Binigames Get all preschool subjects in one app!

Consent (91.3%), Legitimate Interest (92.7%), Personal Data (89.0%), Processing (75.4%), Required Purpose (62.3%), Right (96.5%), Third Party (98.4%):

We process personal data only upon at least one of the following legitimate grounds for such processing, including but not limited to: you consented to your data processing; processing is required to execute or fulfil an agreement with you (including any offer and acceptance), including when you are using our applications / services; such processing is required under the legislation of the countries to which we provide our services or make our applications / services available; processing is required for the purposes of any legitimate interests of the Company as the controller or third party (unless where interests pertaining to fundamental rights and freedoms of the data subject that require data protection prevail over the above interests).

Legal Basis (99.4%):

Please note that our Privacy Policy may be updated from time to time, including if required by applicable law.

Organisational Measure (61.1%):

We suggest that you might want to review this Policy from time to time to see if there are any modifications.

Data Subject (66.0%), Organisational Measure (80.3%):

Your continued use of the applications or services after this Policy has been updated means your consent to such update.

Consent (65.2%), Legal Basis (81.7%):

Therefore, by using any of our applications and/or services you agree with this Policy.

Processing (96.6%):

Our applications can gather information based on the analysis of actions taken during their use.

Non-Personal Data (89.3%), Personal Data (99.0%), Processing (99.3%), Technical Measure (99.2%):

What personal data we collect and process (A) The following information about you can be collected

and processed by our applications and/or services used by you, including the website: geo location (country, state or region, GPS location); device information (such as device name / model, operating system, browser information, including browser type and language settings); device IDs and advertisement ID (if authorised by the user); game progress and activities (such as remembering the language selected by the user and level of difficulty at a certain stage of use); Information that we collect using cookies and similar technologies (please read our separate Cookie Policy).

Personal Data (99.3%), Processing (60.8%), Recipient (89.4%), Third Party (99.3%):

(B) The following information can be provided by you to use or our partners (third parties) during the use of our applications, services, and website: age; name; contact details (such as email or phone number); images / photos; social media profiles; bank / credit card details; work experience and skills (CV).

Required Purpose (95.5%):

All our applications and services that are available for use on mobile devices, personal computers, or any other platforms including the website, to the extent related to personal data processing and protection are governed by this Privacy Policy.

Processing (88.5%):

Anyway, you can always delete or re-install an application on your mobile device to delete or change the personal data accordingly.

Processing (70.9%):

If you do not want us to collect and process information about you in accordance with this Policy, you may not, unfortunately, use our applications and/or services.

Personal Data (98.4%):

We do not intentionally collect and process childrens personal data.

Authority (64.2%), Processing (74.4%), Required Purpose (80.2%):

Parents or any other legitimate representatives who order the relevant services for children have to accept the terms of use of the relevant application and/or service of the Company and this Policy, and will be responsible for the accuracy of the data submitted and provision of the relevant service to the child.

Personal Data (99.3%), Processing (95.0%):

Children must not disclose their real name, location, phone number or email address, or any other personal data without prior consent of their parents or any other legitimate representatives.

Third Party (93.7%):

Our applications and other services do not involve any direct disclosure of the childs personal data

to any third parties.

Data Subject (62.9%), Required Purpose (99.8%):

We use the collected information about users / customers mostly to ensure the appropriate quality of our services, in particular, to enhance your gaming experience and improve functions and capabilities of our applications in future.

Authority (95.1%), Organisational Measure (68.7%), Personal Data (90.2%), Required Purpose (87.6%):

We also use personal data for the following purposes: offering you a full scope of our services; control of age restrictions that meet the legislation of your country of residence; buying a PRO plan or specific game characters in applications; personalisation of user experience to provide special offers customized just for you; content personalisation; bug finding and fixing; advisory assistance to users; use for administrative, analytical and statistic purposes; ensuring and promoting communication between users; providing promotional / marketing information, including joint special offers of the Company and our partners; advertising / direct marketing and efficiency assessment; subscription management and unsubscribing; protection against any malicious actions of users and in connection with other security considerations of the Company; safeguarding of the Companys legitimate interests; compliance with other legislative requirements, including to provide timely feedback to requests of data subjects and supervisory / law enforcement authorities.

Required Purpose (94.2%):

Please understand that we have to display ads in our applications, including third party ads, to raise funding for development, distribution and technical support of our applications, most of which are free.

Consent (71.7%), Data Protection Officer (71.4%):

Emailing any advertising / marketing notifications to you requires your specific consent that may be revoked at any time (including by contacting the data protection officer).

Required Purpose (77.1%):

Please only disclose the personal data that is required to provide the selected service, mailing or response to your specific request / claim.

Required Purpose (83.6%):

How we obtain personal data The Company may obtain your data from various sources and with various aims, including, without limitation: when you play our games or use other services in applications or on the website; when you make a purchase through our applications (such as a PRO plan of an application or certain game characters); when you create an account on our website;

when you watch ads in our applications; when you subscribe to our promotional mailing; when you contact our user support centre; when you talk to other users of our applications in a special chat; when you apply for a job (send your CV using any communication channel).

Organisational Measure (72.9%):

If you decide to disclose your additional personal data with use, we will ensure that it is processed with an appropriate level of security.

Data Processor (72.1%):

Please note that all in-app purchases are processed by an external payment processor that may collect information directly from you.

Data Subject (69.0%), Personal Data (92.1%):

In particular, the payment processor may request the payers address and bank or credit card details in accordance with its own privacy policy (please review it before submitting such data to any external processor).

Personal Data (99.1%), Processing (65.4%), Third Party (67.7%):

External payment processors do not share the information provided by you, and we do not have credit card details.

Personal Data (66.8%), Processing (97.4%), Required Purpose (96.1%):

However, we receive a summary about all purchases made, including the transaction amount, which is necessary to give access to your purchase in the application.

Data Controller (75.9%), Required Purpose (77.7%), Third Party (87.0%):

Storage of personal data We use cloud services of Google LLC (Google Ireland Limited, Gordon House, Barrow Street, Dublin 4) to ensure the security of personal data.

Required Purpose (94.9%), Third Party (65.9%):

The reason is that we use services of other companies our service providers that have limited access to certain information about users for purposes like administration, optimisation, marketing, support, sales, payment processing, hosting, analytics, email delivery, database management services, consent management platform services.
