Personal Data (99.8%), Processing (83.1%):

You may submit a request to opt-out of sales by clicking on this link: [Do Not Sell or Share My Personal Information](#). You also may submit a request by calling us at 1-888-905-0846.

Data Source (72.8%), Processing (93.8%), Required Purpose (86.4%), Retention (63.3%):

Personal Data Collection We collect Personal Data you provide us when you make a purchase, visit our website, request information or updates on our products or services, or otherwise use services provided by us.

Automated Decision Making (94.9%), Personal Data (69.4%):

We automatically collect Personal Data about how you use the services we provide and your preferences.

Personal Data (98.7%):

We collect the Personal Data consisting of your contact information, demographic information, financial/payment information, analytical information, publicly available information and unique personal identifiers.

Personal Data (98.8%), Processing (75.0%), Required Purpose (99.5%):

[Read More How We Use Your Personal Data](#) We use and retain your Personal Data for the following purposes: To provide you with the products and services you have requested, improve our services, market our products, and make note of your preferences in order to provide you with the best user experience possible.

Legal Basis (97.2%), Legitimate Interest (72.9%), Processing (97.6%), Required Purpose (74.2%):

[Read More Legal Bases for the Processing and the Consequences](#) We rely on certain legal grounds for the collection, processing, and use of your Personal Data, such as the processing that is necessary to provide you with products or services, the processing that is necessary to comply with legal obligations or the processing for which we have a prevailing legitimate interest.

Processing (97.4%), Required Purpose (80.5%):

The Emerson subsidiary or affiliate responsible for the respective processing activity is identified in the applicable documentation pertaining to Your Relationship.

Data Source (79.0%), Legal Basis (90.7%), Required Purpose (87.3%), Third Party (97.1%):

[Read More Personal Data Shared with Third Parties](#) We share your Personal Data with our subsidiaries, affiliates and other third parties worldwide to inform you about products and offers that may be of interest to you, as permitted by applicable law.

Art. 20 Right to data portability (68.8%), Legal Basis (68.0%):

Please contact us if you need assistance purchasing this product in another country.

Data Processor (68.9%), Legal Basis (90.4%), Third Party (80.4%):

We also share your Personal Data with our service providers worldwide, who are required to treat your Personal Data in accordance with this Privacy Notice, as required by law and in certain other situations when using such service providers to provide Personal Data or services to you through us.

Legal Basis (80.7%), Processing (99.7%):

[Read More International Data Flow and Security](#) Some countries or jurisdictions may not provide the same level of data protection as the country in which your Personal Data was originally collected, however we take steps to continue to appropriately protect your Personal Data and privacy.

Retention (94.1%):

[Read More How Long Do We Keep Your Data](#) We don't keep your Personal Data for any longer than we need to.

Personal Data (99.1%):

[Read More Your Choices and Rights](#) If you are located in, or residents of, certain geographic areas, you may have a number of rights in relation to your Personal Data.

Non-Personal Data (98.0%), Personal Data (99.5%), Processing (82.3%), Required Purpose (92.5%), Retention (66.6%), Technical Measure (93.6%), Third Party (97.9%):

Personal Data Collection Depending on Your Relationship with us, we may collect and retain the following types of Personal Data from you through your interactions with us, either automatically or provided directly by you: **Contact Information:** including your name, email, username, phone number, company, industry and address, as well as the name and address of the dealer that sold you our product; **Demographic Information:** including your gender, age, citizenship, education, profession, occupation, and income level; **Financial/Payment Information:** such as your credit card number, billing address, shipping address, security code and other payment transaction and

verification details, as well as consumers application and claims history; Analytical Information: including pages and products viewed, items added to your shopping cart, products and services you have purchased from us, ads that you clicked on, emails from us that you opened, browser type, operating system (OS), Internet Protocol (IP) address and device and geolocation information; Publicly available information: about you from third-party sources, such as the postal service for shipping address verification; Unique Personal Identifiers: Your mobile OS, a mobile device identifier embedded by us, or other commonly used mobile device and unique personal identifiers such as cookies, beacons, pixel tags or similar technology In certain circumstances, we collect Personal Data from you about a third party.

Legal Basis (79.6%), Required Purpose (72.5%), Right (65.6%):

If you submit any Personal Data about another individual to us, you are responsible for making sure that you have the authority to do so in accordance with the laws applicable to the jurisdiction under which you and such third party are regulated and to allow us to use their Personal Data in accordance with this Privacy Notice.

Consent (98.1%), Processing (95.9%), Required Purpose (82.1%), Third Party (75.3%):

It may be clarified that notwithstanding anything stated hereinabove, it shall be your obligation to ensure that a written consent is obtained from such third party, for the information collected and shared, the purpose for which such information shall be used and the intended recipient of such information.

Personal Data (99.4%), Processing (84.0%), Required Purpose (97.0%), Third Party (77.0%):

We also collect your Personal Data or usage data from third parties in certain circumstances: Your email address and other collected Personal Data about you may be forwarded to Emerson by a third-party website when you request that Emerson contact you through such third-party website; Your Personal Data may be forwarded to Emerson when you choose to participate in a third-party application or feature, such as live chat, one of our social media pages or a similar application or feature on a third-party website; Additional Personal Data may be forwarded to Emerson from third parties to combine with the Personal Data we collect through Your Relationship in order to enhance our ability to serve you, to focus content we provide to you and to offer you opportunities to purchase products or services that we believe may be of interest to you based upon the information we have collected.

Contract (75.5%), Processing (97.6%):

We will apply the terms of our Privacy Notice to any Personal Data received from a third party, unless we have disclosed to you otherwise.

Personal Data (88.0%), Required Purpose (86.9%):

How We Use Your Personal Data Depending on the type of Relationship with us, we use your Personal Data for the following purposes, as permitted by applicable law: Purchases: We use your Contact Information and Payment Information to allow us to process and fulfill purchases you make through Your Relationship.

Required Purpose (99.6%):

Customer Service: We use your Contact Information to receive and respond to your questions about products, services or warranties and to communicate with you about contests, surveys or sweepstakes.

Personal Data (93.7%):

Feedback: We use your username, email address, products purchased, and other user-generated content you may provide when you rate and review our products.

Required Purpose (97.1%):

Your feedback helps us develop new products and services, maintain quality assurance and debug issues you may identify.

Required Purpose (76.1%):

Website Registration: We may use your Contact Information and Demographic Information when you create an account through any of our services in order to provide you a more personalized user experience.

Required Purpose (94.1%):

Analytics: When you use our services (e.g., our website), we may automatically collect and use Analytical Information (where permissible by law) in order for us to continually improve your experience with our services and to target marketing and advertising of our products to you.

Required Purpose (98.7%):

Marketing: We may use your Personal Data to determine what products may be of interest to you, provide you with marketing communications (if you have opted-in to receive such communications or otherwise where permitted under applicable law) and to conduct market research.

Required Purpose (96.7%):

If you would instead like to unsubscribe from our marketing communications, please select the unsubscribe link in the footer of our email communication or email us at .

Required Purpose (90.7%):

We may also use information you provide us, including your industry, whether you own our product, experience with our products, and user-generated content, for these marketing purposes.

Personal Data (77.5%), Required Purpose (96.5%):

Location-Based Services: For certain products and as disclosed in a Specific Notice, we may use your current location, provided address and/or zip code to provide you the location of the retailer of our products or other appropriate information.

Data Source (90.8%), Personal Data (74.1%), Processing (78.6%):

Please note that specific data privacy information (a Specific Notice) in addition to this Privacy Notice may be provided depending on specific interactions you have with us.

Consent (74.9%), Legitimate Interest (78.4%), Required Purpose (87.2%), Right (64.8%):

Legal Bases for the Processing and Consequences We rely on the following legal grounds for the collection, processing, and use of your Personal Data: Contract: the processing is necessary to provide the products or services as requested by you or for the performance of a contract to which you are a party (or to take steps at your request prior to entering into a contract); Consent: the processing is based on your consent for one or more purposes (e.g., marketing); Legal Obligation: the processing is necessary for compliance with our legal obligations (e.g., complying with law or subpoenas); Legitimate Interest: the processing is necessary for the purposes of our legitimate interests or those of a third party (e.g., improving your experience with our websites and products) except where overridden by your fundamental rights and freedoms that would require protection.

Required Purpose (73.4%):

In general, the provision of your Personal Data is voluntary, but in certain cases it is necessary in order to enter into a contract with us or to receive our products or services as requested by you.

Recipient (84.3%):

Personal Data Shared with Third Parties We only share your Personal Data with companies, organizations and individuals outside of Emerson as described below or as described in a Specific Notice.

Data Processor (68.8%), Personal Data (82.4%):

For example, our IT department may have access to your account data, and our marketing and sales departments may have access to your account data or data relating to product orders.

Recipient (72.3%), Required Purpose (94.5%):

Emerson Affiliates: We share your Personal Data with Emersons affiliates and business partners that distribute our products, including our unaffiliated dealers, manufacturers and suppliers in order for these companies to contact you about their products, services or other offerings that may be of interest to you.

Required Purpose (86.2%):

Such tasks may include processing transactions, locational services, analyzing website or mobile application usage data, electronic and postal mail service, contests/surveys/sweepstakes administration, or marketing services.

Required Purpose (95.0%):

Third-party service providers receive your Personal Data as necessary to perform their role, and we instruct them not to use your Personal Data for any other purposes.

Third Party (97.7%):

All the above categories exclude text messaging originator opt-in data and consent; this information will not be shared with any third parties.

Art. 20 Right to data portability (79.6%), Authority (83.2%), Legal Basis (81.4%), Processing (89.7%), Required Purpose (96.1%):

As Required or Appropriate by Law: We will use or disclose your Personal Data if required or authorized by applicable law as necessary to (without limitation) comply with legal processes or respond to requests from government authorities, enforce our terms and conditions or investigate violations of them, to detect, prevent or address fraud, security or technical issues, or to protect our operations or those of our affiliates, protect the rights and safety of Emerson, its affiliates or individuals.

Processing (66.7%), Required Purpose (67.4%):

Business Transfers: As we continue to develop our business, we might sell, buy, merge or reorganize brands, stores, subsidiaries or business units.

Organisational Measure (66.3%), Processing (95.6%):

Customer information generally is one of the transferred business assets, but remains subject to any preexisting applicable Privacy Notice.

Non-Personal Data (98.6%), Third Party (97.3%):

We may share aggregated data that has been anonymized or pseudonymized (so that you are not identified) with third parties like publishers, advertisers or connected websites and may make this data publicly available or use it for any purpose.

Data Processor (76.0%), Non-Personal Data (91.6%), Personal Data (68.2%), Technical Measure (95.4%):

Disclosure or Sale of Personal Data The following table identifies the categories of Personal Data that we disclosed for a business purpose to service providers or sold to third parties in the 12 months preceding the Last revised date of this Privacy Notice and, for each category, the category of service providers or third parties to whom the Personal Data was sold or disclosed: Category of

Personal Data Category of Service Providers Category of Third Parties Name Business partners / affiliated companies; data analytics provider External marketing entity; social networks; advertising networks Account name Business partners / affiliated companies; data analytics provider; law enforcement/legal requests External marketing entity; social networks; advertising networks Email address Business partners / affiliated companies; law enforcement/legal requests External marketing entity Postal address Business partners / affiliated companies; data analytics provider External marketing entity Telephone number Business partners / affiliated companies Professional or employment-related information Business partners / affiliated companies; law enforcement/legal requests External marketing entity; social networks Records of products or services purchased, obtained or considered Business partners / affiliated companies External marketing entity; social networks; advertising networks Geolocation data Data analytics provider External marketing entity; social networks; advertising network Cookies, beacons, pixel tags, mobile ad identifiers, or other similar technology Data analytics provider External marketing entity; social networks; advertising network Education information Data analytics provider External marketing entity; social networks; Protected classifications (e.g., gender and marital status) Marketing agency Inferences drawn from above information to create a profile about consumer reflecting the consumers preferences, characteristics, psychological trends, predispositions, behavior, attitudes, intelligence, abilities, and aptitudes External marketing entity; social networks; advertising network Purchasing or consuming histories or tendencies External marketing entity; social networks; advertising network Public Forums Our websites may offer publicly accessible blogs, message boards, or community forums.

Non-Personal Data (78.1%):

In the event of any failure to procure such consents, you shall indemnify Us for any claims, damages, liabilities that we may incur as a result thereof.

Processing (93.4%), Third Party (68.2%):

You should be aware that any information you provide in these areas may be read, collected, and used by others who access them.

Third Party (72.3%):

While we try to link only to websites that share our high standards and respect for privacy, we do not take responsibility for the content, or the privacy practices employed by other websites.

Organisational Measure (78.4%), Required Purpose (68.7%):

Security We maintain appropriate technical and organizational measures to protect your Personal Data, including assuring that third-party service providers who access or handle Personal Data on our behalf and affiliates maintain such safeguards.

Personal Data (99.1%), Technical Measure (81.3%):

We seek to encrypt credit card numbers from e-commerce transactions conducted on our websites using secure socket layer ("SSL") technology.

Personal Data (93.4%):

You must protect against unauthorized access to your password and to your computer, and be sure to sign off when finished using a shared computer.

Processing (93.3%):

International Data Flows As Emerson is a global organization, the Personal Data that we collect or receive about you may be transferred to and/or processed in accordance with applicable law by entities that are located inside or outside the local jurisdiction it is collected in.

Legal Basis (88.4%), Organisational Measure (63.8%):

Regardless, we take necessary measures to ensure that transfers out of the local jurisdiction are adequately protected as required by applicable data protection laws, such as adopting the European Commissions Standard Contractual Clauses or another safeguard to enable the transfer in accordance with applicable law.

Art. 15 Right to access by the data subject (73.4%), Right (64.0%):

Right to Access, Correct, Update and Portability: You may have the right to obtain from us confirmation as to whether or not Personal Data concerning you is being processed, and, where that is the case, to request access to the Personal Data.

Organisational Measure (67.2%):

For further copies requested by you, we may charge a reasonable fee based on administrative costs.

Art. 17 Right to erasure (right to be forgotten) (90.1%), Required Purpose (96.0%):

Deletion: Under certain circumstances, you may have the right to obtain from us the erasure of Personal Data concerning you and we may be obliged to erase such Personal Data.

Art. 21 Right to object (64.1%):

Grievance Redressal: You shall have the right to object to Us or, where applicable, the Consent Manager, on grounds relating to your particular situation, at any time to the processing of your Personal Data
Objection to or Restriction of Processing: Under certain circumstances, you may have the right to object to the processing of your Personal Data by us, or request that we restrict the processing of your Personal Data.

Right (89.6%):

Furthermore, under certain circumstances with respect to automated individual decision-making, you

have the right to obtain human intervention, express your point of view, and contest the decision.

Authority (88.8%), Lodge Complaint (87.3%):

You also may have the right to lodge a complaint with the competent data protection supervisory authority.

Right (71.2%):

Opt-out: In case you have given us your consent for processing your Personal Data for any of the purposes mentioned above, you can withdraw your consent with future effect by contacting us.

Personal Data (99.4%):

You may also have the right to opt-out of the sale of certain types of personal information under applicable law.

Authority (87.6%), Personal Data (75.3%), Right (60.8%):

You may be entitled to use an authorized agent to exercise your rights on your behalf, and if you choose to do so, the agent will be required to verify both their identity and their authority to act on your behalf.

Right (77.6%):

Please note that requests to exercise your rights with us may be subject to verification of the identity of the requester.

Retention (87.7%):

How long we keep your data Your Personal Data will be kept as long as necessary to provide you with the services and products you requested.

Retention (92.6%):

Once you have ended Your Relationship with us, we will either delete or anonymize your Personal Data, unless a statutory retention requirement applies (e.g.

Retention (88.7%):

To the extent possible, we will restrict the processing of your Personal Data for such limited purposes after the termination of Your Relationship and on a need-to-know basis only.

Retention (69.4%):

Moreover, other departments within Emerson may have access to certain Personal Data about you on a need-to-know basis, such as the legal and compliance department, the finance department or internal auditing.

Required Purpose (83.9%):

Notice to Emerson Investors Certain pages of our websites allow investors in Emerson to obtain publicly available information related to company performance.

Personal Data (99.5%):

Depending upon what information is requested by an investor, this feature of our website may ask for, and the investor may choose to provide, the investors name, title, organization, occupation, address, telephone number, and email address (Investor Information).

Required Purpose (88.6%):

Emerson will use Investor Information to verify an investors identity and fulfill any requests for information.

Required Purpose (66.9%):

Prior to creating an employment profile, you must affirmatively consent to the privacy terms governing the submission of your information to Emerson for employment purposes here.

Consent (90.1%), Required Purpose (88.3%):

The terms that you agree to in order to create an employment profile shall govern Emersons use of the information you provide to apply for employment.

Required Purpose (96.7%):

Emerson will use Employment Applicant Information for evaluation and hiring purposes, and communication in furtherance of the evaluation and hiring purposes.

Required Purpose (98.9%), Technical Measure (87.3%):

Cookies We use cookies, a small text file transferred to your device, along with similar technologies (e.g., internet tag technologies, web beacons and embedded scripts) to help provide you with a better, more personalized user experience.

Required Purpose (72.2%), Technical Measure (83.7%):

Google reCAPTCHA We utilize Google reCAPTCHA, which is a free service that protects websites from spam and abuse using advanced risk analysis techniques to tell humans and bots apart.

Non-Personal Data (96.4%), Personal Data (97.7%), Processing (99.2%):

Google reCAPTCHA works by transmitting certain types of information to Google, such as the referrer URL, IP address, visitor behavior, operating system information, browser and length of the visit, cookies, and mouse movements.

Personal Data (97.4%):

Appointment of a Grievance Redressal Officer (For Individuals in India): For any complaints, queries or clarifications pertaining to the nature of Personal Data collected, the manner of usage of the Personal Data or to request withdrawal of the data, you may reach out to Plaban Gope at or his contact number, +91.33.6904.0800.

Authority (64.6%), Legal Basis (94.5%), Required Purpose (79.8%):

Your Duties If you are an Indian resident individual, you are bound by the following duties as the data principal: comply with the provisions of all applicable laws in force at the time while exercising rights under applicable laws and this Notice; ensure that you do not impersonate another person while providing your Personal Data for a specified purpose; ensure that you do not suppress any material information while providing your Personal Data; ensure that you do not register a false or frivolous grievance or complaint with us or the Data Protection Board of India; and furnish only such information that is verifiably authentic while exercising the right to correction or erasure under applicable law.

Legal Basis (85.9%), Scale Non-EU (73.7%):

California Privacy Notice This California Privacy Notice supplements the information contained in our Privacy Notice and applies solely to individual residents of the state of California (consumers or you).

Legal Basis (98.3%), Technical Measure (91.0%):

Under the California Consumer Privacy Act ("CCPA"), as amended by the California Privacy Rights Act ("CPRA") (collectively, "California Privacy Law"), Emerson is required to provide you with a privacy notice in a specified format.

Legal Basis (95.7%), Personal Data (74.1%):

If you are a consumer as defined by California Privacy Law, please review this section below as it is a version of the privacy notice applicable to your personal information as an individual or business ("California Personal Information").
