Processing (96.1%):

What information does the Application obtain and how is it used?

Processing (64.3%), Retention (79.1%):

User Provided Information The Application obtains the information you provide when you download and register the Application.

Consent (61.6%):

Registration with us is optional.

Personal Data (99.5%), Processing (86.6%), Retention (84.8%):

When you register with us and use the Application, you generally provide (a) your name, email address, age, user name, password and other registration information; (b) transaction-related information, such as when you make payments or download or use applications from us; (c) information you provide us when you contact us for help; (d) credit card, e-check information for payments and use of the Application, and; (e) information you enter into our system when using the Application, such as contact information.

Automated Decision Making (95.5%), Non-Personal Data (93.2%), Personal Data (91.5%), Processing (98.4%):

Automatically Collected Information In addition, the Application may collect certain information automatically, including, but not limited to, the type of mobile device you use, your mobile devices

unique device ID, the phone number of the device, the IP address of your mobile device, your mobile operating system, the type of mobile Internet browsers you use, and information about the way you use the Application.

Non-Personal Data (72.4%), Organisational Measure (87.6%), Processing (79.1%):

Privacy Policy This privacy policy governs your use of the software application EEC Mobile Account (Application) for mobile devices that was created by Edisto Electric Cooperative, Inc.

Processing (98.4%), Third Party (95.8%):

The collected information is not provided to any third party.

Personal Data (81.4%), Retention (60.3%):

Does the Application collect precise real time location information of the device?

Personal Data (67.2%), Required Purpose (91.4%), Technical Measure (97.9%):

When you visit the mobile application, we may use GPS technology (or other similar technology) to determine your current location in order to determine the city you are located within and display a location map with relevant advertisements.

Third Party (90.4%):

We will not share your current location with other users or partners.

Personal Data (62.6%):

If you do not want us to use your location for the purposes set forth above, you should turn off the location services for the mobile application located in your account settings or in your mobile phone settings and/or within the mobile application.

Organisational Measure (91.8%):

You can stop all collection of information by the Application easily by uninstalling the Application.

Retention (98.3%):

Data Retention Policy, Managing Your Information We will retain User Provided data for as long as you use the Application and for a reasonable time thereafter.

Retention (97.7%):

We will retain Automatically Collected information for up to 24 months and thereafter may store it in aggregate.

Art. 17 Right to erasure (right to be forgotten) (89.5%), Processing (86.9%):

If youd like us to delete User Provided Data that you have provided via the Application, please contact us at info@edistoelectric.com and we will respond in a reasonable time.

Consent (77.5%):

If a parent or guardian becomes aware that his or her child has provided us with information without

their consent, he or she should contact us at info@edistoelectric.com.

Organisational Measure (69.3%), Required Purpose (68.5%):

We provide physical, electronic, and procedural safeguards to protect information we process and maintain.

Processing (96.5%):

You may use the standard uninstall processes as may be available as part of your mobile device or via the mobile application marketplace or network.

Organisational Measure (71.4%), Required Purpose (96.1%):

For example, we limit access to this information to authorized employees and contractors who need to know that information in order to operate, develop or improve our Application.

Organisational Measure (61.8%):

Children We do not use the Application to knowingly solicit data from or market to children under the age of 13.

Organisational Measure (88.0%):

We will notify you of any changes to our Privacy Policy by posting the new Privacy Policy here or informing you via email or text message.

Organisational Measure (76.7%):

You are advised to consult this Privacy Policy regularly for any changes, as continued use is deemed approval of all changes.

Processing (99.0%):

Your Consent By using the Application, you are consenting to our processing of your information as set forth in this Privacy Policy now and as amended by us.

Processing (97.9%), Scale Non-EU (78.0%), Technical Measure (84.2%):

Processing, means using cookies on a computer/handheld device or using or touching information in any way, including, but not limited to, collecting, storing, deleting, using, combining and disclosing information, all of which activities will take place in the United States.

Processing (98.7%), Scale Non-EU (94.0%):

If you reside outside the United States your information will be transferred, processed and stored there under United States privacy standards.
