Consent (85.7%):

Opting out: Users can set preferences for how Google advertises to you using the Google Ad Settings page.

Legal Basis (79.0%):

California Online Privacy Protection Act CalOPPA is the first state law in the nation to require commercial websites and online services to post a privacy policy.

Processing (98.9%), Scale Non-EU (80.2%):

The law's reach stretches well beyond California to require any person or company in the United States (and conceivably the world) that operates websites collecting Personally Identifiable Information from California consumers to post a conspicuous privacy policy on its website stating exactly the information being collected and those individuals or companies with whom it is being shared.

Organisational Measure (67.3%):

You will be notified of any Privacy Policy changes: On our Privacy Policy Page Can change your personal information: By emailing us How does our site handle Do Not Track signals?

Consent (64.4%), Legal Basis (72.2%), Processing (89.9%):

It's also important to note that we allow third-party behavioral tracking COPPA (Children Online Privacy Protection Act) When it comes to the collection of personal information from children under the age of 13 years old, the Children's Online Privacy Protection Act (COPPA) puts parents in control.

Authority (84.6%), Third Party (80.3%):

The Federal Trade Commission, United States' consumer protection agency, enforces the COPPA Rule, which spells out what operators of websites and online services must do to protect children's privacy and safety online.

Third Party (90.2%):

Do we let third-parties, including ad networks or plug-ins collect PII from children under 13?

Legal Basis (96.6%):

Fair Information Practices The Fair Information Practices Principles form the backbone of privacy law in the United States and the concepts they include have played a significant role in the development of data protection laws around the globe.

Legal Basis (87.1%), Personal Data (81.0%):

Understanding the Fair Information Practice Principles and how they should be implemented is critical to comply with the various privacy laws that protect personal information.

Legal Basis (82.0%):

In order to be in line with Fair Information Practices we will take the following responsive action, should a data breach occur: We will notify you via email Within 7 business days We also agree to the Individual Redress Principle which requires that individuals have the right to legally pursue enforceable rights against data collectors and processors who fail to adhere to the law.

Authority (76.7%), Data Subject (83.4%):

This principle requires not only that individuals have enforceable rights against data users, but also that individuals have recourse to courts or government agencies to investigate and/or prosecute non-compliance by data processors.

Processing (96.2%):

We collect your email address in order to: Send information, respond to inquiries, and/or other requests or questions Process orders and to send information and updates pertaining to orders.
