Privacy Policy Back to Top PLAY THE BIBLE BRAND GAMES ABOUT US CONTACT Privacy Policy Hello!

Art. 17 Right to erasure (right to be forgotten) (87.3%), Consent (85.1%), Data Controller (97.6%), Data Subject (97.7%), Non-Personal Data (82.8%), Personal Data (90.2%), Processing (99.6%), Recipient (70.6%), Required Purpose (91.4%), Technical Measure (94.5%), Third Party (98.6%):

This policy describes how RD Games and its third party marketing and advertising partners collect, use, process and share information about you.

Data Controller (97.3%), Recipient (68.6%), Third Party (88.7%):

This Privacy Policy applies to all of our games, whether played on our website www.playthebible.com, on mobile devices, PCs or on other platforms such as Facebook.

Consent (98.2%), Organisational Measure (94.2%), Personal Data (96.3%), Processing (99.0%), Required Purpose (76.2%):

By downloading, accessing and/or playing our games, or interacting with our websites or other Services, you agree to the collection and use of your information in accordance with this Privacy Policy, including consenting to RD Games and our advertising partners use of your data for targeted advertising purposes as described in the Marketing and Advertising sections of this Privacy Policy.

Consent (86.4%):

Those sections also explain how you can withhold or withdraw your consent to the use of your data for targeted advertising purposes.

Consent (90.0%), Data Controller (97.4%), Data Source (97.9%), Non-Personal Data (78.6%), Personal Data (62.3%), Required Purpose (75.3%), Right (84.7%):

Welcome to the RD Games Privacy Policy.

Data Source (90.2%), Non-Personal Data (95.3%), Personal Data (97.8%):

Most of this data comes directly from you or your device, such as device information, country and region, and game play information.

Required Purpose (89.9%):

We may also use it for the other purposes set out in this Privacy Policy, including for Marketing and Advertising purposes.

Non-Personal Data (86.1%), Retention (83.5%):

Find out more Most of the information that we collect about you comes directly from you when you play our games, or interact with our websites, advertising or other Services.

Consent (80.3%), Non-Personal Data (82.5%):

Broadly the information we collect about you relates to the type of device you are using, how you play our games (such as levels attempted and purchases made) and may include information that you submit when creating an account with us or which you allow us to access when you connect to your social network accounts through our games or Services.

Legitimate Interest (72.0%), Personal Data (74.5%), Third Party (98.6%):

We may also collect information from advertising platforms and partners and other third parties such as information about purchases and interests.

Legal Basis (88.7%), Non-Personal Data (87.8%), Personal Data (99.6%), Processing (93.4%), Required Purpose (77.5%), Retention (77.7%), Right (97.4%), Technical Measure (98.7%), Third Party (88.2%):

In more detail, depending on which of our Services you interact with we may collect and process the following types of information: details about how you use and interact with our games, advertising and other Services (for example, information about how and when you play our games or visit our website(s), what device you use to access our games and services or details regarding profile visits, as further set out in RD Games Profile and playing socially); information that you provide us with when you fill in forms, answer questions or complete surveys when using any of our Services, when you create an account with us, including email address or if you invite your friends to use our games and Services; the content of messages sent using our chat and messaging systems; if you contact us, for instance through our RD Games Community customer service channels, or respond to messages and communications that we send to you, we may keep a record of that correspondence; your interactions with us on our social media channels; information we collect via cookies and other similar technologies, as explained further below; information as further set out in this Privacy Policy, including RD Games Profile and playing socially, Marketing, and Advertising; information we collect about you from our other group companies or other third party companies who have obtained your consent or have another legal right to share such information with us (including publishing partners, platforms, advertising platforms and partners and data aggregators who have obtained).

Personal Data (85.7%):

This may include attributes about you and your interests, as well as other games and services you use, demographic and general location information.

Processing (99.3%):

We will use this information as described in this Privacy Policy and subject to any limitations in the privacy policy of the company that collected the information from you.

Consent (94.9%), Non-Personal Data (84.4%), Personal Data (99.2%), Required Purpose (61.6%), Technical Measure (90.6%):

If you choose not to create a RD Games Profile (RD Games Profile and playing socially) by connecting your social media account, the information that we collect when you play our games will be anonymous, but we will collect device level identifiers and other information associated with those identifiers including: the type of device(s) you are using to play our games or access our Services, identifiers such as IP address, device identifiers, ad identifiers, a RD Games-specific player ID, and the country or region that you are playing in; and how you play our games and interact with our websites or other Services (such as which of our games you are playing, your progress through the games, session time and duration, number of attempts at each level and purchases made).

Non-Personal Data (70.5%):

In this Privacy Policy we refer to our games, websites, marketing and advertising activities and other services collectively as our Services.

Personal Data (99.6%), Processing (97.5%):

In some instances, when you make purchases on or through our website(s), we may collect certain payment information from you on behalf of our payment service providers, but this information is temporarily cached in a way that is unreadable by RD Games.

Personal Data (82.6%), Processing (92.5%):

We do not collect or retain credit card information.

Processing (89.8%), Required Purpose (96.7%):

It also applies to our Marketing and Advertising activities on all platforms and other services that we may provide to you from time to time.

Personal Data (74.1%):

We use this data to provide our games and Services to you, including for the purposes of optimisation, preventing fraud, customising in-game offers and verifying purchases.

Required Purpose (94.0%):

Our payment service providers will provide us with information about your purchases so that we know if a purchase has been successful.

Processing (99.0%), Retention (87.1%):

When you purchase items via our mobile apps (such as those you can purchase in the App Store,

on Facebook or on Google Play) we do not collect or store any payment information from you.

Personal Data (79.9%), Required Purpose (90.6%):

For instance, we may invite you to allow us to access your contacts to enable us to invite them to play our games with you.

Required Purpose (75.8%):

If we do this or something similar, we will tell you what information we would like to collect, why we need it and what we will use it for.

Legal Basis (80.2%), Processing (80.2%), Required Purpose (97.5%), Right (69.3%), Third Party (76.3%):

We, our suppliers and group companies, may use this information: to enable us to provide our games and other Services to you, to ensure that any purchases you make are verified on our servers and activated in the games, and to provide you with player support if you need it; to enable us to optimise our games for you and for the device that you are using, as well as to deliver customised in game events, offers and promotions; For the other purposes as set out in this Privacy Policy, including for Marketing and Advertising purposes; and to enable us to comply with laws that apply to us, to prevent fraud, to ensure compliance with our terms of service or where necessary to defend, exercise or establish our legal rights including our rights under our Terms of Service (<https://playthebible.com/termsandconditions/>).

Third Party (96.3%):

We may also share your information with third party publishers who develop and provide games and other Services to you on our behalf.

Non-Personal Data (74.7%), Processing (88.2%), Required Purpose (97.1%), Technical Measure (82.9%):

We also analyse and use the information that we collect on an anonymised or aggregated basis for product development, to analyse the performance of our games, to troubleshoot and to improve and optimise the games to ensure the best player experience for our players as a whole.

Required Purpose (98.5%):

Providing and optimising our Services We use your information to enable us to provide our websites, advertising and other Services to you and to optimise all of them so that we can make them the best they can be for you and all our players.

Processing (62.2%), Required Purpose (98.7%):

This will include use and analysis of aggregated data to make sure that our websites work properly on all devices and are as enjoyable as they can be for all our players.

Data Subject (77.1%), Third Party (88.7%):

Users of our chat service(s) can send messages to other players, to RD Games customer services or publicly on our forums.

Consent (83.8%), Processing (91.7%):

If you have any other concerns about providing information to us or it being used as described in this Privacy Policy you should not use our games or other Services.

Consent (68.2%), Personal Data (86.7%), Processing (99.1%), Required Purpose (88.8%):

Your messages may be used and stored by us: (a) to convey your messages; and (b) to enable you and your recipients to view your message history (although please note that after 30 days your in-game chat messages will no longer be accessible).

Automated Decision Making (69.2%), Required Purpose (67.6%):

We reserve the right to review the content of your messages, including by using automatic filters, to ensure that you are complying with our terms of service and we also reserve the right to prevent your use of our chat service(s) or to block the sending of any message for any reason.

Data Source (69.7%), Required Purpose (99.7%):

Customer Services We use your information, including data that you provide directly to us in communications, to provide you with support through our customer service channels when you need it.

Required Purpose (97.0%):

We may also use it to contact you, for example as part of customer service or to send you updates about our games and Services.

Required Purpose (97.8%):

Finally, we will use your data to manage your account and relationship with us and improve your experience when you use our Services.

Required Purpose (95.9%), Technical Measure (80.0%):

Analytics and Research We use analytics tools, which may include third party analytics tools, to collect information about how you play our games or use our Services.

Technical Measure (75.0%):

Those tools may use cookies or other similar tracking technologies.

Required Purpose (98.5%):

We may use your data to carry out research, surveys or to engage directly with you, for example by sending you communications (including by email), for these purposes.

Required Purpose (97.6%):

We may also create reports, analysis or similar services for use by us for the purposes of research or business intelligence, for example to track potential problems or trends with our Services, or to test out new game features and content.

Required Purpose (95.8%):

Social and Community We have a number of social and community channels which we use to communicate with our players.

Processing (97.1%), Required Purpose (94.9%):

If you choose to interact with those channels, we will receive your information and use it in connection with those channels, including to engage with you, and we may also republish your posts to those channels.

Personal Data (99.8%), Required Purpose (92.7%):

Promotions and Competitions From time to time we may run promotions or competitions during which we may collect certain personal information from you, such as your name, address, post code, email address or other information or content submitted in order for you to claim a prize.

Required Purpose (87.0%):

Those competitions will have their own specific terms and conditions, but we will use personal information that you provide in relation to that competition for the purposes of running the competition.

Personal Data (91.3%):

We may also publish the names and entries of competition entrants.

Processing (98.2%):

That information may also be combined with your RD Games Profile and other account information and will be processed, stored and shared in accordance with this Privacy Policy.

Art. 17 Right to erasure (right to be forgotten) (61.3%), Personal Data (99.7%), Required Purpose (99.8%):

Cheating, crime and fraud prevention We may use personal data that we hold to prevent cheating, crime or fraud.

Processing (86.9%), Third Party (68.5%):

We may also need to pass your information to fraud prevention agencies and other organisations involved in crime and fraud prevention, such as the police.

Legal Basis (97.3%), Processing (98.1%):

Legal uses We may use your data as required or permitted by any applicable law.

Legal Basis (71.8%), Required Purpose (82.0%), Scale EU (68.1%):

As a specific example, if you live in the European Union, this would include for the purpose of providing VAT invoices where we are required to do so by law or where requested by you.

Non-Personal Data (74.0%):

Visiting our websites When you visit our other websites, including but not limited to, playthebible.com and rdgames.us, and other websites and forums operated by us (Websites), we collect information about you, such as details about how you use and interact with such Websites.

Required Purpose (91.8%):

We may use the information we collect about you for a number of purposes, including for operating and optimising the Websites, in connection with our advertising purposes, and for research or analysis.

Non-Personal Data (82.7%), Personal Data (99.5%), Technical Measure (84.4%):

Find out more The information we collect and process about you when you visit our Websites includes: information that you provide us with when you fill in forms or create posts on our Websites, or when you create an account with us; details of your use of the Websites and the resources that you access (for example, information about how and when you use the Websites, or what device you use to access the Websites); if you contact us or respond to messages and communications that we or other users of the Websites send to you, we may keep a record of that correspondence; your interactions with us on our social media channels; and information we collect via cookies (which are small text files placed on your device), and other similar technologies.

Non-Personal Data (94.5%), Technical Measure (96.2%):

Cookies allow us to collect data, such as your devices model, operating system and screen size and other information about how you use our Services.

Technical Measure (90.2%):

For more information, see Ad identifiers, cookies and similar technologies below.

Required Purpose (97.7%):

We, our suppliers and group companies, may use this information: as necessary in order to provide the Websites and related services to you; for the purposes of contacting you, for example as part of customer service or to send you updates about the Websites; for the purposes of managing your account and relationship with us and improving your experience when you use the Websites; for the purposes of research, surveying, and engaging with you, for example by sending you communications (including by email) for these purposes; for the purposes of marketing and promotion of RD Gamess products, for example sending you communications (including by email) for these purposes on our, or a third partys behalf.

Required Purpose (97.9%):

If you do not want us to use your data in this way please let us know by contacting us at ; to create reports, analysis or similar services for use by us for the purposes of research or business intelligence, for example to track potential problems or trends with the Websites; for the purposes of preventing cheating, crime or fraud.

Legal Basis (79.1%):

We may also need to pass your information to fraud prevention agencies and other organisations involved in crime and fraud prevention; or as otherwise expressly set out in this Privacy Policy or as required by law.

Personal Data (97.7%):

When using online forums such as RD Games Community, please be aware that in addition to your user name, any questions, answers, comments or submissions that you post will be publicly available and any data you provide can be read and/or used by other users.

Processing (76.5%):

You should therefore only share content that you are comfortable sharing publicly.

Third Party (96.8%):

RD Games Profile and Playing Socially You can choose to add information to your RD Games Profile or to connect our Services to your account with a third party network (such as Facebook).

Non-Personal Data (66.6%):

Find out more RD Games Profile When you play our games, we will give you a randomly generated unique identifier which we will associate with a RD Games account known as a RD Games Profile.

Consent (96.0%), Third Party (84.9%):

Connecting with a third party network Where we make this available, you can choose to log in to your RD Games Profile using your account details with a third party network, such as Facebook or Google.

Personal Data (86.0%):

Information we receive from Facebook If you log in to your RD Games Profile using your Facebook account details, we will receive some of your Facebook account information.

Automated Decision Making (92.0%):

If you choose to play our games online on the desktop version of Facebook.com, your basic Facebook account information will automatically be associated with your RD Games Profile.

Consent (87.1%), Organisational Measure (67.2%), Personal Data (99.3%):

Exactly what information we receive will depend on your settings in your Facebook account, but

typically we will receive your basic public profile information such as your username, email address, age range, gender, chosen language, country, friends list and any other public information.

Personal Data (98.4%):

We will also collect the email account associated with your Facebook account and the name and avatar of those of your Facebook friends that are already playing our games.

Consent (72.9%):

You can choose not to allow us to access your email address in the Facebook dialog box the first time at which you associate your Facebook account with your RD Games Profile.

Required Purpose (65.8%):

If you provide us with your email address we may from time to time use that email address to send you marketing emails about our other games and Services.

Consent (98.6%):

You can opt out of this at any time see [Opting-out of direct marketing from RD Games](#) below.

Consent (72.8%):

Logging in with Facebook will not allow us to post anything to your page without your permission and we will not receive any information about your Facebook friends who do not play our games.

Consent (90.1%):

If you do not wish your Facebook friends to be able to see you and your progression in our games, you can prevent this by disconnecting from Facebook from within our games and updating your app permissions from within your Facebook settings.

Consent (60.3%):

This Privacy Policy was last updated on 6.23.2021.

Personal Data (96.2%):

Information we receive from Google If you log in to your RD Games Profile using your Google account details, we will receive some of your Google account information.

Personal Data (85.7%):

Exactly what information we receive will depend on your settings in your Google account, but typically we will receive your basic public profile information such as your name, email address and profile picture.

Consent (85.5%), Personal Data (85.1%), Required Purpose (98.5%):

If you choose to grant us access to your Contact List, we will use and store this to help you find those of your Google contacts that are already playing our games.

Required Purpose (93.5%), Third Party (95.5%):

Marketing Unless you opt out as explained below, we and our third party partners use information collected about you to send you marketing communications about other RD Games games and related Services based on your interests.

Required Purpose (99.3%):

We use information about you to try to make sure you only see marketing from us that might be of interest to you.

Processing (97.6%):

Playing our games By downloading, accessing and/or playing our games or using our other Services, you consent to the collection of information about you by us.

Data Source (73.4%):

This includes using information that we may have about you, such as: ad identifiers and other non-personal information collected from your device.

Non-Personal Data (80.3%):

This might include: advertising within third party websites, apps and Internet-connect devices; showing you promotions for other RD Games games in the games you play; or sending you marketing materials by email.

Non-Personal Data (86.0%), Processing (77.9%), Third Party (94.9%):

For more information, see Ad identifiers, cookies and similar technologies; the games you play and information about how you interact with our games and Services; your age, country or region, and gender; and other information that we might acquire from our third party marketing partners or other third parties who have obtained your consent or have another legal right to share that information with us.

Processing (97.6%):

Our marketing partners may help us to serve ads to you by combining this information with data which they have collected about you elsewhere.

Third Party (96.3%):

They collect this information when you use their services or the websites and services of third parties.

Required Purpose (85.5%):

Our partners use this information to make assumptions about the kinds of advertising you would prefer to see.

Processing (99.6%), Required Purpose (90.4%):

By accepting this Privacy Policy and downloading or continuing to play our games, and unless you

opt out of interest-based advertising as explained in this section, you consent to our marketing partners collecting and using information about you to improve advertising, targeting and measurement systems as described in their privacy policies.

Third Party (97.0%):

This Privacy Policy does not apply to the collection of your information by our marketing partners.

Consent (85.5%):

Opting-out of direct marketing from RD Games You can exercise choices over the direct marketing we send you in the following ways: you can withhold your consent for us to send you direct marketing emails by opting out when we collect your email address or by electing not to share your email address with us when you first create an account using your Facebook details; you can remove yourself from receiving email marketing from us at any time by simply clicking the unsubscribe link in any direct marketing email we send to you or sending an email to ; and to disable interest-based advertising, please see How to adjust your preferences for interest based advertising below.

Personal Data (96.2%):

You should note that if you opt out of receiving interest based or targeted advertising, you will still see advertising and you may see advertising for RD Games products, but that advertising will not be targeted using your personal information.

Required Purpose (96.5%):

RD Games and our advertising partners collect and use information about you to improve advertising, targeting and measurement systems so that we can show you relevant third party ads in our games.

Required Purpose (86.9%):

Where applicable, we use a CMP to gather consent and permissions for our advertising based activity.

Legal Basis (98.8%), Organisational Measure (61.5%):

Where local laws allow, we may opt you into interest-based advertising by default.

Consent (81.4%):

You can change your preferences at any time in the setting pages of our games.

Required Purpose (89.2%):

Find out more We use information that we hold about you to better target ads for third party goods and services to people that might be most interested in them.

Required Purpose (98.4%):

We use ad identifiers and other information that we collect about you as described in this Privacy Policy to try to make sure you only see ads in our games that might be of interest to you.

Required Purpose (98.7%):

Advertising partners When you play our games or use our Services, non-personal identifiers and other information from your device is collected and shared with advertising partners to enable the technical delivery of ads to your device.

Required Purpose (97.3%):

Our advertising partners may combine this information with information which they have collected about you when you use their services (or the websites or services of third parties) in order to serve you more relevant ads in our games or to improve the accuracy of their targeting and measurement systems.

Consent (92.2%):

If you consent to, or are opted into, the collection and use of your data for targeted advertising purposes by our advertising partners your data will be used as set out in this section and as further described in our partners privacy policies.

Consent (74.9%):

You can refuse or withdraw your consent to such use at any time for more information, see How to adjust your preferences for interest based advertising.

Legal Basis (98.6%), Scale Non-EU (87.9%):

For players in California: The California Consumer Privacy Act (CCPA) gives residents of the US state of California the right to prevent businesses from selling their personal information to third parties.

Third Party (85.9%):

Please see the Advertising Partners section for more information on how we work with our advertising partners.

Organisational Measure (87.4%):

Opting out of interest-based advertising at a device level: You can choose to prevent your devices ad identifier being used for interest-based advertising, or you can reset your devices ad identifier, by changing the settings of your device.

Scale Non-EU (84.1%):

If you live in the USA, the EEA or Canada, you can also opt-out from the collection of your information by some or all of our advertising partners who participate in the Digital Advertising Alliance by visiting <http://www.aboutads.info/choices/> (for US users),

<http://www.youronlinechoices.com/> (for EEA users) or <http://youradchoices.ca/choices> (for Canadian users).

Required Purpose (97.2%):

Find out more Ad identifiers, cookies and similar technologies are used by us to provide our Services to you and in order to collect data from your device.

Personal Data (75.4%), Required Purpose (97.6%), Technical Measure (95.5%):

These technologies allow us and our third party advertising partners to: recognise you and your device; provide interest-based advertising to you; allow our Services to interact with a third party social network or platform (where you have chosen to allow such interaction); allow us to understand how you interact with our websites (for example, where we use cookies such as the Google Analytics cookie on our Websites); allow our payment processors to process your payment instructions; and enable us and third parties to provide you with more customized services, for example to provide our Services in the correct language.

Right (91.5%):

Your rights You have certain rights in connection with your personal information and how we handle it.

Art. 15 Right to access by the data subject (81.2%), Right (70.2%):

Find out more Those rights include: Right of access.

Art. 15 Right to access by the data subject (63.2%):

You have a right to know what information we hold about you and in some cases to have the information communicated to you.

Organisational Measure (77.4%):

We reserve the right to ask for reasonable evidence to verify your identity before we provide you with any information.

Art. 16 Right to rectification (84.2%):

Right to correct personal information.

Art. 17 Right to erasure (right to be forgotten) (68.0%):

Data deletion.

Art. 17 Right to erasure (right to be forgotten) (74.1%):

In some circumstances you have a right to have some of the personal information that we hold about you deleted.

Required Purpose (96.2%):

Where we delete personal information about you, we may still retain some or all of that information

for other purposes such as maintaining financial records, protecting or enforcing legal rights, maintaining marketing suppression lists or for technical reasons such as maintaining technical security or our database integrity.

Non-Personal Data (76.6%):

In some instances, personal information about you that is visible through gameplay such as username, avatar, your high scores and any chat messages may be cached on other players devices and we may not be able to remove or update that data from those devices, for example if that device is not connected to a wifi network.

Art. 17 Right to erasure (right to be forgotten) (62.2%):

If you have created an account with us, you can ask us to deactivate that account by contacting us using the information below.

Data Controller (79.8%), Processing (93.1%):

In some circumstances, you may have the right to request that data which you have provided to us is provided to you, so you can transfer this to another data controller.

Art. 18 Right to restriction of processing (66.9%), Processing (69.4%):

Restriction of processing.

Art. 21 Right to object (83.7%):

Right to object.

Art. 21 Right to object (87.6%):

You have the right to object to the processing of personal data about you which is processed on the grounds of legitimate interests (see Legal Bases below).

Consent (81.4%):

If you have elected to receive direct marketing communications from us, you can change your mind at any time by following the opt out link in any marketing communication that is sent to you.

Retention (78.9%):

It may take a few days for us to update our records before any opt out is effective.

Organisational Measure (62.9%), Required Purpose (88.3%):

Right to opt-out (California, USA): California residents have the right to opt out of the sale of personal information, which is defined in a way that may include the transfer of data to third parties to personalize ads for you.

Organisational Measure (84.9%):

If you opt out of the sale of your information, we will not sell your information, including to our advertising partners, but you may still see ads in the game and some of our partners may deliver

ads to you, based on information they hold on you.

Organisational Measure (88.3%):

You could also reset your mobile advertising identifier or limit ad tracking altogether using the settings in your phone.

Organisational Measure (90.6%):

Finally, you could limit or prevent the use of cookies in your web browsers.

Not Required Purpose (61.1%):

We do not knowingly collect or solicit personal information from or direct or target interest based advertising to anyone under the ages set out below, or knowingly allow such persons to use our Services.

Not Required Purpose (77.9%):

Our games are intended to be played by adults and we do not knowingly collect, and do not wish to collect, information about children.

Legal Basis (92.3%), Legitimate Interest (73.4%), Non-Personal Data (84.7%), Required Purpose (96.8%):

Find out more Sharing In addition to the other disclosures described in this Privacy Policy, we will also share your information: where we have your consent to do so (including as set out in this Privacy Policy); as reasonably necessary in order to provide the Services to you (for example, by providing your personal information to suppliers we may use to fulfil the Services or to communicate with you); where it is necessary to carry out your instructions (for example, to process a payment instruction we must provide your personal information to our payment processors); where your data is in an anonymous and aggregated format, meaning you could not be personally identified from it; as we reasonably believe is permitted by law or regulation or as is necessary to comply with any legal obligation, or in order to enforce or apply our terms and conditions and/or any other agreement with you; or to protect the rights, property, or safety of RD Games, our users, or others; and if there is a sale of the assets of RD Games or corporate restructuring, or as a result of a change of control of RD Games or one of its group companies, or in preparation of any of these events.

Recipient (74.7%), Required Purpose (94.0%):

We may also share your information with our service providers if necessary to enable them to provide services to us.

Organisational Measure (74.9%):

Security RD Games takes appropriate security and technical measures to protect your information from unauthorised access, loss and misuse.

Organisational Measure (83.7%):

In addition, we request that our suppliers who process personal information on our behalf take a range of security measures designed to help protect your personal information and maintain an appropriate level of security.

Legal Basis (98.7%):

Legal Bases In each case where we process your information, we do so lawfully in accordance with one of the legal basis set out under European data protection law.

Legal Basis (85.7%):

General Our Privacy Policy contains further details about: who we share your information with and the reasons for sharing it; measures we take to keep your information secure; the legal bases under which we process your data; how long we retain your information and where we store it; when and why we share your information with third parties, including transfers outside of the European Economic Area (the EEA); and changes or updates to our Privacy Policy.

Consent (78.9%), Required Purpose (81.6%):

This covers data used by us in order to provide you with Services that you have requested and that we have agreed to provide to you, such as our games, customer services, chat functionality and third party social network connectivity; Legal Obligation.

Legitimate Interest (64.4%), Required Purpose (71.0%):

This covers data used by us to comply with a legal obligation, such as to maintain records relating to tax or to respond to a valid legal request for certain data; Legitimate Interests.

Required Purpose (73.2%):

This covers data used by us for purposes that are not harmful to your privacy and can be reasonably expected within the context of your use of our Services, such as Marketing, Advertising, analytics, research and optimisation of our games and other Services; and Consent.

Personal Data (74.3%):

This is used as a legal basis in the following contexts: (i) the collection of data stored on your device by us and our advertising partners, including device information, ad identifiers, IP address, country and region.

Organisational Measure (87.8%), Technical Measure (77.1%):

You consent to this collection when you agree to install our game and you can withdraw your consent to this by uninstalling our games; (ii) the storage of data on your device by us and our advertising partners, including through the use of cookies.

Consent (81.1%):

Where we ask for your consent to use your data for any other purpose, we will make this clear at the point of collection and we will also make clear how you can withdraw your consent.

Consent (67.4%):

In this Privacy Policy we have explained how you can opt out of certain types of processing that we undertake and where any processing is based on your consent, you can withdraw that consent at any time in the ways described in this Privacy Policy.

Retention (96.7%):

Retention We will keep your information for as long as your account is active or we consider necessary for the purposes described in our Privacy Policy.

Retention (91.4%):

We will also retain and use your information for as long as is required in order to comply with our legal obligations.

Scale Non-EU (78.2%):

We may also use servers and engage providers that are located outside the EEA in order to process and store your information and to provide services to us.

Scale Non-EU (94.4%):

International Transfer We may transfer your information to affiliated entities or third parties to jurisdictions outside the EEA.

Legal Basis (96.3%), Scale Non-EU (93.2%):

Please note that these countries outside of the EEA may not have the same data protection laws as your own jurisdiction.

Organisational Measure (90.6%), Scale Non-EU (86.7%):

We take steps to ensure that there are adequate safeguards and mechanisms in place (including the use of EU model clauses) to allow the transfer of your information across borders outside of the EEA.
