Non-Personal Data (85.9%), Personal Data (99.6%), Processing (96.9%), Required Purpose (86.6%), Technical Measure (73.5%):

This NCR Voyix Corporation Privacy Policy (aPrivacy Policya) provides information on the Processing (as defined below) of Personal Data (as defined below), including Personal Data to which NCR Voyix has access in connection with the provision of products and services to our customers.

Contract (95.9%), Required Purpose (93.5%):

a Definitions a aContract Dataa means any Personal Data about our customers, our customersa customers, or our customersa personnel that NCR Voyix Processes in connection with providing products or services to a customer under a contract.

Authority (68.8%):

aControllera means a natural or legal person, public authority, agency or other body which, alone or jointly with others, determines the purposes and means of the Processing of Personal Data.

Consent (98.3%), Personal Data (99.2%):

This policy governs NCR Voyix Corporation and its global subsidiaries worldwide for all operations where NCR Voyix is the Controller of Personal Data.

Legal Basis (92.5%):

aPersonal Dataa means information relating to an identified or identifiable natural person to the extent such information is afforded the protection of law.

Personal Data (99.7%), Required Purpose (93.9%):

An identifiable natural person is one who can be identified, directly or indirectly, in particular by reference to an identification number, location data, an online identifier or to one or more factors specific to the individualas physical, physiological, mental, economic, cultural, or social identity.

Contract (82.5%), Legal Basis (99.1%), Personal Data (94.1%), Processing (81.0%), Required Purpose (65.0%), Technical Measure (87.7%):

In the state of California, Personal Data may also include categories of information that identify or could be linked to a particular consumer or household such as identifiers, bank account and payment card numbers, Protected Class characteristics, commercial information, biometric information, professional, educational or employment-related information, Internet or electronic network activity, and inferences used to create a profile about a consumer in accordance with applicable law.

Processing (99.6%), Required Purpose (89.0%):

aProcessa means any operation or set of operations that is performed upon Personal Data, whether or not by automatic means, such as collection, recording, organization, structuring, storage, adaptation or alteration, retrieval, consultation, use, disclosure by transmission, dissemination or otherwise making available, alignment or combination, restriction, blocking, erasure, or destruction.

Legal Basis (91.0%), Personal Data (99.4%):

aSpecial Categories,a aSensitive Personal Data,a or "Characteristics of Protected Class(es)a (collectively, aSpecial Categoriesa)means, to the extent designated under applicable law, Personal Data revealing racial or ethnic origin, color, national origin; political opinions, religious, or philosophical beliefs; trade union membership; genetic data or biometric data for the purpose of uniquely identifying a natural person; data concerning age, disability, or health; or data concerning a natural personas sex life or sexual orientation.

Data Subject (66.5%), Processing (99.3%):

aYoua means any individual about whom NCR Voyix collects, uses, or discloses Personal Data except as described below.

Data Subject (89.7%):

a Collection of Personal Dataa The categories of Personal Data NCR Voyix may collect about you depend on whether you are a customer, user, employee, or visitor and the requirements of applicable law.

Non-Personal Data (71.1%), Personal Data (99.6%):

a You may provide Personal Data to NCR Voyix in a variety of ways, such as: Creating an Account, Becoming a Channel Partner, or Setting Up a Merchant Account by registering for an online account or event and supplying your name, title, company, business function, physical and email addresses, telephone number, social security number, tax identification number, financial account information, user IDs, and/or password.

Personal Data (97.9%), Processing (61.9%), Required Purpose (98.2%):

When you contact us to join a mailing list, inquire about or purchase a product or service, apply for employment, fill out an information form, or otherwise contact us with a question, comment, or request, and supply your name, title, company, physical and email addresses, telephone number, resume, user IDs, and/or password.

Consent (90.5%):

If you decide to participate, you may be asked to provide certain information, which may include Personal Data.

Required Purpose (76.4%):

Engaging with us on Social Media.

Data Controller (97.5%), Non-Personal Data (79.9%):

We may offer forums, blogs, or social media pages.

Required Purpose (89.7%):

When you visit our physical facilities, you may provide us with certain information about you for security purposes.

Processing (91.9%), Required Purpose (87.7%), Technical Measure (96.7%):

We may also employ closed-circuit video recording (i.e., aCCTVa) that may capture your image.

Personal Data (99.7%), Processing (86.0%), Required Purpose (99.2%):

We may collect contact information, financial data, and other similar data to manage our relationship with you or your business, take orders, process and deliver products and services to you including complaint and dispute resolution.

Data Controller (97.2%), Required Purpose (66.5%):

Registering for Sweepstakes or Contests.

Legal Basis (91.7%), Personal Data (80.8%), Required Purpose (98.4%):

Contact information you provide may be used to reach you about the sweepstakes or contest and for other promotional, marketing and business purposes, if permitted by law.

Data Source (88.9%):

Any content you provide on these channels will be considered a public and is not subject to privacy protections.

Legal Basis (66.4%), Processing (95.1%), Required Purpose (82.1%):

In some jurisdictions, we are required to publicly share information of winners.

Data Source (81.9%), Organisational Measure (64.6%), Processing (96.4%), Required Purpose (92.3%), Third Party (99.1%):

NCR Voyix may collect information about you or obtain Personal Data about you from third parties for the purposes of providing you with information about NCR Voyix products and services that may be of interest to you, or to take steps to maintain the accuracy of the information we have about you.

Automated Decision Making (63.2%):

Automatic Data Collection.

Automated Decision Making (95.0%), Data Source (73.2%), Non-Personal Data (96.3%), Organisational Measure (61.4%), Personal Data (95.8%), Technical Measure (95.7%):

NCR Voyix may also use certain technologies to automatically collect information about you while you are visiting an NCR Voyix website, application, product, or service, which as described in more detail below, may include your Internet protocol (IP) address, user settings, IMEI, MAC address, cookie identifiers and related technologies (see below), mobile carrier, mobile advertising and other unique identifiers, details about your browser, operating system or device, location information, Internet service provider, pages that you visit before, during and after using the services, information about the links you click, and other information about how you use the services.

Non-Personal Data (87.5%), Personal Data (79.2%):

In addition, we may automatically collect data regarding your use of our websites, applications, products and services, such as the types of content you interact with and the frequency and duration of your activities.

Processing (95.1%):

We may combine your Personal Data with information that others provide when they use our services.

Personal Data (62.1%), Required Purpose (93.4%), Technical Measure (97.4%):

As described above, NCR VOYIX websites, applications, and services may employ a variety of tools, including cookies, to help us improve your experience and determine the effectiveness of

certain of our marketing initiatives.

Technical Measure (93.3%):

Cookies.

Processing (99.3%):

A cookie is a small element of data that a website can send to a web browser, which is then stored on the browser user's computing device.

Required Purpose (96.9%):

NCR Voyix, and our service providers, may also use other technology to improve your experience.

Personal Data (96.1%), Processing (85.3%), Technical Measure (96.2%), Third Party (84.7%):

As described below, these technologies include analysis tools, log file information, web beacons, web links, and local shared objects.

Technical Measure (75.5%):

Analysis Tools.

Required Purpose (92.5%), Technical Measure (99.4%):

NCR Voyix may use analysis tools like Google Analytics or Adobe Analytics to help us analyze how visitors use our websites.

Required Purpose (98.7%):

Among other things, these tools use cookies to collect data about the number of visitors to the site, the web page that referred visitors to the site, and the pages that visitors view within the site.

Technical Measure (84.6%):

Both Google Analytics and Adobe Analytics use persistent cookies.

Processing (99.0%), Retention (75.6%):

NCR Voyix records log file information whenever you access our websites.

Non-Personal Data (97.4%), Personal Data (95.5%):

Examples of log file information include your IP address, your browser type, the page from which you accessed our website, the pages you viewed while visiting our website, the last page you viewed before you exited our website, and the page you accessed after leaving our website.

Processing (61.8%), Technical Measure (85.3%):

These technologies involve placing electronic (and usually transparent) images on a website or in an email.

Non-Personal Data (79.5%), Personal Data (75.8%), Processing (70.8%):

These images place certain information on your device such as cookies, the time and date of a page you viewed and the length of time you viewed the page, the IP address of the device that retrieved

the image, the time the web beacon was viewed and for how long, and the type of browser that retrieved the image.

Required Purpose (84.7%):

We may use these technologies, for example, to determine whether you have opened or accessed links included in marketing communications from NCR Voyix.

Consent (73.2%):

These technologies often work with cookies; therefore, if you do not want us to associate your cookie information with your visits to our website, you must turn off cookies in your browser.

Required Purpose (98.1%):

We use the information we obtain during the redirection process to determine whether a particular marketing initiative is effective and may collect information connected to your identity.

Consent (90.0%):

If you do not want NCR Voyix to collect information about the links that you click, you can choose a text-based version of the message (if the option is available).

Required Purpose (76.7%), Technical Measure (89.7%):

NCR Voyix may use Adobe Flash PlayerA to deliver multimedia content, such as a video, to you.

Required Purpose (65.2%):

In such cases, it is our customers responsibility to ensure that their directions to NCR Voyix are consistent with the terms of any privacy policies or other guarantees they have made to you.

Consent (70.8%), Personal Data (73.4%), Required Purpose (85.9%), Technical Measure (67.1%):

To improve your user experience, NCR VOYIX may use Flash local shared objects (LSOs) a sometimes called aflash cookiesa a to store your flash content information and preferences, similar to other types of cookies NCR Voyix employs.

Technical Measure (76.1%):

Local Shared Objects (aFlash Cookiesa).

Technical Measure (98.2%):

Notice Regarding APIs and SDKs.

Technical Measure (93.8%):

We may use third-party APIs and software development kits (aSDKsa) as part of the functionality of our applications.

Required Purpose (97.2%), Third Party (92.9%):

APIs and SDKs may allow third parties including analytics and advertising partners to collect your

Personal Data for various purposes including to provide analytics services and content that is more relevant to you.

Data Source (91.0%):

We may collect Personal Data about you in the following ways: Information from Other Sources.

Data Source (86.3%), Third Party (98.8%):

We may obtain Personal Data about you from other sources, including through third party services and organizations to supplement information provided by you.

Data Source (75.7%):

For example, if you access our website, applications, products and services through a third-party application, such as an app store, a third-party login service, or a social networking site, we may collect information about you from that third-party application that you have made public via your privacy settings.

Personal Data (99.7%):

Information we collect through these services may include your name, your user identification number, your user name, location, gender, birth date, email, profile picture, and your contacts stored in that service.

Required Purpose (97.2%):

This supplemental information allows us to verify information that you have provided to us and to enhance our ability to provide you with information about our business, products, and services.

Legitimate Interest (70.2%), Processing (98.3%):

a Use of Personal Dataa NCR VOYIX is committed to collecting Personal Data for specified and legitimate purposes, to limit its Processing to the stated purpose, and to not Process that data further in a manner incompatible with such purpose.

Consent (94.5%), Contract (65.6%), Legitimate Interest (90.0%), Required Purpose (95.1%):

a NCR Voyix will use Personal Data where reasonably necessary to fulfill NCR Voyix's business needs (as described below), including to: Perform a contract with you or take steps at your request prior to entering into a contract; Comply with a regulatory or legal obligation; Protect your vital interests or that of another natural person; Perform a task carried out in the public interest; Carry out Processing with your consent, which you may withdraw at any time as described below; Further a legitimate interest of NCR Voyix or a third party including, but not limited to: Researching and developing products, services, marketing or security procedures to improve their performance, resilience, reliability or efficiency; Auditing related to transactions, short-term transient use in accordance with applicable law, debugging to identify and repair errors that impair existing intended

functionality and undertaking activities to verify or maintain the quality or safety of a service or device; Detecting security incidents, protecting NCR Voyix personnel, property and assets from malicious, deceptive, fraudulent or illegal activity including threats or harm including to NCR Voyix's information technology infrastructure, Intellectual property, or goodwill or reputation and prosecuting those responsible for that activity; Ensuring compliance with relevant corporate policies and terms; or Optimizing utilization of global corporate resources including the administration of business transactions, personnel and information technology systems Additional Business Purposes.

Legal Basis (92.0%), Required Purpose (94.4%):

NCR Voyix also may use Contract Data to facilitate compliance with regulatory and legal requirements.

Non-Personal Data (61.1%), Organisational Measure (66.9%), Required Purpose (91.7%), Technical Measure (88.0%):

For deidentified or aggregated data, which was formerly Personal Data, but which can no longer identify individuals, NCR Voyix may conduct research and development, statistical, trend or pattern analysis in order to continuously improve our products, services, processes, and security procedures.

Required Purpose (61.0%):

Sales and Marketing.

Required Purpose (91.9%):

NCR Voyix may use your Personal Data for sales and marketing purposes, including contacting you for feedback in customer satisfaction surveys or for market research purposes, providing you with marketing literature on products and services, notifying you of events, and providing you with information about NCR Voyix .

Organisational Measure (67.6%):

You may always change your privacy preferences as set forth below.

Personal Data (95.9%):

In cases where you choose to forward a page from this website to another individual (where such option is available), NCR Voyix may request certain Personal Data about that individual to complete your request, such as name and email address, but NCR VOYIX will not make further use of such information.

Required Purpose (99.5%):

NCR Voyix may use your Personal Data to fulfil business transaction requests with you or your organization.

Processing (91.0%), Required Purpose (97.2%):

With respect to our customers, such requests may include, but are not limited to, maintaining or servicing accounts, verifying customer information, processing payments, providing advertising and marketing services, providing analytics services, undertaking internal research of technological development and demonstration, providing products or services including delivering notifications of product issues, fixes or updates, or contacting you in response to your questions, comments, or requests.

Recipient (71.4%), Third Party (78.8%):

Emails from NCR Voyix may contain links that are designed to take you to a web page after redirection through NCR VOYIXas servers (or those of its suppliers).

Required Purpose (96.0%):

With respect to our suppliers, such requests may include issuing purchase orders, receiving invoices, or providing other information such as forecasts.

Processing (89.2%), Required Purpose (96.2%):

If, in providing service or support (including support to assist you with the use of our websites or applications), we engage you telephonically or via electronic communications through tools such as email or online chat, we may monitor or record our interactions for purposes of quality assurance, training, or to document the details of the interaction or transaction.

Personal Data (62.5%):

If you seek employment with NCR Voyix , you may provide us with information about yourself, such as a resume.

Automated Decision Making (87.5%), Required Purpose (98.6%):

We may utilize automated processing techniques for candidate applications for qualitative scoring or ranking to optimize the efficiency of our recruiting practices.

Processing (93.4%), Required Purpose (97.5%):

We may use this information throughout NCR VOYIX to consider you for employment purposes and may keep your information on file for future consideration, to support NCR Voyix's compliance with applicable legal requirements, and as otherwise set forth in this Privacy Policy or in a separate notice that may be provided to you.

Third Party (65.7%):

Transfersa NCR Voyix is a global company with global operations, partners and suppliers.

Legal Basis (96.7%), Processing (95.0%), Required Purpose (94.3%):

Where it is necessary for the efficient and effective performance of a business transaction or the

fulfilment of one of the uses of Personal Data outlined above, NCR Voyix may need to transfer Personal Data from the country of collection to other countries, which may have data protection laws that are different from the laws where you live.

Data Subject (62.8%), Right (96.2%), Third Party (84.4%):

Where such a transfer is made from one country or territory to another that is not deemed by the first exporting country (aExporting Countrya) to offer an adequate level of protection to the rights and freedoms of data subjects, NCR Voyix's policy is to do so on the basis of contractual controls between the relevant group companies, partners, or suppliers designed to ensure that substantially the same level of protection is afforded to the Personal Data as in the Exporting Country.

Authority (89.2%):

NCR Voyix's contractual safeguards are based on the astandard contractual clausesa issued by the European Commission and other data protection regulatory authorities of the Exporting Country.

Personal Data (72.6%):

a Disclosure of Personal Data to Third Partiesa We may share your Personal Data (including Contract Data) with the following categories of third parties: a Affiliates.

Recipient (68.7%):

a Service Providers.

Data Processor (61.6%), Recipient (65.7%), Required Purpose (92.3%), Third Party (61.2%):

Examples of categories of suppliers include:, IT vendors (including IT and related services, security product providers, email providers, and application providers), customer service providers, contingent workers, consultants, and other vendors to support the provision of our products and services.

Contract (70.5%), Processing (77.9%):

It is NCR Voyix's practice to enter into contracts with our suppliers and service providers that require them to handle your information in a manner consistent with NCR Voyix policy and applicable law.

Recipient (61.0%):

a Business Partners.

Data Processor (61.9%), Recipient (86.6%):

We may provide Personal Data to business partners with whom we jointly offer products or services.

Third Party (90.1%):

a Advertising Partners.

Third Party (97.9%):

Third parties do not advertise on NCR Voyix's websites.

Personal Data (95.7%), Required Purpose (99.3%):

These third parties use cookies or web beacons across multiple websites, including NCR Voyix's websites, to collect certain information about you (e.g., your IP address, mobile identifiers, page(s) visited, location, time of day) to provide you with targeted ads based on your interests.

Required Purpose (75.1%):

We engage with these third parties to help us deliver targeted advertisements about NCR Voyix on other websites you visit.

Required Purpose (84.3%):

If we need to facilitate these third parties to place cookies on your device to enable this functionality, we will do so in accordance with this Privacy Policy.

Third Party (96.2%):

However, the third parties' collection, use, and disclosures of your information is governed by their own privacy policies and statements.

Personal Data (64.4%):

If NCR Voyix uses social networking widgets or tools to provide information to you, your information will be governed by the terms of use and the privacy policy for the applicable social networking platform.

Consent (80.3%):

You can learn more about cookies by visiting <https://www.consumer.ftc.gov/articles/0042-online-tracking> or www.youronlinechoices.eu.

Organisational Measure (65.0%):

From time to time, NCR Voyix may contemplate entering into various business development activities which may include the sale, purchase, merger, or reorganization of one or more of its businesses.

Required Purpose (85.2%):

a Disclosures to Protect Us or Others.

Processing (87.9%):

In certain circumstances, NCR Voyix may use or release Personal Data to third parties when disclosure is required or permitted by law (e.g.

Recipient (78.3%):

We also reserve our right to use or provide your Personal Data to third parties, including law enforcement, auditors, consultants, and government officials, to protect NCR Voyix's rights, property, or safety, and/or the rights or property of our customers, business partners, suppliers, or

other third parties.

Required Purpose (94.2%):

We may also disclosure Personal Data to enforce our policies or contracts; collect amounts owed to us; or assist with an investigation or prosecution of suspected or actual illegal activity.

Organisational Measure (87.5%):

In all cases, we will provide you with mechanisms to control your receipt of such communications or services.

Organisational Measure (60.1%):

In addition, you may indicate to us that you no longer wish to receive emailed marketing communications from us by following the unsubscribe instructions included in the email communications we may provide to you, and you may always contact us directly as set forth in this Privacy Policy.

Organisational Measure (72.5%):

NCR VOYIX relies on its customers to provide NCR VOYIX with Processing instructions that comply with those customersa privacy obligations to you.

Consent (79.0%), Data Subject (82.9%):

Do Not Track (aDNTa) is a privacy preference that users can set in certain web browsers.

Processing (63.7%):

Please note that at this time NCR Voyix does not respond to or honor DNT signals or similar mechanisms transmitted by web browsers.

Organisational Measure (75.1%):

You may stop or restrict the placement of technologies on your device or remove them by adjusting your preferences as your browser or device permits.

Third Party (78.8%):

The online advertising industry also provides websites from which you may opt out of receiving targeted ads from data partners and other advertising partners that participate in self-regulatory programs.

Processing (95.9%):

Advertisements on third party websites that contain the AdChoices link may have been directed to you based on information collected by advertising partners over time and across websites.

Consent (68.3%):

Furthermore, even if you exercise your choices, you may still receive generic, non-targeted ads from NCR Voyix.

Third Party (64.5%):

In addition, you may have the right in some cases to receive or have your electronic Personal Data transferred to another party.

Art. 16 Right to rectification (75.6%):

Request correction of your Personal Data where it is inaccurate or incomplete.

Art. 18 Right to restriction of processing (77.2%), Legitimate Interest (95.3%):

You may request restriction of the Processing of your Personal Data while NCR Voyix undertakes to verify the accuracy of your data where you have contested its accuracy; where NCR Voyix's Processing is unlawful and you have the right to erasure, but request that we restrict Processing instead; where the data are no longer needed for the purposes of the Processing by us, but they may be required by you for the pursuit or defense of a legal claim, or by NCR Voyix where its legitimate interests override your request for restriction..

Legal Basis (99.5%):

We will process such requests in accordance with applicable laws.

Organisational Measure (77.7%):

Where necessary to protect your privacy, NCR Voyix may take reasonable steps to verify your identity before acting on a request.

Consent (88.2%):

a Consent Exceptionsa Where you have previously provided your consent, you may withdrawal your consent at any time; however, doing so will not affect the lawfulness of NCR Voyix's processing before your withdrawal of consent.

Consent (89.1%), Legitimate Interest (78.3%):

Once you withdraw consent, we will no longer Process your information for the purpose(s) to which you originally consented unless there are compelling legitimate grounds for further Processing which override your interests, rights, and freedoms or if Processing is necessary for the establishment, exercise, or defense of legal claims.

Required Purpose (97.1%):

a Use of Automated Individual Decision Making Including Statistical Analysis and Profilinga NCR Voyix may use statistical and analytic techniques to support automated individual decision-making including profiling for the purpose of improving the quality, performance or efficiency of our products, services or processes or to screen applicants for employment, to facilitate compliance with law or policy, or to protect our information technology infrastructure.

Legal Basis (75.3%), Organisational Measure (62.5%):

We prioritize safety across our business and commit to operating in accordance with the laws applicable to the countries in which we conduct business and with our contractual requirements.

Processing (92.8%), Retention (86.3%):

a Retention of Personal Dataa NCR Voyix retains Personal Data only for so long as it is necessary to support the overall purpose(s) for which NCR Voyix collected such information.

Personal Data (94.8%), Retention (70.2%):

We will retain and use your personal information as necessary to comply with our business and legal obligations, resolve disputes, protect our assets, and enforce our rights and agreements.

Organisational Measure (71.2%), Retention (85.1%):

We take steps to minimize access, use and retention of Personal Data to what is reasonably necessary.

Organisational Measure (62.1%):

By your use of our applications and websites, you affirm that you are at least 16 years of age.

Authority (81.5%), Lodge Complaint (83.5%):

a If NCR Voyix does not satisfactorily address your concerns, you have the right to lodge a complaint with your any national data protection authority of competent jurisdiction.
