Open main menu Home FAQ API Contact Us About Us Privacy Statement Collection of Information
When you visit our website, we may collect certain non-personal information, such as your IP address, browser type, and operating system.

Personal Data (95.7%), Processing (67.6%), Required Purpose (67.3%):

Rest assured, this information is as temporary as our email addresses and is only used to enhance your browsing experience.

Required Purpose (86.7%):

Usage of Information The primary purpose of our temporary email service is to provide you with a secure and convenient way to receive emails without revealing your true identity.

Data Controller (90.3%), Processing (78.8%), Third Party (89.6%):

We will never, under any circumstances, sell, rent, or share your personal information with third parties.

Technical Measure (92.6%):

Cookies Like any self-respecting digital entity, we may use cookies to enhance your experience on our website.

Organisational Measure (60.3%):

Data Security We take the security of your information seriously, employing the latest technological wizardry to protect it from unauthorized access, disclosure, or alteration.

Technical Measure (91.7%):

Our virtual fortress is guarded by firewalls, encryption, and the collective might of an army of cyber ninjas.

Data Source (65.4%):

We do not knowingly collect personal information from children.

Processing (65.7%):

If we discover that we have unintentionally gathered data from a minor, we'll promptly delete it like it's a top-secret document in a James Bond film.

Processing (67.2%):

But fear not, these cookies are as deliciously harmless as their baked counterparts and pose no threat to your privacy.

Organisational Measure (74.6%):

Changes to the Privacy Statement As technology evolves and the digital landscape morphs, we may

occasionally update this privacy statement.

Processing (82.1%):

Use our inboxes to get a disposable email and protect your real email from spam.
