PerBlue Privacy Notice Last Updated: August 15, 2025 This Privacy Notice describes how PerBlue Entertainment, Inc.

Consent (76.4%), Legal Basis (98.7%), Organisational Measure (94.0%), Personal Data (92.1%), Right (72.1%):

Where required by law, we will notify you of and seek your consent to the changes.

Consent (68.0%), Personal Data (99.2%):

We encourage you to review this Privacy Notice regularly to stay informed about our information practices and the choices available to you.

Retention (81.2%):

COLLECTION OF INFORMATION Information You Provide to Us We collect information directly from you when you visit the Website, use a Game, request customer support, or otherwise interact with us, such as through our Game forums.

Personal Data (96.4%), Processing (93.2%), Required Purpose (68.6%):

The categories of information we collect include: Identification Information: We generate an ID number that we associate with your account (your PerBlue ID).

Non-Personal Data (85.7%), Personal Data (99.0%):

In certain circumstances we may also collect additional identification like your name or alias, email

address, age, government identification documents, mailing address, country of residence, profile picture, Facebook ID, Game Center ID, or Google Play Games ID.

Personal Data (95.3%), Third Party (91.6%):

Financial Information: we engage third party payment processors to collect your payment information.

Personal Data (96.4%):

If you contact our in-Game support team, we may associate your PerBlue ID with additional information you submit in connection with your support request like your name and/or email.

Consent (77.6%), Processing (62.5%):

We may also collect any other information you choose to provide.

Non-Personal Data (67.4%), Personal Data (88.0%), Processing (93.0%):

Information We Collect Automatically We automatically collect the following categories of information: Transactional Information: we keep a history of your transactions with us, including the dates and amounts paid for the Games and in-Game purchases.

Art. 17 Right to erasure (right to be forgotten) (92.5%), Consent (89.2%), Non-Personal Data (97.5%), Organisational Measure (66.2%), Personal Data (93.1%):

Internet Activity Information: we collect information about how you access our Website and Games, including data about the device and network you use, such as your hardware model, operating system version, mobile network, default language, country, time zone, IP address, MAC address, unique device and advertising identifiers, and browser type.

Non-Personal Data (93.0%), Processing (91.0%):

We collect information about actions you take in our Games, such as characters collected, battle results, guild creation/participation, and virtual currency acquisition/use (your Gameplay Information) and your activity on our Website/interaction with our communications (such as access times, pages viewed, links clicked, and the page you visited before navigating to our Website).

Required Purpose (99.5%), Technical Measure (99.1%):

Information Collected by Cookies and Similar Technologies: We use technologies, such as cookies and pixels, to collect information about your interactions with our Website and communications and provide analytical information.

Required Purpose (87.3%):

These technologies help us improve our Website and communications, see which areas and features of our Website are popular, count visits, and track clicks.

Consent (62.4%):

You may be able to adjust your browser settings to remove or reject browser cookies.

Required Purpose (91.5%), Technical Measure (98.3%):

We also use SDKs, or software development kits, to collect Gameplay Information for digital advertising and analytics purposes.

Processing (97.2%):

Information We Collect from Other Sources We obtain information from other sources.

Processing (99.2%):

We may also collect information you share when you interact with us on social media platforms like Facebook.

Processing (92.9%):

Derived Information We may derive information or draw inferences about you based on the information we collect.

Personal Data (91.3%):

For example, we may make inferences about your approximate location based on your IP address.

Required Purpose (97.7%):

USE OF INFORMATION We use the categories of information we collect for the following business and commercial purposes: Service Delivery: we use information to provide and maintain our Games, including to personalize your Game experience, process payments, and authenticate your account.

Personal Data (76.5%), Processing (96.8%), Required Purpose (96.7%):

Analytics and Performance Monitoring: We analyze user behavior and engagement to understand how our Games are used, identify performance issues, and make improvements.

Required Purpose (89.3%):

This includes aggregating data to evaluate gameplay trends, usage patterns, and technical diagnostics.

Required Purpose (98.3%):

Install Attribution: We work with third-party Mobile Measurement Partners (MMPs) to understand how users discover and install our Game.

Personal Data (92.9%), Processing (98.8%), Required Purpose (68.6%):

These partners help us attribute installs and other user events to specific marketing campaigns or ad sources by collecting device identifiers (such as IDFA or GAID), IP addresses, and other data.

Required Purpose (95.9%):

This allows us to evaluate the effectiveness of our advertising and optimize our user acquisition strategies.

Required Purpose (97.6%):

Communication: we use information to communicate with you via email or push notifications about PerBlue and our Games, including to respond to your questions, provide support, inform you of price or Games changes, and send you other transactional or relationship messages.

Required Purpose (72.3%), Third Party (71.2%):

Advertising: we engage others to serve digital advertisements and perform related services in some of our Games.

Personal Data (89.6%), Required Purpose (79.1%), Technical Measure (95.1%):

These entities may use cookies, web beacons, SDKs, and other technologies to collect information about your use of our Games, including your IP address, and device identifiers.

Required Purpose (95.1%):

This information is used to deliver advertising tailored to your inferred interests and are intended to be more relevant and engaging.

Personal Data (99.8%), Required Purpose (92.8%):

Contests: we may use personal information to administer contests, sweepstakes, and promotions and deliver rewards and prizes.

Required Purpose (99.2%):

Research and Development: we use information to monitor and analyze Website trends, usage, and activities, improve our Website and Games, develop new games, and generate de-identified data that we will not re-identify.

Legal Basis (61.5%), Legitimate Interest (88.8%), Required Purpose (89.8%), Right (94.0%):

Protection and Compliance: we use information to detect, investigate, and help prevent security incidents and other malicious, deceptive, fraudulent, or illegal activity, help protect the rights and property of PerBlue and others, and comply with our legal and financial obligations.

Consent (83.3%):

Notice/Consent: we may also use information in other circumstances after giving you notice and/or getting your consent.

Processing (94.9%), Recipient (89.1%), Required Purpose (98.7%):

DISCLOSURE OF INFORMATION We disclose the categories of information described above as follows: Vendors: we disclose information to vendors, service providers, contractors and consultants that need this information to provide services to us, such as companies that assist us with web hosting, payment processing, fraud prevention, customer service, data enrichment, analytics, and marketing and advertising.

Recipient (86.4%), Required Purpose (97.9%):

Professional Advisors: we disclose information to our lawyers and other professional advisors where necessary to obtain advice or otherwise protect and manage our business interests.

Authority (97.1%), Legal Basis (98.0%):

Legal Authorities: we may disclose information to legal authorities and others for the Protection and Compliance purposes described above, including if we believe that disclosure is in accordance with, or required by, any applicable law or legal process, including lawful requests by public authorities to meet national security or law enforcement requirements and if we believe that your actions are inconsistent with our user agreements or policies, if we believe that you have violated the law, or if we believe it is necessary to protect the rights, property, and safety of PerBlue, our users, the public, or others.

Recipient (84.8%):

Affiliates: we reserve the right to disclose information between and among PerBlue and any current or future parents, affiliates, subsidiaries, and other companies under common control and ownership.

Consent (78.2%):

Consent: we may disclose information when we have your consent or you direct us to do so.

Processing (79.3%):

Please note that any information you post, upload, or disclose on forums, guilds, and other social features may be available to other users and the general public.

Organisational Measure (96.2%):

Some of our Products may have stricter age limits, in our discretion, even where we are not required by applicable law to limit to such an age.

Organisational Measure (78.5%):

If we become aware that we have collected personal information from a child under 13, we will take steps to delete that information as soon as possible.

Art. 17 Right to erasure (right to be forgotten) (73.5%), Processing (79.3%):

If you are a parent or legal guardian and believe that your child under 13 has provided us with personal information, you may contact us at legal@perblue.com to request that the information be removed.

Third Party (99.5%):

We are not responsible for the privacy practices or the content of those third parties.

Organisational Measure (88.4%), Personal Data (97.4%):

SECURITY OF INFORMATION We take reasonable administrative, physical and electronic measures to protect your personal information.

Scale Non-EU (79.9%):

TRANSFER OF INFORMATION PerBlue is headquartered in the United States and we have operations and vendors in the United States and other countries.

Processing (97.3%):

Therefore, we and our vendors may transfer your personal information to, or store or access it in, jurisdictions that may not provide equivalent levels of data protection to your home jurisdiction.

Data Source (78.0%):

JOB APPLICANT INFORMATION When you apply for a position with PerBlue, we collect the information that you provide in connection with your application.

Personal Data (93.1%):

This includes name, contact information, professional credentials and skills, educational and work history, and other information that may be included in a resume or provided during interviews (which may be recorded).

Data Source (68.8%), Personal Data (93.4%):

This may also include demographic or diversity information that you voluntarily provide.

Processing (96.2%):

We may also conduct background checks and receive related information.

Required Purpose (98.9%):

We use applicants information to facilitate our recruitment activities and process applications, including evaluating candidates and monitoring recruitment and hiring statistics.

Required Purpose (99.6%):

We use successful candidates information to administer the employment or independent contractor relationship.

Required Purpose (93.8%):

We may also use and disclose applicants information (a) to improve our Website, (b) as otherwise necessary to comply with relevant laws, (c) to respond to subpoenas or warrants served on Company, and (d) to protect and defend the rights or property of PerBlue or others.

Right (64.1%), Scale Non-EU (91.8%):

RESIDENTS OF CERTAIN US STATES AND CANADA Privacy laws in Canada and certain US states like California, Colorado, Connecticut, Montana, Oregon, Texas, Utah, and Virginia require additional disclosures and grant their residents certain rights.

Personal Data (89.3%):

Additional Disclosures We collect the following categories of personal information: Identification Information, Commercial Information, Communication Information, Internet Activity Information, and Derived Information.

Personal Data (80.9%):

Communication Information: we collect information included in your communications with us.

Automated Decision Making (89.5%):

We collect this information from the following categories of sources: directly from you, from the third-party sources identified above, and by automated means.

Required Purpose (71.2%):

We collect and disclose personal information for the following business and commercial purposes (described in more detail in the Use of Information section above): Service Delivery, Research and Improvement, Communication, Marketing and Advertising, Conducting Analytics, and Protection and Compliance.

PAD (97.4%), Personal Data (99.0%), Third Party (60.9%):

Your Privacy Rights Access, Correction, and Deletion

You have the right to (1) request to know more about and access your personal information, (2) request deletion of your personal information, and (3) request correction of inaccurate personal information.

Personal Data (75.9%):

We may verify your request by asking you to verify your email address and/or provide information related to your recent interactions with us.

Consent (70.5%):

If we deny your request, you may appeal by contacting us.

Required Purpose (96.5%):

Opting Out of Sales, Sharing, and Targeted Advertising As described in the Advertising and Analytics section above, we process personal information to understand and improve your experience with our Games and to possibly serve you advertisements in the Games.

Processing (99.0%):

These activities may result in us sharing Identification Information, Internet Activity Information, and Derived Information with our Advertising Partners (including social media platforms) so our Advertising Partners can show ads that are targeted to your interests.

Legal Basis (82.6%):

These activities may be considered targeted advertising under certain laws.

Retention (89.2%):

Data Retention We store personal information for as long as necessary to carry out the purposes for which we originally collected it, satisfy our legal requirements, or for other business purposes explained in this Privacy Notice.

Personal Data (99.6%), Right (75.8%), Scale Non-EU (93.4%):

RESIDENTS OF THE EEA Residents of the European Economic Area (EEA) and some other jurisdictions including Switzerland and the United Kingdom (UK) outside the United States have certain legal rights with respect to the personal data we hold about them.

Art. 21 Right to object (73.8%), Legal Basis (98.6%), Processing (94.0%), Right (66.3%):

Such residents may request that we: provide access to personal data we hold about them (including, in some cases, in portable form) rectify such data delete certain personal data object to our uses or disclosures of personal data or exercise legal rights to withdraw consent Such requests will be processed in line with local laws, including without undue delay and in accordance with any required time frames.

Personal Data (97.9%):

We process the Personal Data of European Data Subjects on the following lawful bases: Legitimate Interests.

Contract (64.5%), Legitimate Interest (86.3%), Right (68.4%):

Where the processing is necessary for the purposes of the legitimate interests pursued by PerBlue or by a third party and not overridden by your fundamental rights and freedoms (e.g., product development and security purposes); Performance of a Contract.

Required Purpose (81.8%):

Where the processing is necessary for the performance of a contract with you (e.g., to deliver the

service you have requested); Consent.

Consent (65.1%), Legal Basis (95.9%):

Where you have given explicit consent to the processing of your Personal Information for one or more specific purposes (e.g., new and unexpected processing activities); and Legal Obligation: Where processing is necessary for compliance with a legal obligation to which Playbite is subject (e.g., compliance with laws and regulations).

Authority (89.4%), Lodge Complaint (81.3%):

In this case, we rely on the following lawful basis for processing Personal Data for the purposes set forth below: Operate the Services Legitimate Interest, Consent or Performance of a Contract Research and Development Legitimate Interest Marketing Legitimate Interest, Consent Compliance and Protection Legitimate Interest, Legal Obligations Other Purposes Consent; Legal Obligations In addition to the rights above, you have the right to lodge a complaint with the relevant supervisory authority.
