Facebook permissions asked by this Application This Application may ask for some Facebook permissions allowing it to perform actions with the User's Facebook account and to retrieve information, including Personal Data, from it.

Third Party (82.7%):

This service allows this Application to connect with the User's account on the Facebook social network, provided by Facebook Inc.

Personal Data (98.2%):

The permissions asked are the following: Basic information By default, this includes certain Users Data such as id, name, picture, gender, and their locale.

Third Party (64.7%):

Facebook account access (This Application) This service allows this Application to connect with the User's account on the Facebook social network, provided by Facebook, Inc.

Processing (66.2%), Required Purpose (93.9%):

Advertising This type of service allows User Data to be utilized for advertising communication purposes.

Technical Measure (63.0%):

Some of the services listed below may use Trackers to identify Users or they may use the behavioral retargeting technique, i.e.

Consent (77.6%):

Services of this kind usually allow Users to opt out of such tracking.

Consent (93.8%):

Place of processing: US Privacy Policy Opt Out.

Required Purpose (88.5%), Technical Measure (97.7%):

This Application may use identifiers for mobile devices (including Android Advertising ID or Advertising Identifier for iOS, respectively) and technologies similar to cookies to run the Facebook Audience Network service.

Consent (67.6%):

One of the ways Audience Network shows ads is by using the User's ad preferences.

Data Controller (65.7%):

Unity Ads (Unity Technologies ApS) Unity Ads is an advertising service provided by Unity Technologies ApS.

Processing (78.4%), Required Purpose (79.9%):

Analytics The services contained in this section enable the Owner to monitor and analyze web traffic and can be used to keep track of User behavior.

Technical Measure (82.1%):

Firebase Analytics may share Data with other tools provided by Firebase, such as Crash Reporting, Authentication, Remote Config or Notifications.

Processing (74.6%), Required Purpose (98.5%):

This Application uses identifiers for mobile devices and technologies similar to cookies to run the Firebase Analytics service.

Data Processor (60.2%), Processing (98.4%), Recipient (65.0%), Required Purpose (73.1%):

Handling payments Unless otherwise specified, this Application processes any payments by credit card, bank transfer or other means via external payment service providers.

Personal Data (96.8%):

In general and unless where otherwise stated, Users are requested to provide their payment details

and personal information directly to such payment service providers.

Required Purpose (94.5%):

Infrastructure monitoring This type of service allows this Application to monitor the use and behavior of its components so its performance, operation, maintenance and troubleshooting can be improved.

Processing (78.1%):

Which Personal Data are processed depends on the characteristics and mode of implementation of these services, whose function is to filter the activities of this Application.

Required Purpose (94.6%):

Platform services and hosting These services have the purpose of hosting and running key components of this Application, therefore allowing the provision of this Application from within a unified platform.

Required Purpose (87.7%):

Google Ads conversion tracking (Google Inc.) Google Ads conversion tracking is an analytics service provided by Google LLC or by Google Ireland Limited, depending on how the Owner manages the Data processing, that connects data from the Google Ads advertising network with actions performed on this Application.

Personal Data (76.5%):

To find out more about the place of processing of such transferred Data, Users can check the section containing details about the processing of Personal Data.

Consent (67.3%), Processing (99.3%):

Retention time Unless specified otherwise in this document, Personal Data shall be processed and stored for as long as required by the purpose they have been collected for and may be retained for longer due to applicable legal obligation or based on the Users consent.

Non-Personal Data (98.0%):

By virtue of being distributed via this app store, Google collects usage and diagnostics data and share aggregate information with the Owner.

Data Subject (62.9%), Recipient (80.2%):

Users who are uncertain about which Personal Data is mandatory are welcome to contact the Owner.

Required Purpose (90.2%):

In this case, this Application will be able to access some Data, stored by these third-party services, for registration or identification purposes.

Required Purpose (92.6%):

Some of the services listed below may also collect Personal Data for targeting and profiling purposes; to find out more, please refer to the description of each service.

Scale Non-EU (72.5%):

Place of processing: United States Privacy Policy.

Consent (74.9%):

Further Information for Users Legal basis of processing The Owner may process Personal Data relating to Users if one of the following applies: Users have given their consent for one or more specific purposes.

Contract (76.4%), Legitimate Interest (78.6%), Third Party (83.5%):

provision of Data is necessary for the performance of an agreement with the User and/or for any pre-contractual obligations thereof; processing is necessary for compliance with a legal obligation to which the Owner is subject; processing is related to a task that is carried out in the public interest or in the exercise of official authority vested in the Owner; processing is necessary for the purposes of the legitimate interests pursued by the Owner or by a third party.

Contract (76.5%), Legal Basis (83.6%):

In any case, the Owner will gladly help to clarify the specific legal basis that applies to the processing, and in particular whether the provision of Personal Data is a statutory or contractual requirement, or a requirement necessary to enter into a contract.

Contract (61.6%), Retention (80.0%):

Therefore: Personal Data collected for purposes related to the performance of a contract between the Owner and the User shall be retained until such contract has been fully performed.

Retention (93.3%):

Personal Data collected for the purposes of the Owners legitimate interests shall be retained as long as needed to fulfill such purposes.

Retention (94.1%):

The Owner may be allowed to retain Personal Data for a longer period whenever the User has given consent to such processing, as long as such consent is not withdrawn.

Retention (89.0%):

Furthermore, the Owner may be obliged to retain Personal Data for a longer period whenever required to fulfil a legal obligation or upon order of an authority.

Retention (89.1%):

Once the retention period expires, Personal Data shall be deleted.

Retention (93.2%), Right (62.9%):

Therefore, the right of access, the right to erasure, the right to rectification and the right to data portability cannot be enforced after expiration of the retention period.

Data Subject (75.8%), Legal Basis (95.1%):

This document can be printed for reference by using the print command in the settings of any browser.

Consent (94.9%), Legal Basis (82.4%):

In particular, Users have the right to do the following, to the extent permitted by law: Withdraw their consent at any time.

Consent (62.4%):

Users have the right to withdraw consent where they have previously given their consent to the processing of their Personal Data.

Art. 21 Right to object (72.5%):

Users have the right to object to the processing of their Data if the processing is carried out on a legal basis other than consent.

Art. 18 Right to restriction of processing (87.0%):

Users have the right to restrict the processing of their Data.

Art. 17 Right to erasure (right to be forgotten) (84.3%):

Have their Personal Data deleted or otherwise removed.

Art. 17 Right to erasure (right to be forgotten) (68.0%):

Users have the right to obtain the erasure of their Data from the Owner.

Authority (83.7%):

Users have the right to bring a claim before their competent data protection authority.

Legal Basis (91.6%):

Users are also entitled to learn about the legal basis for Data transfers abroad including to any international organization governed by public international law or set up by two or more countries, such as the UN, and about the security measures taken by the Owner to safeguard their Data.

Legitimate Interest (78.8%):

Details about the right to object to processing Where Personal Data is processed for a public interest, in the exercise of an official authority vested in the Owner or for the purposes of the legitimate interests pursued by the Owner, Users may object to such processing by providing a ground related to their particular situation to justify the objection.

Art. 21 Right to object (73.2%):

Users must know that, however, should their Personal Data be processed for direct marketing

purposes, they can object to that processing at any time, free of charge and without providing any justification.

Legal Basis (90.7%):

Such requests are free of charge and will be answered by the Owner as early as possible and always within one month, providing Users with the information required by law.

Processing (92.9%):

Any rectification or erasure of Personal Data or restriction of processing will be communicated by the Owner to each recipient, if any, to whom the Personal Data has been disclosed unless this proves impossible or involves disproportionate effort.

Authority (84.0%), Personal Data (99.6%), Processing (63.5%):

The User declares to be aware that the Owner may be required to reveal personal data upon request of public authorities.

Required Purpose (71.4%):

For specific information about the Personal Data used for each purpose, the User may refer to the section Detailed information on the processing of Personal Data.

Personal Data (79.3%), Required Purpose (81.9%):

System logs and maintenance For operation and maintenance purposes, this Application and any third-party services may collect files that record interaction with this Application (System logs) or use other Personal Data (such as the IP Address) for this purpose.

Organisational Measure (69.9%):

Changes to this privacy policy The Owner reserves the right to make changes to this privacy policy at any time by notifying its Users on this page and possibly within this Application and/or - as far as technically and legally feasible - sending a notice to Users via any contact information available to the Owner.

Personal Data (98.4%), Required Purpose (84.7%):

Definitions and legal references Personal Data (or Data) Any information that directly, indirectly, or in connection with other information including a personal identification number allows for the identification or identifiability of a natural person.

Non-Personal Data (94.7%), Personal Data (87.4%):

Usage Data Information collected automatically through this Application (or third-party services employed in this Application), which can include: the IP addresses or domain names of the computers utilized by the Users who use this Application, the URI addresses (Uniform Resource Identifier), the time of the request, the method utilized to submit the request to the server, the size of

the file received in response, the numerical code indicating the status of the server's answer (successful outcome, error, etc.), the country of origin, the features of the browser and the operating system utilized by the User, the various time details per visit (e.g., the time spent on each page within the Application) and the details about the path followed within the Application with special reference to the sequence of pages visited, and other parameters about the device operating system and/or the User's IT environment.

Data Subject (65.2%):

User The individual using this Application who, unless otherwise specified, coincides with the Data Subject.

Authority (88.6%):

Data Processor (or Processor) The natural or legal person, public authority, agency or other body which processes Personal Data on behalf of the Controller, as described in this privacy policy.

Scale EU (84.6%):

European Union (or EU) Unless otherwise specified, all references made within this document to the European Union include all current member states to the European Union and the European Economic Area.

Personal Data (65.6%), Technical Measure (94.2%):

Tracker Tracker indicates any technology - e.g Cookies, unique identifiers, web beacons, embedded scripts, e-tags and fingerprinting - that enables the tracking of Users, for example by accessing or storing information on the Users device.

Processing (99.6%):

In this case, the Owner will not process their Data for any purpose other than storing it.
