against abuse or misuse of services or of your account Improve our site and services You may disable the collection and use of your location data through your browser-, operating system- or device-level settings.

Authority (70.4%), Data Source (89.6%), Processing (94.6%), Third Party (99.0%):

From other sources In addition to the information we collect from you through Mindbody Services, we may receive information about you from other sources, such as public databases, strategic and joint marketing partners, social media pages and platforms, people with whom you are friends or otherwise connected on social media platforms, as well as from other third parties.

Personal Data (96.6%), Required Purpose (61.7%):

You do not have to provide us with certain Personal Information, however, if you do not provide or enable us to collect the necessary information, we may not be able to provide the Mindbody Service.

Right (79.8%):

If you disclose any Personal Information relating to other people to us or to our service providers in connection with the Mindbody Services, you represent that you have the authority to do so and to permit us to use the information in accordance with this Privacy Policy.

Legitimate Interest (97.7%), Processing (70.0%), Required Purpose (96.4%):

How Personal Information May Be Used We may use your Personal Information for legitimate business purposes, including: To provide the functionality of Mindbody Services and related support.

Personal Data (78.2%), Required Purpose (97.6%):

To create, and administer accounts, fulfill and record transactions, and provide you with related assistance (e.g., technical help, answer inquiries relating to Personal Information, etc.).

Personal Data (69.5%):

To send administrative information to you, for example, information regarding our services and changes to our terms, conditions, and policies.

Contract (78.8%), Recipient (71.7%):

Subscriber is any business or entity that subscribes to (or otherwise accesses or uses) our Software Service, including any staff, employees, consultants, advisors, or independent contractors accessing the Mindbody Services on the Subscribers behalf, as well as any business that is part of the same franchise group under a franchise agreement.

Processing (94.7%), Required Purpose (96.8%):

To provide you with marketing, promotional materials and opportunities, in-product ads, and to facilitate social sharing.

Consent (72.3%), Required Purpose (92.4%):

To facilitate social sharing functionality if you choose to do so.

Required Purpose (83.7%):

To provide advertising for third party products and services from within Mindbody Services and sites.

Legitimate Interest (91.9%), Retention (80.1%):

We will engage in this activity with your consent, to manage our contractual relationship with you, or where we have a legitimate interest.

Processing (87.7%):

(Note: Health and fitness tracker data that is obtained via third parties will not be used for this purpose).

Not Required Purpose (60.8%), Processing (88.0%), Third Party (98.0%):

If you agree, the phone number and opt-in you provide in response will not be sold to, or shared with, third party providers or affiliates for marketing or promotional purposes.

Required Purpose (99.0%):

To better understand you and our other users, so that we can tune and personalize our offering.

Required Purpose (95.6%):

For trending and statistics, and to improve our products and services We will engage in this activity because we have a legitimate interest.

Required Purpose (97.0%), Technical Measure (96.5%):

For research and development. For research, analytical, recordkeeping, and reporting purposes and

to improve, develop and test Mindbody Services, products, features and ideas.

Authority (68.8%), Required Purpose (69.9%):

For audits, to verify that our internal processes function as intended and are compliant with legal, regulatory or contractual requirements.

Required Purpose (97.8%):

For fraud and security monitoring purposes, for example, to detect and prevent cyberattacks or attempts to commit identity theft.

Authority (79.2%), Legitimate Interest (66.7%):

For responding to legal duties, such as requests from public and government authorities.

Consent (83.4%):

To the extent that we process your Personal Information based on your consent, you may withdraw your consent at any time.

Processing (94.5%):

What and How Personal Information May Be Disclosed Certain privacy laws require that we disclose certain information about the categories of Personal Information (as defined under applicable law) that we have disclosed for a business purpose as well as the categories that we have sold or "shared" (as defined under applicable law).

Required Purpose (80.9%):

Disclosed for a business purpose.

Required Purpose (93.9%):

In general, we may disclose the following categories of Personal Information (as described above in more detail) to the Mindbody Group companies, our Partners and Service Providers to provide the Mindbody services: Contact details, Personal details, Financial and transaction data, Health and fitness tracker data collected from heart rate monitors and other performance monitoring activities, Other Mindbody Services related data, Geolocation data, Online identifiers, and Cookie-related data.

Required Purpose (80.7%):

We may disclose your Personal Information: To the Mindbody Group Companies for the purposes described in this Privacy Policy.

Personal Data (99.3%):

is the party responsible for the management of the jointly-used Personal Information.

Art. 17 Right to erasure (right to be forgotten) (78.9%), Third Party (66.6%):

To our integrated partners and service providers who provide services to us or to our Subscribers,

such as website hosting, data analysis, payment processing services, order fulfillment, information technology and related infrastructure provision, customer service, email delivery, credit card processing, auditing, targeted advertising, financial and tax compliance and other similar services.

Recipient (89.0%):

To sponsors of sweepstakes, contests and similar promotions, consistent with your choices.

Third Party (89.7%):

To you, through message boards, dashboards, challenges, chat, profile pages and blogs and other services to which you are able to post information and materials, including as described in the sections below titled Testimonials, Ratings and Reviews and Public Forum. To other website users as well as to your social media account provider, in connection with your social sharing activity, such as if you connect your Facebook account to your Mindbody App account or our social media pages.

Legitimate Interest (68.7%):

In the context of a corporate transaction.

Processing (83.4%):

If Mindbody is involved in a sale or business transaction (e.g., merger or acquisition), Mindbody will retain a legitimate interest in disclosing or transferring your Personal Information to other parties in the event of any reorganization, merger, sale, joint venture, assignment, transfer or other disposition of all or any portion of our business, assets or stock (including in connection with any bankruptcy or similar proceedings), including in any negotiations leading to such.

Authority (72.7%), Processing (95.2%), Required Purpose (77.6%):

To any competent law enforcement body, regulatory, government agency, court, or other third-party where we believe disclosure is necessary as a matter of applicable law or regulation, to exercise, establish or defend our legal rights, or to protect your vital interests or those of any other person.

Legal Basis (99.0%), Required Purpose (70.6%):

Please note that we may use and disclose Other Information for any purpose, except where we are required to do otherwise under applicable law.

Processing (97.7%):

In some instances, we may combine Other Information with Personal Information.

Legal Basis (96.9%), Right (78.7%), Scale EU (85.6%), Scale Non-EU (95.0%):

Privacy Rights regarding your Personal Information This section provides specific information for residents of certain states in the United States with comprehensive privacy laws, including but not limited to California, Colorado, Connecticut, Delaware, Iowa, Indiana, Montana, New Jersey, Oregon, Texas, Tennessee, Utah or Virginia, as well as other jurisdictions and regulations that allow

for individual privacy rights such as the European Economic Area, the United Kingdom, and the General Data Protection Regulation (GDPR).

Legal Basis (89.3%):

Explanation of Individual Rights Some state and local consumer privacy laws give residents of their respective states and jurisdictions certain privacy rights regarding their Personal Information.

Legal Basis (94.6%):

Depending on where you reside, and subject to certain legal limitations, applicable laws in your jurisdiction may grant you the right to make certain privacy requests, which may include the following rights, subject to certain exceptions and restrictions: Right to Access / Know / Portability: You may have the right to confirm whether we are processing your Personal Information and to request, free of charge, certain details about our data practices.

Processing (70.1%):

You may also have the right to receive a copy of your Personal Information in a portable, readily usable format that allows you to transmit the information to another entity without hindrance, to the extent technically feasible.

Art. 17 Right to erasure (right to be forgotten) (86.3%):

Right to Deletion: You may have the right to request deletion of the Personal Information we have collected from or about you, subject to certain exceptions.

Required Purpose (94.4%), Retention (67.8%):

For example, we may need to retain Personal Information for recordkeeping purposes, to complete a transaction you initiated, or for compliance with legal obligations.

Required Purpose (66.0%), Retention (76.8%):

We may also retain residual information to demonstrate that we have fulfilled your request.

Art. 16 Right to rectification (76.2%):

Right to Correction: You may have the right to request that we correct inaccuracies in the Personal Information we maintain about you, taking into account the nature of the data and the purposes for processing.

Personal Data (97.8%), Technical Measure (99.0%):

We may be considered selling or sharing personal information in certain states due to our use of ad and analytics cookies and other tools.

Art. 18 Right to restriction of processing (80.1%), Art. 21 Right to object (64.5%), Legitimate Interest (83.3%):

Right to Restrict or Object: In certain circumstances, you may have the right to object to or request

that we restrict the processing of your Personal Information, particularly where processing is based on our legitimate interests.

Right (72.4%):

Right to Non-Discrimination: You have the right not to receive discriminatory treatment for exercising any of your privacy rights.

Right (75.9%):

Right to Appeal: If we reject your request to exercise a privacy right, under certain privacy laws you may have the right to appeal our decision.

Processing (97.3%):

Submitting a Request Where applicable law allows for such a right, for example, if you would like to request to access, correct, object to the use, restrict or delete Personal Information that you have previously provided to us, or if you would like to request to receive an electronic copy of your Personal Information for purposes of transmitting it to another company (to the extent this right to data portability is provided to you by applicable law), you may submit a request through the Mindbody Services themselves or contact us at with the subject line "Data Subject Request".

Data Subject (75.4%):

These Data Subject Requests and other rights, including objection, restriction and portability (to the extent this right to data portability is provided to you by applicable law), can also be made directly to the relevant Subscriber.

Organisational Measure (62.5%), Required Purpose (86.1%):

For your protection, we may only implement requests with respect to the Personal Information associated with the particular email address that you use to send us your request, and we may need to verify your identity before implementing your request.

Authority (68.6%):

Where applicable law allows for an authorized agent to submit such a request, please contact us at with the subject line "Data Subject Request Agent Request" and someone will be in touch with the agent and the End User to verify the request.

Art. 17 Right to erasure (right to be forgotten) (76.7%), Right (71.8%):

If you are under 18 years of age and a user of the Mindbody Services, you may also be entitled to ask us to remove content or information that you have posted to the Mindbody Service by submitting a Support Request.

Data Subject (84.0%):

If you are an End User of one of our Subscribers and would no longer like to be contacted by one of our Subscribers, or would like request the exercise of a right as set out above in relation to Personal Information held by a Subscriber, please contact the Subscriber directly.

Consent (68.8%), Personal Data (98.2%):

Your choices regarding our use and disclosure of information Except for health and fitness tracker data that is obtained via third parties, information we collect may be used by Mindbody for marketing purposes such as one-off promotional emailing, mobile text messages, direct mail, and sales contacts.

Consent (75.5%), Required Purpose (93.2%):

We give you many choices regarding our use and disclosure of your Personal Information for marketing purposes.

Consent (95.3%):

Right to Opt-Out: You may have the right to opt out of certain processing of your Personal Information, including: the selling or sharing of Personal Information, or targeted advertising using Personal Information.

Organisational Measure (91.6%):

You may: Opt-in or opt-out from receiving electronic communications from us: If you are a user of the Mindbody App or the Mindbody Consumer Site(s) and no longer want to receive marketing-related emails or mobile text messages from us on a going-forward basis, you may opt-out of receiving these marketing-related emails or mobile text messages by changing your preferences in your account settings or following the unsubscribe prompts from within the messages themselves.

Organisational Measure (75.0%):

If you have provided your information to Mindbody, and opt-out from receiving marketing-related emails or mobile text messages from Mindbody, Mindbody will put in place processes to honor your request.

Legal Basis (97.5%):

We will reply to your request as required by the Shine the Light law.

Consent (66.0%):

If you have previously consented to receiving push notifications and no longer wish to receive them, you can also turn push notifications off at the device level.

Technical Measure (65.0%):

The applications may also request access to your devices calendar application, storage, Bluetooth,

camera, and microphone.

Required Purpose (93.5%), Technical Measure (93.8%):

We and/or our service providers may employ various tracking technologies, such as cookies, web beacons and analytics software, that help us better manage content on the Mindbody Services by informing us what content is effective.

Technical Measure (90.7%):

For more information on our use of cookies and similar technologies, including instructions on how to opt-out, please refer to our Cookies Policy.

Required Purpose (70.7%):

These features may collect your IP address, which page you are visiting on our websites, and may set a cookie to enable the feature to function properly.

Processing (66.1%):

Social media features and widgets are either hosted by a third party or hosted directly on our websites.

Processing (96.2%):

Please keep in mind that if you disclose Personal Information through Mindbody public message boards, blogs, or forums, as offered through the Mindbody Services, this information may be viewed, collected and used by others.

Third Party (74.7%):

To defend our legal rights or those of others.

Art. 17 Right to erasure (right to be forgotten) (84.2%):

Please note that your request does not ensure complete or comprehensive removal of the content or information if doing so infringes on the rights of another user.

Third Party (91.4%):

Sign-In Services You can log in to some of the Mindbody Services using sign-in services such as Facebook Connect, Google or an Open ID provider.

Consent (85.3%), Required Purpose (64.4%):

These services will authenticate your identity and provide you the option to share certain Personal Information with us such as your name and email address to pre-populate our sign-up form.

Personal Data (93.9%):

To allow you to participate in sweepstakes, contests or similar promotions.

Personal Data (79.9%), Processing (87.3%):

Testimonials, Ratings and Reviews If you submit testimonials, ratings or reviews to the Mindbody

Services, any Personal Information you include may be displayed in the Mindbody Services.

Third Party (99.3%):

Payment Processors We currently use payment processors as a Third Party Offering for internet-based payment services.

Organisational Measure (86.3%):

Where a third-party payment processor is utilized as a sub-processor, we have implemented appropriate onward transfer safeguards over your Personal Information.

Third Party (75.5%):

The inclusion of a link does not imply endorsement of the linked site or service by us or by our affiliates.

Third Party (81.1%):

Please note that we are not responsible for the collection, usage and disclosure policies and practices (including the data security practices) of other organizations, such as Facebook, Apple, Google, Microsoft, RIM or any other app developer, app provider, social media platform provider, operating system provider, wireless service provider or device manufacturer, including any Personal Information you disclose to other organizations through or in connection with the Mindbody Services, including our social media pages.

Personal Data (87.8%), Retention (82.3%):

The criteria used to determine our retention periods include: The length of time we have an ongoing relationship with you and provide the Mindbody Services to you (for example, for as long as you have an account with us or keep using the Mindbody Services); Whether there is a legal obligation to which we are subject (for example, certain laws require us to keep records of your transactions for a certain period of time before we can delete them); or Whether retention is advisable in light of our legal position (such as in regard to applicable statutes of limitations, litigation or regulatory investigations).

Organisational Measure (83.9%):

We seek to use reasonable technical, administrative and physical safeguards designed to protect Personal Information within our organization.

Scale Non-EU (87.3%):

International Transfers The Mindbody Services are controlled and operated by us from the United States and are not intended to subject us to the laws or jurisdiction of any state, country or territory other than that of the United States.

Legal Basis (81.8%), Processing (93.2%), Scale Non-EU (62.3%):

Your Personal Information may be stored and processed in any country where we have facilities, namely the United States and the United Kingdom, or in which we engage service providers, and by using the Mindbody Services you understand that your information will be transferred to countries outside of your country of residence, including the United States, which may have data protection rules that are different from those of your country and whose laws don't provide the same level of protection as in the European Economic Area (EEA) or UK.

Authority (94.4%):

In certain circumstances, courts, law enforcement agencies, regulatory agencies or security authorities in those other countries may be entitled to access your Personal Information.

Authority (84.2%), Contract (73.4%), Legal Basis (84.1%), Personal Data (99.5%), Scale EU (86.6%), Scale Non-EU (82.5%):

For transfers from the EEA and Switzerland to countries not considered adequate by the European Commission (the United States) we have put in place adequate measures, such as the applicable module(s) of the standard contractual clauses (based on the standard contractual clauses for the transfer of personal data to third countries pursuant to Regulation (EU) 2016/679 as amended or replaced from time to time by a competent authority under the relevant data protection laws and published here, a copy of which can be obtained by contacting us, as set forth in Section 21 below) (the Standard Contractual Clauses).

Legal Basis (81.2%):

For transfers from the United Kingdom to countries not considered adequate by the Commissioner, we have put in place the relevant UK Standard Contractual Clauses as amended by the Commissioner for the UK data protection laws and published here.

Contract (79.2%):

Data Privacy Framework We rely on standard contractual clauses (based on the clauses published at Standard contractual clauses for international transfers

European Commission (europa.eu) (for the EEA and Switzerland) and https:

<https://ico.org.uk/for-organisations/guide-to-data-protection/guide-to-the-general-data-protection-regulation-gdpr/international-data-transfer-agreement-and-guidance/> (for the UK), a copy of which can be obtained by Contacting Us, see below) for transfers of personal data from the EEA.

Processing (82.1%):

Some non- EEA countries are recognized by the European Commission as providing an adequate level of data protection according to EEA standards (the full list of these countries is available at <https://commission.europa.eu/law/law-topic/data-protection/international-dimension-data-protection/r>

ules-international-data-transfers_en).

Scale EU (70.2%):

Department of Commerce that it adheres to the applicable DPF Principles with regard to the processing of personal data received from EEA member countries, the United Kingdom, and Switzerland, respectively.

Processing (63.9%):

Mindbody is responsible for the processing of personal data it receives, under the EU-U.S.

Authority (84.3%):

Defined Terms The following terms will have the meanings indicated below.

Authority (87.4%):

The Federal Trade Commission has jurisdiction over Mindbodys compliance with the EU-U.S.

Authority (90.2%), Required Purpose (75.6%):

In certain situations, Mindbody may be required to disclose personal data in response to lawful requests by public authorities, including to meet national security or law enforcement requirements.

Scale EU (81.9%):

DPF), the UK Extension to the EU-U.S.
