Data Controller (98.3%), Legal Basis (98.7%), Non-Personal Data (74.8%), Retention (65.4%):

We will only use the information that we collect about you in accordance with the applicable privacy laws including but not limited to the EU General Data Protection Regulation 2016/679 (GDPR), California Online Privacy Protection Act (CalOPPA) and Children's Online Privacy Protection Act (COPPA).

Right (70.8%):

We reserve the right to update and modify this Privacy Policy at any time and for any reason.

Data Source (83.5%), Processing (68.7%):

Personal information you disclose to us Summary: We collect personal information that you voluntarily provide to us by registering on the App, expressing an interest in obtaining information about us or our services, or otherwise contacting us.

Personal Data (76.6%):

Personal Information Provided by You.

Consent (91.7%):

The personal information that we collect depends on the context of your interactions with us, the choices you make, and the products and features you use.

Organisational Measure (65.2%), Personal Data (99.0%):

All personal information that you provide to us must be true, complete, and accurate, and you must notify us of any changes to such personal information.

Consent (65.8%), Non-Personal Data (84.9%), Personal Data (95.3%):

The personal information we collect may include the following: Your email address Your Approximate location Your phone number Application Data.

Consent (90.0%), Processing (79.3%):

We also may collect the following information if you choose to provide us with access or permission:
Mobile Device Access.

Consent (89.9%):

If you wish to change our access or permissions, you may do so in your device's settings.

Automated Decision Making (96.0%), Non-Personal Data (99.1%), Personal Data (93.4%), Processing (91.5%):

We automatically collect device information (such as your mobile device ID, model, and manufacturer), operating system, version information and system configuration information, device and application identification numbers, browser type and version, hardware model Internet service provider and/or mobile carrier, and Internet Protocol (IP) address (or proxy server).

Non-Personal Data (93.6%):

We may also collect information about the phone network associated with your mobile device, your mobile devices operating system or platform, the type of mobile device you use, your mobile devices unique device ID, and information about the features of our App that you accessed.

Non-Personal Data (95.8%), Processing (98.6%):

Information automatically collected Summary: Some information such as your Internet Protocol (IP) address and/or browser and device characteristics is collected automatically when you visit our App.

Retention (94.2%):

We automatically collect certain information when you visit, use, or navigate the App.

Non-Personal Data (89.0%), Personal Data (97.3%):

This information does not reveal your specific identity (like your name or contact information) but may include device and usage information, such as your IP address, browser and device characteristics, operating system, language preferences, referring URLs, device name, country, location, information about how and when you use our App, and other technical information.

Required Purpose (98.3%):

This information is primarily needed to maintain the security and operation of our App, and for our internal analytics and reporting purposes.

Technical Measure (98.9%), Third Party (82.1%):

Like many businesses, we also collect information through cookies and similar technologies.

Processing (85.0%):

Log and usage data is service-related, diagnostic, usage, and performance information our servers automatically collect when you access or use our App and which we record in log files.

Non-Personal Data (87.5%), Personal Data (75.0%):

Depending on how you interact with us, this log data may include your IP address, device information, browser type, and settings and information about your activity in the App (such as the date/time stamps associated with your usage, pages and files viewed, searches, and other actions you take such as which features you use), device event information (such as system activity, error reports (sometimes called "crash dumps"), and hardware settings).

Personal Data (83.6%):

We collect device data such as information about your phone, tablet, or other device you use to access the App.

Non-Personal Data (87.2%):

Depending on the device used, this device data may include information such as your IP address (or proxy server), device and App identification numbers, location, browser type, hardware model, Internet service provider and/or mobile carrier, operating system, and system configuration information.

Personal Data (97.4%), Processing (99.1%), Required Purpose (95.1%):

Summary: We process your information to provide, improve, and administer our services through the App, communicate with you, for security and fraud prevention, and to comply with law.

Consent (91.6%):

We may also process your information for other purposes with your consent.

Required Purpose (99.5%):

We process your personal information for a variety of reasons, depending on how you interact with our App, including: To facilitate account creation and authentication and otherwise manage user accounts.

Processing (67.3%), Required Purpose (95.3%):

We may process your information so you can create and log in to your account, as well as keep your account in working order.

Required Purpose (97.0%):

To deliver and facilitate delivery of services to the user.

Required Purpose (99.7%):

We may process your information to provide you with the requested service.

Required Purpose (93.5%):

To respond to user inquiries/offer support to users.

Required Purpose (99.1%):

We may process your information to respond to your inquiries and solve any potential issues you might have with the requested service.

Required Purpose (65.3%):

To send administrative information to you.

Required Purpose (97.7%):

We may process your information to send you details about our products and services, changes to our terms and policies, and other similar information.

Required Purpose (84.9%):

To request feedback.

Required Purpose (98.7%):

We may process your information when necessary to request feedback and to contact you about your use of our App.

Required Purpose (68.1%):

To send you marketing and promotional communications.

Required Purpose (83.4%):

We may process the personal information you send to us for our marketing purposes, if this is in accordance with your marketing preferences.

Consent (76.5%):

You can opt out of our marketing emails at any time.

Required Purpose (99.0%):

To protect our Services.

Required Purpose (98.4%):

We may process your information as part of our efforts to keep our App safe and secure, including fraud monitoring and prevention.

Required Purpose (96.9%):

To identify usage trends.

Non-Personal Data (68.8%), Required Purpose (99.5%):

We may process information about how you use our App to better understand how they are being used so we can improve them.

Contract (70.4%), Legal Basis (98.7%), Legitimate Interest (78.5%), Required Purpose (75.6%):

Summary: We only process your personal information when we believe it is necessary and we have a valid legal reason (i.e., legal basis) to do so under applicable law, like with your consent, to comply with laws, to provide you with services to enter into or fulfill our contractual obligations, to protect

your rights, or to fulfill our legitimate business interests.

Legal Basis (98.6%):

The EU General Data Protection Regulation (GDPR) require us to explain the valid legal bases we rely on in order to process your personal information.

Consent (75.6%):

We may process your information if you have given us permission (consent) to use your personal information for a specific purpose.

Consent (69.2%):

You can withdraw your consent at any time.

Contract (72.3%):

We may process your personal information when we believe it is necessary to fulfil our contractual obligations to you, including but not limited to providing our services through the App or at your request prior to entering into a contract with you.

Legitimate Interest (81.5%), Right (77.9%):

We may process your information when we believe it is reasonably necessary to achieve our legitimate business interests and those interests do not outweigh your interests and fundamental rights and freedoms.

Authority (62.0%), Legitimate Interest (70.9%), Required Purpose (62.5%):

We may process your information where we believe it is necessary for compliance with our legal obligations, such as to cooperate with a law enforcement body or regulatory agency, exercise or defend our legal rights, or disclose your information as evidence in litigation in which we are involved.

Legitimate Interest (66.6%), Required Purpose (87.6%), Third Party (79.3%):

We may process your information where we believe it is necessary to protect your vital interests or the vital interests of a third party, such as situations involving potential threats to the safety of any person.

Processing (98.9%), Third Party (96.1%):

Summary: We may share information in specific situations described in this section and/or with the following categories of third parties.

Recipient (69.5%), Required Purpose (83.3%):

We may share your data with third-party vendors, service providers, contractors, or agents (third parties) who perform services for us or on our behalf and require access to such information to do that work.

Organisational Measure (75.9%), Required Purpose (61.0%):

We disclose only that personal information that is necessary for the third party to deliver their specific service and we take all reasonable measures to ensure they keep your information fully secure and not use it for any purpose other than the one under which it was disclosed.

Data Controller (91.6%), Legal Basis (98.1%), Processing (98.7%), Scale Non-EU (69.4%):

We store all data with Google Firebase that has its headquarters in San Francisco, California, United States, in compliance with the EU General Data Protection Regulation and California Consumer Privacy Act.

Legal Basis (98.4%):

We act as the "data controller" (under GDPR) or "business" (under CCPA) with respect to your personal information that we provide to Google in connection with your use of the App, and Google operates as a "data processor" (GDPR) or "service provider" (CCPA).

Legal Basis (95.5%), Processing (79.2%), Scale Non-EU (71.7%):

Apart from this, we do not specifically transfer any personal information to a country or territory outside EEA without screening for adequate protection and control mechanisms in accordance with the requirements prescribed under the applicable laws.

Technical Measure (95.9%):

Summary: We may use cookies and other tracking technologies to collect and store your information.

Technical Measure (99.0%):

We may use cookies, web beacons, tracking pixels, Google Analytics and/or other tracking technologies on our App to access or store information.

Organisational Measure (86.8%):

Most web browsers and some mobile operating systems and mobile applications include a Do-Not-Track ("DNT") feature or setting you can activate to signal your privacy preference regarding not to have data about your online browsing activities monitored and collected.

Organisational Measure (66.5%):

At this stage no uniform technology standard for recognizing and implementing DNT signals has been finalized.

Retention (97.7%):

Summary: We keep your information for as long as necessary to fulfil the purposes outlined in this Privacy Policy unless otherwise required by law.

Retention (92.6%):

We will only keep your personal information for as long as it is necessary for the purposes set out in this Privacy Policy, unless a longer retention period is required or permitted by law (such as tax, accounting, or other legal requirements).

Retention (96.0%):

No purpose in this Privacy Policy will require us keeping your personal information for longer than the period of time in which users have an account with us.

Personal Data (72.6%), Retention (91.2%):

Typically, we delete user information from our databases as soon as a user deletes their account.

Processing (94.7%), Retention (89.1%):

When we have no ongoing legitimate business need to process your personal information, we will either delete or anonymize such information, or, if this is not possible (for example, because your personal information has been stored in backup archives), then we will securely store your personal information and isolate it from any further processing until deletion is possible.

Organisational Measure (76.8%):

Summary: We aim to protect your personal information through a system of organizational and technical security measures.

Organisational Measure (68.9%):

We have implemented appropriate and reasonable technical and organizational security measures designed to protect the security of any personal information we process.

Processing (97.0%):

However, despite our safeguards and efforts to secure your information, no electronic transmission over the Internet or information storage technology can be guaranteed to be 100% secure, so we cannot promise or guarantee that hackers, cybercriminals, or other unauthorized third parties will not be able to defeat our security and improperly collect, access, steal, or modify your information.

Organisational Measure (64.3%):

We do not knowingly solicit data from or market to children under 18 years of age.

Organisational Measure (95.5%):

If we learn that personal information from users less than 18 years of age has been collected without parent or guardian consent, we will deactivate the account and take reasonable measures to promptly delete such data from our records.
