Privacy Policy Privacy Policy Effective Date: February 1, 2023 Introduction This Privacy Policy applies to the Community Brands hosted product platforms and websites owned and operated by Community Brands, its subsidiaries or affiliates (collectively, Community Brands), including, but not limited to www.core-apps.com.

Contract (79.0%), Data Subject (94.9%), Non-Personal Data (72.4%), Personal Data (79.0%), Processing (96.2%):

This Privacy Policy (Privacy Policy) describes the types of information we collect about users of our Company websites, and users of websites hosted by the Company on behalf of our customers (Customers).

Contract (64.7%), Data Controller (97.7%), Data Subject (94.4%), Non-Personal Data (67.5%), Personal Data (87.6%), Processing (94.4%), Recipient (73.3%), Required Purpose (68.6%), Retention (60.1%), Right (67.3%):

Throughout this document, this website and all other Community Brands websites will be collectively referred to as the Websites. Services provided by or enabled via the Websites will be referred to as the Services. At Community Brands (CB, we, us, our, or the Company), we are committed to protecting your privacy.

Data Source (66.7%), Processing (93.0%), Required Purpose (70.3%):

This Privacy Policy is designed to help you understand how we collect, use, and safeguard the information you provide to us and to assist you in making informed decisions when using our Services.

Required Purpose (72.5%):

Community Brands provides services through our platforms for the purpose of fulfilling our Customer agreements (individually, a Customer Agreement).

Personal Data (99.6%), Processing (99.5%):

Community Brands processes Customer data under the direction of its Customers and has no direct relationship, control, or ownership of the personal data it processes under the Customer Agreement.

Consent (66.1%), Legal Basis (95.5%), Organisational Measure (87.6%), Processing (98.4%), Required Purpose (84.7%):

Customers are responsible for complying with any regulations or laws that require providing notice, disclosure, and/or having a legal basis prior to transferring the data to Community Brands for processing purposes.

Contract (96.1%), Processing (99.5%), Required Purpose (75.9%):

The use of information collected through these platforms is strictly limited to the purpose of meeting our contractual obligations to our Customers and providing the services requested by our Customers, which are defined within our Customer Agreements.

Personal Data (94.7%), Processing (71.1%):

Access and process your data, including the interaction data, diagnostic data, and the contents of your communications and files associated with your Community Brands product and product accounts.

Personal Data (95.9%), Right (97.6%):

You should direct your privacy inquiries, including any requests to exercise your data protection rights, to your organizations administrator.

Personal Data (93.8%):

When you use a Community Brands product provided by your organization, Community Brands processing of your personal data in connection with that product is governed by a contract between Community Brands and your organization.

Required Purpose (99.8%):

Community Brands processes your personal data to provide the product to your organization and you.

Consent (98.7%), Scale EU (71.0%), Scale Non-EU (96.0%):

A Note to Parents & Children If you are a child under 16 in the European Union or UK or a child under 13 in the United States, you may access the Service only to the extent that consent is given or authorized by the holder of parental responsibility over you.

Personal Data (93.7%):

Please speak with your parent or guardian about this Privacy Policy so you can better understand how we use your personal data.

Consent (62.3%), Personal Data (99.9%), Processing (99.0%):

Parental Access A parent who has already given Community Brands or our Customer permission to collect, use, and share their child's personal information can, at any time, do the following: (1) review, correct, or delete the child's personal information; and/or (2) discontinue further collection, use, or sharing of the child's personal information.

Art. 17 Right to erasure (right to be forgotten) (83.9%), Data Source (65.8%), Processing (72.5%):

We make reasonable efforts to verify that consent is given or authorized by the holder of parental responsibility over you, and, if we learn or have reason to suspect that we have collected personal data from you without parental consent, we will promptly delete it.

Personal Data (99.0%):

What Data Do We Collect Depending upon the Community Brands Website or Service you are accessing or other method of contact, we may collect the following information: Contact details such as (for example) your full (i.e., first, and last) name, institutional affiliations, phone number, email address, and postal address.

Data Subject (76.6%), Non-Personal Data (91.2%), Personal Data (83.9%), Processing (93.2%), Recipient (62.0%):

Educational and professional background information Employment and application data Event registration information Tuition, admission, and financial aid information Payment Data Usernames and passwords that may be used on some of the Community Brands Websites Comments, feedback, posts, and other content you submit to the Community Brands Websites Information you provide to or post on message boards or chat rooms that are part of the Community Brands Websites Interests and communication preferences.

Data Source (73.9%), Legal Basis (91.3%):

Community Brands is not responsible for the privacy or security practices of our Customers, which may differ from those set forth in this privacy statement.

Consent (69.8%), Non-Personal Data (62.2%), Recipient (77.2%), Third Party (97.1%):

Our Customers decide what data to collect (this typically includes information about their end-users customers, prospects, employees, consultants or independent contractors, suppliers, and other individuals or third parties).

Processing (99.0%):

If your organization provides you with access to Community Brands products, your use of the Community Brands products is subject to your organizations policies, if any.

Processing (98.8%):

Community Brands accesses and collects information that you voluntarily give us via email, webform or other direct contact from you.

Personal Data (90.3%), Required Purpose (88.8%):

We will use your information to respond to you, regarding the reason you contacted us.

Not Required Purpose (74.9%):

We will not sell or rent this information to anyone.

Processing (77.2%):

Community Brands is not responsible for the content or privacy practices of non-Community Brands websites to which this website, or any other Community Brands website, may link.

Recipient (68.0%), Required Purpose (72.3%):

We may disclose information to our corporate affiliates and third parties to provide products and services to you or related to products or services you have purchased or downloaded from Community Brands.

Consent (86.7%):

Unless you ask us not to, we may contact you via email or text message in the future to tell you about our services, new products, changes to this privacy policy or to provide you with informational or educational newsletters.

Legal Basis (75.8%), Required Purpose (96.4%):

Community Brands may access Customer Data for the purposes of providing and enhancing a service, preventing or addressing service or technical problems, responding to support issues, and responding to a Customers instructions, or as may be required by law, in accordance with the relevant Agreement between the Customer and Community Brands.

Non-Personal Data (88.5%), Personal Data (95.9%):

During the download and registration process, we collect Business Information, including customer ID number and product version, type, and serial number.

Personal Data (65.8%):

Account Set-Up and Access: Upon subscribing to our services, Community Brands collects Business Information, which may include information such as product serial number, customer ID and your customer profile information.

Personal Data (82.9%), Required Purpose (62.9%):

This allows us to identify you to authorize your access and use of the services, and to provide you with your relevant account information.

Non-Personal Data (90.8%), Processing (85.9%):

Certain products allow you to access your account to obtain information such as your support plan status, service subscriptions, registrations, and order history.

Personal Data (99.6%):

Information requested may include federal ID numbers, bank account, payroll, credit card and

contact information.

Required Purpose (94.1%):

This information is used to process your enrollment request and, if approved, to set up and administer your account.

Consent (65.5%), Non-Personal Data (94.1%), Personal Data (97.7%):

Web-based Services: Some of our web-based Services collect certain additional information, including IP address, browser, connection speed, domain, referring URL and other environment-related information.

Non-Personal Data (85.1%):

This enables us to provide a secure environment for the use of the services, to pre-populate forms and calculate aggregate statistical information about the customers using these services.

Required Purpose (70.5%):

Support.

Personal Data (80.6%), Required Purpose (74.8%):

If you access our support services, you may be asked for information such as customer ID, product name, product version, and other information to help us determine what the technical issues are and how best to help you resolve them.

Automated Decision Making (89.2%), Non-Personal Data (88.1%), Required Purpose (74.3%):

If you access online support services from a product, information about your network, operating system, and other similar information will be automatically pre-populated for submission to our customer support representatives to assist them in answering your questions.

Personal Data (90.2%):

Information (including personal and Business Information) that you submit, post, or otherwise reveal in a public forum (such as comments to a blog or product discussion forum) is not subject to this Privacy Policy, will be seen by third parties not related to Community Brands, and may be used by them or Community Brands to contact you for any purpose.

Required Purpose (92.5%):

This information is used to contact you about the products/services on our Website in which you have expressed interest.

Organisational Measure (69.7%):

We request information from you on our order forms.

Personal Data (99.6%):

To buy from us, you must provide contact information (like name and shipping address) and

financial information (like credit card number, expiration date).

Data Processor (66.6%), Personal Data (98.6%), Processing (97.9%), Required Purpose (70.4%):

All payment data is stored by our payment processors, and you should review their Privacy Policies and contact the payment processor directly to respond to your questions.

Processing (98.5%), Required Purpose (96.9%):

Community Brands uses this information for billing purposes and to fill your orders.

Consent (83.5%):

Participation in these surveys or contests is completely voluntary and you may choose whether or not to participate and therefore disclose this information.

Personal Data (99.5%):

Information requested may include contact information (such as name and shipping address), and demographic information (such as zip code).

Personal Data (83.1%):

Products Provided By Your Organization
Notice To End Users
If you use a Community Brands product with an account provided by an organization you are affiliated with, such as your association or school account, that organization can: Control and administer your Community Brands product and product account, including controlling privacy-related settings of the product or product account.

Legal Basis (89.6%), Personal Data (99.6%), Required Purpose (98.9%):

Contact information will be used to notify winners and award prizes, if applicable.

Personal Data (85.0%), Required Purpose (93.9%):

Survey information will be used for purposes of monitoring or improving the use and satisfaction of the Websites.

Consent (83.7%):

If you are a customer of a Community Brands Customer, you should review any additional privacy policy and terms of use agreements before using a Community Brands Customers website.

Consent (83.6%):

If you choose to opt-out of receiving promotional email and/or text communications from Community Brands, we may still periodically communicate with you via email, mail, and telephone for non-promotional matters.

Processing (78.3%), Third Party (92.7%):

If you access and/or use any of our third-party providers (our Partners) services from a link on our Websites, a Community Brands/Partner co-branded site or by any other means, any information you

reveal in connection with such service is submitted to our Partner and is not subject to this Privacy Policy.

Processing (66.4%):

You should consult the privacy policy of any Partners or third-party site with respect to its treatment of any information that you may reveal through such service.

Personal Data (77.0%):

Services and Product Data.

Consent (86.8%), Non-Personal Data (96.6%), Processing (93.4%), Required Purpose (86.5%), Third Party (95.5%):

Community Brands will not access your Product Data or Services Data except in the following limited circumstances: to provide you with technical support, solely at your request and with your permission on a limited-access basis to install updates, produce regular backups or restore data from backups at your request where the inherent purpose of the product or service requires Community Brands to provide the Product Data or Services Data to a third party on your behalf (for example where Community Brands makes tax filings on your behalf or initiates bank transfers on your behalf); and to utilize aggregate information derived from Product Data and Services Data to help us improve our products and services and in developing additional offerings.

Required Purpose (76.4%):

Aggregate information is non-identifying information about you that is provided to third parties for analysis.

Required Purpose (91.4%):

For example, we might inform third parties regarding the number of users of this Website and the activities they conduct while on this Website to better understand user experience.

Processing (81.6%):

Each email and/or text we send will contain instructions on how to unsubscribe should you decide not to receive future promotional communication.

Personal Data (95.6%):

Business Information collected by Community Brands does not include your companys data entered in the course of operating our products (Product Data) or data provided by you while using our services (Services Data).

Personal Data (67.1%):

Third-parties who receive aggregate information cannot identify or contact you based on the information they receive Community Brands will not provide your Product Data or Services Data to

any third-party or permit any third-party to access your Product Data or Services Data, except with your permission or to comply with valid legal requirements such as a law, regulation, search warrant, subpoena, or court order.

Contract (62.1%):

In addition, if at any time you decide to discontinue your use of the applicable service, your Services Data will be destroyed and removed from all servers according to terms set forth in your Customer Agreement, subject to applicable back-up and disaster recovery practices and procedures.

Required Purpose (64.0%):

As part of our recruitment and talent management process, we collect personal information with respect to individuals who are interested in working for us.

Non-Personal Data (71.6%), Personal Data (99.6%):

In this context, we collect employment and application data, such as the following: contact information (e.g., name, title, residential or postal address, telephone number, and personal email address); information in a curriculum vitae, resume, cover letter, or similar documentation; details regarding the type of employment sought, willingness to relocate, job compensation and benefit preferences; health data (e.g., medical conditions); information related to your background, education, criminal record, credit history and similar data; information provided about or by your references or other third parties related to your employment history, skills, qualifications, or education; and, information related to previous applications to us or previous employment history with us.

Legal Basis (71.6%), Personal Data (71.9%), Required Purpose (99.1%):

When permitted by law, we may collect information about your race and ethnicity to assist with our diversity and inclusion programs.

Legitimate Interest (74.2%), Required Purpose (96.2%), Third Party (60.8%):

We use this information for the following purposes: to identify and evaluate job applicants; to verify your information; to complete employment, education, background and reference checks; to communicate with you about the recruitment process and your application; to comply with our legal, judicial, regulatory, administrative, or other corporate requirements; to analyze and improve our application and recruitment process; to accommodate individuals who may have specialized needs during the employment process; and to protect the rights, interests, and property of our business, other job applicants, employees, or the public, as required, or permitted, by law.

Processing (79.6%), Technical Measure (96.8%):

Community Brands may place cookies on the browser of your computer.

Consent (75.6%):

You may choose to decline cookies if your browser permits but doing so may affect your ability to access or use certain features of the Website.

Technical Measure (96.7%):

Community Brands may also utilize web beacons on our Websites.

Non-Personal Data (71.1%), Processing (95.7%):

A web beacon, also known as an Internet tag, pixel tag or clear GIF, links web pages to web servers and their cookies and may be used to transmit information collected through cookies back to a web server.

Automated Decision Making (87.9%), Non-Personal Data (87.4%), Personal Data (75.7%), Processing (98.9%):

The information collected through these automated means may include information that we gather and store about your visit to, and use of, the Websites, such as your IP address, type of browser and operating system used, date and time you access the websites, pages you visit, and, if you linked to the Websites from another website, the address of that website.

Personal Data (99.3%):

This data does not include Personal Information and is not treated as Personal Information under this Privacy Policy, but it may include the IP address of your device.

Personal Data (87.5%):

We may link an IP address to information that is personally identifiable.

Processing (87.4%):

We may also allow certain third-party analytics service providers to include cookies and web beacons within the pages of the Websites on our behalf and to retain and use the information received from such cookies and web beacons themselves.

Non-Personal Data (69.3%):

Currently, various browsers including Microsoft Edge, Google Chrome, Internet Explorer, Mozilla Firefox, and Apple Safari offer a do not track or DNT option that relies on a technology known as a DNT header, which sends a signal to Web sites visited by the user about the users browser DNT preference setting.

Third Party (86.5%):

Community Brands may use your Business Information to inform you of special discounts or offers from other companies we have carefully selected and whose products and services may be of interest to you.

Retention (92.4%):

How Long Do We Keep Your Data We may retain your information for a period of time consistent with the original purpose of collection.

Retention (86.1%):

For instance, we may retain your information during the time in which you have an account to use our Web sites or Services and for a reasonable period of time afterward.

Legitimate Interest (76.0%), Retention (87.3%):

We also may retain your information during the period of time needed for us to pursue our legitimate business interests, conduct audits, comply with our legal obligations, resolve disputes and enforce our agreements.

Organisational Measure (88.7%):

How Do We Protect Your Data We take precautions to protect your information.

Organisational Measure (85.2%):

We use appropriate security measures to protect the security of your data both online and offline.

Required Purpose (75.1%):

We may share data collected from you on Community Brands Websites with third-party service providers or consultants who need access to the data to perform their work on Community Brands behalf.

Legal Basis (90.0%), Personal Data (65.6%), Required Purpose (94.0%):

We may disclose your data to a third party if (i) we believe that disclosure is reasonably necessary to comply with any applicable law, regulation, legal process or government request (including to meet national security or law enforcement requirements), (ii) to enforce our agreements and policies, (iii) to protect the security or integrity of the Community Brands Website or our Services and products, (iv) to protect ourselves, our other customers, or the public from harm or illegal activities, or (v) to respond to an emergency which we believe in good faith requires us to disclose data to assist in preventing a death or serious bodily injury.

Organisational Measure (70.6%):

If Community Brands is required by law to disclose any of your data that directly identifies you, then we will use reasonable efforts to provide you with notice of that disclosure requirement, unless we are prohibited from doing so by statute, subpoena or court or administrative order.

Processing (97.7%), Required Purpose (61.3%):

If we go through a corporate sale, merger, reorganization, dissolution or similar event, data we gather from you through our Websites may be part of the assets transferred or shared in connection

with due diligence for any such transaction.

Consent (81.9%), Personal Data (72.9%), Required Purpose (73.3%):

We do not share your data (including, but not limited to, the personal data of your end users) with third parties for their direct marketing purposes, unless you give us your consent to do so.

Required Purpose (97.3%):

If you have questions about Community Brands processing of your personal data in connection with providing products to your organization, please contact your organization.

Personal Data (89.4%):

Relevant job-seeker resumes are provided to Employers, who may use that resume information to contact the job-seeker.

Required Purpose (77.9%), Scale Non-EU (69.5%):

Cross Border Transfers of Data Community Brands headquarters are in the United States and as such, data may be transferred to the United States from the European Economic Area (EEA), Switzerland, or another country that requires legal protections for international data transfer.

Legitimate Interest (69.6%), Personal Data (99.7%), Right (71.1%):

Personal data will be transferred to the United States or another country in which Community Brands operates business (in certain scenarios, India and/or Philippines): to fulfill contractual obligations to you; with your consent; or to fulfill a compelling legitimate interest of Community Brands in a manner that does not impeach on your rights and freedoms.

Legal Basis (96.9%):

We are committed to protecting the privacy of personal data and adherence to Global Data Protection laws.

Contract (89.3%):

Community Brands implements Standard Contractual Clauses to govern the international transfer of data.

Authority (94.8%):

For EEA residents, you can find the contact details for your local data protection authority [here](#).

Legal Basis (79.8%), Processing (78.2%):

The personal information collected, stored, used, and/or processed by Community Brands, as described in this Privacy Policy, is collected, stored, used and/or processed in accordance with the Australian Privacy Act 1988 (Commonwealth), as amended, and the Australia Privacy Principles (APPs).

Authority (72.7%):

Notwithstanding the foregoing, you may submit a complaint at any time to the Office of the Australian Information Commissioner.

Legal Basis (90.1%), Personal Data (83.9%):

Canada Privacy Rights Personal data (as the term is defined in the Personal Data Protection and Electronic Documents Act of Canada (PIPEDA)) may be collected, stored, used and/or processed by Community Brands in accordance with this Privacy Policy and Community Brands obligations under PIPEDA and other applicable Canadian provincial laws.

Legal Basis (96.2%):

Pursuant to Canadian law, you have a right to request access to your personal information and to request that inaccurate personal information be corrected.

Personal Data (89.4%), Required Purpose (83.5%):

When requesting access to, or correction of, your personal information, we will require that you verify our request via email and request specific data from you to enable us to confirm the authenticity of the request and your identity, and to enable us to search our records and databases.

Art. 17 Right to erasure (right to be forgotten) (65.8%), Legal Basis (97.9%), Personal Data (63.0%), Processing (95.3%), Right (85.8%):

Pursuant to the California Consumer Privacy Act of 2018, as amended (CCPA), California residents have additional data privacy rights, including (i) the right to be notified about what personal information is collected about you, and our intended use and purpose for collecting your personal information, (ii) the right to know and access personal information we have collected, used, disclosed, or sold about you over the past twelve (12) months, including the categories of personal information we have collected, used, disclosed, or sold about you, the categories of sources from which the personal information is collected, the business or commercial purpose for which your personal information was collected, used, disclosed, or sold, and the categories of third parties with whom we have shared your personal information, (iii) the right to request Community Brands to transfer, to the extent feasible, personal information in certain forms and formats, (iv) the right to request that we delete/erase your personal information under certain circumstances, and (v) the right not to be subject to discrimination for asserting your rights under the CCPA.

Scale Non-EU (75.3%):

California Privacy Rights Data Privacy Rights.

Authority (95.8%):

If you would prefer, you may designate an authorized agent to submit a CCPA privacy request on your behalf.

Authority (85.9%):

An authorized agent must be registered with the California Secretary of State to conduct business in California.

Legal Basis (75.9%):

None of the CCPAs rights are absolute and are subject to legal and regulatory exceptions and exemptions.

Consent (87.5%):

Opt-Out Rights / Do Not Sell My Personal Information.

Right (75.9%):

Australia Privacy Rights Data Privacy Rights.

Data Processor (84.6%):

Privacy Rights Community Brands is a service provider to our Customers and the data in our systems is owned by our Customers, meaning, our Customers have jurisdiction over the data and any end-user data subject request should be submitted directly to the Customer.

Legitimate Interest (95.3%), Third Party (94.0%):

In compliance with Global Data Protection laws, Community Brands provides its Customers with specific additional rights such as the right to access, correction, and deletion as described below: request access to categories and specific pieces of personal information about you; request that we correct inaccurate or incomplete personal information about you; request deletion of personal information about you; request restrictions, temporarily or permanently, on our processing of some or all personal information about you; request transfer of personal information to you or a third party where we process the data based on your consent or a contract with you, and where our processing is automated; and opt-out or object to our use of personal information about you where either: our use is based on your consent or our legitimate interests, or you do not want us to share with third parties.

Legal Basis (90.7%), Organisational Measure (74.3%), Right (63.5%), Scale Non-EU (80.7%):

Community Brands will utilize commercially reasonable security and confidentiality measures to securely maintain Customer information, including but not limited to compliance with applicable data privacy legislation (meaning all laws and regulations, now or hereafter in effect, in any country or jurisdiction of the world, which protect the privacy rights of individuals submitting information to Community Brands Platforms, including without limitation the Regulation (EU) 2016/679 (GDPR), GDPR as applicable as part of UK domestic law by virtue of section 3 of the European Union (Withdrawal) Act 2018 and as amended by the Data Protection, Privacy and Electronic

Communications (Amendments etc) (EU Exit) Regulations 2019 (as amended), state and federal laws in the United States, such as the California Consumer Privacy Act, the California Privacy Rights Act, the Virginia Consumer Data Protection Act, the Utah Consumer Privacy Act, the Connecticut Act Concerning Personal Data Privacy and Online Monitoring, and the Colorado Privacy Act).

Legal Basis (69.7%):

All requests will be addressed within the timeframe required based on the applicable regulation.

Consent (83.7%):

Be aware that by revoking consent, you may lose access to Services you previously opted to use.

Organisational Measure (68.3%):

If there are material changes to the statement, such as a change to the purposes of processing of personal data that is not consistent with the purpose for which it was originally collected, we will notify you either by prominently posting a notice of such changes before they take effect or by directly sending you a notification.
