Art. 18 Right to restriction of processing (67.5%), Personal Data (99.7%), Processing (88.8%), Required Purpose (79.4%):

As used in this Privacy Policy, Personal Information means any information that can be used to individually identify a person, and may include, but is not limited to, name, email address, phone number, title, and other personally identifiable information.

Processing (98.3%):

Ideals will be the controller of your Personal Information that is provided, collected and/or processed pursuant to this Privacy Policy by you directly.

Data Source (88.2%):

Collected information This Privacy Policy applies to Personal Information we collect from you through our Site or Application.

Automated Decision Making (96.0%), Data Source (94.0%), Processing (93.5%):

We obtain Personal Information in the following forms: (i) information provided by you, for example as part of the sign-up process, and (ii) information that we obtain or collect automatically from your use of the Site or Application, and Product.

Data Subject (64.3%), Personal Data (67.5%):

Personal Information provided by you: The product offered to visitors of the Site and users of the Application requires you to register for a personal account with Ideals (Personal Account).

Processing (66.7%):

When registering for a Personal Account, Ideals will ask you to supply us with certain information about yourself by filling out and submitting an online form.

Personal Data (99.0%), Processing (76.2%):

Its creation implies providing the following information: Your name (first name and last name), Your company, Your title or work position, E-mail address, Home/work/mobile telephone number, Physical address (optional), Country, 4 last digits of your credit/debit card number (optional), IP addresses and other information collected passively, as further detailed in the Information that we obtain or collect automatically from your use of the Site section below.

Authority (67.4%), Consent (95.7%), Data Source (60.1%), Processing (87.1%):

This Privacy Policy may be updated from time to time for reasons such as operational practices or regulatory changes, so we recommend that you review our Privacy Policy when returning to our Site.

Automated Decision Making (77.7%), Consent (71.5%), Non-Personal Data (72.4%), Personal Data (66.1%), Required Purpose (78.3%):

Information that we obtain or collect automatically from your use of the Site or Application: We may automatically collect certain information from your use of the Site or Application, such as usage data, preferences, or any other information concerning how you use the Product.

Non-Personal Data (92.6%), Personal Data (97.0%), Technical Measure (97.7%):

In particular, our servers automatically record certain information and/or we may use cookies (small text files placed on a device's hard disk by a web service) or similar tracking technologies to collect the following types of information: Your browser type, language, plug-ins, Internet domain, type of device and operating system; Your Internet Protocol (IP) address; Your timezone; Your device screen resolution; The website(s) you visited before visiting the Site and the website(s) you visited after visiting the Site; Unique identifiers, including mobile device identification numbers, that may help detect the physical location of such devices; Data related to your interactions with content on the Site and Applications, such as use patterns and the type of content viewed or favoured in the Site and Applications.

Consent (96.2%), Organisational Measure (89.7%):

Please note that you may set most browsers to notify you if you receive a cookie or you may choose to block cookies with your browser.

Non-Personal Data (69.4%), Processing (91.6%):

In addition, by using our Site or Application, network information such as Product usage information, may be transmitted back to us.

Required Purpose (97.8%):

It helps us to determine how users are interacting with our Product, improve our Product, and correct any problems that may occur.

Legal Basis (95.9%), Legitimate Interest (92.2%), Personal Data (99.4%), Processing (98.4%):

We record calls for the purpose of quality control as our legitimate interest, on the basis of the Article 6 section 1 letter f of the Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (General Data Protection Regulation).

Consent (95.8%), Personal Data (98.8%), Processing (99.1%):

Call recordings are stored for the period of 36 months as of the date of a record unless we receive a request for erasure/withdrawal of consent/access earlier as indicated in this Privacy Policy.

Third Party (99.4%):

Referrals If you choose to use our referral service to invite a third party to use our Product, you

represent that you have such third party consent to provide us with his/her Personal Information such as: E-mail address, Name (first name and last name), Company, Title or work position, Home/work/mobile telephone number, Language.

Personal Data (98.8%):

In this case, you represent that you have such third-party consent to provide us with his/her Personal Information.

Personal Data (91.9%), Required Purpose (92.8%):

Geolocation We collect your location-based information such as country, region, and city for the purpose of optimizing your connection to our data center.

Required Purpose (89.8%):

We will only share this information with our data center provider for the sole purpose of providing our service and Product to you.

Processing (94.2%):

If you prefer to restrict sharing your information in this manner you may opt out of location-based services at any time by changing the settings in your Internet-connected device or by contacting us using the information in the Contact Us section of this Privacy Policy.

Personal Data (82.7%), Processing (87.3%):

We will email your data room access link shortly.

Personal Data (95.3%):

Once the Personal Account is created, you will be able to access, review and update your personal account information online via the Site or the Application.

Organisational Measure (78.8%):

When you sign up, you, therefore, consent to receive system emails, communications from our customer support team and newsletters about Product updates from us.

Data Subject (69.1%):

If you choose so, you will still have access to many of the Sites web pages, however, you may be unable to access certain options and services that we offer only to registered users.

Contract (60.4%), Data Source (62.0%), Personal Data (99.7%), Processing (94.5%), Recipient (74.3%), Required Purpose (95.4%), Third Party (99.4%):

Use of personal information Ideals uses your Personal Information to: operate and improve the Site, Application, and Product; customize your experience on the Site, Application, and Product; deliver communications that may be of interest to you, either electronically or otherwise; enforce this Privacy Policy; enforce terms and conditions/users agreement; conduct market analysis, traffic flow

analysis and related reporting to third parties; provide reports based on information collected from the use of our Site, Application, and Product; keep you up to date on the latest Product announcements, software updates, software upgrades, system enhancements, special offers, and other information, provided that you can modify your marketing preferences; provide support and assistance with our Site, Application, and Product; verify the users identity; provide you with shipping and billing information; request customer feedback; provide information related to the use of the Site, Application, and Product; conduct questionnaires and surveys in order to provide better products and services to our customers and end users.

Consent (60.8%):

Your completion of any questionnaires is voluntary; understand more about you, so we can personalize newsletters and websites according to your preferences (e.g.

Processing (60.6%), Required Purpose (75.7%):

enable you to request specific information on products and services to be included in these newsletters); marketing purposes; for any other purposes disclosed to you at the time we collect your Personal Information.

Non-Personal Data (63.3%), Processing (95.3%):

Unless you explicitly request to opt-out, Ideals may analyze anonymized and vectorized Data to develop, improve, and personalize its products (e.g.

Technical Measure (65.6%):

premier customer support) using heuristics evaluation, machine learning algorithms, and other techniques.

Processing (93.2%):

Processing and sharing your personal information By accessing or using the Site, Application, or Product, or otherwise providing information to us, you consent to the processing and transfer of information in and to the U.S.

Legal Basis (94.9%):

and other countries and territories, which may have privacy laws different from your country of residence.

Recipient (63.6%), Scale EU (86.5%), Scale Non-EU (79.1%):

Please note that some of the recipients of your Personal Information referenced above may be based in countries outside of the European Union whose laws may not provide the same level of data protection.

Organisational Measure (87.6%):

In such cases, we will ensure that there are adequate safeguards in place to protect your Personal Information that comply with our legal obligations.

Contract (68.7%), Processing (91.2%):

If the recipient is not a member of the Ideals group of companies, adequate safeguard might be provided by signing a data transfer agreement with the recipient based on standard contractual clauses approved by the European Commission for transfers of personal data to third countries.

Recipient (62.9%), Required Purpose (98.9%):

We may also share Personal Information with third parties including as follows: Vendors, Consultants and Other Service Providers: We may share your Personal Information with third-party vendors, consultants and other service providers who are working on our behalf and require access to your Personal Information to carry out their work, such as to process billing, provide customer support, etc.

Required Purpose (98.5%):

These service providers are authorized to use your Personal Information only as necessary to provide services to Ideals or Product.

Personal Data (96.3%):

Corporate Account: If you are an individual registered user and the domain of the primary email address associated with your corporate account is owned by your employer and was assigned to you as an employee of that organization, and such organization wishes to establish a corporate account, then certain information concerning past use of your individual account may become accessible to that organizations administrator including your email address.

Consent (72.9%):

For Collaboration: We may share your Personal Information when you choose to use collaboration

features in the Product that by their nature support sharing with third parties who you choose.

Processing (98.1%), Third Party (98.8%):

Your name, email address, information from your profile and online account, and any content you choose to distribute will be shared with such third parties.

Right (94.9%):

For example, third parties whom you invite to collaborate with you using the collaboration features of the Product may also modify content that you have shared, upload documents to content you have shared, share such content outside of the Product, and provide other third parties with the rights to view the content you have shared.

Processing (97.5%):

Your Account Manager will contact you to discuss your project.

Required Purpose (99.1%):

Compliance with Laws: We may disclose your Personal Information to a third party if (a) we believe that disclosure is reasonably necessary to comply with any applicable law, regulation, legal process or governmental request, (b) to enforce our agreements, policies and terms and conditions/users agreement, (c) to protect the security or integrity of the Product, (d) to protect Ideals, our customers or the public from harm or illegal activities, (e) to respond to an emergency which we believe in the good faith requires us to disclose information to assist in preventing the death or serious bodily injury of any person.

Non-Personal Data (86.3%):

Aggregated or Anonymized Data: We may also share aggregated or anonymized information with third parties that do not directly identify you.

Consent (75.3%):

You can choose to change your settings at any time for a file or folder through your account.

Consent (89.6%):

Please understand that you can help prevent the unauthorized disclosure of information by choosing and protecting your password appropriately.

Personal Data (90.7%):

Security of information Personal Information you provide to us is protected by the password you create when registering to use the Site, Application, and Product.

Organisational Measure (84.1%):

We have implemented reasonable administrative, technical and physical security measures to protect your personal information against unauthorized access, destruction or alteration.

Technical Measure (98.2%):

For example: SSL encryption (https) is everywhere where we deal with Personal Information.

Organisational Measure (71.2%):

We use commercially reasonable security procedures to protect all collected Personal Information.

Organisational Measure (94.0%):

If we learn of a security systems breach, then we may either post a notice or attempt to notify you by email.

Organisational Measure (81.6%):

We will take reasonable steps to remedy the breach.

Art. 15 Right to access by the data subject (71.4%):

Access: You can request to receive a copy of the Personal Information we hold about you.

Art. 16 Right to rectification (68.6%):

Rectification: If you believe that any Personal Information we are holding about you is incorrect or incomplete, you can request that we correct or supplement it.

Art. 17 Right to erasure (right to be forgotten) (90.9%):

Erasure: You can request that we erase some or all of your Personal Information from our systems.

Art. 18 Right to restriction of processing (70.3%):

Restriction of Processing: You can ask us to restrict further processing of your Personal Information.

Consent (70.3%), Right (60.7%):

Withdrawal of Consent: If we are processing your Personal Information based on your consent (as indicated at the time of such data collection), you have the right to withdraw your consent at any time.

Authority (88.9%), Lodge Complaint (76.2%):

Right to File Complaint: You have the right to lodge a complaint about our practices with respect to your Personal Information with the supervisory authority of your country or EU Member State.

Legal Basis (67.6%):

California privacy rights The California Consumer Privacy Act (CCPA) provides consumers with specific rights regarding their Personal Information.

Legal Basis (98.8%):

BY CONTINUING TO USE IDEALS SITE, APPLICATION OR PRODUCT YOU WILL BE DEEMED TO HAVE ACCEPTED THIS PRIVACY POLICY.

Retention (67.3%), Third Party (88.4%):

You have the right to request that businesses subject to the CCPA (which may include our affiliates

and/or third parties for marketing purposes) disclose certain information to you about their collection and use of your Personal Information over the past 12 months.

Processing (98.3%):

Objection: You can contact us to inform that you object to the collection or use of your Personal Information for certain purposes.

Required Purpose (96.1%):

When offering services to its customers, Ideals acts as a service provider under the CCPA and our receipt and collection of any consumer Personal Information is completed in order for us to provide the Service.

Art. 17 Right to erasure (right to be forgotten) (75.2%):

If you choose to use our additional service such as USB flash drive delivery for a third party, you may be requested to share the following information about this third party: home/work/mobile telephone number, Internet Protocol (IP) address, Physical address.

Not Required Purpose (60.2%), Required Purpose (62.0%):

Consistent with California law, if you choose to exercise your applicable CCPA rights, we won't charge you different prices or provide you with a different quality of service.

Processing (68.9%), Scale Non-EU (89.7%):

DPF Principles) with regard to the processing of personal data received from the European Union and the United Kingdom in reliance on the EU-U.S.

Legal Basis (68.2%):

Data Privacy Framework Principles (EU-U.S.

Legal Basis (69.9%), Processing (99.0%):

In accordance with the Principles, Ideals shall remain liable for onward transfers if a processor processes personal data in a manner inconsistent with the Principles.
