Processing (97.9%), Third Party (96.1%):

Disc is licensed to, and managed by, local Business Crime Reduction Partnerships, shopping centres, retailers, police and other organisations that share current awareness information with their members (who in some cases may be their employees or contractors).

Data Controller (70.5%), Personal Data (99.6%):

This information may include personal data of persons who are known for or suspected of involvement in low-level crime and anti-social behaviour, in and around members premises.

Legal Basis (95.5%), Processing (99.7%):

Our clients determine the purposes and means of processing personal data, which data subjects personal data will be processed, what data is collected, the lawful basis (or bases) for processing that data, how long it is retained and with whom it may be shared.

Data Controller (78.8%), Processing (98.9%), Required Purpose (68.8%):

As providers of Disc, Littoralis is a data processor for its clients, who are data controllers.

Art. 17 Right to erasure (right to be forgotten) (71.7%), Required Purpose (95.6%):

Collecting this information helps us to deliver our services effectively and to protect against unauthorised access, and other potential data security threats.

Processing (80.6%):

This Privacy Notice covers how Littoralis uses the information gathered about you when you use Disc Desktop and/or the Disc smartphone app.

Non-Personal Data (82.5%), Personal Data (73.6%):

Littoralis collects certain types of information, including information that identifies you as an individual.

Consent (94.9%), Legal Basis (91.4%), Non-Personal Data (92.2%), Personal Data (99.1%):

the local Disc administrator has created an account for you, by adding your email address to their

Disc system), then upon logging-in to Disc for the first time you are required to provide the following information: Contact details: including your name, work address, phone number, job title and the organisation for which you work Thereafter, each time you log into Disc through either the Disc Desktop or app, the following information is collected automatically and collated with your email address and the information you provided, when you first set up your Disc account: IP address (if using the app) whether you have opted to receive push notifications from Disc The type of device you are using to access Disc (PC, smartphone, etc) Basic information about your device, including the operating system and web browser used (type and version) The date, time, and duration of each session The pages viewed and forms submitted during each session This information does not include any special category data, as defined in data protection law.

Automated Decision Making (94.4%), Retention (77.9%):

Information provided by you and information collected automatically If you have been added to a Disc system as a member (i.e.

Processing (94.4%), Third Party (97.6%):

How do we share and disclose your information to third parties?

Required Purpose (91.0%):

We will never sell or rent your information to anyone, under any circumstances, nor will it be used for any purpose other than the effective delivery, monitoring and security of the Disc system and related services.

Legitimate Interest (90.9%):

We will process your data for our legitimate business interests, and those of our clients.

Automated Decision Making (61.6%), Retention (94.9%):

If you have logged into Disc but have not submitted any reports or other content (excluding Instant Messages, which are automatically deleted after seven days), your information will be retained for a period of 24 months following deletion of your Disc account.

Retention (95.3%):

If you have accessed Disc and have submitted reports or other content (excluding Instant Messages), your information will be retained for a minimum of 24 months following deletion of your Disc account.

Retention (95.9%):

The actual length of time your information will be retained will depend upon the length of time that reports and other content (excluding Instant Messages) which you have submitted are kept by the scheme of which you are/were a member.

Required Purpose (63.5%):

This ensures that scheme administrators have an audit trail for all content on their Disc systems including content submitted by members who have subsequently been removed from Disc.

Organisational Measure (60.1%), Retention (92.6%):

Disc is the secure information-sharing system from Littoralis.

Retention (92.7%):

Once all reports and other content (excluding Instant Messages) you have submitted are deleted or anonymised (and a period of not less than 24 months has passed since your Disc account was removed), your information will be deleted.

Technical Measure (90.4%):

Information regarding access to and usage of the Disc Desktop is collected by means of a session cookie.

Processing (93.7%), Retention (96.7%):

This is a small text file which is created when you log in and is stored in your web browser until the browser is closed.

Technical Measure (68.3%):

For further details about cookies and how they work, please visit this page: https://en.wikipedia.org/wiki/HTTP_cookie What are Legitimate Interests?

Required Purpose (88.8%):

Legitimate Interests means the interests of our company in ensuring the confidentiality, integrity, and availability of our services.

Legal Basis (90.4%), Legitimate Interest (94.1%), Right (92.2%):

When we process your personal data under the lawful basis of legitimate interests, we will always balance and consider any potential impact the processing would have on you and on your rights under data protection and e-privacy laws.

Consent (65.6%), Legal Basis (97.6%):

We will never use your information where our interests would be overridden by the impact the processing will have on you, unless we have your prior consent for this, or we are required to do so by law.

Personal Data (99.4%):

How does Littoralis use your personal information?

Organisational Measure (83.6%):

Littoralis adheres to the highest international standards for information security.

Legal Basis (84.0%):

Your rights Under current data protection laws, you have the right to: Request confirmation regarding whether we hold any of your personal information and, if we do, request a copy of it (this is known as making a data subject access request) Require us to rectify or delete information we hold about you that is incorrect Object to us processing your information Lodge a complaint with the Information Commissioners Office, if you feel that we are processing your personal information unfairly or are doing so contrary to your rights and freedoms If you would like to submit a subject access request, please contact us using the information provided below.

Retention (77.8%):

Alternatively, you can write to us at Littoralis Ltd Suite 210, 91 Western Road Brighton BN1 2LB United Kingdom Changes to this Notice This Notice is kept under review and may be updated from time to time.

Legal Basis (91.0%):

If there are any changes to the way your data is processed, the purpose for which it is processed or the legal basis for doing so, we will contact you to let you know.
