Information Collected Through the Use of the Services, including any files, documents, videos, images, data, or information you choose to upload or transmit through your communications with us, your communications with other users, or your use of the Services (collectively, User Content).

Processing (99.7%), Required Purpose (99.8%):

User Content and any information contained in the User Content, including personal information you may have included, is stored and collected as part of the Services.

Required Purpose (94.3%):

We use the User Content to provide you with the Services.

Non-Personal Data (71.8%), Personal Data (82.5%):

We may also collect feedback, testimonials, and ratings you provide relating to our services or products.

Data Processor (67.1%), Required Purpose (98.9%):

We use this information to communicate with you, to conduct market research, inform our marketing and advertising activities and improve and grow our business.

Consent (67.2%), Processing (98.6%), Right (97.1%):

By submitting such information, you grant HomeLight the right to post and publish such information at our sole discretion.

Consent (95.0%), Personal Data (87.6%):

With your consent we may post your testimonial along with your name.

Non-Personal Data (83.0%), Personal Data (95.2%), Processing (98.4%), Required Purpose (79.8%), Technical Measure (68.4%):

Commercial information, such as primary business address, secondary business address, ownership information, products or services purchased, obtained, or considered, or other purchasing or consuming histories or tendencies, home purchase information, such as the address, type of home, and price range of the home you are interested in buying or selling, records of personal property.

Required Purpose (89.4%), Third Party (73.7%):

For example, we use this information where it is requested by title agents, title companies or otherwise reasonably required in connection with settlement and closing services.

Processing (87.7%):

This information could also be used in connection with Buy Before You Sell transactions.

Non-Personal Data (82.0%), Personal Data (86.7%), Required Purpose (77.6%):

Professional or employment-related information, such as occupation, title, performance evaluations, and prior employment history.

Contract (67.2%), Personal Data (84.1%):

If you are a business representative, we collect your information in connection with the performance of the agreement or potential agreement with us.

Personal Data (88.9%):

This information may include your first name, last name, company contact information (e.g.

Personal Data (85.9%):

email, phone, address), job title, and any other information related to the performance of the agreement with us.

Automated Decision Making (96.1%), Processing (94.0%), Third Party (98.9%):

Personal information from Third Parties We also obtain personal information from third parties, which we often combine with personal information we collect either automatically or directly from an individual.

Processing (97.5%):

We may receive personal information from other companies and brands owned or controlled by HomeLight, and other companies owned by or under common ownership as HomeLight.

Personal Data (98.9%):

If you engage in our Services through your employer or company, we may receive information from the company such as name and contact information.

Personal Data (95.6%):

The information may include contact information, demographic information, payment information, and information about your communications and related activities.

Required Purpose (99.2%):

We may use this information to administer and facilitate our services and our marketing activities.

Third Party (63.8%):

Business Partners.

Data Source (83.8%), Third Party (92.1%):

We may receive your information from our business partners, such as companies that offer their products and/or services on our Services.

Required Purpose (98.3%):

We may use this information to administer and facilitate our services, your orders, and our marketing activities.

Required Purpose (94.9%):

We may use single sign-on (SSO) to allow a user to authenticate their account using one set of login information, including through Google.

Non-Personal Data (86.6%), Organisational Measure (88.3%), Personal Data (98.9%):

We will have access to certain information from those third parties in accordance with the authorization procedures determined by those third parties, which may include, for example, your name, username, email address, language preference, and profile picture.

Required Purpose (99.5%):

We use this information to operate, maintain, and provide to you the features and functionality of the Services.

Legal Basis (74.8%), Required Purpose (61.8%):

Note that you cannot unsubscribe from certain services-related email communications (e.g., account verification, confirmations of transactions, technical or legal notices).

Organisational Measure (71.5%), Required Purpose (70.9%):

We may also send you service-related emails or messages (e.g., account verification, customer support, changes, or updates to features of the Services, technical and security notices).

Consent (82.0%), Organisational Measure (81.2%), Third Party (95.8%):

When an individual interacts with our Services through various social media networks, such as when someone Likes us on Facebook or follows us or shares our content on Google, Facebook, LinkedIn, or other social networks, we may receive some information about individuals that they permit the social network to share with third parties.

Non-Personal Data (69.1%), Personal Data (99.6%):

The data we receive is dependent upon an individual's privacy settings with the social network, and may include your profile information, profile picture, gender, username, user ID associated with your social media account, age range, language, country, and any other information you permit the social network to share with third parties.

Organisational Measure (88.8%), Processing (99.1%):

Individuals should always review and, if necessary, adjust their privacy settings on third-party

websites and social media networks and services before sharing information and/or linking or connecting them to other services.

Organisational Measure (70.8%), Processing (85.6%):

It does not include aggregated or de-identified information that is maintained in a form that is not reasonably capable of being associated with or linked to a person.

Required Purpose (99.6%):

We use this information to operate, maintain, and provide to you the features and functionality of the Services, as well as to communicate directly with you, such as to send you email messages about products and services that may be of interest to you.

Data Source (93.6%), Personal Data (82.8%):

In addition to third-party data providers, we may also collect personal information about individuals that we do not otherwise have from, for example, government agencies or publicly available sources, or through transactions such as mergers and acquisitions.

Contract (92.8%), Data Processor (77.5%), Legal Basis (97.2%), Personal Data (90.3%), Processing (98.0%), Required Purpose (97.8%), Right (95.4%):

Other Uses of Personal information In addition to the above, we may use personal information: To provide you with products or services that you request or in which you express interest; To provide, improve, test, update and monitor the services; or diagnose or fix technology problems; For training and quality and assurance purposes, such as by reviewing recordings of conversations that we have with you; To manage our organization and its day-to-day operations; To communicate with you such as via social media and to send you email messages and notifications; To customize the advertising and content you see; To respond to your emails, comments, questions, or requests for customer service; To market our Services to individuals, including through email and social media; To administer, improve and personalize our Services, including by recognizing individuals and remembering their information when they return to our Sites; To facilitate customer benefits and services, including customer support through our command center services; To identify and analyze how individuals interact with our Services; To conduct research and analytics on our user base and our Services; To improve and customize our Services to address the needs and interests of our user base and other individuals we interact with; To test, enhance, update and monitor the Services, or diagnose or fix technology problems; To help maintain the safety, security and integrity of our property and Services, technology assets and business; To facilitate corporate business transactions, such as a merger, acquisition, joint venture, or financing or sale of company assets, or in the event of insolvency, bankruptcy or receivership; To defend, protect or enforce our rights or

applicable contracts and agreements; To prevent, investigate or provide notice of fraud or unlawful or criminal activity; To comply with legal obligations; and For any other purpose we may describe when you provide the information.

Data Source (73.2%), Required Purpose (90.3%):

COOKIES AND OTHER DATA COLLECTION TECHNOLOGIES We, and our third-party partners, automatically collect information you provide to us and information about how you access and use the Services when you visit our online services, read our emails, or otherwise engage with us, such as through chat services.

Technical Measure (99.5%):

We typically collect this information through a variety of tracking technologies, including (i) cookies or small data files that are stored on an individual's computer and (ii) other, related technologies, such as web beacons, pixels, embedded scripts, location-identifying technologies and logging technologies (collectively, tracking technologies) and we may use third-party partners or technologies to collect this information.

Processing (86.9%):

Information we collect automatically about you may be combined with other personal information we collect directly from you or receive from other sources.

Non-Personal Data (98.5%), Personal Data (97.3%), Required Purpose (67.2%):

We, and our third-party partners, use cookies and other tracking technologies to automatically collect usage and device information, such as: Information the computer, tablet, smartphone or other device you use, such as your IP address, browser type, Internet service provider, device type/model/manufacture, operating system, mobile carrier, model and manufacturer, phone number, date and time stamp, and a unique ID that allows us to uniquely identify your browser, mobile device, or your account (including, for example, a persistent device identifier or an Ad ID), and other such information.

Required Purpose (61.3%), Technical Measure (93.6%):

We may also work with third-party partners to employ technologies, including the application of statistical modeling tools, which permit us to recognize and contact you across multiple devices.

Non-Personal Data (69.2%):

Information about the way you access and use our Services, for example, the site from which you came and the site to which you are going when you leave our services, how frequently you access the Services, whether you open emails or click the links contained in emails, whether you access the services from multiple devices, and other browsing behavior and actions you take on the Services.

Non-Personal Data (79.2%), Personal Data (76.8%):

Information about how you use the Services, such as the pages you visit, the links you click, the ads you view and click on, videos you watch, and other similar actions.

Required Purpose (78.4%):

We may also use third-party tools to collect information you provide to us or information about how you use the Services and may record your mouse movements, scrolling, clicks and keystroke activity on the Services and other browsing, search or purchasing behavior.

Retention (79.5%):

These tools may also record information you enter when you interact with our Service or engage in chat features through our Services.

Data Controller (94.7%), Required Purpose (94.8%):

For example, we use Hotjar in order to better understand our users' needs and to optimize our Service.

Organisational Measure (85.5%), Required Purpose (81.5%):

Hotjar is a technology service that helps us better understand our users' experience (e.g.

Required Purpose (94.9%):

how much time they spend on which pages, which links they choose to click, what users do and don't like) and this enables us to build and maintain our service with user feedback.

Non-Personal Data (96.7%), Personal Data (73.7%), Processing (98.3%), Required Purpose (69.5%):

This includes a device's IP address (processed during your session and stored in a de-identified form), device screen size, device type (unique device identifiers), browser information, geographic location (country only), and the preferred language used to display our website.

Processing (99.6%):

Hotjar stores this information on our behalf in a pseudonymized user profile.

Personal Data (76.9%):

Information about your location, such as general geographic location that we or our third-party providers may derive from your IP address.

Required Purpose (99.8%), Technical Measure (98.7%):

We may collect analytics data or use third-party analytics tools such as Google Analytics to help us measure traffic and usage trends for the services and to understand more about the demographics of our users.

Required Purpose (98.3%):

All of the information collected automatically through these tools allows us to improve your customer experience.

Required Purpose (99.2%):

For example, we may use this information to enhance and personalize your user experience, to monitor and improve our Sites and Services, and to improve the effectiveness of our Services, offers, advertising, communications and customer service.

Required Purpose (99.3%):

We may also use this information the data collected through tracking technologies to: (a) remember information so that you will not have to re-enter it during your visit or the next time you visit the site; (b) provide custom, personalized content and information, including targeted content and advertising; (c) identify you across multiple devices; (d) provide and monitor the effectiveness of our services; (e) monitor aggregate metrics such as total number of visitors, traffic, usage, and demographic patterns on our website; (f) diagnose or fix technology problems; and (g) otherwise to plan for and enhance our services.

Required Purpose (80.0%):

We and our third-party partners may also use cookies and tracking technologies for advertising purposes.

Consent (97.8%):

For more information about your choices regarding cookies, please see the Your Choices section below.

Required Purpose (95.5%), Third Party (88.1%):

Online Advertising Partners: We may also share personal information with advertising networks or permit these partners to collect information from you directly on our websites to facilitate online advertising, such as search engines and social network advertising providers to serve targeted ads to you or to groups of other users who share similar traits, such as likely commercial interests and demographics, on third-party platforms.

Required Purpose (98.5%):

We may share personal information with unaffiliated third parties who partner with us to deliver our services or on our commercial activities.

Required Purpose (84.9%):

Depending on the choices you have made and the nature of the joint activity, these third parties may contact you regarding products or services that may interest you.

Required Purpose (64.3%):

We may disclose personal information to a third-party during negotiation of, in connection with or as an asset in such a corporate business transaction.

Legal Basis (97.4%), Processing (98.0%):

Personal information may also be disclosed in the event of insolvency, bankruptcy, or receivership, in compliance with applicable law.

Legal Basis (63.8%), Legitimate Interest (70.5%), Required Purpose (81.0%), Right (97.2%):

Legal Obligations and Rights: We may disclose personal information to third parties, such as legal advisors and law enforcement: ul li in connection with the establishment, exercise, or defense of legal claims; li to comply with laws or to respond to lawful requests and legal process; li to protect the rights and property of HomeLight, our agents, customers, and others, including to enforce our agreements, policies, and our Terms of Service; li to detect, suppress, or prevent fraud; li to reduce credit risk and collect debts owed to us; li to protect the health and safety of us, our customers, or any person; or li as otherwise required by applicable law.

Consent (83.6%), Third Party (63.4%):

With Your Consent or At Your Direction: We may disclose personal information about you to certain other third parties, such as real estate agents and potential pre-approved cash buyers, with your consent or at your direction.

Required Purpose (99.7%), Third Party (85.8%):

THIRD PARTY DATA COLLECTION AND ONLINE ADVERTISING We may participate in interest-based advertising and use third party advertising companies to serve you targeted third-party services, to collect information about your use of our online services over time so that they may play or display ads on our Services, on other websites or services you may use, and on other devices you may use.

Non-Personal Data (97.7%), Required Purpose (93.7%), Technical Measure (74.5%):

Typically, though not always, the information used for interest-based advertising is collected through tracking technologies, such as cookies, web beacons, embedded scripts, location-identifying technologies, and similar technology, which recognize the device you are using and collect information, including click stream information, browser type, time and date you visited the Sites, AdID, and other similar information.

Personal Data (87.8%), Technical Measure (84.7%):

If permitted by your device settings, they may also collect location data through GPS, Wi-Fi or other methods.

Personal Data (86.5%), Required Purpose (98.3%):

We may share a common account identifier (such as a hashed email address or user ID) with our third-party advertising partners to help identify you across devices.

Required Purpose (99.6%), Third Party (96.9%):

We may also use services provided by third parties (such as social media platforms) to serve targeted ads to you and others on such platforms.

Processing (96.0%):

We may do this by providing a hashed version of your email address or other information to the platform provider.

Technical Measure (98.3%), Third Party (93.6%):

These social media companies may recognize you and collect information about your visit to our Services, and they may set a cookie or employ other tracking technologies.

Third Party (90.5%):

Your interactions with those features are governed by the privacy policies of those companies.

Third Party (76.4%):

Our Services may include social media features, such as the Facebook Like button, LinkedIn, Twitter or other widgets.

Third Party (84.8%):

We may display targeted advertising to you through social media platforms, such as Facebook, Twitter, LinkedIn, and other social media forums.

Personal Data (88.6%), Required Purpose (79.3%):

We may share a unique identifier, such as a user ID or hashed email address, with these platform providers or they may collect information from our website visitors through a first-party pixel, in order to direct targeted advertising to you or to a custom audience on the social media platform.

Third Party (99.0%):

Third Party Partners.

Required Purpose (97.6%):

We work with a variety of third-party partners to provide advertising services.

Required Purpose (93.1%):

For example, we use Google Analytics to recognize you and link the devices you use when you visit our Services on your browser or mobile device, log in to your account on our Services, or otherwise engage with us.

Required Purpose (88.6%):

We share a unique identifier, like a user ID or hashed email address, with Google to facilitate the

Services.

Required Purpose (98.9%):

Google Analytics allows us to better understand how our users interact with our Services and to tailor our advertisements and content to you.

Technical Measure (72.5%):

We may also utilize certain forms of display advertising and other advanced features through Google Analytics.

Required Purpose (99.4%), Technical Measure (82.0%):

These features enable us to use first-party cookies (such as the Google Analytics cookie) and third-party cookies (such as the DoubleClick advertising cookie) or other third-party cookies together to inform, optimize, and display ads based on your past visits to the Services.

Organisational Measure (78.0%):

Modifying and Deleting your Information: If you have an account with us, you may update your account information and adjust your account settings by logging into your account.

Processing (82.6%):

If you have any questions about modifying or updating any information in your account, please contact us at legal@homelight.com.

Consent (83.5%):

For instance, you can withdraw permission for the Services to access your network devices and geolocation and to integrate with your other applications.

Technical Measure (77.6%):

Cookies.

Organisational Measure (94.1%):

If you would prefer not to accept cookies, most browsers will allow you to: (i) change your browser settings to notify you when you receive a cookie, which lets you choose whether or not to accept it; (ii) disable existing cookies; or (iii) set your browser to automatically reject cookies.

Organisational Measure (70.3%):

Please note that doing so may negatively impact your experience using our online Services, as some features and services on our online Services may not work properly.

Processing (67.4%):

Depending on your device and operating system, you may not be able to delete or block all cookies.

Processing (66.7%):

This means that we allow you to exercise choice regarding the collection of information about your

online activities over time and across third-party websites for online interest-based advertising purposes.

Consent (91.7%):

Opt-out cookies only work on the internet browser and device they are downloaded onto.

Consent (75.6%), Right (75.8%):

p Unless you have exercised your Right to Opt Out (as described in the Your Privacy Choices section of our U.S.

Required Purpose (60.4%):

Privacy Disclosures), we may sell or share your personal information to third parties for targeted or cross-context behavioral advertising purposes.

Personal Data (99.5%):

We encourage you to review the privacy policies of any site or service before providing any personal information.

Organisational Measure (80.5%):

We will notify you about material changes in the way we treat personal information by sending a notice to the primary email address specified in your HomeLight account, by updating the Last Updated date at the top of this Privacy Policy, and/or by placing a prominent notice on our Sites.

Organisational Measure (86.1%):

Privacy Policy Last Modified: September 27, 2023 This Privacy Policy explains how HomeLight, Inc.

Scale Non-EU (92.6%), Third Party (64.4%):

STATE PRIVACY DISCLOSURES Last Updated: September 27, 2023 For Nevada Residents: If you are a resident of the State of Nevada in the United States, Chapter 603A of the Nevada Revised Statutes permits a Nevada resident to opt out of future sales of certain covered information that a website operator has collected or will collect about the resident.

Processing (99.4%):

Service Providers: In addition to the third parties identified above, we may share personal information with third party service providers who provide us with services, such as data analysis, online advertising, payment processing, order fulfillment, IT services, customer service, and other similar services.

Required Purpose (81.7%):

DISCLOSURE OF PERSONAL INFORMATION In the previous 12 months, we may have disclosed all of the categories of personal information we collect with third parties for a business purpose, as described in the Our Disclosure of Personal information section of our Privacy Policy.

Third Party (68.5%):

The categories of third parties to whom we sell or disclose your personal information for a business purpose may include: (i) other affiliates in our family of companies; (ii) service providers and advisors; (iii) business partners; (iv) marketing and online advertising providers; (v) analytics providers; and (vi) social networks.

Personal Data (98.8%), Processing (95.1%), Required Purpose (71.6%):

SALE OF PERSONAL INFORMATION AND SHARING FOR TARGETED ADVERTISING In the previous 12 months, we have sold or shared for targeted advertising purposes the following categories of personal information to third parties, subject to your settings and preferences and your Right to Opt Out: Identifiers Commercial Information Internet/Network Information Inferences Sensitive Information The following personal information elements we collect may be classified as sensitive under certain privacy laws (sensitive information): Government identifiers such as Social Security Number or Taxpayer Identification Number; Account name and password; Financial account, debit card, or credit card number in combination with any required security or access code; Race or ethnic origin; Citizenship status; and Precise geolocation.

Processing (83.6%), Required Purpose (93.4%):

We only use or disclose sensitive information for the following purposes, where such use or disclosure is necessary and proportionate for those purposes: for performing services you have requested, for detecting security incidents, fraud and other illegal actions, to ensure the physical safety of natural persons, to perform services on behalf of the business, or for short term transient use.

Not Required Purpose (74.4%):

We only collect and process sensitive information without the purpose of inferring characteristics about a consumer, and we do not sell sensitive information or process or otherwise share sensitive personal information for the purpose of targeted advertising.

Processing (82.2%), Required Purpose (95.1%):

Deidentified Information We may at times receive, or process personal information to create, deidentified information that can no longer reasonably be used to infer information about, or otherwise be linked to, a particular individual or household.

Legal Basis (91.2%), Organisational Measure (80.6%):

Where we maintain deidentified information, we will maintain and use the information in deidentified form and not attempt to reidentify the information except as required or permitted by law.

Legal Basis (73.8%), Right (62.3%), Scale Non-EU (75.6%):

Your Privacy Rights Depending on your state of residency and subject to certain legal limitations and exceptions, you may be able to exercise some or all of the following rights: The Right to KnowThe right to confirm whether we are processing personal information about you and, under California law only, to obtain certain personalized details about the personal information we have collected about you, including: The categories of personal information collected; The categories of sources of the personal information; The categories of personal information disclosed to third parties (if any), and the categories of recipients to whom this personal information were disclosed; The categories of personal information sold (if any), and the categories of third parties to whom the personal information were sold; and The categories of personal information shared for targeted advertising purposes (if any), and the categories of recipients to whom the personal information were disclosed for these purposes.

Processing (94.9%):

The business or commercial purposes for collecting, or, if applicable, selling or sharing the personal information.

Art. 15 Right to access by the data subject (71.4%):

The Right to Access & PortabilityThe right to obtain access to the personal information we have collected about you and, where required by law, the right to obtain a copy of the personal information in a portable and, to the extent technically feasible, readily usable format that allows you to transmit the data to another entity without hindrance.

Art. 17 Right to erasure (right to be forgotten) (73.4%):

The Right to Request DeletionThe right to request the deletion of personal information that we maintain about you, subject to certain exceptions.

Right (76.1%):

The Right to Opt Out of Sales or Sharing for Targeted Advertising PurposesThe right to direct us not to sell or share personal information for certain targeted or cross-context behavioral advertising purposes.

Personal Data (97.7%), Retention (64.7%):

To learn more about the types of personal information we collect, the sources from which we collect or receive personal information, and the purposes for which we use personal information, please review the How We Collect and Use Personal information and Our Disclosure of Personal information sections of our Privacy Policy to learn more.

Consent (84.4%):

Right to Withdraw ConsentIf you have provided consent for the processing of your personal

information, you may have the right to withdraw your consent.

Right (62.1%):

The Right to Appeal In the event that we decline to take action on a request exercising one of your rights set forth above, the right to appeal our decision.

Authority (83.3%), Scale Non-EU (68.0%):

Colorado Residents: If your appeal is denied, you may contact the Colorado Attorney General to address your concerns [here](#).

Authority (77.2%):

Connecticut Residents: If your appeal is denied, you may contact the Connecticut Attorney General to submit a complaint [here](#).

Authority (75.6%):

Virginia Residents: If your appeal is denied, you may contact the Virginia Attorney General to submit a complaint [here](#).

Right (68.5%):

Depending on your state of residency, you may also have the right to not receive retaliatory or discriminatory treatment in connection with a request to exercise the above rights.

Organisational Measure (73.4%), Required Purpose (84.5%):

We will need to verify your identity and confirm you are a resident of a state that offers the request right(s) before processing your request.

Organisational Measure (73.2%), Processing (81.5%):

In order to verify your identity, we will generally either require the successful login to your account or the matching of sufficient information you provide us to the information we maintain about you in our systems.

Personal Data (81.8%):

As a result, we require requests to include name, email address, and state of residency.

Consent (70.3%):

If you chose not to provide this information, we may only be able to process your request to the extent we are able to identify you in our data systems.

Authority (87.1%):

You may submit a request by calling 866-627-3398 or by filling out our online form [Authorized Agents](#) In certain circumstances, you are permitted to use an authorized agent to submit requests on your behalf through the designated methods set forth above where we can verify the authorized agents authority to act on your behalf.

Consent (95.3%):

All appeal requests should be submitted by emailing us at privacy@homelight.com with the subject line, Privacy Request Appeal. Minors Under Age 16 We do not sell personal information of consumers we know to be less than 16 years of age unless they have opted in (Right to Opt In).

Legal Basis (76.0%):

If you wish to submit a privacy request on behalf of your minor child in accordance with applicable jurisdictional laws, you must provide sufficient information to allow us to reasonably verify your child is the person about whom we collected personal information and you are authorized to submit the request on your child's behalf (i.e.

Scale Non-EU (72.3%):

California-Specific Disclosures The following disclosures only apply to residents of the State of California.

Personal Data (98.9%):

Legal Basis (66.8%), Personal Data (99.1%):

Characteristics of protected classifications under California or federal law, such as age, date of birth, gender, race, color, origin, citizenship, and ethnicity.

Non-Personal Data (94.4%), Personal Data (86.6%):

Internet or other Electronic Network Activity information, such as log information, IP address, access times, operating system, browser type and language, Internet service provider, and website interactions and browsing history.

Personal Data (76.5%):

Inferences drawn from the above categories of personal information reflecting your preferences, characteristics, behaviors, psychological trends, attitudes and abilities.

Required Purpose (95.3%):

Disclosure of Personal information As described in the Our Disclosure of Personal information section of our Privacy Policy, we disclose personal information with a variety of third parties for business purposes or we may sell or share your personal information to third parties for targeted advertising purposes, subject to your right to opt out of selling or sharing (see the Your Privacy Rights section above).

Processing (83.8%):

The third parties to whom we sell or share personal information may use such information for their own purposes in accordance with their own privacy statements, which may include reselling or sharing this information to additional third parties.

Required Purpose (82.4%):

In the previous 12 months, we have disclosed all of the categories of personal information we collect, explained above, to third parties for a business purpose.

Required Purpose (85.7%):

In the previous 12 months, we have also sold or shared for targeted advertising or analytics purposes the following categories of personal information to third parties: Identifiers, Commercial Information, Internet/Network Information, and Inferences.

Third Party (98.4%):

In addition, please see the Third-Party Data Collection and Online Advertising section of our Privacy Policy to learn more about how third-party advertising networks, social media companies and other third party businesses collect and disclose your personal information directly from your browser or device through cookies or tracking technologies when you visit or interact with our Services or otherwise engage with us.

Retention (95.0%):

Data Retention We retain personal information only for as long as is reasonably necessary to fulfill the purpose for which it was collected.

Authority (70.6%), Retention (97.5%):

However, if necessary, we may retain personal information for longer periods of time, until set retention periods and deadlines expire, for instance where we are required to do so in accordance with legal, tax and accounting requirements set by a legislature, regulator or other government authority.

Authority (75.3%):

We support the self-regulatory principles for online behavioral advertising (Principles) published by the Digital Advertising Alliance (DAA).

Required Purpose (69.2%):

To determine the appropriate duration of the retention of personal information, we consider the amount, nature and sensitivity of the personal information, the potential risk of harm from unauthorized use or disclosure of personal information and if we can attain our objectives by other means, as well as our legal, regulatory, tax, accounting and other applicable obligations.

Retention (91.7%):

Therefore, we retain personal information for as long as the individual continues to use our services for the purposes explained in the How We Collect and Use Personal information section in our Privacy Policy.

Retention (95.4%):

When an individual discontinues the use of our services, we will retain their personal information for as long as necessary to comply with our legal obligations, to resolve disputes and defend claims, as well as, for any additional purpose based on the choices they have made, such as to receive marketing communications.

Personal Data (89.7%), Retention (91.8%):

In particular, we will retain recordings of your conversations with us, the personal information supplied when joining our services, including complaints and any other personal information supplied during the duration of an individuals contract with us for the services until the statutory limitation periods have expired, when this is necessary for the establishment, exercise or defense of legal claims.

Organisational Measure (68.2%), Retention (91.5%):

Once retention of the personal information is no longer necessary for the purposes outlined above, we will either delete or deidentify the personal information or, if this is not possible (for example, because personal information has been stored in backup archives), then we will securely store the personal information and isolate it from further processing until deletion or deidentification is possible.

Legal Basis (87.7%):

These incentives may include rebates for some clients that come in as a lead through our partners, provided such rebates are legally permitted in the applicable state.

Required Purpose (76.8%):

To obtain access to certain of these programs and other offerings, we may collect and retain personal information as further described in the disclosures relating to the applicable program or offering.

Consent (66.2%):

Participating in any financial incentive program is entirely optional and participants may withdraw from the program at any time.

Legal Basis (65.9%):

Shine the Light Disclosures The California Shine the Light law gives residents of California the right under certain circumstances to request information from us regarding the manner in which we share

certain categories of personal information (as defined in the Shine the Light law) with third parties for their direct marketing purposes.

Retention (69.8%):

Privacy Disclosures from time to time.

Organisational Measure (91.9%):

Privacy Disclosures, we will notify you by email to your registered email address, by prominent posting on our online services, or through other appropriate communication channels.

Organisational Measure (72.6%):

All changes shall be effective from the date of publication unless otherwise provided in the notification.
