Privacy Policy FanLabel Skip to content menu download PRIVACY POLICY LAST UPDATED: FEBRUARY 11, 2022 FanLabel is a mobile gaming application (the App) owned and operated by Fan Label, LLC (hereinafter, Company, we or us), which gamifies music discovery and promotes engagement with musical artists by allowing end-users (Users, you, or your) to participate in fantasy contests, earn virtual currency and appear on the contest and App-wide leaderboards (the App, together with all products and services offered therein, and our website(s), the Services).

Data Subject (65.1%), Personal Data (99.8%), Processing (99.4%), Required Purpose (93.8%):

Company is committed to protecting the privacy of all current and former Users of our Services, and has published this Privacy Policy to explain how Company treats personal information that you submit to Company, or that Company collects from you, in connection with your registration for, access to, and/or use of the Services.

Data Subject (70.8%):

If you do not agree to abide by this Privacy Policy, please do not access, use, or register as a User of, the Services.

Data Controller (98.8%), Organisational Measure (69.8%), Personal Data (98.9%), Processing (98.4%), Retention (78.5%), Third Party (84.4%):

INFORMATION WE COLLECT In connection with your access, use, and/or registration as a User of the Services, Company may collect personal information about you as follows: Information you provide directly to us Account and Profile Data: We collect any personal information and content you provide to us when you create a User Account, which may include your name, email, address, phone number, date of birth, User public profile name/label name (Profile Name), and/or picture, etc., and to create a User Account login password (or to enter your Facebook, Apple, Google, or Spotify login password if registering through either your Facebook, Apple, Google, or Spotify accounts) (collectively, Registration Data).

Processing (77.5%), Required Purpose (62.3%), Retention (86.9%):

Communications Data: We collect personal information when you communicate with us (e.g., by email, text message, chat sessions, or phone calls) or others on our Services, such as when you request additional information about products or services, interact with our member support or inside sales teams, or sign up to receive our e-mail newsletters, notification, or marketing messages.

Personal Data (92.5%), Retention (79.6%):

We also collect personal information when you interact with us on social media, such as by tagging us and/or our products or permitting us to follow your social media profile.

Personal Data (94.9%):

Examples of such personal information may include your contact information (e.g., email address, phone number, or mailing address), the date and time of your communications, online identifiers, social media profile, and the content of your communications.

Non-Personal Data (92.4%), Personal Data (98.3%), Processing (96.5%):

Transaction Information: We collect personal information relating to transactions, including order details, amount charged, payment method and payment information (e.g., debit or credit card number), billing information, and information about any products or services you returned or exchanged with us.

Personal Data (95.0%), Retention (77.8%):

Demographic Data: We may collect specific or general demographic data when you fill out forms or surveys on our Services or sign up for and participate in events, contests, sweepstakes, promotions, and special programs that we provide.

Personal Data (99.2%):

Examples of such information include age, gender, zip code, state, and country.

Personal Data (97.4%), Processing (97.8%), Technical Measure (82.6%):

All capitalized terms used but not otherwise defined in this Privacy Policy have the respective meanings assigned to such terms as set forth in the Terms of Use (available at <https://fanlabelllc.wpengine.com/tos>), which together with the Privacy Policy, cover your use of the Services.

Consent (97.5%), Processing (99.5%):

We may collect any personal information that you share if you choose to communicate in, and/or upload User Content to, Public Areas.

Processing (72.4%), Third Party (99.1%):

Third Party Content: The Services may permit additional interactions between it and a third party website, service, or other content provider, such as enabling you to like, share or otherwise interact with App Content to a third party social networking service (SNS).

Organisational Measure (64.9%), Processing (89.9%), Third Party (86.1%):

If you choose to like or share App Content, or to otherwise interact with or share personal information from or via our Services with a third party site or service, that information may be publicly displayed, and the third party may have access to information about you and your use of our

Services (and we may have access to information about you from that third party).

Personal Data (99.4%), Required Purpose (69.0%), Technical Measure (82.3%):

These features may collect your IP address, which page you are visiting while using our Services, and may set a cookie to enable the feature to function properly.

Third Party (99.4%):

Information provided by third parties Third Party Sign In: If you create/register your User Account using a social media or other third-party account, such as Facebook, Apple, Google, or Spotify or other similar joint registration process, or access our Services through a third-party application, such as the Apple App Store or Google Play App Store, we may also collect certain personal information from those third-party accounts.

Third Party (99.0%):

Company makes no representations or warranties nor is Company responsible for the privacy policies or actions of any third party.

Consent (80.3%):

If you decide to access any Third Party Content links appearing on our Services, you do so at your own risk.

Processing (98.9%), Third Party (90.2%):

Supplemental Information from Third Parties: Company may supplement the personal information it collects from you with outside records, or third parties may provide Company with information about you in connection with a co-marketing agreement (Third Party Information).

Processing (97.8%):

If Company combines Third Party Information with information it collects through the Services, Company will treat the combined information as described in this Privacy Policy.

Automated Decision Making (85.4%), Processing (99.1%):

Information collected through tracking technology We collect certain personal information automatically when you access and use our Services.

Non-Personal Data (95.8%), Personal Data (90.5%), Required Purpose (97.4%):

The types of information we collect may include: Usage Information: Information that relates to your usage of the Services or that is necessary for the proper functioning or improvement of the Services, such as the time and date and the extent of your usage of the Services, the location of where you access and/or use the Services, the URL, advertisement or service that referred you to the Services, the search terms you entered into a search engine that led you to the Services, your usage preferences, areas within the Services that you access or use, how you interact with other Users,

which Users you interact with, the mobile platform or service provider you use, your operating system, your IP address, and other unique device identifiers (Usage Information).

Third Party (80.4%):

Usage Information may also be collected by our third party service providers, including analytics and third party content providers.

Technical Measure (98.5%), Third Party (94.2%):

Cookies: Like most other mobile applications and websites, as you visit and use the Services, and/or open communications from us, Company (and, potentially, third party advertisers and partners) may track your usage via Cookies or Embedded Scripts, both on our Services and over time and across websites.

Processing (98.5%), Technical Measure (74.4%):

Cookies are alphanumeric identifiers in the form of text files that are inserted and stored by your web browser on your hard drive or via mobile IDs.

Required Purpose (98.7%), Technical Measure (86.7%), Third Party (82.4%):

Company (and, potentially, third party advertisers or other partners) may set and access cookies on your computer or mobile device to track and store preferential information about you, for purposes such as (i) recognizing you when you return to the Services, (ii) tailoring the Services to your specific needs or preferences, and (iii) personalizing the content that you see in order to ensure you enjoy your visit, etc.

Required Purpose (93.4%):

We may also use Cookies to control the display of ads, to track your usage patterns when using our Services, to record registration and personalization information, and to track the various items that you view while using our Services.

Technical Measure (70.0%), Third Party (70.3%):

Embedded Scripts: We and our marketing partners, affiliates, analytics, and service providers may also employ software technology known as an Embedded Script.

Non-Personal Data (82.6%):

An Embedded Script is programming code that is designed to collect information about your interactions with the Services, such as the links you click on.

Required Purpose (94.3%), Technical Measure (86.2%):

Other Tracking Technologies: In addition, we and our marketing partners, affiliates, analytics, and service providers may use a variety of other technologies (such as tags) that collect similar information for security and fraud detection purposes and we may use third parties to perform these

services on our behalf.

Processing (97.2%):

We may derive information or draw inferences about you based on the other types of information we collect.

Personal Data (98.7%):

HOW WE USE INFORMATION We use the Personal Information we collect about you for a variety of purposes as described in more detail below.

Required Purpose (94.5%):

To identify you when you use our Services.

Contract (64.5%):

To enforce the Terms of Use and any other agreements.

Required Purpose (91.7%):

To provide our Services or to process in-App purchases and returns.

Required Purpose (71.3%):

To respond to inquiries related to support, or other requests.

Required Purpose (86.5%):

To comply with legal or regulatory obligations or in connection with a legal process.

Required Purpose (85.1%):

For internal administrative purposes, as well as to manage our relationships.

Consent (71.2%), Processing (81.9%):

Company will obtain your consent for any use of your personal information beyond those set forth in this Privacy Policy and the original uses for which you provided your consent, or other uses which are reasonably consistent with the original uses for which you provided your consent or are otherwise described to you at the time of collection.

Required Purpose (98.5%):

For example, if you complete an in-App purchase, we may collect your personal information to provide you with the purchased products or services, but we may also maintain your information after your transaction is complete so that we can quickly and easily respond to any questions about your order.

Recipient (77.3%):

We may share information with our corporate affiliates (e.g., parent company, sister companies, subsidiaries, joint ventures, or other companies under common control).

Required Purpose (65.5%):

To send marketing and promotional materials including information relating to our Services, sales, or promotions, or those of our business partners.

Legitimate Interest (71.2%), Processing (94.2%), Right (95.7%):

In the unlikely event of our bankruptcy, insolvency, reorganization, receivership, or assignment for the benefit of creditors, or the application of laws or equitable principles affecting creditors rights generally, we may not be able to control how your personal information is treated, transferred, or used.

Consent (93.5%), Data Subject (71.0%):

Your interactions with third parties through an SNS or similar features are not governed by this Privacy Policy, and we have no control over any websites, applications, products or services that we do not own.

Consent (72.5%):

Other Disclosures with Your Consent.

Third Party (72.8%):

We may ask if you would like us to share your information with other unaffiliated third parties who are not described elsewhere in this policy.

Consent (61.7%):

Other Disclosures without Your Consent.

Legal Basis (82.9%), Organisational Measure (79.9%):

We may disclose information in response to subpoenas, warrants, or court orders, or in connection with any legal process, or to comply with relevant laws.

Required Purpose (96.0%):

We may also share your information in order to establish or exercise our rights, to defend against a legal claim, to investigate, prevent, or take action regarding possible illegal activities, suspected fraud, safety of person or property, or a violation of our policies, or to comply with your request for the shipment of products to or the provision of services by a third party intermediary.

Third Party (79.1%):

If you decide to submit information on these pages, that information may be publicly available to all, or certain specific, other Users of the Services or the general public.

Third Party (99.3%):

We may offer contests, sweepstakes, or other promotions with third party partners.

Processing (95.7%), Recipient (82.6%):

If you decide to enter a contest, sweepstakes, or promotion that is sponsored by a third party

partner the information that you provide will be shared with us and with them.

Recipient (72.9%):

Service Providers.

Recipient (85.9%):

We may share your information with service providers.

Required Purpose (97.1%):

Among other things service providers may help us to administer our website, conduct surveys, provide email or customer service functions, data processing, web analytics, security or technical support, process payments, and assist in the fulfillment of orders.

Processing (98.4%):

For example, Stripe processes some of our in-App purchases (their privacy policy may be viewed here <https://stripe.com/privacy>).

Personal Data (87.2%), Required Purpose (66.1%):

In order to utilize our Services, you are required to create a User Account as part of the registration process, which consists of information about you, including certain personal information, as well as a Profile Name as more specifically described in Section 1 above.

Processing (76.7%):

Your Profile Name and certain other information you choose to share publicly may be visible to all other Users of the Services.

Art. 17 Right to erasure (right to be forgotten) (62.0%):

If, in any case, you believe that an unauthorized User Account has been created about you, you can request for it to be removed by contacting us at .

Technical Measure (67.9%):

Mobile platforms may have permission systems for specific types of device data and notifications, such as camera and microphone as well as push notifications.

Consent (76.5%):

Where applicable, you can change your settings on your device to either consent or oppose the collection of the corresponding information or the display of the corresponding notifications.

Organisational Measure (76.4%):

You can stop all information collection by our App by deactivating your account by following the instructions on the Apps settings screen and then uninstalling the App using the standard uninstall process for your device.

Personal Data (75.8%), Processing (68.1%):

If you uninstall the App from your mobile device, the unique identifier associated with your device may continue to be stored.

Organisational Measure (90.0%), Processing (93.7%):

You may change, update or delete the Registration Data you provide Company via the Services when creating your User Account by changing your User Account settings.

Processing (90.0%), Required Purpose (88.8%):

We may still retain your Information to resolve disputes, enforce the Terms of Use, or comply with legal requirements.

Retention (69.2%):

If your User Account is deactivated or you ask to close your User Account, or we terminate your User Account pursuant to the Terms of Use, you will no longer be able to use our Services, however, certain information will actively persist on our Services even if you close your Account.

Processing (90.1%):

The code is temporarily downloaded onto your computer or other device and is deactivated or deleted when you disconnect from the Services.

Third Party (81.7%):

If a third party vendor provides such newsletters, you may unsubscribe in accordance with the instructions provided by such third party.

Automated Decision Making (79.7%):

We do not currently recognize automated browser signals regarding tracking mechanisms, which may include Do Not Track instructions.

Consent (67.4%):

Your mobile device or computer may include an option that allows you to not accept Cookies.

Organisational Measure (66.2%), Required Purpose (79.6%):

HOW WE PROTECT YOUR INFORMATION We use reasonable efforts to protect your Personal Information from unauthorized access, use, or disclosure.

Processing (94.9%):

However, please remember that no method of transmission over the Internet, or method of electronic storage, is fully secure.

Personal Data (99.5%):

While we do our best to protect your Personal Information, we cannot guarantee the security of your Personal Information.

Legal Basis (91.7%):

In the event that we are required by law to inform you of a breach to your Personal Information we may notify you electronically, in writing, or by telephone, if permitted to do so by law.

Organisational Measure (68.2%):

CHANGES TO THIS PRIVACY POLICY Company reserves the right, at its sole discretion, to update, amend, supplement, modify and/or change this Privacy Policy without prior notice to you and at any time.

Organisational Measure (81.1%):

You are encouraged to revisit this Privacy Policy from time to time in order to review any changes that have been made.

Personal Data (98.4%):

We do not knowingly collect any personally identifiable information from children under the age of thirteen (13).

Organisational Measure (65.4%):

Furthermore, our Terms of Use expressly prohibit Children under the age of thirteen (13) from accessing or using our Services.

Organisational Measure (64.0%):

If Company learns that Information of persons under the age of thirteen (13) years has been collected without verified parental consent, then Company will take the appropriate steps to delete this Information.

Right (81.9%):

TERMS OF USE To review other applicable terms and conditions that govern your use of our Services outside of this Privacy Policy, including, without limitation, intellectual property rights, disclaimer of warranties, limitation of liability and resolving disputes, please review our Terms of Use.
