Automated Decision Making (95.4%):

Personal Data may be freely provided by the User, or, in case of Usage Data, collected automatically when using this Application.

Required Purpose (69.2%):

Unless specified otherwise, all Data requested by this Application is mandatory and failure to provide this Data may make it impossible for this Application to provide its services.

Processing (87.1%), Required Purpose (81.7%), Technical Measure (96.6%), Third Party (75.9%):

Any use of Cookies or of other tracking tools by this Application or by the owners of third-party services used by this Application serves the purpose of providing the Service required by the User, in addition to any other purposes described in the present document.

Processing (96.8%):

Users are responsible for any third-party Personal Data obtained, published or shared through this Application.

Data Subject (72.1%), Personal Data (62.8%):

The Owner thus recommends that Users make use of these resources in addition to the information provided in this document.

Organisational Measure (76.2%):

Mode and place of processing the Data Methods of processing The Owner takes appropriate security measures to prevent unauthorized access, disclosure, modification, or unauthorized destruction of the Data.

Processing (96.4%):

Further information about the processing of Personal Data Push notifications This Application may send push notifications to the User.

Organisational Measure (65.6%), Technical Measure (94.4%):

The Data processing is carried out using computers and/or IT enabled tools, following organizational procedures and modes strictly related to the purposes indicated.

Legal Basis (74.0%), Third Party (77.7%):

In addition to the Owner, in some cases, the Data may be accessible to certain types of persons in charge, involved with the operation of this Application (administration, sales, marketing, legal, system administration) or external parties (such as third-party technical service providers, mail carriers, hosting providers, IT companies, communications agencies) appointed, if necessary, as Data Processors by the Owner.

Personal Data (85.2%), Processing (89.7%):

Depending on the User's location, data transfers may involve transferring the User's Data to a country other than their own.

Personal Data (67.7%), Required Purpose (95.6%), Right (96.2%):

The purposes of processing The Data concerning the User is collected to allow the Owner to provide its Service, comply with its legal obligations, respond to enforcement requests, protect its rights and

interests (or those of its Users or third parties), detect any malicious or fraudulent activity, as well as the following: Access to third party accounts, Analytics, Contacting the User, Hosting and backend infrastructure, Traffic optimization and distribution, Managing contacts and sending messages, Registration and authentication, Advertising and Infrastructure monitoring.

Legitimate Interest (74.0%), Processing (95.5%):

Facebook permissions asked by this Application This Application may ask for some Facebook permissions allowing it to perform actions with the User's Facebook account and to retrieve information, including Personal Data, from it.

Third Party (82.7%):

This service allows this Application to connect with the User's account on the Facebook social network, provided by Facebook Inc.

Personal Data (98.2%):

The permissions asked are the following: Basic information By default, this includes certain Users Data such as id, name, picture, gender, and their locale.

Third Party (64.7%):

Facebook account access (This Application) This service allows this Application to connect with the User's account on the Facebook social network, provided by Facebook, Inc.

Processing (66.2%), Required Purpose (93.9%):

Advertising This type of service allows User Data to be utilized for advertising communication purposes.

Technical Measure (96.4%):

Some of the services listed below may use Trackers to identify Users or they may use the behavioral retargeting technique, i.e.

Required Purpose (72.6%):

displaying ads tailored to the Users interests and behavior, including those detected outside this Application.

Consent (93.9%):

Services of this kind usually offer the possibility to opt out of such tracking.

Processing (81.0%), Required Purpose (96.4%):

Direct Email Marketing (DEM) (This Application) This Application uses the User Data to propose services and products provided by third parties or unrelated to the product or service provided by this Application.

Data Controller (65.7%):

Unity Ads (Unity Technologies ApS) Unity Ads is an advertising service provided by Unity Technologies ApS.

Consent (93.8%), Scale Non-EU (72.5%):

Place of processing: United States Privacy Policy Opt out.

Processing (78.4%), Required Purpose (79.9%):

Analytics The services contained in this section enable the Owner to monitor and analyze web traffic and can be used to keep track of User behavior.

Processing (96.3%), Required Purpose (93.5%):

Google utilizes the Data collected to track and examine the use of this Application, to prepare reports on its activities and share them with other Google services.

Required Purpose (96.6%):

Google may use the Data collected to contextualize and personalize the ads of its own advertising network.

Technical Measure (80.0%):

Firebase Analytics may share Data with other tools provided by Firebase, such as Crash Reporting, Authentication, Remote Config or Notifications.

Required Purpose (98.5%), Technical Measure (95.3%):

This Application uses identifiers for mobile devices and technologies similar to cookies to run the Firebase Analytics service.

Personal Data (96.3%):

This integration of Google Analytics anonymizes your IP address.

Personal Data (87.4%), Scale EU (85.9%):

It works by shortening Users' IP addresses within member states of the European Union or in other contracting states to the Agreement on the European Economic Area.

Personal Data (79.4%), Required Purpose (90.8%):

Display Advertising extension for Google Analytics (Google Inc.) Google Analytics on this Application might use Google's Interest-based advertising, 3rd-party audience data and information from the DoubleClick Cookie to extend analytics with demographics, interests and ads interaction data.

Consent (67.3%), Processing (99.3%):

Retention time Unless specified otherwise in this document, Personal Data shall be processed and stored for as long as required by the purpose they have been collected for and may be retained for longer due to applicable legal obligation or based on the Users consent.

Required Purpose (94.5%):

Infrastructure monitoring This type of service allows this Application to monitor the use and behavior of its components so its performance, operation, maintenance and troubleshooting can be improved.

Processing (78.1%):

Which Personal Data are processed depends on the characteristics and mode of implementation of these services, whose function is to filter the activities of this Application.

Processing (78.5%), Third Party (61.4%):

Google Analytics (Universal Analytics) (Google Inc.) Google Analytics (Universal Analytics) is a web analysis service provided by Google LLC or by Google Ireland Limited, depending on how the Owner manages the Data processing, (Google).

Personal Data (99.1%), Required Purpose (84.3%):

Managing contacts and sending messages This type of service makes it possible to manage a database of email contacts, phone contacts or any other contact information to communicate with the User.

Personal Data (72.5%):

These services may also collect data concerning the date and time when the message was viewed by the User, as well as when the User interacted with it, such as by clicking on links included in the message.

Required Purpose (76.1%):

Firebase Notifications can be integrated with Firebase Analytics to target analytics-based audiences and track opening and conversion events.

Required Purpose (89.2%):

In this case, this Application will be able to access some Data, stored by these third party services, for registration or identification purposes.

Processing (82.7%), Required Purpose (92.4%):

To simplify the registration and authentication process, Firebase Authentication can make use of third party identity providers and save the information on its platform.

Required Purpose (98.4%):

Traffic optimization and distribution This type of service allows this Application to distribute their content using servers located across different countries and to optimize their performance.

Personal Data (99.6%):

Considering the widespread distribution of this system, it is difficult to determine the locations to which the contents that may contain Personal Information of the User are transferred.

Personal Data (70.2%), Processing (82.1%):

To find out more about the place of processing of such transferred Data, Users can check the section containing details about the processing of Personal Data.

Non-Personal Data (60.4%), Processing (98.0%), Required Purpose (73.1%):

The way Cloudflare is integrated means that it filters all the traffic through this Application, i.e., communication between this Application and the User's browser, while also allowing analytical data from this Application to be collected.

Consent (74.9%):

Further Information for Users Legal basis of processing The Owner may process Personal Data relating to Users if one of the following applies: Users have given their consent for one or more specific purposes.

Contract (76.4%), Legitimate Interest (78.6%), Third Party (83.5%):

provision of Data is necessary for the performance of an agreement with the User and/or for any pre-contractual obligations thereof; processing is necessary for compliance with a legal obligation to which the Owner is subject; processing is related to a task that is carried out in the public interest or in the exercise of official authority vested in the Owner; processing is necessary for the purposes of the legitimate interests pursued by the Owner or by a third party.

Contract (76.5%), Legal Basis (83.6%):

In any case, the Owner will gladly help to clarify the specific legal basis that applies to the processing, and in particular whether the provision of Personal Data is a statutory or contractual requirement, or a requirement necessary to enter into a contract.

Contract (61.6%), Retention (80.0%):

Therefore: Personal Data collected for purposes related to the performance of a contract between the Owner and the User shall be retained until such contract has been fully performed.

Retention (93.3%):

Personal Data collected for the purposes of the Owners legitimate interests shall be retained as long as needed to fulfill such purposes.

Retention (94.1%):

The Owner may be allowed to retain Personal Data for a longer period whenever the User has given consent to such processing, as long as such consent is not withdrawn.

Retention (89.0%):

Furthermore, the Owner may be obliged to retain Personal Data for a longer period whenever required to fulfil a legal obligation or upon order of an authority.

Retention (89.1%):

Once the retention period expires, Personal Data shall be deleted.

Retention (93.2%), Right (62.9%):

Therefore, the right of access, the right to erasure, the right to rectification and the right to data portability cannot be enforced after expiration of the retention period.

Consent (94.9%), Legal Basis (82.4%):

In particular, Users have the right to do the following, to the extent permitted by law: Withdraw their consent at any time.

Consent (62.4%):

Users have the right to withdraw consent where they have previously given their consent to the processing of their Personal Data.

Art. 21 Right to object (72.5%):

Users have the right to object to the processing of their Data if the processing is carried out on a legal basis other than consent.

Art. 18 Right to restriction of processing (87.0%):

Users have the right to restrict the processing of their Data.

Art. 17 Right to erasure (right to be forgotten) (84.3%):

Have their Personal Data deleted or otherwise removed.

Art. 17 Right to erasure (right to be forgotten) (68.0%):

Users have the right to obtain the erasure of their Data from the Owner.

Authority (83.7%):

Users have the right to bring a claim before their competent data protection authority.

Legal Basis (91.6%):

Users are also entitled to learn about the legal basis for Data transfers abroad including to any international organization governed by public international law or set up by two or more countries, such as the UN, and about the security measures taken by the Owner to safeguard their Data.

Legitimate Interest (78.8%):

Details about the right to object to processing Where Personal Data is processed for a public interest, in the exercise of an official authority vested in the Owner or for the purposes of the legitimate interests pursued by the Owner, Users may object to such processing by providing a ground related to their particular situation to justify the objection.

Art. 21 Right to object (73.2%):

Users must know that, however, should their Personal Data be processed for direct marketing

purposes, they can object to that processing at any time, free of charge and without providing any justification.

Legal Basis (90.7%):

Such requests are free of charge and will be answered by the Owner as early as possible and always within one month, providing Users with the information required by law.

Processing (92.9%):

Any rectification or erasure of Personal Data or restriction of processing will be communicated by the Owner to each recipient, if any, to whom the Personal Data has been disclosed unless this proves impossible or involves disproportionate effort.

Authority (84.0%), Personal Data (99.6%), Processing (63.5%):

The User declares to be aware that the Owner may be required to reveal personal data upon request of public authorities.

Processing (96.1%):

Complete details on each type of Personal Data collected are provided in the dedicated sections of this privacy policy or by specific explanation texts displayed prior to the Data collection.

Required Purpose (71.4%):

For specific information about the Personal Data used for each purpose, the User may refer to the section Detailed information on the processing of Personal Data.

Personal Data (78.1%), Required Purpose (81.9%):

System logs and maintenance For operation and maintenance purposes, this Application and any third-party services may collect files that record interaction with this Application (System logs) or use other Personal Data (such as the IP Address) for this purpose.

Personal Data (79.3%):

Hosting and backend infrastructure This type of service has the purpose of hosting data and files that enable this Application to run and be distributed as well as to provide a ready-made infrastructure to run specific features or parts of this Application.

Organisational Measure (69.9%):

Changes to this privacy policy The Owner reserves the right to make changes to this privacy policy at any time by notifying its Users on this page and possibly within this Application and/or - as far as technically and legally feasible - sending a notice to Users via any contact information available to the Owner.

Data Subject (62.9%):

Users who are uncertain about which Personal Data is mandatory are welcome to contact the

Owner.

Personal Data (98.4%), Required Purpose (84.7%):

Definitions and legal references Personal Data (or Data) Any information that directly, indirectly, or in connection with other information including a personal identification number allows for the identification or identifiability of a natural person.

Non-Personal Data (94.7%), Personal Data (81.9%):

Usage Data Information collected automatically through this Application (or third-party services employed in this Application), which can include: the IP addresses or domain names of the computers utilized by the Users who use this Application, the URI addresses (Uniform Resource Identifier), the time of the request, the method utilized to submit the request to the server, the size of the file received in response, the numerical code indicating the status of the server's answer (successful outcome, error, etc.), the country of origin, the features of the browser and the operating system utilized by the User, the various time details per visit (e.g., the time spent on each page within the Application) and the details about the path followed within the Application with special reference to the sequence of pages visited, and other parameters about the device operating system and/or the User's IT environment.

Data Subject (65.2%):

User The individual using this Application who, unless otherwise specified, coincides with the Data Subject.

Authority (88.6%), Processing (97.1%):

Data Processor (or Processor) The natural or legal person, public authority, agency or other body which processes Personal Data on behalf of the Controller, as described in this privacy policy.

Personal Data (65.6%), Technical Measure (94.2%):

Tracker Tracker indicates any technology - e.g Cookies, unique identifiers, web beacons, embedded scripts, e-tags and fingerprinting - that enables the tracking of Users, for example by accessing or storing information on the Users device.

Required Purpose (61.8%):

Such initiatives allow Users to select their tracking preferences for most of the advertising tools.
