RotoGrinders Privacy Policy Introduction A RotoGrinder user (you) may participate in available forum in order to share information and opinions on sport matches, search for and post tips, check the match statistics, get reviews of bookmakers, information about free bets, and other topics (services).

Organisational Measure (69.8%), Personal Data (78.3%), Processing (99.1%), Right (69.7%), Third Party (95.5%):

When you use our services your information might be shared with us or third parties.

Data Protection Officer (65.7%), Personal Data (99.3%), Processing (99.5%), Retention (71.3%):

This Privacy Policy is important to you to understand how your personal data is collected, used, consulted or otherwise processed when you use rotogrinders.com (Rotogrinders).

Personal Data (99.8%), Required Purpose (94.7%):

Personal data is any information about you that might be used to identify you, or make possible to identify you.

Data Controller (98.8%), Processing (98.7%), Third Party (79.0%):

This Privacy Policy applies to your personal data processing on Rotogrinders, and not to data processing that may occur on other services or web pages regardless whether they are provided by the owner of Rotogrinders of someone else.

Data Controller (72.1%):

The owner of Rotogrinders (we, us, our) is: BC Tennessee 209 10th Ave S Nashville, TN 37203 This Privacy Policy is effective from 10th September 2019.

Organisational Measure (73.3%), Personal Data (99.5%), Processing (78.1%), Right (94.6%):

Essential modifications are those that affect your rights, obligations and state with regard to protection and processing of your personal data.

Organisational Measure (91.4%):

The essential modifications might include (but not limited to) launch of new services, deployment of new technologies and processing your data for new purposes.

Organisational Measure (97.1%):

Therefore, if we make essential modifications to the Privacy Policy, we will send you notice through our Services, or by other means, and give you the opportunity to review the changes before they

become effective.

Non-Personal Data (77.2%), Organisational Measure (90.5%):

These types of modifications might include (but are not limited to) organizational and grammatical changes to this Privacy Policy in order to make our policy easier to read.

Processing (98.7%):

Data Controller and Data Subjects By using Rotogrinders services you may disclose various pieces of information, including those that would be considered personal data.

Right (84.6%):

When your personal data is processed then you are considered a data subject and you are entitled to exercise your rights that are explained in this Privacy Policy.

Data Controller (80.8%), Legal Basis (83.5%), Retention (60.4%):

Taking into account that we determine the purposes and means of processing personal data on Rotogrinders we are legally considered as data controller over your personal data on this website.

Personal Data (96.6%), Required Purpose (67.3%):

Being data controller provides us the opportunity to process your personal data, but also obliges us to protect them.

Data Controller (96.1%):

Data we process We are processing (or might process) various categories of your data.

Personal Data (99.2%):

Identification data Personal Identifiable Information (PII) - When you create your account on Rotogrinders, we process your name, email and username you choose.

Required Purpose (70.5%):

Also, sometimes we will need this data to solve some technical problems if they emerge.

Personal Data (67.4%), Required Purpose (97.1%):

Private habits and interests Preferences - We process information about your preferences in order to send you notifications when something new is posted.

Consent (75.9%):

Also, we need to know as well whether you opted in for newsletter, so that we can send you news and updates on a regular basis.

Technical Measure (98.7%):

Our use of cookies Any browser visiting our Website will receive cookies from us.

Non-Personal Data (78.9%):

By the use of cookies we process standard internet log information and details of Website visitors behaviour patterns.

Organisational Measure (77.3%):

How we protect your data We do not collect personal data in excessive manner.

Organisational Measure (85.1%):

We only process data that we really need and only for agreed purposes.

Organisational Measure (92.7%), Processing (93.3%):

We are tending to keep your data up to date and to store them securely.

Retention (91.4%):

We do not process your data for a period longer than it is necessary for the purposes for which data is processed.

Organisational Measure (98.8%):

We use technical and organisational measures in accordance with good industry practice to safeguard your information.

Legal Basis (95.2%), Organisational Measure (78.7%):

Thus, we take appropriate technical and organizational measures to ensure protection of your personal data against accidental or unlawful loss, alteration, steal, unauthorized disclosure or access, unauthorized use and against all other unlawful forms of processing.

Organisational Measure (94.7%):

Restriction of access control is based on business needs and security requirements.

Organisational Measure (69.2%), Required Purpose (81.7%):

We ensure you that only appropriately authorized persons have access to your data, whose knowledge and skills about data is necessary to fulfill their obligations arising out of or in connection with the performance of their job.

Personal Data (65.4%):

Your rights Right to access You have the right to obtain from us confirmation as to whether or not personal data concerning you is processed, and, where that is the case, to request access to the personal data.

Art. 16 Right to rectification (87.8%):

Right to rectification You have the right to ask us to delete inaccurate personal data concerning you.

Art. 16 Right to rectification (77.3%):

Taking into account the purposes of the data processing, you have the right to have incomplete personal data completed.

Art. 17 Right to erasure (right to be forgotten) (86.1%), Consent (95.0%), Processing (95.7%), Required Purpose (68.5%), Retention (79.1%):

Right to erasure (right to be forgotten) In limited circumstances, you will have the right to request that we erase the information we hold about you: where the data is no longer needed for the purposes it was collected, where you have withdrawn consent and there is no other lawful basis on which we can continue to process it, where you objected to processing and there are no overriding legitimate grounds to continue, where the data has been unlawfully processed or where the data

has to be erased for compliance with a legal obligation.

Art. 18 Right to restriction of processing (68.3%), Art. 21 Right to object (63.7%), Legitimate Interest (65.7%), Retention (88.1%), Right (62.4%):

Right to restrict processing You have the right to seek the restriction of processing of your personal data in the following circumstances: If the accuracy of the data is contested a processing may be restricted for the period necessary to allow us to verify its accuracy, the processing is unlawful and you request restriction instead of erasure, we no longer need the data for the purposes it was collected, but you need it in connection with a legal claim, if you objected to the processing of personal data that are processed on the grounds of our legitimate interests, while awaiting verification whether our legitimate interests ground for processing your data overrides interest of your fundamental rights and freedoms.

Art. 21 Right to object (88.7%), Automated Decision Making (94.0%):

Right to object to the processing of your data and rights related to automated decision making You have the right to object our processing of your data on grounds relating to your particular situation, at any time to the processing of your personal data, including profiling.

Art. 18 Right to restriction of processing (61.4%), Legitimate Interest (82.1%):

Upon your objection, we will stop processing your data unless we can demonstrate compelling legitimate grounds for continuing the processing which override interests of your fundamental freedoms and rights, or if further processing is necessary for the establishment, exercise or defence of legal claims.

Required Purpose (69.6%):

At any time you have the right to object processing your data, including profiling, for direct marketing purposes.

Art. 20 Right to data portability (70.2%):

in digital form) and you have the right to request the transmission of those data to another entity without hindrance from us, if such transmission is technically feasible.

Consent (82.0%):

Right to withdraw consent If the ground for processing your personal data is your consent, you can withdraw your consent at any time without giving any reason to us, and free of charge.

Authority (87.8%), Lodge Complaint (69.8%):

You also have the right to lodge a complaint with your local data protection authority.

Retention (87.7%):

How long we keep your data We keep your data until you delete your account on RotoGrinders.

Required Purpose (71.3%):

The third parties are categorized as follows: Entities who help us to regularly provide, and further develop our services (e.g.

Required Purpose (82.9%):

analytics, maintenance, marketing, development).
