(d/b/a TAG Heuer), 966 South Springfield Ave., Springfield NJ 07081 (TAG Heuer, we or us) in the United States of America and effective as of February 27, 2025, (the Effective Date) provides you with the option to receive a credit in exchange for trading in your current TAG Heuer Connected from previous generations (the Current Watch), subject to the purchase of the latest generation of the TAG Heuer Connected watch named Calibre E4 (the New TAG Heuer Connected).

Personal Data (75.7%):

Your Current Watch will be eligible to the Program if it belongs to one of the eligible generations of TAG Heuer Connected watches (for more information on the eligible generations, please visit our Program web page on <https://www.tagheuer.com/smartwatches/connected-trade-in.html> or ask a customer advisor in one of our TAG Heuer Selected Stores), if we can confirm its authenticity and if its serial number is perfectly legible.

Processing (96.8%):

We will try to correct any error in the order submitted by you before it is processed, but we cannot guarantee this.

Processing (93.1%):

The acceptance and execution of the Program to trade in your Current Watch for the Trade-In Credit leads to the transfer of title and ownership over your Current Watch to TAG Heuer, and your Current Watch will not be returned to you under any circumstances once you have transferred its title and ownership to us under the Program (see also paragraph 6 and paragraph 7).

Required Purpose (75.1%):

Our Customer Care team will provide you with (i) instructions to perform an initial assessment of the eligibility of your Current Watch (note that you can also contact our Customer Care team to perform such initial assessment before purchasing your New TAG Heuer Connected), (ii) instructions and timing requirements for the shipment of your Current Watch to us if the initial eligibility assessment is positive and (iii) a prepaid shipping label which you must use to return your Current Watch.

Retention (75.3%):

After such confirmation and once the return period applicable to the purchase of your New TAG Heuer Connected has expired (see paragraph 13), the title and ownership of your Current Watch will be transferred to us and paragraph 8 will apply.

Retention (69.2%):

We will proceed to the payment of the amount corresponding to the Trade-In Credit after the end of the return period applicable to your New TAG Heuer Connected, in the same currency and through the same payment method used for your purchase of the New TAG Heuer Connected.

Organisational Measure (67.4%):

You must perform a factory reset and remove all personal information from your Current Watch before handing it or sending it to us pursuant to paragraphs 6 and 7, respectively.

Organisational Measure (73.8%):

In proceeding to benefit the Program, you represent and confirm that you have performed such factory reset and removed all personal information from your Current Watch accordingly.

Processing (83.7%):

TAG Heuer shall not be responsible for the disclosure or any other processing of any private information that has not been removed from your Current Watch prior to its return or shipment.

Legal Basis (80.0%):

Cash payments are also accepted in certain TAG Heuer Selected Stores, to the extent permitted by

law and by our internal policies.

Contract (60.0%), Required Purpose (86.1%):

Returns Online: For returns of the New TAG Heuer Connected purchased on our website, we will reimburse you the purchase price in the same currency and through the same payment method used for the purchase of your New TAG Heuer Connected in accordance with our online terms and conditions of sale which can be found on <https://www.tagheuer.com/legal/terms.html> and the benefit of the Program will be cancelled.

Non-Personal Data (62.3%):

The Program eligibility or the Trade-In Credit offered by TAG Heuer are not transferrable to any person other than you, as the owner of a Current Watch or a New TAG Heuer Connected.

Consent (60.3%):

TAG Heuer reserves the right to decline or cancel your participation in the Program, if we believe that your participation is pursuing an illegal or fraudulent purpose.

Consent (66.3%):

For the avoidance of doubt, it is recalled that the new Program is available only for participation in the Program after February 27, 2025 and that the Trade-In Terms do not include any retroactive provision for any similar program previously implemented by TAG Heuer.

Authority (94.0%):

If any court or relevant authority decides that any of them are unlawful or unenforceable, the remaining paragraphs will remain in full force and effect.

Legal Basis (69.9%):

The Trade-In Terms are governed by New York law and the state and federal courts of New York will have exclusive jurisdiction for any dispute arising in connection with these Trade-In Terms.

Authority (62.1%):

In addition, all Products must be returned with the original receipt, in an unused state and in brand-new condition, with all original shipping and Product packaging, protective materials, and tags in place.

Contract (76.5%):

This Contract is between you and us.

Contract (62.0%):

Please note that TAG Heuer may terminate the engraving service in whole or part (including in respect of particular Products) at any time.

Consent (71.5%), Contract (61.5%):

The rights of the parties to terminate, rescind or agree any variation, waiver or settlement under this Contract are not subject to the consent of any other person.
