Some third-party applications and services that partners with us may ask for consent to access your Information.

Organisational Measure (76.5%):

Such applications will provide you with notice and request your permission in order to obtain access or information.

Organisational Measure (75.1%):

Some third parties' plugins or embedded content our Site , App, and/or Software, such as Facebook "Like" buttons, may allow their administrators to know that you have visited the Site, and they may use this information with other data they have gathered about your visits to other websites or services on the internet that can identify you.

Organisational Measure (82.1%):

But, you may disable such communications at any time by clicking the "unsubscribe" button that can be found within Prepostseo.com emails and also by changing your contact preferences.

Consent (86.8%):

For users coming from EEA: We will only deliver promotional communications to users located in the EEA with your prior consent.

Personal Data (97.7%):

Prepostseo.com does not knowingly get personal information from children under the age of 13.

Organisational Measure (92.0%):

In the event that it has come to our knowledge that we have acquired personal information from a child that is younger than 13 years of age, we will take necessary measures to take out that information from our systems.

Consent (70.7%):

We have your permission to share your Personal Data.

Processing (77.2%), Scale Non-EU (83.5%):

All information shared to Prepostseo.com will be transferred to, processed, and stored in the United States.

Processing (97.4%):

Understand and save preferences of users for future visits.

Personal Data (89.9%), Processing (99.1%):

But, if you post or transfer any Information to or through our Site, App, Software, and/or Services, that means you are giving consent to such Information, including Personal Data and User Content, being hosted and accessed in the United States.

Technical Measure (88.4%):

This is commonly referred to as secure socket layer ("SSL") technology or also known as transport layer security ("TLS").

Technical Measure (85.3%):

By the time we receive your data, we keep it on our servers using a combination of physical, technical, and logical security measures.

Organisational Measure (82.4%):

If Prepostseo.com learns of a security system breach, we may send you a notification to provide information on protective steps, through the email address that you have provided to us.

Organisational Measure (86.8%):

We may also post a notice on the Site to inform our users.

Required Purpose (91.1%), Retention (83.8%):

However, we may store some of your Personal Data for as long as necessary for our legitimate business interests, including fraud prevention and detection, and to meet our legal obligations including tax, auditing, and legal reporting.

Legal Basis (63.3%):

California Online Privacy Protection Act CalOPPA is the first state law in the United States that

requires commercial websites and online services to publish a privacy policy.

Processing (96.3%):

The law's reach stretches well beyond California to require any individual or company in the US (and conceivably the world) that operates sites collecting PII from California consumers to post a conspicuous privacy policy on its website stating precisely the information that it collects and those individuals or companies with whom it is shared.

Legal Basis (97.1%):

It also plays a significant role in developing data protection laws across the globe.

Legal Basis (88.5%), Personal Data (84.9%):

It is, therefore, essential to understand the Fair Information Practice Principles and how they should be implemented in compliance with the various privacy laws to protect personal information.

Organisational Measure (69.2%):

Will Prepostseo.com send me email notifications?

Legal Basis (85.0%):

In agreement with the Fair Information Practices, following responsive actions will be taken, should a data breach instance occur: We will notify you via email: Within 7 business days We will notify the users via in-site notification Within 7 business days We also agree to the Individual Redress Principle according to which individuals have the right to legally pursue enforceable rights against those who collect and process data and fail to adhere to the law.

Right (90.9%):

Another way to enforce this Policy is by informing their children to never provide any personal information through the Site, Service, App, and/or Software without their permission.

Authority (80.2%), Data Subject (70.5%):

As per this principle individuals not only have enforceable rights against data users but also that they have recourse to courts or legal agencies to investigate and/or prosecute by data processors.

Legitimate Interest (88.8%), Processing (96.9%), Required Purpose (96.8%):

For EEA users Prepostseo.com uses, processes, and records Personal Data, including those listed in the "What Information does Prepostseo.com collect about me?" section, as necessary to carry out our obligations, and based on our legitimate business interests in order to provide high quality service to our clients.

Required Purpose (88.2%):

We need your permission to process Personal Data to send email notifications and to place cookies on your devices.

Required Purpose (72.1%):

In some cases, Prepostseo.com may process Personal Data in accordance to legal obligation or to protect your interests or those of another person.

Processing (80.5%):

This report will contain the Personal Data we have about you, delivered to you in a structured, commonly used, and portable format.

Consent (87.8%), Organisational Measure (65.0%):

You have the option to change your Personal Data like your name and email address, as well as language preference, just go to your account settings.

Organisational Measure (71.2%):

You can make a request if you want us to stop using your Personal Data, including when we use your Personal Data or to send you email notifications.

Consent (75.9%):

We only send business or promotional communications to users located in the EEA with your prior consent, and you may pull out your consent at any time by clicking the "unsubscribe" button that can be found within Prepostseo.com emails and also by changing your contact preferences.

Organisational Measure (70.8%):

For more details about this, kindly go this section - "Will Prepostseo.com send me emails?" If you are someone that resides in the European Economic Area (EEA), we will only send you promotional materials if you permit us to do so from the time you create your account or any point thereafter.

Authority (63.0%), Lodge Complaint (75.5%):

If you are located in the EEA region and think that we haven't conformed to data protection laws, then you have a right to bring a complaint to your local supervisory authority.

Third Party (84.9%):
