We(NEXELON, us, or our) are committed to protecting and respecting your privacy.

Data Controller (97.2%), Data Source (95.8%), Non-Personal Data (74.7%), Personal Data (99.7%), Processing (99.3%), Required Purpose (83.1%), Third Party (79.7%):

We provide this privacy policy to inform you of our policies and procedures regarding the collection, use, and disclosure of personal data we obtain about users of our games, websites, applications, and other services we provide.

Non-Personal Data (81.0%), Organisational Measure (87.0%), Personal Data (99.2%):

The term personal data(personal information, information) may include your name, device ID, e-mail address, date of birth, gender, your game preferences, for instance.

Contract (73.7%), Legitimate Interest (95.5%), Personal Data (99.4%), Processing (97.9%), Required Purpose (62.9%), Right (94.8%):

We process personal data only when necessary for the performance of a contract with you, for compliance with a legal obligation to which we are subject, or based on our legitimate interests, except where such interests are overridden by the interests or fundamental rights and freedoms for which require the protection of your personal data.

Legitimate Interest (80.9%):

Our legitimate interests are to render and improve our services in an effective, safe, and harmless manner.

Required Purpose (92.2%), Retention (62.0%):

We want to provide everyone with a fair and balanced experience when using our services.

Data Source (89.8%):

Information we collect directly We collect personal data and other information you provide directly.

Consent (73.9%):

It is entirely your choice to provide the data we requested.

Retention (73.2%):

Content data We may collect your personal data when you use our services or when you provide feedback about our services.

Data Source (86.0%), Personal Data (98.5%), Processing (88.4%), Recipient (71.5%), Required Purpose (98.4%):

Information you provide when you request information or support from us or purchase a product or service from us, including information necessary to process your orders with the relevant payment merchant, which may include the amount of any transaction, but will not include your financial information, which will only be submitted directly to the payment merchant under secure protocols; and Information excepting the account data you provide to us when participating in tournaments, contests, at online events, or responding to surveys, e.g.

Personal Data (83.2%):

your phone number or address; 1.2.

Data Source (75.3%):

Information we collect indirectly We indirectly collect personal data and other information through interactions when you use our games, websites, and other services.

Data Source (61.2%), Non-Personal Data (94.2%), Personal Data (97.7%), Processing (99.3%):

This information may include, but is not limited to, device information(device ID, OS, OS version, ADID, UDID, language, and country settings), connection record(IP address, connection IP, login time and dates), PC specification, cookie, anonymized browser, data collected through automated electronic interactions, application usage data, statistical and aggregated information.

Personal Data (92.9%), Processing (85.4%):

If other information is combined with personal data, we will identify and process the combined information as personal data.

Processing (77.3%):

Statistical or aggregated information does not identify a specific person directly, but it could be derived from both personal data and information.

Non-Personal Data (75.2%), Processing (98.4%), Required Purpose (96.3%):

Game-related information We may need to collect, store and use various information about your activity in our games in order to provide you with efficient services.

Non-Personal Data (98.9%), Personal Data (92.5%):

This, game-related information, includes your in-game identifier, which for most of our games is known as account ID or email address, as well as what is usually referred to as game statistics.

Non-Personal Data (95.2%):

By game statistics, we mean information about your preferences or progress in the games, participation, and performance in clans, and frequency of playing.

Consent (95.0%), Non-Personal Data (93.1%), Organisational Measure (85.1%), Personal Data (80.4%), Retention (66.7%):

Device information While you are installing our games and using our game services, we collect, store and treat information about the device you are using, including what type of device it is, what kind of hardware and operating system you are using, unique device identifiers, android ID, IP address, connection IP, PC specification and crash data, in order to fix crashes and other technical issues that may arise.

Personal Data (78.5%), Required Purpose (91.3%):

Information required for fraud and violations detection We may also collect certain data such as IP address, a username that could be required for investigation and prevention of cheating in the game, and EULA violations.

Processing (96.4%), Required Purpose (84.0%), Retention (94.6%):

This data, being used only for the purposes of investigation and prevention of frauds and cheating in the game will be deleted 1 year after its collection unless the data can be used to prove that cheating has occurred.

Required Purpose (76.6%), Retention (97.4%):

If the data can be used to prove that cheating or another fraud or EULA violation has occurred, we will store the data for longer than 1 year for the establishment, exercise, or defense of legal claims during the applicable period of filing a complaint.

Processing (98.6%), Recipient (69.5%), Third Party (97.1%):

The specific data stored for this purpose may not be disclosed to both you and any third parties, because the disclosure will compromise the mechanism through which we detect, investigate and prevent frauds and cheating in the game, as well as other EULA violations.

Data Subject (70.5%), Required Purpose (95.9%), Third Party (86.3%):

Information from publicly available online resources We may use the information made publicly available on Facebook or YouTube to find out your opinion about our games or services.

Processing (92.3%), Third Party (90.5%):

This, collecting such data, could be carried by NEXELON independently, or can be carried by our marketing partners making analysis of public sentiments on various issues.

Legal Basis (97.9%), Processing (96.4%), Third Party (77.8%):

Information from our partners In some cases, we could receive your personal data as a data processor, which means that your personal data is controlled by our partners and we only use it in accordance with their instructions and applicable laws.

Required Purpose (86.9%):

We will use this data to fulfill obligations under EULA, improve services, or comply with legal

obligations.

Data Source (79.1%), Personal Data (98.4%):

We may receive a part of your credit card number, information about your credit card issuer from our payment partners when you purchase online and mobile game items, virtual cash with your credit card.

Personal Data (83.6%):

We also receive and use your information through other platforms such as Google Play, PlayStation4, Xbox, Steam, etc.

Required Purpose (93.9%), Third Party (67.5%):

We have registered certain games-related group accounts and pages at Kakao, Facebook, Naver, Line and other social networks to do better communicate with our game players.

Personal Data (99.0%):

e.g., character name, and date of birth.

Required Purpose (93.5%):

HOW WE USE YOUR INFORMATION We need to process your personal data to perform the contract with you.

Legal Basis (90.7%), Processing (67.7%), Required Purpose (88.9%):

We will use your personal data, unless otherwise prohibited by law, for the following purposes: to allow your installation of our games, provide the services, verify and confirm your payments; to check your account or communicate with you about transactions and send you information about features on our websites or changes to our policies; to provide game update information, game patches, and fixes, other similar communications; and to send you gifts and awards, to which you may be entitled as a result of winning an online or offline competition, etc.

Personal Data (99.0%), Required Purpose (62.0%):

Once you create an account we may use your email address, nickname, IP address, connection IP, country settings in order to send you personalized marketing emails, messages, targeted in-game offers about our games.

Processing (96.8%), Required Purpose (99.3%):

Services improvement purposes We will analyze your personal data to find out how to improve our game services to make them more suitable and interesting for you and other players.

Consent (69.1%):

Also, we may ask you to respond to our services-related questionnaires, and you always have the choice about whether to respond to them and which information you will provide.

Required Purpose (94.2%):

Fraud and EULA violations detection We may use your personal data required for investigation and prevention of cheating in our game and violations of EULA or policies for the purposes of investigation and prevention.

Contract (62.4%), Processing (98.8%):

HOW WE SHARE YOUR INFORMATION We may share your personal data for the performance of the contract with you, the compliance with a legal obligation, or our legitimate interests with the following categories of third parties.

Consent (83.6%), Required Purpose (91.0%):

Payment partners We may share your date of birth, email address, IP address, or information about in-game purchases requested by you on NEXELON's websites, and other information you provide to us for the purpose of fulfilling your purchase or withdrawal requests.

Technical Measure (61.8%):

Data storage partners We may store your personal data using third-party data storage services such as Google Cloud Platform(GCP), Amazon Web Services(AWS), Microsoft Azure(Azure).

Non-Personal Data (95.5%), Personal Data (75.1%):

But anonymous data, which we cannot relate to you, does not qualify as personal data.

Required Purpose (79.0%):

We also may share anonymous data with our partners unless your personal data is necessary for the requested services or research.

Required Purpose (99.8%):

Customer service partners We may share your personal data with third parties to provide you with customer services and support effectively.

Processing (79.2%):

Publicly available information Our websites may have bulletin boards, forums where users can exchange ideas and communicate with each other.

Non-Personal Data (76.2%):

Sharing anonymous information We may share anonymous data, which does not directly or indirectly disclose your identity, and aggregated information such as game statistics, categories of users which do not identify and that cannot be used to identify any individual user with our advertising partners.

Technical Measure (99.3%):

They may also collect this information through the use of tracking technologies like cookies and web

beacons.

Required Purpose (96.0%):

This enables us to develop and deliver targeted advertising in our services and on the websites of third parties so that they can try to serve you with advertisements for products and services that are most likely to be of interest to you.

Retention (97.1%):

HOW LONG WE KEEP YOUR INFORMATION Generally, we will delete your personal data after you request your account deletion and the grace period of 30 calendar days, during which we can restore your account, expires.

Retention (86.0%):

However, considering the complexity and number of requests, it can be extended for another one month sometimes.

Processing (97.4%), Retention (73.3%):

When we no longer need to keep your personal data, we will delete it from our data processing server.

Retention (83.3%):

We will also delete your personal data immediately after a request to unsubscribe for the purposes of resolving unwanted customer complaints or disputes.

Retention (80.4%):

But sometimes it may take longer than 15 days depending on the individual operational policy of the game you play.

Personal Data (79.8%):

Procedure and Method for the Disposal of Personal Information The company, in principle, promptly disposes of personal information after the purpose of collection and use has been achieved.

Processing (68.8%), Retention (89.2%):

The disposal procedure and method are as follows: (1) Disposal Procedure The information you provided for your membership registration, and other relevant data, are retained for a certain period in accordance with internal policies and other applicable laws and regulations regarding information protection (refer to the retention and use period of personal information).

Retention (70.0%):

After that, they are disposed of.

Legal Basis (80.5%), Personal Data (99.6%):

Personal information is not used for purposes other than those for which it is retained, unless

required by law.

Technical Measure (64.5%):

(2) Disposal Method Personal information stored in electronic file format is deleted using technically irretrievable methods.

Processing (70.3%):

Personal information printed on paper is disposed of by shredding or incineration.

Automated Decision Making (94.2%):

COOKIES AND SIMILAR TECHNOLOGIES Not only NEXELON but also third parties that provide advertising, content, or other functionality on the services, may use cookies, web beacons, and other technologies to automatically collect information through the services.

Technical Measure (96.4%):

Cookies.

Retention (60.8%):

Cookies are essentially small data files placed on your computer, mobile phone, tablet, or other devices that allow us to record certain pieces of information whenever you visit our websites or interact with our services.

Processing (65.9%), Technical Measure (73.2%):

Most browsers allow you to block and delete cookies.

Consent (64.1%):

You can refuse all cookies, confirm each time a cookie is saved or permit all cookies by going to [Tools] >[Internet option] >[Security] >[Custom setting], or by using the settings or options function on mobile devices.

Personal Data (77.6%), Processing (98.6%):

A web beacon is a piece of code embedded in our services that collects information about your engagement on that web page.

Required Purpose (95.7%):

The use of a pixel allows us to record, for example, that you have visited a particular web page or clicked on a particular advertisement, or installed particular applications.

Required Purpose (98.0%):

We may also include web beacons in e-mails to understand whether messages have been opened, acted on, or forwarded.

Personal Data (73.8%):

We may share the advertising identifier associated with your mobile device or tablet.

Organisational Measure (73.2%):

You may limit the use of or reset your advertising device ID using the privacy settings on your mobile device.

Personal Data (72.1%), Required Purpose (99.3%), Technical Measure (99.3%):

We may also use Google Analytics to collect information regarding your behaviors to get the demographics of our services.

Processing (98.8%):

You can opt-out of Google's collection and processing of data generated by your use of the services by going to <http://tools.google.com/dlpage/gaoptout>.

Automated Decision Making (66.4%), Processing (92.7%), Third Party (72.1%):

Your browser settings may allow you to automatically transmit a Do Not Track signal to the online services you visit.

Third Party (73.0%):

Note, however, there is no industry consensus as to what website and app operators should do with regard to these signals.

Organisational Measure (67.7%):

Accordingly, we do not monitor or take action with respect to Do Not Track signals or other mechanisms.

Required Purpose (99.6%):

We may use technologies to collect information about how our services are performing.

Required Purpose (96.0%):

We may use the information to compile reports and to help make improvements to our services.

Required Purpose (85.1%):

We may use technologies that allow us to offer you enhanced functionality when accessing or using our services.

Required Purpose (66.6%):

We may use technologies to deliver content, customize the advertising relevant to your interests in our services or websites.

Organisational Measure (88.1%):

We also take steps to ensure that your personal data is treated securely and in accordance with this privacy policy.

Organisational Measure (76.2%):

Taking into account state-of-the-art technology; costs of implementation and the nature, scope,

context, and purposes of processing as well as the likelihood of varying risks and significance of rights and freedoms of natural persons, we have implemented appropriate organizational, technical, and physical measures to ensure a level of security appropriate to the risk in accordance with applicable laws.

Scale EU (84.4%):

Children in Europe.

Consent (92.6%), Organisational Measure (61.4%):

If you are a child under 16 in Europe, you may use our services only to the extent that consent is given by your parent or legal guardian.

Organisational Measure (64.9%):

We make reasonable efforts to verify that consent is given by your parent or legal guardian and if we collected personal data from you without their consent, we will delete it immediately.

Personal Data (64.5%):

If you are a parent or legal guardian and find out that your child under these age restrictions has provided personal data to us, you may contact us using the contact details at the bottom of this privacy policy and request that we immediately delete your child's personal data and account.

Processing (97.4%), Required Purpose (92.8%):

INTERNATIONAL DATA TRANSFERS Information we collect may be transferred to countries outside your home country for the purposes set out in this privacy policy.

Scale EU (81.6%), Scale Non-EU (91.2%):

You have to understand that these countries, including Korea, Japan, and the United States, may not provide the same level of data privacy protection as the European Union/European Economic Area or your home country, and you hereby expressly consent to the transfer of your personal information to these countries for processing in accordance with this privacy policy.

Processing (95.7%), Required Purpose (80.8%):

These transfers are essential to the provision of our services and the performance of the Terms of Service and End User License Agreement.

Scale Non-EU (78.6%):

South Korea is currently under review of the European Commission adequacy decision.

Art. 15 Right to access by the data subject (61.8%), Art. 16 Right to rectification (74.1%):

General rights You have the right to access certain personal data held about you and correct any inaccuracies.

Legal Basis (92.9%):

Please note that some of these rights may be connected to certain statutory preconditions and thus, might not be applicable to you and your specific situation.

Art. 16 Right to rectification (84.3%):

You may have the right to request that we correct data that we have inaccurately stored.

Art. 16 Right to rectification (82.2%), Processing (64.3%):

You may also have the right to have incomplete personal data completed, including by means of providing a supplementary statement.

Art. 17 Right to erasure (right to be forgotten) (79.0%):

You may have the right to request us to permanently delete your personal data.

Art. 17 Right to erasure (right to be forgotten) (69.6%), Processing (92.6%), Required Purpose (65.6%), Retention (68.4%):

You can make such a request if you, for example, believe that the personal data are no longer necessary in relation to the purpose for which the personal data were collected or otherwise processed.

Processing (98.5%):

However, if personal information is destroyed in such ways, related information generated and accumulated while using the company's game service may be destroyed as well.

Art. 18 Right to restriction of processing (91.8%):

Right to restrict the processing activities.

Art. 18 Right to restriction of processing (77.3%):

You may have the right to restrict our processing activities.

Consent (80.3%):

If you choose to restrict our processing activities as relates to providing our services, you might not be able to use them.

Art. 20 Right to data portability (61.2%):

You may have the right to request from us that we send your personal data to you in a structured, commonly used, and machine-readable format, and transmit your personal data to another controller.

Art. 21 Right to object (85.5%):

You may have the right to object to our processing of your personal data.

Authority (83.8%), Lodge Complaint (84.6%):

Right to lodge a complaint with a supervisory authority.

Consent (73.9%):

Where our processing of your personal data is based on your consent, you may have the right to withdraw such consent at any time.

Required Purpose (79.8%):

If you do not opt-out of receiving such materials, this will signify your consent to using your personal data to continue to provide you with such materials and otherwise share your personal data with or transfer it to our commissioned data processors who provide services that we believe may be of interest to you.

Required Purpose (70.3%):

By using services that we provide, visiting our websites, and downloading our games, you accept the terms of this privacy policy and the use and disclosure of your personal data as set out in this policy.

Consent (97.7%):

If you decide to "opt-out" of NEXELON providing your personal data to our commissioned data processors at any time, please contact us immediately at helpnixelon@gmail.com 10.

Legal Basis (82.0%):

CHANGES TO THIS POLICY We may change this privacy policy regularly because of a variety of reasons, such as changes in laws and regulations, changes in service and business environment, and technical issues.
