This Privacy Policy (Policy) provides important information regarding Our Application (Our Application we, or our) in respect to user information collected through our mobile applications and the use of the information.

Consent (94.0%), Data Subject (68.8%), Required Purpose (76.3%):

You provide consent to this Policy when your access and use Our Application (Products) and other related services (Services) .

Consent (97.6%), Non-Personal Data (90.1%), Processing (72.3%), Required Purpose (99.1%):

When using our Products, we might read non-personal information (such as internet, Wi-Fi availability, network connection, wake lock, device status, internal and external storage availability and usability) for the use of Product development and Service improvement.

Processing (98.4%), Required Purpose (98.7%):

The collection of information will be used for the development and functional improvement of our Products to ensure quality user experience.

Data Controller (89.9%):

We only collect such information to the extent that allow us to conduct our normal business operation and Products research and development.

Processing (95.5%), Required Purpose (81.3%):

Any information we received will be used internally for the purpose of product development and to third parties performing services on our behalf, who comply with our Privacy Policy.

Consent (65.8%), Organisational Measure (60.6%):

We will not disclose your information publicly unless we have received your consent or under government order.

Non-Personal Data (65.5%), Personal Data (99.3%):

Personal and non-personal information.

Data Source (86.1%), Data Subject (63.5%), Required Purpose (94.6%):

Our Application may collect and use Users personal information for the following purposes: To improve customer service Information you provide helps us respond to your customer service requests and support needs more efficiently.

Required Purpose (99.8%):

To personalize user experience We may use information in the aggregate to understand how our

Users as a group use the services and resources provided on our apps.

Required Purpose (97.4%):

To improve our apps We may use feedback you provide to improve our products and services.

Processing (82.8%), Third Party (95.9%):

Ads appearing on our apps may be delivered to Users by advertising partners, who may set cookies.

Technical Measure (92.5%):

We do not use cookies.

Personal Data (89.5%):

These cookies allow the ad server to recognize your computer each time they send you an online advertisement to compile non personal identification information about you or others who use your computer.

Required Purpose (65.1%):

This information allows ad networks to, among other things, deliver targeted advertisements that they believe will be of most interest to you.

Third Party (83.3%):

Some of the ads may be served by Google.

Required Purpose (74.9%), Technical Measure (91.2%):

Googles use of the DART cookie enables it to serve ads to Users based on their visit to our apps and other sites on the Internet.

Personal Data (90.7%), Processing (94.5%):

DART uses non personally identifiable information and does NOT track personal information about you, such as your name, email address, physical address, etc.

Organisational Measure (86.6%):

Our Application has the discretion to update this privacy policy at any time.

Organisational Measure (95.7%):

When we do, we will revise the updated date at the bottom of this page.

Organisational Measure (86.0%):

We encourage Users to frequently check this page for any changes to stay informed about how we are helping to protect the personal information we collect.

Organisational Measure (84.5%):

You acknowledge and agree that it is your responsibility to review this privacy policy periodically and become aware of modifications.

Consent (61.5%):

By using this apps, you signify your acceptance of this policy.
