DR Thanks for being awesome!

Consent (68.8%), Data Controller (90.6%), Data Subject (86.4%), Legal Basis (98.6%), Non-Personal Data (84.5%), Organisational Measure (62.0%), Personal Data (88.1%), Processing (99.7%), Required Purpose (75.2%), Retention (89.8%):

This Privacy Policy explains the different types of information that we collect while you play our games, and complies with all applicable data protection and privacy laws.

Data Controller (97.7%), Organisational Measure (95.6%), Personal Data (98.8%), Processing (97.3%):

We care a great deal about your privacy and aim to keep the amount of user information that we gather to an absolute minimum.

Processing (96.1%), Required Purpose (95.9%):

As we are required to gather a small amount of information in order to provide our games to you, this Privacy Policy explains about the type of information that we collect when you download and play our games, or use other applications created by Trickster Arts.

Consent (90.0%), Processing (97.9%):

It also describes how we use, when we share, how long we keep, and your options regarding your information.

Consent (72.5%):

By playing our games you are expressing your agreement to this policy.

Non-Personal Data (84.8%), Personal Data (99.2%):

The type of information we collect TL:DR We collect basic personal information such as usernames, and non-personal technical data about your play session.

Consent (70.3%):

With your permission, we may also collect optional information for authentication services like Facebook Connect.

Consent (62.6%), Processing (96.7%), Recipient (91.5%), Third Party (99.0%):

When you use our games, you voluntarily give us the following information: In-game information (for example, a player username) You may optionally allow us permission to obtain information from third parties by connecting your game to third party services: When connecting your Facebook, Google or Apple account to us, you allow us to obtain information from these companies.

Non-Personal Data (92.6%), Personal Data (94.2%), Processing (99.1%), Required Purpose (94.1%):

This is non-identifiable technical data about user actions and patterns, and which does not provide any personal information: Session data (for example, the generalised location of where you access our game from) Mobile device identifiers (for example, the specifications and operating system of your device) How we use your information TL:DR We process your data in order to provide a functional game and features, as well as ensure the security of your account.

Required Purpose (95.0%):

To ensure our games work successfully, we use the information we collect: To provide in-game functionality.

Non-Personal Data (67.2%), Third Party (77.1%):

For example, we use your player username on our in-game leaderboards, and show you the username of nearby players.

Required Purpose (99.6%):

To improve your gaming experience.

Required Purpose (99.3%):

For example, if you allow us to obtain information from Facebook, we use this information to connect you to your Facebook friends.

Required Purpose (99.4%):

To improve the quality of our services.

Non-Personal Data (75.6%), Required Purpose (97.9%):

For example, we use session data to detect fraudulent use of your account.

Required Purpose (85.6%):

We share non-personal information with third parties to improve our services.

Processing (98.0%):

You can control what information they share with us by reviewing their respective privacy policies.

Non-Personal Data (98.2%), Required Purpose (97.4%):

We may share anonymized technical information with third party game services and analytics, so we can provide you with better services.

Authority (96.4%), Processing (79.0%):

In response to lawful requests, we may exchange and provide data with public authorities and other associated companies and organizations.

Retention (84.7%):

How we handle your information TL:DR We keep your information safe, and will only use it until you inform us that you no longer wish us to play our games.

Processing (94.1%):

If you do inform us, we may retain limited information about you where required to do so.

Retention (94.2%):

We will securely retain your personal information for as long as needed to provide our services.

Personal Data (79.3%), Processing (83.2%), Retention (88.1%):

As soon as we will no longer require your personal data to provide our services, we will promptly delete or anonymize it on request.

Personal Data (96.8%):

In some cases we may not be able to delete your personal information, and will retain and use your information for as long as necessary to comply with our legal obligations, resolve any related disputes, maintain the functionality of our services and/or enforce our agreements.

Right (74.7%):

Your rights regarding your information TL:DR Know your rights!

Art. 16 Right to rectification (81.9%), Art. 18 Right to restriction of processing (60.6%):

You have the right to correct your data, have your data deleted, and object or restrict to how we use or share your data.

Non-Personal Data (60.5%):

We will de-identify any information associated with an unused game account on request.

Art. 17 Right to erasure (right to be forgotten) (64.8%), Legitimate Interest (88.4%), Personal Data (91.3%), Required Purpose (71.6%):

If you ask us to remove your personal data, we may retain some of your data as necessary for our legitimate business interests, such as to ensure the continued provision of our services, resolve disputes, and comply with any legal requirements.

Right (74.8%):

Depending on where you live, you may also have additional privacy rights.

Authority (72.7%):

If you have an unresolved privacy or data use concern that we have not addressed satisfactorily,

please contact your local Data Protection Authority within the Czech bureau for any unresolved complaints.

Legal Basis (67.5%):

Once we change this Privacy Policy, it will become legally binding on you 30 days after we post it online.

Required Purpose (96.8%):

As we are required to gather a small amount of information in order to provide our services to you, this Privacy Policy explains about the type of information that we collect when you access our websites and use our website services.

Personal Data (96.1%):

When using our forums, we collect basic personal information such as your username and email.

Personal Data (90.2%):

We also collect non-personal data about your connection to our services.

Technical Measure (69.2%):

When you access our website services, we collect information through the use of a type of technology called cookies.

Processing (91.8%), Technical Measure (92.9%):

Cookies are small text files that are stored on your computer or mobile device.

Required Purpose (81.0%):

Cookies are widely used in order to allow websites or other online services to function, or to improve user experiences (for example, by remembering your user preferences).

Consent (72.3%), Personal Data (98.7%):

If you create an account in order to use our forum services, you also voluntarily give us the following information: Forum data (for example, a forum username and password) Contact information (for example, an email address and email ID) Other data that you may optionally choose to give us (for example, details of your websites and YouTube channels) We also collect non-personal technical information when you access our services.

Required Purpose (97.7%):

This is non-identifiable technical data about user actions and patterns, and which does not provide any personal information: Session data (for example, the generalised location of where you access our websites from) Mobile device identifiers (for example, the specifications and operating system of your computer/device) How we use your information TL:DR We process your data in order to provide you with a functional service, as well as to improve the quality and ensure the security of our

services.

Required Purpose (99.7%):

To ensure our services work successfully, we use the information we collect: To provide functionality of our services.

Personal Data (83.4%):

For example, we use your forum username on any posts that you submit.

Required Purpose (97.1%):

To provide email support and answer forum queries.

Required Purpose (93.4%):

For example, we use your email address and forum username to send direct replies to your queries and/or request additional information from you.

Required Purpose (85.3%):

For example, we use session data to help us better allocate resources during busier times.

Personal Data (85.3%):

We share your in-game information with other players, who may view your profile data or in-game activities, or may read any in-game messages that you have posted.

Retention (88.6%):

How we handle your information TL:DR We keep your information safe, and will only use it until you inform us that you no longer wish us use our services.

Retention (91.4%):

We will retain your information for as long as your forum account is active, or as needed to provide the service.

Retention (88.4%):

As soon as we no longer require your data to provide our services, we will promptly delete or anonymize it.

Legitimate Interest (92.5%):

If you ask us to remove your personal data, we may retain some of your data as necessary for our legitimate business interests, such as to resolve disputes, and comply with any legal requirements.
