**Data Controller (97.5%), Processing (99.4%):**

Along with our affiliates (collectively, Company Group, or we/our/us), we own and operate a number of websites (the Websites or Sites) and mobile applications (the Apps).

**Data Subject (79.2%), Legal Basis (71.2%), Personal Data (91.0%), Processing (98.2%), Required Purpose (67.6%), Retention (73.8%), Right (97.0%):**

Introduction This Privacy Policy explains how we collect, use, process, share and store Data when you use our Services (both terms as defined below), explains rights that you may have under specific data privacy and protection laws, and provides instructions on how to exercise any rights that apply to you (collectively, Data Laws).

**Legal Basis (98.8%), Processing (97.5%), Required Purpose (72.0%), Scale Non-EU (65.7%):**

The rights discussed in the CCPA Notice are for residents of California.

**Legal Basis (96.7%), Scale Non-EU (64.9%):**

The rights discussed in the GDPR Notice are for persons located in the EU, EEA, UK or Switzerland.

**Third Party (88.4%):**

Our Websites, Apps and Services may include links to third-party websites, plug-ins, services, social networks or mobile applications.

**Processing (89.7%), Recipient (65.7%), Third Party (97.8%):**

We do not control these third parties, and you should read each of their privacy notices before you submit any information to them.

**Data Controller (94.5%), Personal Data (76.3%):**

Paypal Notices PayPal is an independent Controller for the purpose of Processing Customer Data.

**Processing (97.8%):**

You can access Paypals Privacy Statement at: <https://www.paypal.com/us/webapps/mpp/ua/privacy-full> You should carefully read this document to understand our policies and practices for processing and storing Data.

**Legal Basis (77.9%):**

Defined Terms In addition to the terms already defined above, we provide these definitions: CCPA means the California Consumer Privacy Act of 2018, as it may be amended from time to time.

**Personal Data (98.7%), Processing (98.2%), Technical Measure (97.1%):**

Device Information means information about a Device, including the IP address used to access the Services, associated cookies or cookie identifiers, and other information related to the formatting or presentation of the Services for your Device and includes information about the Device often stored in picture files, including Device type and the location you were in when you took the picture.

**Non-Personal Data (81.2%), Required Purpose (83.4%):**

Device means the computer, smart phone or other electronic device that you use to access the Services.

**Scale Non-EU (87.6%):**

EEA means countries in the EU plus Iceland, Lichtenstein, and Norway.

**Scale EU (70.2%):**

EU means the countries which are currently members of the European Union.

**Legal Basis (86.9%), Scale EU (70.2%), Scale Non-EU (92.9%):**

GDPR means the General Data Protection Regulation of the European Union, and the equivalent Data laws of the EEA, United Kingdom and Switzerland.

**Personal Data (98.4%), Required Purpose (79.2%):**

Identifiable Natural Person is one who can be identified, directly or indirectly, by a single piece of data such as a name, an ID number, IP address, location data, an online identifier or by other data that, when combined, makes it possible to determine the identity of that natural person.

**Non-Personal Data (61.4%), Personal Data (98.0%):**

Personal Data means any information about an identified or Identifiable Natural Person who has rights under the GDPR (Data Subject).

**Personal Data (99.7%):**

Personal Information means information that identifies, relates to, describes, is capable of being associated with, or could be linked, directly or indirectly, with a particular consumer, household or Device.

**Personal Data (99.5%):**

PII means personally identifiable information, which is information that can be used to identify a specific individual, including Data that may be classified as Personal Information subject to the CCPA Notice or Personal Data subject to the GDPR Notice.

**Personal Data (99.4%), Required Purpose (88.3%):**

These direct interactions include the contents of your communications with us, whether via e-mail, chat functionality, social media, telephone or otherwise, and inferences we may make from other personal information we collect.

**Legal Basis (98.8%), Personal Data (99.5%), Processing (89.6%), Required Purpose (79.2%):**

Where permitted by applicable law, we may collect and maintain records of calls and chats with our agents, representatives, or employees via message, chat, post, or similar functionality.

**Personal Data (76.3%), Processing (96.3%), Third Party (61.6%):**

Our chatbox vendors may also retain records of your chats with us.

**Personal Data (79.9%), Processing (98.6%):**

Additionally, data from direct interactions may be collected through third parties that have their own privacy policies and procedures regarding the collection and processing of your data.

**Consent (87.7%), Data Source (60.3%), Processing (97.6%):**

When using the ChatGPT functionality on the Sites, you consent to our collection of and the transfer and processing of the data you provide in the chat, to ChatGPT.

**Data Subject (69.6%), Required Purpose (81.5%):**

These interactions also include data you provide when you create an account, subscribe to our Services, search for a product, place an order, upload a photo or other content, create a seller profile on our Services that offer seller capabilities, participate in discussion boards or other social media functions on our Services, enter a competition, promotion or survey, and when you report a problem with our Services.

**Consent (95.2%), Personal Data (85.2%):**

If you choose to make any seller profile that you create public, people may see your name, the country you designate in your profile, and your About details.

**Automated Decision Making (95.7%), Non-Personal Data (84.3%), Organisational Measure (70.9%), Required Purpose (97.3%):**

As you interact with our Services, we may automatically collect Data about your Device and your browsing actions and patterns, even if you do not create an account or place an order with us.

**Technical Measure (94.3%):**

We collect this Data by using cookies, server logs, and other similar technologies.

**Consent (63.8%), Organisational Measure (87.8%), Personal Data (63.8%):**

You can block cookies in your browser by activating the settings that allow you to refuse all or some cookies.

**Non-Personal Data (80.5%), Technical Measure (66.6%), Third Party (90.6%):**

Cross-Device Tracking: Some of our Services use data analytics companies, advertising networks, and/or social media companies to engage in cross-Device tracking, which occurs when platforms, publishers, and advertising technology companies try to connect a consumers activity across smartphones, tablets, desktop computers, and other connected devices.

**Third Party (95.9%):**

Third parties or Publicly Available Sources.

**Contract (87.9%), Processing (78.3%), Third Party (86.4%):**

We receive Data from third parties such as business partners and sub-contractors who provide us with a variety of business services like shipping and payment processing, advertising, analytics, search information, etc.

**Organisational Measure (72.4%):**

User Contributions are submitted at your own risk.

**Organisational Measure (89.6%):**

We limit access to certain pages, and you can also adjust privacy settings for User Contributions by logging into your account profile.

**Personal Data (99.2%), Processing (85.7%), Required Purpose (95.9%):**

Types of Data We Collect PII We Collect We collect PII including your name, billing address, delivery address, e-mail address, telephone number, IP address, credit/debit card numbers and other financial information needed to complete your transactions with us, photos and other content you upload, any profile image you provide, user IDs and/or passwords used to access the Services, your Services browsing history, and any phone number used to call our customer service number.

**Personal Data (99.1%), Required Purpose (85.3%):**

Depending on the Services you use and the products you choose to customize, you may also provide us with video and voice recordings, age, date of birth, gender and other similar information.

**Personal Data (94.1%), Required Purpose (93.8%):**

If you sell products through our Services, in addition to the information above we collect information necessary to pay you and comply with tax reporting laws, such as your PayPal account, and social security or Tax ID number, and your birthdate for verification of your identity.

**Non-Personal Data (97.2%):**

Device Information We collect information relating to the Device(s) you use to access the Services, including the Device model, operating system, browser type, IP address, and event information from use of the Services.

**Data Source (72.0%), Personal Data (78.2%), Processing (79.3%), Required Purpose (83.5%):**

Mobile App Depending on your permissions, if you download and use our Apps, we may collect or access certain information from your mobile Device including: Your contacts so you can select a chosen contact to ship your order to.

**Consent (65.4%), Data Source (62.1%), Personal Data (78.0%), Required Purpose (94.5%):**

Once you select a contact from your mobile Device, that contacts information will be stored in our database and their postal address and phone will be used for delivery of your order and for sending you reminders of special occasions that you recorded in the Services; and Your phone number, entered by you in response to our request and stored in your account data, as required for shipping in some countries and for retail pickup orders in countries where that option is provided.

**Processing (85.3%), Required Purpose (72.8%), Retention (70.9%):**

You do not have to use these features, but if you do, please use common sense and good judgment when posting in these community spaces or sharing your personal information with others through the Services.

**Non-Personal Data (93.1%), Processing (93.2%):**

Other Data We Collect In addition to PII, we collect other Data from you when you use the Services, including: Data that neither directly nor indirectly reveals your identity nor directly relates to you, such as statistics, or aggregated information.

**Non-Personal Data (92.4%), Personal Data (93.4%):**

For example, we may aggregate Data to calculate the percentage of users accessing a specific Website, App, or feature of our Services; Technical information, including browser type and version, or operating system and platform; and Data about your interactions with our Services, including the full Uniform Resource Locators (URLs), clickstream to, through and from our Services (including date and time), products you viewed or searched for or (in the case of some of our Services) favorited; Service response times, download errors, length of visits, interaction information (such as scrolling, clicks, and mouse-overs), or methods used to browse away.

**Personal Data (68.4%):**

This Privacy Policy may change from time to time (see Updates to This Privacy Policy), and your continued use of our Services after any change means you accept those changes.

**Non-Personal Data (85.3%), Personal Data (97.5%):**

Depending on the Services you use and products you decide to create, you may select customization features reflecting skin tone, gender, gender identity, religious dress, disability status, sexual orientation, or other similar information, or revealing this or similar information through use of video and voice recording features.

**Required Purpose (94.1%):**

We strive to be inclusive in our product customization offerings and use this information to create that special product for your intended recipient.

**Processing (88.5%):**

Data About Children We do not knowingly collect, use, process, share or store PII from children under the age of 18.

**Authority (93.6%), Legal Basis (73.1%), Legitimate Interest (84.0%), Processing (95.0%), Required Purpose (97.1%), Third Party (68.2%):**

Why We Use and Process Data Use and Processing of PII We may use and process PII that is either collected by us or provided by you for the following purposes: Providing the Services in the manner most effective for you and your Device; Fulfilling your orders placed through the Services; Making interest-based suggestions and recommendations about our products and Services; Assessing the effectiveness of our advertising and tailoring our advertising so you receive only what is relevant to you; Improving the Services and notifying you about changes; Managing your customer relationship with us; Enabling your participation in our Services' interactive, social media, or other similar features; Integrating social media into your experience with our Services; Carrying out your support requests; Notifying you about unfinished transactions, unused credits, or order status; Sending you information about discounts, special offers, and new products; Managing the Services, including troubleshooting, data analysis, testing, research, statistical analysis, security, quality control, and fraud prevention; Verifying your identity; Reminding you of special occasions; Performing billing, administration, and collections functions; Protecting the Services and our employees and operations; For a Reorganisation Use; Marketing to you directly through the social media platforms that you use and through other websites; Sharing information with law enforcement agencies in response to formal or informal inquiries and with other third parties when required by law and pursuant to our internal policies; Carrying out activities related to any of the above, or any other purpose for which the Data was collected, including dispute resolution and protection of our legal rights or the rights of third parties.

**Required Purpose (90.5%):**

Who We Share Data with and Why Sharing of PII We may share Data within our Company Group to comply with internal, contractual and legal obligations, and for marketing activities.

**Data Controller (78.8%), Required Purpose (66.6%):**

We may also share Data with third parties as follows: Business partners, suppliers, service providers, subcontractors and other third parties to enable them to provide services such as fulfillment, IT, logistics, delivery, communication, cybersecurity, fraud protection, and legal/audit.

**Authority (64.0%), Contract (78.2%), Legitimate Interest (68.0%), Processing (99.1%):**

These parties are required to maintain the confidentiality of Data and are restricted from using it for any purposes other than those requested by us; Social media platforms; Advertisers and ad networks; Public, governmental, or regulatory authorities and institutions; and Potential buyers, investment banks or financial institutions in connection with any contemplated or actual corporate reorganizations or business transactions such as evaluating or conducting a merger, divestiture, restructuring, reorganization, dissolution, or other sale or transfer of some or all of our assets, whether as a going concern or as part of bankruptcy, liquidation, or similar proceeding, in which Data held by us about our users is among the assets transferred (each, a Reorganization Use).

**Authority (95.2%), Legitimate Interest (74.3%):**

Courts, law enforcement authorities, regulators, attorneys or other third parties in connection with the establishment, exercise, or defense of legal claims.

**Consent (84.4%):**

Tracking Technologies and Advertising: You can set your browser to refuse all or some browser cookies, or to alert you when websites set or access cookies.

**Processing (71.4%):**

You can adjust the privacy settings for your seller profile at any time.

**Retention (82.5%):**

How Long We Use and Store PII We store PII from the time of collection as follows, unless contractual or legal obligations require us to store it for a different period: If you neither create an account nor buy anything (even as a guest) we will delete PII about you at the earlier of your revocation of consent or in accordance with our Cookie Notice.

**Personal Data (98.7%), Retention (87.3%):**

If you either create an account, or buy as a guest, we will delete PII about you at the first of the following: You ask us to; You have not created an account on any of our Services for a period of nine (9) years, or made a sale from any seller account; You haven't purchased anything for nine (9) years; or With regard to a Social Security Number or Tax ID Number, you have not made a sale

from any account using that number for a period of seven (7) years.

**Personal Data (81.7%):**

Pursuant to our contractual relationship with Meta, we store Platform Data received from Meta for no longer than five (5) years.

**Organisational Measure (81.3%):**

How We Protect Data The Services have physical, electronic, and administrative security measures in place designed to protect against the loss, misuse, and unauthorized access, use, alteration, or disclosure of Data under our control.

**Organisational Measure (82.5%), Personal Data (97.6%):**

When you submit credit card information through the Services, we create a nonce so your credit card information is never stored by us.

**Organisational Measure (74.5%):**

Services means the Sites, Apps, and other services available from us.

**Processing (92.9%):**

You may also provide us with Data to post on the Services or to transmit to third parties (collectively, "User Contributions").

**Organisational Measure (83.5%):**

We urge you to take steps to keep Data safe (including your account password), log out of your account after use, and close your web browser.

**Scale Non-EU (64.8%):**

Opt-Out Preferences California and Virginia residents may opt out of the sale and/or sharing of their information by broadcasting an Opt-Out Preference Signal, such as the Global Privacy Control (GPC) (on the browsers and/or browser extensions that support such a signal).

**Personal Data (85.9%):**

We can only link your request to opt-out of sale/sharing to your browser or device identifier, and not to any information about any account you may have with us.

**Consent (72.0%):**

Accordingly, now that we have implemented GPC recognition, any prior choices you have made regarding sale/sharing of your personal information are no longer valid.

**Required Purpose (98.5%):**

Persons Outside the United States, EU, EEA, UK and Switzerland You confirm that your command and knowledge of the language in which this Privacy Policy is written is sufficient to understand the terms and conditions in this Privacy Policy.

**Legal Basis (83.5%), Personal Data (99.8%), Processing (90.7%), Scale Non-EU (97.2%):**

If you live in the European Union, EEA, UK or Switzerland, or are located outside the United States:

(i) you acknowledge that by using the Services, personal data about you may be transferred to our servers or third-party servers located in the United States in connection with the purposes stated in this Privacy Policy and expressly consent to such transfers, and (ii) you understand that the laws with respect to the protection of Data in the United States may not be as stringent as those in your home jurisdiction.

**Legal Basis (97.2%):**

Contact Us If you have any concern about the privacy practices of the Services, please contact us at the following address with a detailed description of your concern, and we will try to resolve it: Privacy Program Attn: Legal Department 23801 Calabasas Road Calabasas, CA 91302 USA If you are in Europe, We have appointed ITG EU & GRCI Law to act as our EU and UK Representatives, respectively.

**Legal Basis (95.2%):**

If you wish to exercise your rights under EU GDPR or the UK GDPR or have any queries in relation to your rights or privacy matters generally please email from Europe [privacyeu@pallcprivacy.com](mailto:privacyeu@pallcprivacy.com), or from UK, [privacyuk@pallcprivacy.com](mailto:privacyuk@pallcprivacy.com).

**Organisational Measure (61.0%), Personal Data (98.8%):**

If we make material changes to this Privacy Policy, we will post notice of the changes on the Services homepage and/or as required by law notify you by email using the current email address for your account.

**Scale Non-EU (86.9%):**

Addendum for Persons Residing in California Effective Date: April 15, 2023 This Addendum for Persons Residing in California (this CCPA Notice) supplements the Privacy Policy and applies only to residents of the State of California.

**Legal Basis (91.6%):**

This CCPA Notice is provided in compliance with the California Consumer Privacy Act, as amended by the California Privacy Rights Act (CCPA), and any terms defined in the CCPA have the same meaning when used in this CCPA Addendum.

**Contract (89.8%), Processing (75.1%), Third Party (96.8%):**
