Data Controller (95.7%), Data Source (72.2%), Organisational Measure (67.1%), Personal Data (62.5%), Processing (99.8%), Required Purpose (67.3%):

eZhire Technologies FZ LLC and/or its affiliates (collectively eZhire, we or us) collect information about you when you use our mobile applications, websites, call centre, and other products and services (collectively, the Services) and through other interactions and communications, you have with us.

Data Subject (91.1%):

Travel in style with all the comfort you need.

Data Source (79.5%), Organisational Measure (84.9%), Personal Data (99.7%), Processing (99.6%):

This privacy policy sets out the basis on which any information, including any personal data, we collect from you, or you provide to us, will be processed by eZhire.

Consent (89.5%), Organisational Measure (65.2%), Processing (93.4%):

Each time you access or use the Services or provide us with information, by doing so you are accepting and consenting to the practices described in this privacy policy.

Personal Data (99.7%):

Introduction When you use eZhire, you trust us with your personal data.

Data Controller (91.2%), Organisational Measure (61.9%), Processing (79.4%):

We're committed to keeping that trust.

Data Subject (91.9%), Required Purpose (76.0%), Scale Non-EU (94.2%):

Scope: This Privacy policy applies to users of eZhire's services anywhere in the world, including users of eZhire's apps, websites, features, or other services.

Consent (89.4%), Personal Data (98.3%):

This information may include your name, email address, phone number, postal address, payment method, financial and credit card information, and other information you choose to provide.

Personal Data (99.7%), Processing (74.6%):

Please note that we do not knowingly collect, keep or maintain personal information from children under the age of 18 through the Services, as we require that all users represent to us that they are at least 18 years old.

Personal Data (98.6%), Required Purpose (98.6%), Technical Measure (92.9%):

information that could be used to contact you directly such as full name, postal address, phone number, credit/debit card information, or email address) (Personal Information) We also use GPS technology to determine your current location.

Required Purpose (86.3%):

Collection of Information: We collect the information you provide directly to us through your access

or use of the Services, such as when you create or modify your account, request on-demand services, contact customer support, or otherwise communicate with us.

Required Purpose (71.4%):

Some of our location-enabled Services require your personal data for the feature to work.

Consent (66.7%):

If you wish to use the particular feature, you will be asked to consent to the data being used for this purpose.

Data Source (81.3%), Personal Data (99.6%), Processing (98.6%):

Information We Collect From Other Sources We may also receive information from other sources and combine that with Personal Data we receive from you or collect through our Services.

Data Source (64.4%), Processing (99.1%), Third Party (73.9%):

For example: If you choose to link, create, or log in to your eZhire account with social media service (e.g., Facebook), or if you engage with a separate app or website that uses our API (or whose API we use), we may receive information about you or your connections from that site or app.

Required Purpose (99.1%):

The Use of Personal Information We may use Personal Data that you provide to us or we collect from you to: Provide, maintain, and improve our Services, including, for example, facilitating payments, sending receipts, providing products and services you request (and sending related information), developing new features, providing customer support to Users and vendors, developing safety features, authenticate users, and send product updates and administrative messages.

Required Purpose (95.3%):

Perform internal administration and operations, including, for example, preventing fraud and abuse of our Services; troubleshooting software bugs and operational problems; conducting data analysis, testing, and research; and monitoring and analysing usage and activity trends.

Processing (66.4%), Recipient (89.2%), Required Purpose (76.5%):

Send or facilitate communications (i) between you and the service provider, such as estimated times of arrival (ETAs), or (ii) between you and a contact of yours at your direction in connection with your use of certain features, such as referrals or invites.

Legal Basis (85.1%), Required Purpose (91.9%):

Send you communications we think will be of interest to you, including information about products, services, promotions, news, and events of eZhire and other companies, where permissible and according to local applicable laws; and to process contest, sweepstake, or other promotion entries

and fulfil any related awards.

Required Purpose (94.3%):

Personalize and improve the Services, including providing or recommending features, content, social connections, referrals, and advertisements.

Consent (64.1%), Legal Basis (84.8%), Processing (94.7%), Right (86.7%), Scale Non-EU (70.1%):

Storage of Personal Data You agree that we have the right to transfer the Personal Data described in this privacy policy, to and from, and process and store it in the United Arab Emirates and other countries, some of which may have less protective data protection laws than the region in which you reside.

Organisational Measure (79.4%):

Where this is the case, we will take appropriate measures to protect your Personal Data in accordance with this privacy policy.

Personal Data (89.9%), Processing (94.7%):

By submitting your Personal Data, you agree to this transfer, storing, or processing.

Processing (96.2%), Third Party (76.0%):

Sharing of Personal Data eZhire does not sell or share user personal data with third parties for their direct marketing.

Personal Data (96.8%), Processing (97.2%), Recipient (89.7%), Required Purpose (78.4%):

We may share Personal Data that we collect about you as described in this privacy policy or as described at the time of collection or sharing, including as follows: Through our services, we may provide your personal data (name, contact details, and location) to our partners to facilitate the car delivery/collection at your doorstep.

Legal Basis (85.3%), Personal Data (66.3%):

In addition to this, the relevant documents you upload to rent a car are also shared with the vendors (suppliers) as per the requirements of the Roads and Transport Authority of the respective countries/cities (Government Rules and Regulations).

Personal Data (98.3%):

Safety and Security Precautions Your eZhire profile is password-protected so that only you and authorized eZhire employees have access to your account information.

Processing (85.4%), Required Purpose (98.8%):

Using the device, location, user profile, usage, and other data to prevent, detect, and combat fraud.

Required Purpose (85.9%):

This includes identifying fraudulent accounts or uses of our services, preventing the use of our services by unauthorized persons, verifying user identities in connection with certain payment methods, and preventing and combating unauthorized access to users accounts.

Personal Data (92.5%), Required Purpose (98.3%):

Customer Support eZhire uses the information we collect (which may include call recordings) to provide customer support, including investigating and addressing user concerns and monitoring and improving our customer support responses and processes.

Contract (87.1%):

eZhire performs the above activities on the grounds that they are necessary to fulfil our obligations to users under our Terms of Use or other agreements with users.

Required Purpose (94.7%):

Research and Development We may use personal data for testing, research, analysis, product development, and machine learning to improve the user experience.

Required Purpose (97.2%):

This helps us make our services more convenient and easy to use, enhance the safety and security of our services, and develop new services and features.

Legitimate Interest (93.0%):

eZhire performs the above activities on the grounds that they are necessary to fulfil our obligations to users under our Terms of Use or other agreements with users in improving our existing services and features, or for purposes of eZhires legitimate interests in developing new services and features.

Organisational Measure (90.4%):

If we make significant changes in the way we treat your Personal Data, or to the privacy policy, we will provide you notice through the Services or by some other means, such as email.

Organisational Measure (88.2%):

Your continued use of the Services after such notice constitutes your consent to the changes.

Art. 21 Right to object (65.9%), Personal Data (99.3%), Processing (89.6%), Required Purpose (76.7%):

You have a right to have your personal information erased, and to prevent processing, where: The personal information is no longer necessary for the purpose it was originally collected/processed
You withdraw consent (where previously provided) You object to the processing and our legitimate interests in being able to keep processing your personal information do not take priority We have been processing your personal information in breach of data protection laws Personal information

has to be erased in order to comply with a legal obligation.

Consent (66.7%):

Depending on the evidence provided, the traffic department may approve the appeal.

Retention (78.9%):

We will only process refunds once you have successfully won the dispute and shared the evidence of winning the dispute.
