Data Source (70.7%), Data Subject (71.7%), Personal Data (98.1%), Processing (97.7%), Required Purpose (78.1%):

The following outlines this commitment to users as we want to be able to provide everyone with a user experience that is safe and secure.

Personal Data (85.8%), Processing (97.2%), Required Purpose (78.8%):

MyJob.mu wants to ensure, to our best efforts, that any information you give us remains private and are used only for the purposes outlined in this Policy.

Consent (97.0%), Personal Data (99.7%), Processing (99.1%):

By using the Website and/or the MyJob.mu Service, you permit the collection and use of your personal information as outlined below and you signify your agreement to this Privacy Policy.

Data Controller (65.4%), Non-Personal Data (66.3%), Personal Data (97.1%), Processing (73.8%):

About our privacy policy Our website MyJob.mu which includes any webpage containing this domain name, including any page that is enabled for use by a mobile device or any webpage redirected from another domain name (the Website") and the services provided on the Website (for a more complete description of the services see our Terms of Use) (the "MyJob.mu Service ") are operated by My Web Ltd, 53 Avenue de la Canelle Ebene City, Ebene, Mauritius.

Personal Data (99.6%), Processing (99.0%):

This policy, our Terms of Use and any other documents referred to in either of them set out the basis on which any personal data we collect from you, or that you provide to us, will be processed by us.

Data Subject (94.1%):

a recruiter) then the MyJob.mu Customer Terms also form part of your agreement with us.

Organisational Measure (82.7%), Processing (98.9%):

To prevent unauthorised access or disclosure of information under our control, MyJob.mu has appropriate security management systems in place to safeguard the information we collect.

Technical Measure (98.4%):

Firewalls, Intrusion Detection and Virus Scanners are used on all parts of the MyJob.mu website.

Personal Data (96.5%), Processing (80.6%):

While MyJob.mu makes every effort to protect all personal information, we recognise that unfortunately no data transmission over the Internet can be guaranteed to be 100% secure.

Processing (96.1%):

Encryption during transmission is also used on sections of the site where security is particularly important.

Processing (99.3%):

As a result MyJob.mu cannot ensure or warrant the security of any information you transmit to us, you do so at your own risk.

Consent (83.0%), Processing (98.5%):

We will inform you at the time of collecting information from you whether you must provide the information to use the Website or a particular MyJob.mu Service, or whether the provision of information requested by us is optional .

Consent (68.8%), Third Party (98.6%):

We will inform you at the time of collecting information from you whether the information that you provide to us will be accessible to other users of the Website or by third parties, so that you can decide whether to provide the information to us.

Consent (62.8%), Data Source (66.2%), Non-Personal Data (83.8%), Personal Data (99.2%), Processing (86.2%), Required Purpose (75.9%):

We may collect and process the following data about you: if you contact us, we may keep a record of that correspondence; information that you submit in response to surveys or polls; details of applications for employment positions that you make using the Website; details of resumes or curricula vitae which you make available on the Website for third parties to browse in connection with employment, consultant or contractor positions; details of company reviews, salary surveys, recruitment process feedback and other User Content which you make available on the Website; details of your visits to the Website including, but not limited to, traffic data, location data, weblogs and other communication data, whether this is required for our own billing purposes or otherwise and the resources that you access; proof of identity that we request from you before we disclose personal information to you that we hold (in order to establish that we are disclosing the personal data to you and not to someone pretending to be you); and personal details that you submit to us, such as your name, address, telephone number, email address, gender and date of birth.

Consent (87.8%), Non-Personal Data (90.8%), Personal Data (98.8%), Processing (62.8%):

account information such as username, password and, personal data contained in resumes/CVs and cover letters, employment details, education history, eligibility to work, salary expectations, job applications made by you, your interests, preferences, feedback, company ratings and survey responses.

Processing (98.3%), Third Party (93.6%):

Uses made of the information MyJob.mu's Customers post information about employment, consultant or contractor vacancies on the Website, whether on their own behalf or, if a recruitment or consultancy, on behalf of third parties ("Job Specifications").

Personal Data (66.2%):

The Website and the MyJob.mu Service help people find, advertise, apply for or express interest in vacancies, and provide employment, consultant or contractor related information.

Processing (90.3%):

These Job Specifications can then be accessed and read by other users of the Website.

Processing (81.2%):

Please read the following carefully to understand our views and practices regarding your personal data and how we will treat it.

Data Subject (61.3%), Third Party (92.1%):

You can search for registered Customers of the Website, whether they are direct employers or agencies.

Required Purpose (81.9%):

We use information held about you in the following ways: to provide registered Customers of the Website with the information that you submit to the Website in response to a Job Specification.

Consent (97.1%), Personal Data (96.7%), Processing (94.0%), Required Purpose (89.6%):

Submission of information by you to a particular Job Specification is treated by us to be permission to forward to that information to the Customer or Customers that have posted that Job Specification only; if you choose to be a registered user of the Website, we will display details of the personal information about you that you submit to the Website for registered Customers of the Website, so that Customers are able to evaluate whether you are a suitable candidate for a vacant position (whether or not a Job Specification); you will be able to control the type of personal information about you which will be displayed in this way through your user account; to ensure that content from the Website is presented in the most effective manner for you and for your computer; as a registered user of the Website you may opt to receive Job Alerts by email.

Required Purpose (90.9%):

To facilitate your ease of use of the Website across multiple devices, Job Alerts by email include a personalised link which will recognize you when you visit the Website by clicking on a link in the email.

Automated Decision Making (71.9%):

This makes it easy for you to apply for jobs as your name, email address, and link to your last used CV will automatically be populated in the Job application form.

Consent (91.2%), Organisational Measure (77.5%), Required Purpose (97.7%):

Sharing personalised Job Alerts could result in a somebody inadvertently applying for a job in your name to provide you with information, products or services that you request from us or which we feel may interest you, where you have consented to be contacted for such purposes; to ensure we present the most relevant job and employer opportunities and to you to use anonymized data for

statistical purposes and make such analysis available to third parties; to allow you to participate in interactive features of our service, when you choose to do so; and to notify you about changes to our service.

Organisational Measure (78.4%), Processing (93.9%):

We may also use your email address to send you updates or news regarding the Website or a MyJob.mu Service, but you may choose not to receive emails of this type by accessing your Candidate Profile page of the Website and updating your notification settings .

Required Purpose (94.1%):

Additionally, we or a registered Customer may use your email address to contact you where you are a registered user or if you have responded to a Job Specification.

Personal Data (86.3%):

We do not request (nor encourage you) to submit sensitive data to the Website, (ie data relating to racial or ethnic origin, political or religious opinions, membership of a trade union, physical or mental health or condition or sexual life, the commission of any offence or related documentation).

Consent (73.2%), Processing (97.1%):

If, however, you choose to do so then you consent to our processing this data in the manner set out in this Privacy Policy.

Personal Data (87.1%):

This includes information related to their company such as; company logo, contact details, company profile, web address and related links.

Personal Data (85.4%), Processing (85.9%):

This information is disclosed for your convenience and information, however if you access some of the links and web addresses disclosed on these pages, you will leave the MyJob.mu website.

Required Purpose (78.7%):

Some MyJob.mu clients are advertised on site under featured employer member pages; which means MyJob.mu host a number of their web pages on our server to provide users with an experience similar to the recruiter's own website.

Consent (74.6%), Legal Basis (93.9%), Third Party (98.9%):

Disclosure of your information to other people Except as set out in this Policy, we do not disclose to any third party personal information that you provide to us unless we have your permission or we believe the law permits or requires it.

Data Controller (63.8%), Processing (73.0%), Recipient (70.4%), Required Purpose (97.2%):

We are a part of StepStone GmbH (Stepstone), we may upload users account information to

<https://developer.stepstone.com> of Stepstone to deliver our services to you; to the prospective seller or buyer of any business or assets related to the Website or all or part of MyJob.mu Limited; to a third party if we are under a duty to disclose or share your personal data with that third party in order to comply with any legal obligation, or in order to enforce or apply our Terms and Conditions and other agreements, or to protect the rights, property, or safety of MyJob.mu Limited, our customers, or others.

Processing (88.3%):

As Job Alert emails are personalised to you, it is important that you do not share these email links with other people or post them on social media.

Required Purpose (87.6%):

This includes exchanging information with third parties for the purposes of fraud protection and credit risk reduction.

Processing (84.1%):

We will notify you when information about you may be provided to third parties in ways other than explained above, and you will have the option to prevent such information sharing at the time that we notify you.

Non-Personal Data (98.4%), Third Party (89.5%):

We do not disclose personal information about you to third parties (including advertisers or marketing companies), but we may provide them with aggregate anonymised information about the Website's users.

Non-Personal Data (86.1%):

For example, we may inform them that 500 men aged under 30 have registered as users of the Website, or we might inform third parties regarding the number of unique users who visit a particular Job Specification on the Website, the demographic breakdown of our registered users of the Website or the activities that visitors to the Website engage in while on the Website.

Required Purpose (96.8%):

We may also use such aggregate anonymised information to help Customers improve their Job Specifications.

Authority (89.9%), Legal Basis (64.7%):

We reserve the right to disclose the identity of an account holder, if we are ordered to do so by a court of competent jurisdiction, law enforcement, regulatory or administrative authorities or where there is a statutory obligation to do so.

Processing (94.4%), Required Purpose (61.4%), Scale Non-EU (70.5%):

We may provide your personal data to third parties for purposes that you agree to elsewhere in this Privacy Policy where those third parties based outside of Mauritius, and you consent to a transfer of your personal information to third parties identified in this Privacy Policy for purposes identified in this Privacy Policy.

Personal Data (89.8%), Processing (88.0%):

Although we will endeavour to protect your personal data, we cannot guarantee the security of your data transmitted to the Website; any transmission is at your own risk.

Organisational Measure (77.9%):

Once we have received your information, we will use strict procedures and security features to endeavour to prevent unauthorised access.

Personal Data (99.4%):

You should be aware that when you disclose personally identifiable information and agree to make that information available to our Customers on the Website (e.g.

Required Purpose (75.5%):

These third parties may use your information (for example they may contact you, arrange an interview with you, review your suitability for a particular position) and such third activities are beyond our control.

Processing (94.8%):

If you have submitted information directly to Customer in respect of a particular Job Specification then you understand that we process that information as an agent of the Customer (whether or not as a registered user of the Website and/or the MyJob.mu Service).

Personal Data (98.9%):

MyJob.mu does not vet or monitor the Job Specifications in terms of their terms and conditions applicable to the use of your personal information.

Third Party (97.8%):

Links to third party websites The Website may, from time to time, contain links to and from the websites of our partner networks, Customers, advertisers and affiliates as well as third party websites to which we have no affiliation.

Required Purpose (78.0%):

We also use third party advertisements to support our site.

Non-Personal Data (91.0%), Personal Data (94.6%), Technical Measure (98.6%):

Some of these advertisers may use technology such as cookies and web beacons when they advertise on our site, which will also send these advertisers (such as Google through the Google

AdSense program) information including your IP address, your ISP , the browser you used to visit our site, and in some cases, whether you have Flash installed.

Required Purpose (78.7%):

This is generally used for geotargeting purposes or showing certain ads based on specific sites visited.

Non-Personal Data (95.9%), Required Purpose (95.0%):

IP addresses and cookies We may collect information about your computer, including (where available) your IP address, operating system and browser type, for system administration, statistical purposes.

Non-Personal Data (62.6%):

This is statistical data about our users' browsing actions and patterns, and does not identify any individual.

Processing (98.2%):

For the same reason, we may obtain information about your general internet usage by using a cookie file which is stored on the hard drive of your computer.

Processing (97.5%):

Cookies contain information that is transferred to your computer's hard drive.

Personal Data (86.3%), Processing (79.2%):

On revisiting the Website our computer server will recognise the cookie, giving us information about your last visit.

Required Purpose (96.5%):

They help us to improve the Website and to deliver a better and more personalised service.

Required Purpose (66.7%):

You may opt out of receiving such offers or change your preferences at any time by accessing the Email notifications" tab on the "Your Account" page of the Website or alternatively, if you have problems doing this, you can contact us; any member of our group of companies, which means our subsidiaries, our ultimate holding company and its subsidiaries.

Required Purpose (96.3%):

They enable us: to estimate our audience size and usage pattern; to store information about your preferences, and so allow us to customise the Website according to your individual interests and make your usage of the Website more enjoyable; and to speed up your searches.

Consent (77.1%), Technical Measure (64.1%):

You may refuse to accept cookies by activating the setting on your browser which allows you to

refuse the setting of cookies.

Processing (81.1%):

Unless you have adjusted your browser setting so that it will refuse cookies, our system will issue cookies when you log on to the Website.

Personal Data (79.2%), Required Purpose (90.3%):
