This Privacy Notice was last updated on 19th January 2021.

Required Purpose (72.4%), Right (93.9%):

The purpose of this Privacy Notice is to help you understand our privacy practices when you use our Services, including what data we collect, why we collect it and what we do with it, as well as your individual rights.

Data Controller (94.9%), Personal Data (98.1%), Processing (82.6%):

What Information and Personal Data are collected and for which Purposes We receive or collect information and personal data, as described in detail below, when we provide our Services, including when you access, download and install the App.

Consent (99.0%), Non-Personal Data (94.8%), Personal Data (95.4%), Required Purpose (68.7%):

Sensitive Analytics Data If you provide consent, we collect analytics data on your childs brushing habits and App usage, including toothbrush type (manual, electric or sonicare), brush handle data (model number, serial number, firmware version, manufacturer), brushing duration, brushing start time and intensity (Brushing Data).

Non-Personal Data (61.1%), Required Purpose (75.6%):

We use and/or aggregate the Brushing Data for analytical purposes to improve the App and the Services, including improving your childs general App experience, the games and graphics of the

App, and the performance of the Device.

Organisational Measure (87.8%), Processing (98.8%):

Philips always ensures that the processing of the Brushing Data is subject to appropriate data protection safeguards.

Personal Data (98.6%), Processing (87.4%):

Among others, Philips associates the Brushing Data with a random identifier and replaces any IP address associated with the Brushing Data with a generic IP address before storage.

Authority (65.3%), Legal Basis (91.3%), Personal Data (98.5%), Processing (85.2%), Recipient (87.3%), Required Purpose (99.4%):

The Philips Sonicare for Kids app (App) helps parents to improve and monitor their children's brushing habits and provides them with personalized brushing information based on their children's brushing data ("Services").

Consent (74.7%), Processing (98.6%):

Before collecting any sensitive data, we will inform you and ask your explicit consent in accordance with article 9.2.a.

Personal Data (97.2%), Processing (95.3%):

Other than provided above, we ask you not to send or disclose any sensitive personal data (e.g., social security numbers, information related to racial or ethnic origin, political opinions, religious, philosophical or other beliefs, health, sex life or sexual orientation, biometrics or genetic characteristics, criminal background or trade union membership) to us, on or through the App, or by any other means.

Processing (96.7%):

In this case, the Brushing Data will remain stored in the App on your mobile device, where Philips will not have access to it.

Consent (65.2%), Data Subject (65.9%), Organisational Measure (74.3%):

You will be in control of this data.

Required Purpose (96.9%):

We use your Account Data to create and manage your account.

Personal Data (99.6%):

The personal data we collect may include your name, email address, country, language and password.

Personal Data (67.1%), Required Purpose (98.9%):

We also process information on your App usage, including your session, login and authentication

information, which we use to manage your account.

Personal Data (99.6%):

For China users, we collect the users phone numbers.

Consent (89.7%), Personal Data (99.8%), Required Purpose (79.2%):

If you choose to log in via social media, the personal data we collect may include your basic public profile (e.g., profile photo URL, identifier, gender, profile URL, birthday, homepage, and location) and email for authentication purposes.

Personal Data (78.5%), Third Party (64.1%):

In this case, your social media provider may collect information on the fact that you are using the App and logging in using your social media account.

Third Party (84.5%):

Please read your social media providers Privacy Notice (e.g., Facebook, Google, Apple) to learn about their privacy practices, including, what type of personal data they collect, and how they use, process and protect them.

Required Purpose (97.2%):

We use your Account Data to create and manage your account and provide personalized Services.

Required Purpose (60.5%):

You can use your account to securely login to the App.

Data Processor (65.0%), Personal Data (86.4%), Required Purpose (64.7%):

If you create a MyPhilips account, we will send you a welcoming email to verify your username and password, to communicate with you in response to your inquiries, to send you strictly service-related announcements, or direct marketing communications in case you have provided consent.

Processing (94.1%), Required Purpose (89.5%):

You may also use your MyPhilips account to order a Philips product or service, participate in a promotion or game, participate in a social media activity related to a Philips promotion (for example clicking "like" or "share"), and participate in product testing or surveys.

Personal Data (99.4%):

When you login using a MyPhilips account, the personal data we collect may include your first name, username, profile picture, email address, gender, birthday/age, country, language, password and your user unique ID.

Contract (84.8%), Legal Basis (90.6%), Required Purpose (91.6%):

Because we use your Account Data to provide the Services, we consider this processing to be necessary for the performance of a contract to which you are party and lawful under Article 6.1.

Personal Data (81.6%), Processing (75.3%):

As part of your child's profile creation, you may fill in your child's name and upload/take a profile picture.

Required Purpose (99.2%), Technical Measure (92.1%):

Read moreClick here to read less Cookies We use cookies, tags or similar technologies (Cookies) to operate, provide, improve, understand, and customize our Services.

Non-Personal Data (96.0%), Personal Data (97.6%), Required Purpose (97.2%):

Cookies allow us to recognize your mobile device and collect information and personal data including your unique user device number, the IP address of your mobile device, the type of mobile internet browser or operating system you use, session and usage data, or service-related performance information, which is information about your use of the App.

Required Purpose (98.5%):

We also use this information to show you country specific content (including information in your local language).

Technical Measure (93.5%):

Please also read our Cookie Notice and Terms of Use, which describe the terms under which you use our Services.

Consent (88.7%):

Before we use Cookies for analytics purposes, we will ask your consent.

Required Purpose (97.4%):

Read moreClick here to read less Ratings and Review Data If you write a review or rate the App on the app stores, we may process such information to respond to your comments and questions, understand how you feel when using the App, get familiar with your general perception of the App and our brand, and use these insights to improve the App.

Consent (65.3%):

We can only see your app store username, ratings, comments and any other detail you decide to share with us or make publicly available.

Legitimate Interest (93.5%):

We consider the processing of your ratings and review data to be based on a legitimate interest of Philips and lawful under Article 6.1.

Non-Personal Data (73.0%), Required Purpose (86.6%):

Customer Support Data When you require customer support, we may ask you to provide us with information related to your use of our Services, including your interaction with Philips, and how to

contact you so we can provide the required support.

Required Purpose (97.7%):

We operate and provide our Services, including providing customer support, and improving, fixing, and customizing our Services.

Required Purpose (92.0%):

We also use your information to respond to you when you contact us.

Data Source (75.1%), Non-Personal Data (72.7%), Personal Data (99.2%), Processing (96.6%):

Combined Data We may combine your personal data, including Account Data, Cookies, with data collected during your interactions and usage of the Philips digital channels such as social media, websites, emails, apps and connected products, including your IP addresses, Cookies, mobile device information, communications you click on or tap, location details, and websites you visit.

Non-Personal Data (64.8%), Processing (93.9%), Required Purpose (98.1%):

To be able to tailor the communications to your preferences and behavior and provide you with a more relevant and personalized experience, we may analyze your Combined Data.

Consent (90.7%):

Read moreClick here to read less Permissions The App may request your permission to access your mobile devices storage capabilities, sensors or other features (e.g.

Personal Data (91.9%):

photos, camera, Wi-Fi, geo-location, or Bluetooth).

Processing (64.4%):

If you delete your childs profile and/or the App, the Brushing Data will be deleted from your mobile device.

Required Purpose (93.8%):

The App needs access to your devices microphone to record voice and support this reward.

Required Purpose (64.6%):

The App requires access to your files to store the language configurations and other files that the App uses to operate (e.g., graphics, media files, or other large program assets).

Data Processor (75.2%), Legal Basis (99.1%), Third Party (98.6%):

Philips may disclose your personal data to third party service providers, business partners, or other third parties in accordance with this Privacy Notice and/or applicable laws.

Required Purpose (99.5%):

Service Providers We work with third-party service providers to help us operate, provide, improve, understand, customize, support, and market our Services.

Required Purpose (93.6%), Technical Measure (77.2%):

We may share your personal data with the following service providers: IT and Cloud Providers
These service providers deliver the necessary hardware, software, networking, storage, transactional services and/or related technology required to run the App or provide the Services.

Required Purpose (94.9%):

Analytics Service Providers These service providers deliver the necessary hardware, software, networking, storage, and/or related technology that we require to perform App analytics.

Personal Data (99.2%), Required Purpose (83.9%):

We require our service providers to process your personal data only in accordance with our instructions and only for the specific purposes mentioned above, to have access to the minimum amount of data they need to deliver a specific service, and to protect the security of your personal data.

Processing (97.7%):

If Philips shares personal data with third parties that use your personal data for their own purposes, Philips will ensure to inform you and/or obtain your consent in accordance with applicable laws before sharing your personal data.

Third Party (72.1%):

Philips sometimes sells a business or a part of a business to another company.

Processing (96.8%), Recipient (91.4%):

Such a transfer of ownership could include the transfer of your personal data directly related to that business, to the purchasing company.

Legal Basis (82.0%), Recipient (78.1%):

All of our rights and obligations under our Privacy Notice are freely assignable by Philips to any of our affiliates, in connection with a merger, acquisition, restructuring, or sale of assets, or by operation of law or otherwise, and we may transfer your personal data to any of our affiliates, successor entities, or new owner.

Non-Personal Data (76.3%):

Please note that when you log in through your Facebook social media account via Android, you enable Facebook to collect the following information through the Facebook SDK: App Events: This covers generic App Events (e.g.

Automated Decision Making (84.7%), Retention (70.9%):

Configuration data: After a user has logged in, the SDK makes periodic background requests to manage the lifetime of the access token automatically.

Personal Data (96.3%), Processing (99.1%):

Error information: The SDK captures error information, including during initialization of the SDK, which may include a user ID of individuals who are logged in to Facebook.

Personal Data (68.3%), Processing (96.8%), Required Purpose (89.1%):

Short-term data: The SDK measures some user activity for purposes of managing fraud and abuse.

Personal Data (73.3%):

In some cases, we consider the processing of your Customer Support Data to be based on a legitimate interest of Philips and lawful under Article 6.1.

Retention (83.7%):

This data is only retained for a very short period for those not logged in to Facebook.

Personal Data (68.3%):

Facebook may also collect analytics data on your use of the SDK, information about the name of the App you are using, the date when you authorized the login, and any URL associated with your login.

Authority (95.8%), Right (79.5%):

In certain circumstances, courts, law enforcement agencies, regulatory agencies or security authorities in those other countries may be entitled to access your personal data.

Processing (93.4%), Scale EU (64.6%):

If you are located in the EEA, your personal data may be transferred to our affiliates or service providers in non-EEA countries that are recognized by the European Commission as providing an adequate level of data protection according to EEA standards (the full list of these countries is available [here](https://ec.europa.eu/justice/data-protection/international-transfers/adequacy/index_en.htm)

https://ec.europa.eu/justice/data-protection/international-transfers/adequacy/index_en.htm).

Organisational Measure (67.1%), Scale Non-EU (94.5%), Third Party (69.7%):

For transfers from the EEA to countries not considered adequate by the European Commission, such as the United States, we have put in place adequate measures, such as our Binding Corporate Rules for Customer, Supplier and Business Partner Data and/or standard contractual clauses adopted by the European Commission to protect your personal data.

Contract (90.5%):

App Install, app launch) and other standard logging for product metrics (e.g.

Retention (68.1%):

We will retain your personal data for as long as needed or permitted in light of the purpose(s) for which the data is collected.

Processing (94.8%):

Read moreClick here to read less Your Choices and Rights If you would like to submit a request to access, rectify, erase, restrict or object to the processing of personal data that you have previously provided to us, or if you would like to submit a request to receive an electronic copy of your personal data for purposes of transmitting it to another company (to the extent this right to data portability is provided to you by applicable law), you may contact us here.

Legal Basis (99.3%):

We will respond to your request consistent with applicable law.

Organisational Measure (86.2%):

For your protection, we may only implement requests with respect to the personal data associated with your account, your email address or other account information, that you use to send us your request, and we may need to verify your identity before implementing your request.

Consent (93.4%), Legal Basis (75.7%):

Where we rely on consent to collect and/or process your personal data, you may withdraw your consent at any time, without affecting the lawfulness of processing based on consent before your withdrawal.

Consent (88.1%):

Please note that if you make use of (some of) your choices and rights, you may not be able to use, in whole or in part, our Services anymore.

Legal Basis (78.4%):

The criteria we use to determine our retention periods include: (i) the length of time you use the App and Services; (ii) whether there is a legal obligation to which we are subject; or (iii) whether retention is advisable in light of our legal position (such as in regard to applicable statutes of limitations, litigation or regulatory investigations).

Organisational Measure (84.1%):

Read moreClick here to read less We Protect Your Personal Data We take seriously our duty to protect the data you entrust to Philips against accidental or unauthorized alteration, loss, misuse, disclosure or access.

Organisational Measure (72.4%):

Philips uses a variety of security technologies, technical and organizational measures to help protect your data.

Organisational Measure (65.2%):

For this purpose, we implement, among others, access controls, use firewalls and secure protocols.

Processing (96.2%):

For such purposes, you can use a MyPhilips account or log in using your social media profile, including your Apple account.

Organisational Measure (76.3%):

Read moreClick here to read less Changes to this Privacy Notice Our Services may change from time to time without prior notice to you.

Consent (76.8%):

If you do not agree to the revised notice, you should alter your preferences, or consider stop using our Services.

Scale EU (67.8%):

(High Tech Campus 5, Eindhoven, 5656 AE, the Netherlands) acts as our Representative in the European Union.

Authority (87.5%), Lodge Complaint (72.8%):

Alternatively, you have the right to lodge a complaint with a supervisory authority competent for your country or region.

Personal Data (99.7%), Processing (98.3%), Required Purpose (74.8%), Scale Non-EU (80.6%):
