Legal Basis (98.8%):

Any personal information you provide us when seeking health insurance or coverage is a voluntary submission of that information under applicable law.

Non-Personal Data (80.0%), Processing (99.2%):

The Website and the App are referred to collectively in this Privacy Statement as the "Site." This Privacy Statement applies to the Site, which is provided by Kaiser Foundation Health Plan, Inc., Kaiser Foundation Hospitals, Risant Health, Inc., or the Permanente Medical Groups ("Kaiser Permanente" or "KP").

Processing (97.6%), Technical Measure (99.2%):

Cookies, Log Data and Other Online Technologies When you access the Site, we, and the third-party companies we partner with may collect and store certain information by using technologies such as server logs, cookies, web beacons, clear gifs, tags, e-tags, flash cookies, pixels, code, Javascript packages, software development kits, and similar technologies.

Non-Personal Data (79.0%):

The information collected by these technologies includes information about your computer or mobile device and the network you use to access the Services, as well as information about your use of the Site.

Non-Personal Data (96.6%), Personal Data (71.9%), Processing (69.9%), Technical Measure (63.5%):

Depending on your activities on the Site and your settings on your browser, the information collected by us and the third-party companies may include software and hardware attributes of the device, device ID information, regional and language settings, performance data about the Site, network provider, IP address, browser or operating system type and version, demographic or inferred-interest information, search terms, the activities and actions taken on the site, as well as information you have submitted to us through the Site.

Non-Personal Data (91.8%):

We include a version number on this Privacy Statement consisting of the date (month and year) it was last revised.

Personal Data (89.1%), Third Party (99.1%):

Third parties may also receive additional information such as advertising IDs associated with you or your device.

Processing (97.9%):

Any revised Privacy Statement will apply both to information we already have about you at the time of the change, and any personal information created or received after the change takes effect.

Non-Personal Data (65.3%):

In addition, we, and third-party companies we partner with, may collect and store some information in the form of log files that record website activity.

Processing (97.4%):

For example, log file entries are generated every time a user visits a particular page or clicks an image on our Website, and collects information on how many hits a particular web page is getting (a.k.a.

Non-Personal Data (92.9%):

click-through data), the dates and times that you use the Site, the pages you visit, the amount of time spent on specific pages, and other similar usage information, and general data (including the name of the web page from which you entered our Site).

Required Purpose (70.7%):

We may also use web beacons and other technologies to collect information about your interaction with our email communications.

Non-Personal Data (76.7%), Personal Data (65.7%):

When you open or view the content of our emails, we and the third-party companies we partner with will receive information including confirmation that the email was viewed, the time that the email was opened, the IP address of the device that was used to open the email, the type of software used to read the email, and the existence of any cookies previously sent.

Required Purpose (98.8%):

We, and the third-party companies we partner with, may use the information collected through all of these technologies to operate the Site, understand general usage and volume statistics, how users navigate to and around our Sites, what content is viewed or accessed, what searches were performed, the performance of our Site, to help us design our Site, to identify popular features, to resolve hardware and software problems, to make the Site more useful to visitors, to evaluate the effectiveness of our email communications, for marketing and advertising, and for security purposes.

Required Purpose (99.2%):

We may also use these technologies and the information collected to keep track of your preferences.

Recipient (60.1%), Required Purpose (97.5%), Third Party (95.7%):

We may also use this information to allow third parties to provide analytics and advertising services to us and to serve advertisements to you on our behalf across the internet and in mobile applications.

Required Purpose (97.5%):

For example, third-party advertising companies may use the fact that you visited our Site to target advertising to you on other websites and mobile apps on your current device or on other devices you use.

Required Purpose (81.9%):

These third-party advertising partners may use the information they receive for both our purposes and their own purposes, including advertising, analytics, attribution, and reporting purposes.

Organisational Measure (60.3%):

You are responsible for monitoring and configuring available privacy settings on the Site.

Technical Measure (98.1%):

This will turn those technologies off. Google Analytics.

Technical Measure (88.2%):

Chatbot Technology.

Required Purpose (85.4%), Technical Measure (93.2%):

We use chatbots to help provide customer service and support, including through the use of a virtual assistant.

Processing (63.6%):

A chatbot is a software application that mimics human conversations in text or voice interactions on our website or through our customer service hotline.

Technical Measure (92.7%):

It responds to questions posed to it in natural language as if it were a real person using a combination of pre-programmed scripts and machine learning algorithms.

Processing (98.3%):

The information is not shared with other organizations for their independent use.

Processing (99.1%):

We will also create, record, and store a transcript of your chat interaction with us which will be shared with and stored by our third-party service providers.

Technical Measure (89.4%):

Session Replay Technology.

Technical Measure (94.0%):

We may use session replay technology on our Site.

Non-Personal Data (79.0%), Processing (94.6%), Technical Measure (91.7%):

Session replay technology, also referred to as session playback or user experience (UX) replay, collects information regarding records and tracks your interactions with a website or application.

Non-Personal Data (75.9%), Processing (84.4%):

It then transforms those logged user events (such as mouse movements, clicks, page visits, scrolling, tapping, etc.) into a reproduction of what you actually did on the website or application.

Required Purpose (96.0%), Technical Measure (79.8%):

We use session replays for quality control, customer service, fraud prevention and security, and marketing purposes.

Data Processor (81.9%):

Our session replay technology is owned and operated by a third-party who acts as our service provider.

Processing (98.2%):

The information collected by this technology may be collected by, transferred to, and stored by our

third-party service providers.

Personal Data (99.5%), Processing (95.1%), Required Purpose (98.5%), Third Party (63.4%):

While we do supply these vendors with email addresses or telephone numbers of those we wish for them to contact, your email address or telephone number is never used for any purpose other than to communicate with you on our behalf.

Required Purpose (78.4%):

When you click on a link in an email or SMS text, you may temporarily be redirected through one of the vendor's servers (although this process will be invisible to you) which will register that you've clicked on that link, and have visited our Site.

Legal Basis (85.3%), Processing (95.0%), Recipient (65.2%):

Kaiser Permanente never shares any information, other than your email address or telephone number, with our third-party email and voice/text messaging vendors, which may only share this information with its authorized subcontractors or as required by law.

Consent (62.8%), Personal Data (75.8%):

At any time, and even if you have expressly given us permission to send voice/text messages to you, you may communicate your desire not to receive additional voice/text messages by following the stop or opt-out instructions in the voice or text message, by adjusting your preferences on kp.org (for only certain categories of communications), or by contacting Member Services.

Required Purpose (62.2%):

Evaluation and Quality Improvement We will periodically ask users to complete surveys asking about their experiences with features of the Site.

Personal Data (75.8%):

Our surveys ask visitors for demographic information such as age, gender, and education, but will not request that users provide specific information about any medical condition.

Personal Data (60.9%), Required Purpose (98.9%):

We use survey information for evaluation and quality improvement purposes, including helping Kaiser Permanente to improve information and services offered through the Site.

Required Purpose (97.6%):

In addition, users giving feedback may be individually contacted for follow-up due to concerns raised during the course of such evaluation.

Personal Data (95.9%), Required Purpose (97.9%):

Demographic information and Web log data may be stored for future evaluation and quality improvement activities.

Required Purpose (70.1%):

Application for Kaiser Permanente Membership If you apply for Kaiser Permanente membership through the Site, you will be asked during the application process to disclose certain personal information so that we can evaluate your eligibility, and you will be asked to verify the truthfulness of your answers.

Recipient (88.9%):

Messages and Transactions Comments or questions sent to us using email or secure messaging forms will be shared with Kaiser Permanente staff and health care professionals who are most able to address your concerns.

Personal Data (64.4%), Processing (60.9%), Required Purpose (72.5%), Retention (90.9%):

We may archive your messages once we have made our best effort to provide you with a complete and satisfactory response.

Required Purpose (65.5%):

Call for advice (1-800-218-1059) Call for advice (TTY: 711) Help with appointments Help with e-visits Help finding doctors & locations Messages Records Back Close Records Track test results and vaccines or review After Visit and health summaries.

Automated Decision Making (75.9%):

Some of our services such as our automated appointment selection and prescription refill services interact directly with other Kaiser Permanente data systems.

Personal Data (87.9%):

Data about your transaction may be stored in these systems, and available to people who test and support these systems.

Processing (82.6%), Recipient (69.3%), Required Purpose (89.0%):

When you use a service on the secure section of the Site to interact directly with Kaiser Permanente health care professionals, some information you provide may be documented in your medical record, and available for use to guide your treatment as a patient.

Personal Data (90.6%), Required Purpose (75.9%):

Credit Card Transactions If you provide us with your payment card number for pharmacy prescriptions or other payments, we will treat your payment card number in a secure manner.

Art. 15 Right to access by the data subject (67.5%):

Data Integrity and Correction You have the right to request to view and correct personal information from the Site.

Art. 17 Right to erasure (right to be forgotten) (89.0%):

Get started at Pharmacy Refilling medications Order medications Find a KP pharmacy Managing medications Review all your medications View orders Set refill reminders Manage delivery addresses Need help with medications?

Art. 17 Right to erasure (right to be forgotten) (84.8%), Third Party (97.3%):

If your personal information changes, you have the right to update or request deletion of information collected on our Site, or if you believe a third party has provided us with your personal information and you would like to request that it be edited or removed from our database, please use the contact information in the "Questions, Complaints, and Contacts" section below.

Legal Basis (89.6%), Processing (96.0%), Required Purpose (67.2%):

Information disclosed to vendors or contractors for operational purposes may not be re-disclosed to others by such a vendor or contractor, except as permitted by KP and applicable law.

Required Purpose (98.7%):

We may also disclose your personal information to third parties who provide services on our behalf to help with our business activities.

Required Purpose (77.8%):

These companies are authorized to use your personal information only as necessary to provide these services to us pursuant to written instructions.

Contract (88.6%):

In such cases, these companies must abide by our data privacy and security requirements, and are not allowed to use your personal information they receive from us for any other purpose.

Consent (60.0%), Legitimate Interest (68.2%), Recipient (95.7%), Required Purpose (95.5%):

These services may include: payment processing providing customer service sending marketing communications fulfilling subscription services conducting research and analysis providing cloud computing infrastructure We may also disclose your personal information: as permitted or required by law, such as to comply with a subpoena, or similar legal process as described in our Notices of Privacy Practices for protected health information when we believe in good faith that disclosure is necessary to protect our rights, protect you or others safety from threats of imminent harm, investigate fraud or other activity in violation of the law, or respond to lawful request by public authorities (including to meet national security or law enforcement requirements) to protect the security and reliability of the Site if Kaiser Permanente is involved in a merger, acquisition, or sale of all or a portion of its assets, you will be notified via email and/or a prominent notice on our Site of any change in ownership or uses of your personal information, as well as any choices you may have regarding your personal information to any other third party with your prior consent to do so to

Kaiser Permanente entities to carry out business planning and development and business management and general administrative activities, such as to provide, maintain and personalize our sites and services, and to communicate with you 10.

Personal Data (98.2%):

Opt-out If a user makes a request to receive information (for example, requesting a subscription to one of our online publications) in an ongoing manner through the Site by providing an email address or mobile phone number the user may request to discontinue future mailings or messages.

Legal Basis (85.5%), Required Purpose (79.4%):

Other Requests to Limit the Use and Disclosure of Your Personal information State and federal laws may allow you to request that we limit our uses and disclosures of your personal information for treatment, payment, and health care operations purposes.

Organisational Measure (92.4%):

We will consider all requests and, if we deny your request, we will notify you in writing.

Legal Basis (95.1%), Organisational Measure (84.9%):

Federal law requires us to agree to your request to restrict disclosures to a health plan or insurer relating to specific health care services, if you have paid for those services in full.

Legal Basis (82.3%):

The law does not, however, require us to restrict any disclosures we think are important for treatment purposes.

Retention (95.2%):

Data Retention We will retain your personal information for the period necessary to fulfill the purposes outlined in this Privacy statement, including to meet our legal obligations, resolve disputes, and enforce our agreements, unless a longer retention period is required or permitted by law.

Required Purpose (85.7%):

These Features may collect your IP address, which page you are visiting on our Site, and may set a cookie to enable the Feature to function properly.

Third Party (77.5%):

Links to Third-Party Websites Our Site includes links to other websites whose privacy practices may differ from those of Kaiser Permanente.

Required Purpose (83.7%):

Location An IP address (also called Internet address) is assigned to your device by your Internet Service Provider, and is a requirement to use the internet.

Personal Data (99.6%), Required Purpose (99.3%):

IP addresses are used to make the connection between your device and the websites and services you use.

Required Purpose (85.8%):

Your IP address includes some general information about your device location and we use that to display your proximate location in the website and mobile app user experience.

Data Source (62.6%):

We derive your internet device's proximate location from your IP address, which is provided to us when you come to the Site.

Personal Data (87.2%), Required Purpose (98.1%), Technical Measure (92.2%):

We may use your precise device location using technologies like GPS, Wi-Fi, and Bluetooth, to help you find a facility, doctor, or directions within a facility or to provide you with timely notices when you visit a facility.

Third Party (78.1%):

Third-Party Applications At your request, we may send your personal information to applications and websites that are created and owned by a third party.

Processing (73.9%):

Kaiser Permanente does not control those applications or websites, or application or website providers and is not responsible for the integrity, privacy, security or breach of data transferred to, or stored in the application or website, or the use or disclosure of data by the application or website, or the application or website provider once the data are released by Kaiser Permanente.
