Personal Data (99.8%), Processing (99.4%):

This Privacy Policy (Policy) describes how HungerRush collects, uses, discloses, and retains personal information about you when you visit our websites, mobile sites, or applications that link to

or references this Policy, such as Menufy and OrdAi (collectively, the Services) or otherwise interact with us online or offline.

Legal Basis (98.2%), Processing (98.8%), Right (96.3%):

This Policy also describes the rights you may have regarding our processing of your personal information under applicable law.

Consent (82.9%), Legal Basis (89.5%), Processing (97.0%):

If your personal information has been submitted to us by or on behalf of the restaurant that collected your information, please reach out to the restaurant directly for details about the applicable privacy practices or to exercise any rights that you may have under data protection laws.

Personal Data (99.6%):

Categories of Personal Information We Collect About You Personal information is information that identifies, relates to, describes, is capable of being associated with, or could reasonably be linked, directly or indirectly, with an individual or household.

Personal Data (97.4%):

Through our interactions with you, we may collect the following categories of personal information: Identifiers, such as your name, email address, home or work address or telephone number, or similar identifiers.

Legal Basis (83.8%), Personal Data (98.9%):

Demographic information, which may include protected characteristics under state or Federal law, such as age, date of birth, gender, or disability status.

Personal Data (89.2%):

Financial information, such as bank account number, credit card number, debit card number, or any other financial information.

Personal Data (92.8%):

Commercial information, including records of personal property and products or services that you purchased, obtained, or considered.

Personal Data (89.3%):

Internet or other electronic activity information, such as browsing history, search history, and information about your interactions with the Services.

Data Source (75.9%), Personal Data (84.1%):

Audio and visual information, such as call recordings from our customer service line.

Personal Data (89.0%):

Sensitive personal information, such as your precise geolocation and account log-in and password.

Data Controller (97.2%), Personal Data (67.6%), Right (66.4%):

We are not responsible for the privacy or data security practices of our restaurant customers, which may differ from those set forth in this Policy.

Data Processor (78.0%), Processing (94.3%), Retention (81.8%):

This Policy does not apply to the extent that we process personal information as a processor or service provider to our restaurant customers.

Data Source (68.0%):

We collect personal information about you from the following sources: Directly from You: We collect personal information directly from you when you interact with us, such as when you provide us with information through our Site.

Automated Decision Making (85.9%), Technical Measure (97.5%):

Automatically through the Site: When you visit the Site, we may collect certain information automatically through cookies, pixels, and similar tracking technologies.

Data Source (82.8%):

From Other Sources: We collect information about you from other sources.

Recipient (88.2%), Required Purpose (90.0%), Third Party (97.5%):

We may collect personal information from third parties, such as our restaurant partners, in order to improve our Services as well as personal information from third parties that integrate with our customer ordering systems.

Required Purpose (99.1%), Technical Measure (96.4%):

Use of Cookies The HungerRush websites use cookies and similar web tracking technologies to help you personalize your online experience.

Consent (73.7%):

Most web browsers automatically accept cookies, but you can usually modify your browser setting to decline cookies if you prefer.

Consent (77.1%):

If you choose to decline cookies, you may not be able to fully experience the interactive features of the HungerRush Services or websites you visit.

Required Purpose (89.5%):

How We Use Personal Information We use your personal information for the following purposes: To communicate with you, including contacting you about our products and services or responding to your inquiries.

Data Subject (63.0%), Required Purpose (95.2%):

To provide products and services to our customers and their drivers and end users, investors, and others, including maintaining and servicing accounts, providing customer support, and processing or fulfilling transactions.

Required Purpose (87.3%):

Related to our business operations, including receiving services from our providers, investigating and preventing fraud, conducting audits, or identifying potential customers and investors.

Processing (70.7%), Required Purpose (67.9%), Third Party (70.3%):

To comply with law or for other legal purposes, including retaining information to comply with law or regulations or disclosing information to a court, regulator, or other third party in response to a valid request.

Legitimate Interest (73.8%), Required Purpose (78.3%):

To protect ourselves or others, including protecting against malicious, deceptive, fraudulent, or illegal activity; or protecting our rights and those of our customers or investors and defending any claims made against us.

Consent (72.9%), Processing (90.3%):

For any other purpose to which you consent or as we may otherwise disclose at the time of collection.

Authority (67.8%), Legal Basis (76.6%), Recipient (77.2%), Required Purpose (75.6%):

How We Disclose Personal Information HungerRush may disclose personal information to the following categories of third parties for the purposes described above: To restaurant and business partners, as well as service providers that help us provide our services and operate our business; To law enforcement, government agencies, courts, or other third parties to protect ourselves, our employees, or others, to investigate fraud, or as required by law, such as to comply with a subpoena or similar legal process; To third parties in the event we are involved in a merger, acquisition, or sale of all or a portion of our assets, or in the unlikely event of bankruptcy; and To any other third party with your prior consent.

Legal Basis (96.0%), Processing (98.9%):

We share personal information, but otherwise do not sell personal information to third parties as these terms are defined under applicable data privacy laws.

Personal Data (85.8%), Processing (97.8%), Required Purpose (63.3%):

The table below describes the categories of personal information that we collect and the categories of third parties to whom, in the preceding 12 months, we have disclosed personal information for a business purpose or shared such information, for each of those categories of personal information.

Legal Basis (93.5%), Processing (92.4%):

These rights may include: request a copy of your personal information or specific information about how your personal information is processed, including a list of specific third parties (other than natural persons) to whom we disclose your personal information; correct the personal information we hold about you; request deletion of your personal information; opt-out of sharing of personal information for cross-contextual behavioral advertising purposes (as these terms are defined under applicable law); opt out of targeted advertising; opt out of certain profiling activities; ask that we provide your personal information in a format that would facilitate its transfer to another organization,

or to you, in certain circumstances (referred to as the right to data portability); not be unlawfully discriminated against for exercising your rights; These rights may be limited or denied in some circumstances under applicable local law.

Consent (92.7%), Legal Basis (88.8%):

To opt out of our sharing of your personal information, where such opt-out is afforded by local law, please submit a request labeled Request to Opt Out to .

Personal Data (91.9%), Required Purpose (97.9%):

Upon receipt of your request, we will ask you to provide certain personal information to verify your identity, such as your name, email address, telephone number, zip code, and/or purchase history, in order for us to determine if your information is in our systems and to verify your identity.

Required Purpose (87.9%):

This may require that we request additional information from you to protect against fraudulent rights requests.

Not Required Purpose (70.7%):

To the extent we request such information from you, we will not use this information for purposes unrelated to verifying your identity.

Right (63.0%):

To exercise your available rights or if you are an authorized personal representative seeking to exercise rights on behalf of someone else, please contact us at or contact us via the contact information listed at the bottom of this page.

Personal Data (70.9%):

Please note that delivery drivers can also control the collection of their precise geolocation data through the HungerRush Driver Track™ App.

Consent (67.0%), Personal Data (92.8%):

Drivers must, and should, turn off this App when they are not working to avoid the possibility of the driver's smart phone being tracked during personal time.

Third Party (99.3%):

Links to Third-Party Websites Our Services may offer links to other websites operated by third parties.

Third Party (96.3%):

We do not control and are not responsible for the privacy practices of such third party websites.

Processing (83.3%):

Please refer to the privacy policies published on any third-party websites for information regarding

how your personal information may be collected, used, or disclosed by them.

Organisational Measure (89.2%):

Safeguarding Information HungerRush has implemented reasonable physical, technical, and administrative safeguards designed to protect personal information from unauthorized access, disclosure, use, loss, misuse, or unauthorized alteration, or destruction.

Processing (98.3%):

Notwithstanding these security safeguards, it is impossible to guarantee 100% security in all circumstances, including when data is transmitted over the internet.

Required Purpose (60.8%), Retention (73.0%):

Retention of Personal Information We will retain your personal information for as long as necessary to fulfill the purposes for which we collected it, to satisfy any applicable legal, accounting, or reporting requirements; to establish, exercise, or defend legal claims; or for our legitimate purposes.

Organisational Measure (67.4%), Processing (64.5%):

If we learn that we have collected or received personal information from a child under 16 without verification of parental consent, we will delete that information.

Third Party (89.9%):

No mobile opt-in or text message consent will be shared with third parties or affiliates.

Organisational Measure (86.7%):

If we make a material change to this Policy, we may provide you with notice prior to the update taking effect, such as by posting a conspicuous notice on our Site.
