Types of Data collected Among the types of Personal Data that this Application collects, by itself or through third parties, there are: Cookies; Usage Data; email address; password; first name; last name; picture; geographic position; Data communicated while using the service; unique device identifiers for advertising (Google Advertiser ID or IDFA, for example); device information; geography/region; number of Users ; number of sessions; session duration; Application opens; Application updates; first launches; operating systems; device logs.

Data Processor (63.8%), Organisational Measure (76.2%), Processing (99.4%):

Mode and place of processing the Data Methods of processing The Owner takes appropriate security measures to prevent unauthorized access, disclosure, modification, or unauthorized destruction of the Data.

Organisational Measure (65.6%), Technical Measure (94.4%):

The Data processing is carried out using computers and/or IT enabled tools, following organizational procedures and modes strictly related to the purposes indicated.

Authority (63.2%), Legal Basis (74.0%), Third Party (77.7%):

In addition to the Owner, in some cases, the Data may be accessible to certain types of persons in charge, involved with the operation of this Application (administration, sales, marketing, legal, system administration) or external parties (such as third-party technical service providers, mail carriers, hosting providers, IT companies, communications agencies) appointed, if necessary, as Data Processors by the Owner.

Personal Data (85.2%), Processing (89.7%):

Depending on the User's location, data transfers may involve transferring the User's Data to a country other than their own.

Personal Data (67.7%), Required Purpose (95.6%):

The purposes of processing The Data concerning the User is collected to allow the Owner to provide its Service, comply with its legal obligations, respond to enforcement requests, protect its rights and interests (or those of its Users or third parties), detect any malicious or fraudulent activity, as well as the following: Analytics, Registration and authentication, Displaying content from external platforms, Hosting and backend infrastructure, Location-based interactions, Managing contacts and sending messages and Beta Testing.

Processing (78.4%), Required Purpose (79.9%):

Detailed information on the processing of Personal Data Personal Data is collected for the following purposes and using the following services: Analytics The services contained in this section enable the Owner to monitor and analyze web traffic and can be used to keep track of User behavior.

Processing (74.6%), Third Party (98.2%):

Analytics collected directly (This Application) This Application uses an internal analytics system that does not involve third parties.

Processing (96.3%), Required Purpose (93.5%):

Google utilizes the Data collected to track and examine the use of this Application, to prepare reports on its activities and share them with other Google services.

Required Purpose (96.6%):

Google may use the Data collected to contextualize and personalize the ads of its own advertising network.

Consent (90.3%):

Place of processing: US Privacy Policy Opt Out.

Technical Measure (80.0%):

Firebase Analytics may share Data with other tools provided by Firebase, such as Crash Reporting, Authentication, Remote Config or Notifications.

Required Purpose (98.5%), Technical Measure (95.3%):

This Application uses identifiers for mobile devices and technologies similar to cookies to run the Firebase Analytics service.

Required Purpose (71.9%):

Beta Testing This type of service makes it possible to manage User access to this Application, or parts of it, for the purpose of testing a certain feature or the entire Application.

Non-Personal Data (87.6%), Personal Data (61.5%):

The service provider may automatically collect data related to crashes and statistics related to the User's use of this Application in a personally identifiable form.

Personal Data (76.1%):

This type of service might still collect web traffic data for the pages where the service is installed, even when Users do not use it.

Consent (67.3%), Processing (99.3%):

Retention time Unless specified otherwise in this document, Personal Data shall be processed and stored for as long as required by the purpose they have been collected for and may be retained for longer due to applicable legal obligation or based on the Users consent.

Processing (85.9%), Required Purpose (60.3%):

Location-based interactions Non-continuous geolocation (This Application) This Application may collect, use, and share User location Data in order to provide location-based services.

Organisational Measure (81.0%):

Most browsers and devices provide tools to opt out from this feature by default.

Processing (95.4%):

If explicit authorization has been provided, the Users location data may be tracked by this Application.

Personal Data (89.6%):

The geographic location of the User is determined in a manner that isn't continuous, either at the

specific request of the User or when the User doesn't point out its current location in the appropriate field and allows the application to detect the position automatically.

Processing (78.5%), Third Party (61.8%):

Google Analytics (Universal Analytics) (Google Inc.) Google Analytics (Universal Analytics) is a web analysis service provided by Google LLC or by Google Ireland Limited, depending on how the Owner manages the Data processing, (Google).

Personal Data (99.1%), Required Purpose (84.3%):

Managing contacts and sending messages This type of service makes it possible to manage a database of email contacts, phone contacts or any other contact information to communicate with the User.

Personal Data (72.5%):

These services may also collect data concerning the date and time when the message was viewed by the User, as well as when the User interacted with it, such as by clicking on links included in the message.

Required Purpose (89.2%), Third Party (93.1%):

In this case, this Application will be able to access some Data, stored by these third party services, for registration or identification purposes.

Processing (98.0%), Required Purpose (97.5%):

To simplify the registration and authentication process, Auth0 can make use of third-party identity providers and save the information on its platform.

Consent (74.9%):

Further Information for Users Legal basis of processing The Owner may process Personal Data relating to Users if one of the following applies: Users have given their consent for one or more specific purposes.

Contract (76.4%), Legitimate Interest (78.6%), Third Party (83.5%):

provision of Data is necessary for the performance of an agreement with the User and/or for any pre-contractual obligations thereof; processing is necessary for compliance with a legal obligation to which the Owner is subject; processing is related to a task that is carried out in the public interest or in the exercise of official authority vested in the Owner; processing is necessary for the purposes of the legitimate interests pursued by the Owner or by a third party.

Contract (76.5%), Legal Basis (83.6%):

In any case, the Owner will gladly help to clarify the specific legal basis that applies to the processing, and in particular whether the provision of Personal Data is a statutory or contractual

requirement, or a requirement necessary to enter into a contract.

Contract (61.6%), Retention (80.0%):

Therefore: Personal Data collected for purposes related to the performance of a contract between the Owner and the User shall be retained until such contract has been fully performed.

Retention (93.3%):

Personal Data collected for the purposes of the Owners legitimate interests shall be retained as long as needed to fulfill such purposes.

Retention (94.1%):

The Owner may be allowed to retain Personal Data for a longer period whenever the User has given consent to such processing, as long as such consent is not withdrawn.

Retention (89.0%):

Furthermore, the Owner may be obliged to retain Personal Data for a longer period whenever required to fulfil a legal obligation or upon order of an authority.

Retention (89.1%):

Once the retention period expires, Personal Data shall be deleted.

Retention (93.2%), Right (62.9%):

Therefore, the right of access, the right to erasure, the right to rectification and the right to data portability cannot be enforced after expiration of the retention period.

Consent (94.9%), Legal Basis (82.4%):

In particular, Users have the right to do the following, to the extent permitted by law: Withdraw their consent at any time.

Consent (62.4%):

Users have the right to withdraw consent where they have previously given their consent to the processing of their Personal Data.

Personal Data (70.2%):

To find out more about the place of processing of such transferred Data, Users can check the section containing details about the processing of Personal Data.

Art. 21 Right to object (72.5%):

Users have the right to object to the processing of their Data if the processing is carried out on a legal basis other than consent.

Art. 18 Right to restriction of processing (87.0%):

Users have the right to restrict the processing of their Data.

Art. 17 Right to erasure (right to be forgotten) (84.3%):

Have their Personal Data deleted or otherwise removed.

Art. 17 Right to erasure (right to be forgotten) (68.0%):

Users have the right to obtain the erasure of their Data from the Owner.

Authority (83.7%):

Users have the right to bring a claim before their competent data protection authority.

Legal Basis (91.6%):

Users are also entitled to learn about the legal basis for Data transfers abroad including to any international organization governed by public international law or set up by two or more countries, such as the UN, and about the security measures taken by the Owner to safeguard their Data.

Legitimate Interest (78.8%):

Details about the right to object to processing Where Personal Data is processed for a public interest, in the exercise of an official authority vested in the Owner or for the purposes of the legitimate interests pursued by the Owner, Users may object to such processing by providing a ground related to their particular situation to justify the objection.

Art. 21 Right to object (73.2%):

Users must know that, however, should their Personal Data be processed for direct marketing purposes, they can object to that processing at any time, free of charge and without providing any justification.

Legal Basis (90.7%):

Such requests are free of charge and will be answered by the Owner as early as possible and always within one month, providing Users with the information required by law.

Processing (92.9%):

Any rectification or erasure of Personal Data or restriction of processing will be communicated by the Owner to each recipient, if any, to whom the Personal Data has been disclosed unless this proves impossible or involves disproportionate effort.

Authority (84.0%), Personal Data (99.6%), Processing (63.5%):

The User declares to be aware that the Owner may be required to reveal personal data upon request of public authorities.

Processing (96.1%):

Complete details on each type of Personal Data collected are provided in the dedicated sections of this privacy policy or by specific explanation texts displayed prior to the Data collection.

Required Purpose (71.4%):

For specific information about the Personal Data used for each purpose, the User may refer to the

section Detailed information on the processing of Personal Data.

Personal Data (78.1%), Required Purpose (81.9%):

System logs and maintenance For operation and maintenance purposes, this Application and any third-party services may collect files that record interaction with this Application (System logs) or use other Personal Data (such as the IP Address) for this purpose.

Personal Data (79.3%):

Hosting and backend infrastructure This type of service has the purpose of hosting data and files that enable this Application to run and be distributed as well as to provide a ready-made infrastructure to run specific features or parts of this Application.

Organisational Measure (69.9%):

Changes to this privacy policy The Owner reserves the right to make changes to this privacy policy at any time by notifying its Users on this page and possibly within this Application and/or - as far as technically and legally feasible - sending a notice to Users via any contact information available to the Owner.

Data Subject (62.9%):

Users who are uncertain about which Personal Data is mandatory are welcome to contact the Owner.

Personal Data (98.4%), Required Purpose (84.7%):

Definitions and legal references Personal Data (or Data) Any information that directly, indirectly, or in connection with other information including a personal identification number allows for the identification or identifiability of a natural person.

Non-Personal Data (94.7%), Personal Data (87.4%):

Usage Data Information collected automatically through this Application (or third-party services employed in this Application), which can include: the IP addresses or domain names of the computers utilized by the Users who use this Application, the URI addresses (Uniform Resource Identifier), the time of the request, the method utilized to submit the request to the server, the size of the file received in response, the numerical code indicating the status of the server's answer (successful outcome, error, etc.), the country of origin, the features of the browser and the operating system utilized by the User, the various time details per visit (e.g., the time spent on each page within the Application) and the details about the path followed within the Application with special reference to the sequence of pages visited, and other parameters about the device operating system and/or the User's IT environment.

Data Subject (65.2%):

User The individual using this Application who, unless otherwise specified, coincides with the Data Subject.

Authority (88.6%), Processing (97.1%):

Data Processor (or Processor) The natural or legal person, public authority, agency or other body which processes Personal Data on behalf of the Controller, as described in this privacy policy.

Required Purpose (73.1%):

Data Controller (or Owner) The natural or legal person, public authority, agency or other body which, alone or jointly with others, determines the purposes and means of the processing of Personal Data, including the security measures concerning the operation and use of this Application.

Scale EU (84.6%):

European Union (or EU) Unless otherwise specified, all references made within this document to the European Union include all current member states to the European Union and the European Economic Area.

Personal Data (65.6%), Technical Measure (94.2%):

Tracker Tracker indicates any technology - e.g Cookies, unique identifiers, web beacons, embedded scripts, e-tags and fingerprinting - that enables the tracking of Users, for example by accessing or storing information on the Users device.
