Any payment transactions will be processed in accordance with Section 7.

Processing (94.3%), Required Purpose (65.2%), Scale Non-EU (84.0%):

The data that we collect from or about you may be transferred to, and stored at, a destination outside the European Economic Area ("EEA") for the purposes of mailing, payment processing, data hosting.

Processing (94.0%), Scale Non-EU (77.7%):

All such transfers outside of the EEA are made pursuant to an adequacy decision of the European Commission relating to the country of destination, including transfers under the EU-US Privacy Shield.

Scale Non-EU (91.0%):

The data we collect from or about you may also on occasion be processed by staff operating outside the EEA who work for us and use our systems.

Retention (96.8%):

We will store your data for as long as necessary to fulfil the purposes for which it is originally collected, as explained in this Notice, or any other lawful purpose subsequently communicated to you, and for other essential purposes such as complying with legal obligations and enforcing our rights, such as those arising under any agreement with you.

Contract (75.4%), Processing (69.1%), Retention (89.3%):

Criteria relevant to determine retention periods include: If the data is necessary for the performance of a contract, we will retain it while performance under that contract remains active, and for a period thereafter in which that data may still be relevant to dispute resolution, enforcement of rights under the contract, or where additional connected contracts are likely to arise.

Consent (66.0%), Retention (90.3%):

If the data is processed pursuant to consent only, and consent is withdrawn, we may delete the data immediately, or we may cease processing and retain the data for a period if we have a need to keep it for dispute resolution or enforcement of rights.

Retention (95.6%):

Where data is held solely for the purposes of someone else (for example data controlled by a customer and hosted on our service) we will retain it while we continue to have a relationship with that third party, unless that party indicates that they wish to delete the data.

Retention (83.5%):

We will normally delete it shortly after that relationship terminates.

Personal Data (99.6%):

Payment Processing We do not store any credit card data associated with any purchases processed on the Platform.

Required Purpose (79.5%), Technical Measure (76.6%), Third Party (98.5%):

Instead, we use ChargeBee to process recurring payments and Stripe as a payment gateway for those payments (Stripe and ChargeBee shall together be referred to as "Third Party Payment Processors").

Third Party (98.2%):

We may receive information about you in accordance with Section 2 above from these Third Party Payment Processors and we may disclose information about you in accordance with Section 5 above to these Third Party Payment Processors.

Processing (88.0%):

You acknowledge that your personal data may be processed and stored outside of the EEA.

Legal Basis (88.9%), Personal Data (95.9%):

Whilst we have been assured by these Third Party Payment Processors that they comply with relevant data protection legislation, we cannot guarantee the security of your personal data, and any payments made through these Third Party Payment Processors are undertaken at your own risk.

Processing (63.3%):

You should review Stripe's Privacy Notice and ChargeBee's Privacy Notice for more details about how your information is collected, stored and maintained by these Third Party Payment Processors as all such transactions will be governed by these policies rather than this Privacy Notice.

Required Purpose (93.2%):

Your Rights We will use your personal data for direct marketing purposes only where you have provided your consent to us, or, where you are a Production Owner, to provide you with information about other goods and services we offer that are similar to those that you have already purchased or enquired about.

Consent (65.0%):

In such cases we will self-assess the adequacy of the security provided by our systems and will take all steps reasonably necessary to ensure that your data is treated securely and in accordance with this Notice.

Consent (87.8%):

If you continue to use our Platform, we will take that as your consent to the relevant cookies being

set on your computer or other device.

Right (85.2%):

You have the right to ask us not to process your personal data for these purposes.

Art. 17 Right to erasure (right to be forgotten) (61.3%), Art. 20 Right to data portability (64.2%), Art. 21 Right to object (76.3%), Automated Decision Making (70.1%), Consent (92.5%), Legitimate Interest (80.7%), Right (73.6%):

The GDPR provides you with rights to: request from us confirmation of whether or not your personal data is being processed and where that is the case, confirmation of the information set out in this Notice; request from us a copy of your data that is undergoing processing, including, in relation to data provided to us by you, and which is processed by automatic means pursuant to a contract with you, or pursuant to your consent, a right to request that data in a structured, commonly used and machine readable format; request that we rectify or complete your personal data, where it is inaccurate or incomplete for the purposes of our processing of the data; request that we erase your personal data in the following circumstances: the personal data is no longer necessary in relation to the purposes for which it is processed; you withdraw consent and there is no other legal ground for the processing; you successfully object to the processing pursuant to your right of objection explained below; the personal data has been unlawfully processed; the erasure is necessary for compliance with a relevant legal obligation that applies to us; request that we restrict the processing of your personal data in the following circumstances: you contest the accuracy of the personal data, for a period enabling us to verify the same; the processing is unlawful, but you request restriction rather than erasure; we no longer need the data, but it is required by you in respect of legal claims; you have objected to the processing, until such that that we verify that there are legitimate purposes that justify such processing; object to any processing that is based on our, or a third party's legitimate interests, upon which event we shall suspend processing until we demonstrate legitimate purposes that justify that processing.

Authority (81.3%), Legitimate Interest (87.6%), Lodge Complaint (72.1%):

We may at all times continue to use data for the purpose of establishment, exercise or defence of legal claims; withdraw your consent for future processing (where the processing is based on that consent); lodge a complaint with the Information Commissioner's Office, which is the data protection supervisory authority in the UK.

Retention (80.4%):

We will comply with any valid request for information under the rights explained above within one month, though we may tell you that this period is to be extended by a further two months where

necessary, taking into account the complexity and number of the requests.

Contract (83.7%):

Where the provision of data is a contractual requirement, or a requirement necessary to enter into a contract, we will make that clear as part of the process by which the contract is concluded, which may include by way of terms of the contract.

Third Party (90.8%):

Our Platform may, from time to time, contain links to and from the websites of our partner networks, advertisers and affiliates (including, but not limited to, websites on which our Platform is advertised).
