Privacy Policy - Bingo Holiday HOME SOCIAL BLOG FAQ Last modified on: September 23, 2024
AE Mobile Limited ("Our Company," "We," "Data Controller") is committed to protecting the privacy of its users ("users" or "you").

Non-Personal Data (85.1%), Organisational Measure (78.2%), Personal Data (95.6%), Processing (99.6%), Required Purpose (79.7%), Right (73.2%):

This Privacy Policy informs you how AE Mobile Limited manages, collects, stores, and protects your data when using our app on media platforms (collectively, the "Services").

Consent (90.6%), Legal Basis (64.3%), Personal Data (87.3%), Processing (99.7%):

Please note that the scope of this Privacy Policy is limited only to information collected by us through your use of the Service.

Consent (94.7%), Personal Data (99.7%), Processing (98.8%):

By using the Service, you agree to the collection and use of your personal information as outlined in this Privacy Policy.

Data Controller (95.9%):

We may amend the Privacy Policy from time to time, and we encourage you to consult it regularly for changes.

Consent (62.6%), Processing (99.0%), Third Party (91.7%):

Regularly reviewing this page ensures that you are always aware of what information we collect, how we use it, and under what circumstances, if any, we will share it with other parties.

Personal Data (99.5%), Processing (99.2%):

Please read this policy carefully to understand our policies and practices for processing and storing your personal information.

Consent (98.6%), Processing (89.9%):

By accessing and utilizing our Services, you accept and consent to the practices described in this Privacy Policy.

Personal Data (96.6%), Processing (98.9%), Required Purpose (93.8%):

Information Collected and Used Our primary objective in collecting user information is to verify user accounts, render good service, fulfill your requirements, and resolve your issues.

Legal Basis (99.3%), Processing (91.7%):

Rest assured that any information provided by you is well protected according to this Privacy Policy and applicable laws.

Data Source (82.3%), Non-Personal Data (64.8%), Processing (87.8%), Retention (78.2%):

When you register for the game and use the Service, we may collect and record the information you provide to us, whether through the game or through social networks or other third-party services ("Account Information").

Personal Data (98.7%), Required Purpose (96.8%), Right (64.7%):

These are the categories of Personal Data that we collect to provide and improve our Service to you: Personal Information Name: Your first and last name as provided during account creation.

Personal Data (85.4%), Technical Measure (67.3%), Third Party (74.0%):

Third-Party IDs: Any third-party identifiers you provide when linking external accounts (e.g., Facebook, Google, Apple ID).

Non-Personal Data (63.5%):

Game Features: Information about which game features you use most frequently in the game.

Data Source (81.0%), Non-Personal Data (94.2%):

Usage Patterns: Information about how you interact with the game.

Non-Personal Data (95.3%):

(e.g., gameplay frequency, time of day).

Personal Data (83.9%), Technical Measure (62.6%):

Technical Information IP Address: Your internet protocol address.

Personal Data (88.1%):

Location: Your general location based on your IP address.

Processing (97.6%), Required Purpose (95.8%), Third Party (95.1%):

This information is not shared with third parties except for security and fraud prevention purposes.

Personal Data (73.8%), Processing (84.2%), Required Purpose (86.4%):

Advertising Identifiers: Unique identifiers like IDFA or Google Ad ID are used to deliver personalized ads.

Personal Data (97.2%):

These identifiers are anonymized and do not link back to personal information such as your name or email.

Processing (87.8%), Required Purpose (77.2%), Technical Measure (92.7%):

Cookies: Small text files stored on your device to track your preferences and usage.

Data Processor (69.5%), Required Purpose (90.6%):

Software Development Kits (SDKs): Third-party tools used for analytics and other purposes in our app.

Personal Data (79.6%):

Device Information Device ID: A unique identifier for your device.

Required Purpose (99.5%):

We collect a unique identifier for your device to enhance security, prevent fraud, and offer personalized services.

Required Purpose (95.5%):

This information is only used to improve the functionality and safety of the app.

Non-Personal Data (84.2%), Processing (99.2%):

Device Platform: The operating system (e.g., iOS, Android) your device uses.

Consent (67.7%), Required Purpose (91.3%):

Permissions and Files Read/Write Permissions: We may request access to read and write files within the app's directory on your device, such as player log files, to ensure proper functionality and performance of the app.

Personal Data (81.8%):

Communications Data Customer Support Interactions: Records of your communications with our support team, including any issues reported and resolutions provided.

Personal Data (67.9%), Required Purpose (98.7%):

Contacts: Information from your contacts may be collected to enable specific features or services within the app.

Personal Data (93.1%):

Transaction Data Payment Information: Details related to transactions, including payment methods and billing information.

Personal Data (99.4%), Processing (90.0%), Required Purpose (97.7%):

Other Personal Data Please be aware that while our game itself does not require direct access to the following types of personal data, some third-party services (SDKs) integrated within the game may need to collect and use this data to function properly.

Required Purpose (82.9%):

This data collection is necessary for certain features and functionalities provided by these third-party services, not the core game itself.

Personal Data (96.1%), Processing (88.2%):

Photos: Images or photos that you upload or capture using features within the game provided by

third-party services, including profile pictures or media you share.

Personal Data (79.2%):

Other Audio Files: Non-music audio recordings, such as sound effects or voice memos, that you interact with or generate using third-party services within our game.

Processing (93.1%):

We are committed to ensuring that any data collected by these third-party SDKs is securely handled and used in accordance with this Privacy Policy and applicable laws.

Processing (98.5%):

Please note that while you may make purchases of virtual goods through the Service, such purchases are processed through third-party platforms (e.g., Apple App Store, Google Play Store).

Organisational Measure (60.4%), Personal Data (98.7%):

We do not have access to your financial or billing information, including credit card details.

Personal Data (85.0%):

Any financial data related to your transactions is handled securely by the third-party platforms according to their own privacy policies.

Processing (99.3%), Third Party (90.3%):

In all instances of data access and collection, the information you provide will not be disclosed, rented, loaned, leased, sold, or otherwise voluntarily shared with unaffiliated third parties.

Personal Data (99.7%), Processing (86.2%), Required Purpose (97.8%):

We may use your information in the following ways: to create and maintain your account, ensuring a secure and smooth gameplay experience; to enable communication between users; to provide technical support and respond to your inquiries; to complete transactions initiated by you; and to gather feedback to improve our game and personalize your experience.

Art. 17 Right to erasure (right to be forgotten) (68.0%), Consent (86.6%), Legal Basis (71.4%), Organisational Measure (83.3%):

Additionally, with your consent, we may send you push notifications to inform you about game updates, promotions, and other relevant messages.

Consent (65.0%), Organisational Measure (69.8%):

You can opt out of these notifications in your device settings at any time.

Data Source (62.1%):

Text Messages: Data related to text messages for service interactions.

Personal Data (84.6%):

Connecting with or accessing our services using a third-party ID or log-in, such as a social

networking site ID.

Required Purpose (97.4%):

How We Use Your Information The information we collect is used for the following purposes: To Provide and Improve Our Services: We use your information to deliver personalized content, process payments, and enhance the functionality and user experience.

Required Purpose (90.8%):

To Communicate with You: We may send you notifications, updates, and promotional emails to keep you informed about new features, offers, and other relevant information.

Required Purpose (87.9%):

To Perform Advertising and Marketing: Your information may be used to display personalized ads and promotional content based on your interests and preferences.

Required Purpose (96.3%):

To Protect Our Rights and Comply with Legal Obligations: We may use your information to enforce our Terms of Service, prevent fraud or illegal activities, and comply with applicable laws and regulations.

Legal Basis (99.1%):

For Any Other Business Purpose: As stated when collecting your personal data or as required by applicable data privacy laws, such as the California Consumer Privacy Act (CCPA).

Data Processor (61.2%), Required Purpose (97.3%):

How We Share Your Information We may share your personal information with service providers who assist us in delivering products and services, processing purchases, and communicating with you.

Required Purpose (95.4%), Third Party (69.0%):

Additionally, we collaborate with companies that manage our websites and third-party analytics firms that conduct market research to help us better understand our users.

Legal Basis (81.9%), Required Purpose (65.2%):

These service providers are authorized to use or disclose your information solely for performing their contracted tasks or as required by law.

Processing (88.9%), Required Purpose (99.4%):

Third-Party Ad Servers: We work with third-party ad servers to display advertisements, generate reports, manage ad responses, and analyze site usage to deliver relevant marketing messages and ads to users.

Required Purpose (82.9%), Technical Measure (99.2%):

These ad servers may use cookies and tracking technologies to collect information about your visits to our app and other websites to serve targeted, interest-based ads.

Personal Data (90.8%), Processing (86.4%), Required Purpose (97.8%):

This process involves analyzing user behavior anonymously to ensure that the ads presented are relevant to your interests.

Organisational Measure (62.8%), Processing (95.5%):

Endpoints: Your data may be securely transmitted to and from our servers through secure communication endpoints.

Required Purpose (84.5%):

These endpoints facilitate essential services that enhance your gaming experience while ensuring your data's integrity and privacy.

Personal Data (64.1%):

They include: Google Firebase: This service manages user authentication and login processes, allowing for a secure and streamlined access to the app.

Required Purpose (95.6%):

Google Video: To enhance your gaming experience, we integrate video ads through Google Video(googlevideos.com and related subdomains), allowing you to earn valuable in-game rewards such as coins, boosters, or exclusive benefits in exchange for watching ads.

Organisational Measure (78.0%), Required Purpose (91.8%):

These ads are dynamically tailored to your preferences and in-app behavior, ensuring relevant content and seamless delivery with minimal interruptions.

Required Purpose (90.4%):

Google Video ensures high-quality, fast-loading ads that are displayed at natural breaks in gameplay, letting you engage on your terms.

Legal Basis (94.0%), Technical Measure (89.5%):

Your personal data is securely transmitted using encryption technologies, adhering to strict privacy protocols and regulations such as GDPR and CCPA.

Data Processor (77.5%), Required Purpose (61.3%):

Applovin: Through endpoints like applovin.com and ms-usa.applovin.com, we partner with Applovin to deliver tailored advertisements based on your preferences and behaviors.

Required Purpose (89.7%):

This integration allows us to optimize ad performance and enhance user engagement by presenting relevant promotional content.

Required Purpose (96.6%):

Mintegral: Utilizing endpoints such as mintegral.net and analytics-tcp.mintegral.net, we leverage Mintegral for targeted advertising and analytics.

Required Purpose (91.3%):

This helps us track user interactions with ads, allowing for refined ad targeting and improved marketing strategies.

Processing (98.5%), Third Party (87.9%):

The secure transmission of your data through these endpoints ensures data integrity and privacy as we interact with our partners' systems, safeguarding your information throughout these processes.

Non-Personal Data (82.6%), Personal Data (96.5%), Technical Measure (74.4%):

Data Types: The types of data we may share include user profiles, in-app activity and usage statistics, purchase and transaction details, and device identifiers (such as device ID or IP address).

Required Purpose (98.3%):

We ensure that only the necessary information is shared with service providers to perform specific functions related to the services they offer.

Required Purpose (78.3%):

SDKs (Software Development Kits): Our platform integrates SDKs from third-party vendors, which may collect and transmit personal data for purposes such as analytics, advertising, or payment processing.

Third Party (83.2%):

Monetization Partners To support and improve the app's functionality and provide personalized experiences, we work with a range of monetization partners.

Required Purpose (96.1%):

These third-party partners help deliver targeted advertisements, measure ad performance, and offer analytics that improve the overall user experience.

Legal Basis (96.9%):

We share certain data with these partners in compliance with applicable privacy laws and regulations.

Required Purpose (66.5%):

The information shared is used only for the purposes outlined in this policy and is anonymized whenever possible.

Required Purpose (71.1%):

List of Monetization Partners and Data Usage Facebook: We work with Facebook to deliver

personalized advertisements based on your activity within the app and your interactions with ads on Facebook's platform.

Personal Data (87.6%), Required Purpose (93.2%):

Facebook may use your advertising identifiers to show you relevant ads and measure ad effectiveness.

Required Purpose (86.9%):

Google Ads also helps us measure the effectiveness of ad campaigns.

Required Purpose (94.4%):

And we integrate Google Video service to serve video ads in the app, enhancing the user experience and offering opportunities for rewards.

Required Purpose (76.2%):

Google Firebase & Firebase Crashlytics: These tools are used to gather app performance data, track in-app user behavior, and report any crashes or bugs.

Required Purpose (94.5%):

This helps us to continuously improve app stability and performance.

Non-Personal Data (62.3%), Required Purpose (97.6%):

AppLovin's advertising technology uses your app usage and behavior data to show relevant ads.

Required Purpose (88.8%):

Mintegral: Mintegral helps us to deliver targeted advertising by using your game behavior, device identifiers, and interactions with in-app ads.

Required Purpose (94.6%):

This enables us to show you more relevant ads and offers.

Required Purpose (74.5%):

AppsFlyer: AppsFlyer provides mobile attribution and helps us track user behavior across devices and platforms.

Required Purpose (79.8%):

By understanding how users interact with our app, we can better optimize marketing efforts and user experience.

Data Controller (89.2%), Recipient (91.8%), Required Purpose (60.3%):

Zendesk: Zendesk is our partner for managing customer support inquiries.

Personal Data (71.8%), Processing (76.3%), Required Purpose (97.9%):

Your personal data, such as your email address and device information, may be shared with Zendesk to assist with resolving support tickets and inquiries.

Organisational Measure (91.3%):

How We Protect Your Data with Our Monetization Partners We ensure that all data shared with our monetization partners is handled responsibly and securely.

Required Purpose (99.2%):

These partners may use personal data such as advertising identifiers, device information, and in-app activity to deliver ads, optimize app performance, or measure ad effectiveness.

Legal Basis (76.0%):

Additionally, we work closely with our partners to ensure that they comply with relevant data protection laws, such as the General Data Protection Regulation (GDPR) and California Consumer Privacy Act (CCPA).

Consent (86.3%), Organisational Measure (60.1%):

You may also choose to manage or opt-out of personalized ads through your device settings, as outlined in the User Control section of this Privacy Policy.

Consent (92.7%), Right (90.0%):

Opt-Out Rights: You have the right to be informed when your personal data is shared or sold.

Organisational Measure (62.0%):

We will only share or sell your information when you give us explicit consent to do so.

Consent (91.8%), Organisational Measure (74.8%), Retention (85.7%):

Once your request is received, we will ensure your data is no longer shared or sold in any ways you have opted out of.

Consent (81.6%):

Permissions We Use To ensure our app runs smoothly and provides the best possible experience, the app requires certain permissions on your device.

Personal Data (68.6%), Required Purpose (93.8%):

Below is an overview of the permissions we request and their purposes: Access Ad ID & Attribution: We use your Ad ID and attribution data to show relevant ads and measure the performance of our marketing campaigns.

Third Party (70.6%):

Billing: This permission is required to handle in-app purchases through third-party services like Apple and Google Play.

Data Processor (80.6%), Required Purpose (99.0%):

Third-Party Services We may engage third-party service providers, including payment processors, analytics providers, and other specialized services, to support and enhance the functionality and

performance of our app.

Processing (97.5%):

If you wish to exercise your right to opt out of the sale or sharing of your personal data, you may contact us at or through any available in-game support system.

Legal Basis (71.7%):

While we select these providers carefully and require them to adhere to applicable data protection laws, we do not control their privacy practices.

Right (97.9%):

California Consumer Privacy Act (CCPA) If you are a resident of California, the CCPA grants you the following rights regarding your personal information: Right to Non-Discrimination: You have the right to not be discriminated against for exercising any of your CCPA rights.

Art. 17 Right to erasure (right to be forgotten) (84.8%), Right (62.2%):

Right to Delete: You have the right to request the deletion of your personal information that we have collected, subject to certain exceptions.

Art. 16 Right to rectification (66.3%):

Right to Correct: You have the right to request the correction of inaccurate or incomplete personal information.

Art. 17 Right to erasure (right to be forgotten) (83.7%), Consent (70.5%):

Right to Delete: You have the right to request the deletion of your personal information when it is no longer necessary for the purposes for which it was collected or if you withdraw your consent.

Art. 15 Right to access by the data subject (60.4%):

Right to Data Portability: You have the right to request a copy of your personal information in a portable and readily usable format.

Right (78.3%):

Right to Appeal: If we deny your request to exercise any of these rights, you have the right to appeal our decision.

Art. 15 Right to access by the data subject (65.3%):

Virginia Consumer Data Protection Act (VCDPA) Rights If you are a resident of Virginia, the VCDPA provides you with the following rights: Right to Access: You have the right to request access to the personal information we hold about you.

Art. 15 Right to access by the data subject (70.7%):

GDPR Rights for EU Residents If you are a resident of the European Union (EU), you have certain rights under the General Data Protection Regulation (GDPR): Right to Access: You have the right to

request access to the personal information we hold about you and to obtain a copy of that information.

Art. 16 Right to rectification (79.5%):

Right to Rectification: You have the right to request that we correct or update any inaccurate or incomplete personal information.

Art. 18 Right to restriction of processing (88.1%), Art. 21 Right to object (61.7%), Processing (99.7%):

Right to Restrict Processing: You have the right to request that we restrict the processing of your personal information under certain circumstances, such as when you contest the accuracy of the information or when you object to the processing.

Art. 20 Right to data portability (74.9%):

Right to Data Portability: You have the right to receive your personal information in a structured, commonly used, and machine-readable format and to transmit that information to another data controller.

Art. 21 Right to object (77.6%):

Right to Object: You have the right to object to the processing of your personal information on grounds related to your particular situation, including processing for direct marketing purposes.

Automated Decision Making (74.0%):

Rights Related to Automated Decision-Making: You have the right not to be subject to decisions based solely on automated processing, including profiling, which produce legal effects concerning you or similarly significantly affect you.

Authority (81.7%), Lodge Complaint (70.8%), Personal Data (73.2%):

Right to Complain: You have the right to complain to a supervisory authority about our collection and use of your personal data.

Art. 16 Right to rectification (75.9%):

Right to Rectification: You have the right to request the correction or update of inaccurate or incomplete personal information.

Organisational Measure (84.4%), Required Purpose (64.3%):

Data Security We implement robust security measures to protect your personal information from unauthorized access, alteration, disclosure, or destruction.

Required Purpose (92.5%), Technical Measure (73.7%):

We use industry-standard encryption protocols and secure servers to ensure the confidentiality and integrity of your data.

Required Purpose (76.2%):

Additionally, we limit access to your personal information to those employees, agents, contractors, and partners who need to know that information in order to operate, develop, or improve our services.

Personal Data (80.9%), Required Purpose (86.0%):

Feedback: Information from feedback forms and surveys to improve our services.

Contract (73.3%), Required Purpose (61.4%):

These parties are bound by strict confidentiality obligations and may be subject to discipline, including termination, if they fail to meet these obligations.

Processing (67.7%), Retention (97.0%):

Data Retention We will retain your personal information only as long as necessary to fulfill the purposes for which it was collected, to meet our legal obligations, resolve disputes, and enforce our agreements.

Retention (91.5%):

Once your personal data is no longer required, we will securely delete or anonymize it in accordance with our data retention policy.

Processing (64.4%):

This could involve providing additional information to confirm that you are the data subject.

Personal Data (77.5%):

Confirm Deletion: After your data has been deleted, we will send you a confirmation that your personal data has been removed from our records.

Legal Basis (92.8%):

Legal Basis for Processing Personal Data We process your personal data in accordance with the requirements set forth by applicable data protection laws.

Consent (68.6%), Legal Basis (88.9%):

The legal bases for our processing activities are as follows: 1.Consent We may process your personal data when you have provided explicit consent for a specific purpose.

Consent (86.4%):

However, please note that withdrawing consent may affect your ability to use certain features or services.

Contract (72.8%):

2.Contractual Necessity Processing your personal data is often necessary for the performance of a contract to which you are a party.

Required Purpose (98.7%):

For instance, when you register for an account, make a purchase, or utilize our services, we process your data to manage your account, process transactions, provide customer support, and deliver the requested services.

Contract (65.4%), Required Purpose (62.2%):

Without this processing, we would not be able to fulfill our contractual obligations to you.

Authority (73.7%), Legal Basis (88.6%), Required Purpose (78.7%):

3.Legal Obligation We may be required to process your personal data to comply with legal obligations imposed on us by applicable laws, regulations, or governmental authorities.

Authority (79.2%), Required Purpose (72.1%):

This can include obligations related to tax compliance, financial reporting, record-keeping, and responding to lawful requests from public authorities.

Legal Basis (71.1%):

We ensure that any data processing conducted under this basis is done in accordance with the relevant legal requirements.

Legitimate Interest (92.7%), Right (67.9%):

4.Legitimate Interests We may process your personal data based on our legitimate interests, provided that such processing does not override your fundamental rights and freedoms.

Required Purpose (96.7%):

Our legitimate interests include the following: Fraud Prevention and Security:We process data to monitor, prevent, and detect fraudulent activity, unauthorized access, and other forms of misuse of our services.

Required Purpose (99.8%):

Service Improvement:We analyze user behavior and feedback to enhance the functionality, performance, and user experience of our services.

Required Purpose (98.8%):

This includes conducting research and analysis to better understand user preferences and trends.

Required Purpose (92.7%):

Marketing and Advertising:We may use your data to personalize and deliver targeted marketing communications, promotions, and advertisements that are relevant to your interests.

Required Purpose (96.7%):

This allows us to provide you with a more tailored experience.

Required Purpose (98.5%):

Business Operations: We process data to support our day-to-day business operations, including managing customer relationships, optimizing our services, and conducting market research.

Required Purpose (78.0%):

Game Preferences: Your preferred game settings and customization options in the game.

Legitimate Interest (74.7%), Required Purpose (63.5%):

5. Public Task In some circumstances, we may process your personal data to perform a task carried out in the public interest or in the exercise of official authority vested in us.

Legitimate Interest (69.1%), Required Purpose (68.0%):

This may apply in situations where data processing is necessary for regulatory compliance, public health and safety, or other matters of public interest.

Organisational Measure (63.4%):

We encourage you to review these notifications to stay informed about how your data is being used.

Data Controller (72.2%):
