Privacy Policy - kidsplaylearninggames.com HOME PRIVACY CONTACT US Privacy Policy for kidsplaylearninggames.com Apps / Games Effective Date: 30/01/2022 Introduction Welcome to kidsplaylearninggames.com!

Data Controller (96.8%), Processing (60.2%), Required Purpose (60.2%):

This Privacy Policy explains how we handle information across all apps distributed by kidsplaylearninggames.com.

Personal Data (99.6%), Processing (99.2%), Required Purpose (96.0%):

Information We Collect While we do not collect personal information such as names, email addresses, or contact numbers, we use third-party services to help us improve our apps.

Non-Personal Data (87.2%), Technical Measure (78.5%):

These services collect the following types of data: Firebase Analytics: We use Firebase Analytics to collect aggregated data on app usage.

Required Purpose (96.3%):

This data helps us understand user behavior, improve app performance, and enhance user experience.

Non-Personal Data (75.2%), Processing (99.3%):

The information collected includes: App Usage: Information about how often and for how long the app is used, features accessed, and general usage patterns.

Non-Personal Data (98.3%):

Device Information: Non-personal data such as device type, operating system version, and app version.

Required Purpose (90.9%):

Firebase Crashlytics: We use Firebase Crashlytics to monitor and report app crashes and other issues.

Required Purpose (96.0%):

This helps us identify and fix problems to ensure a smoother experience.

Non-Personal Data (84.5%):

The information collected includes: Crash Reports: Data related to crashes, such as device model, operating system version, and stack traces.

Personal Data (98.7%):

These ads are displayed in a manner that is appropriate for children and do not collect personal information.

Processing (82.2%):

We are committed to protecting the privacy and safety of our young users.

Personal Data (85.3%):

Location Data We do not collect or use precise geographic location information.

Organisational Measure (79.5%):

Any changes will be posted here, and the updated policy will become effective immediately upon posting.

Consent (96.6%):

Consent By using our apps, you acknowledge that you have read and understood this Privacy Policy and consent to our practices as described herein.
