

Data Controller (99.1%), Data Source (68.3%), Organisational Measure (67.2%), Processing (64.8%), Third Party (64.4%):

Pocket Frogs Privacy Policy This privacy policy discloses the privacy practices for the mobile application Pocket Frogs, published by NimbleBit, LLC.

Personal Data (87.1%), Processing (99.5%):

This privacy policy applies solely to information collected by this application.

Data Controller (94.0%), Data Source (69.7%), Personal Data (99.5%), Processing (96.6%):

It will notify you of the following: What personally identifiable information is collected from you through the website, how it is used and with whom it may be shared.

Consent (83.5%), Personal Data (72.6%):

What choices are available to you regarding the use of your data.

Data Controller (97.8%):

Information Collection, Use, and Sharing We are the sole owners of the information collected by us through this application.

Data Source (77.4%):

We only have access to/collect information that you voluntarily give us via the application or other direct contact from you.

Not Required Purpose (78.6%):

We will not sell or rent this information to anyone.

Third Party (97.3%):

We will not share your information with any third party outside of our organization that is not disclosed in this policy.

Art. 17 Right to erasure (right to be forgotten) (72.2%), Personal Data (72.9%):

To request the viewing or removal of information we've collected contact support@nimblebit.com from the email address connected to your game.

Processing (99.1%):

We do not share any collected information with these third-party advertisers but they may collect and store their own information.

Non-Personal Data (63.1%), Personal Data (80.9%), Processing (99.4%):

Required Purpose (85.5%):

This allows us to know things like how many users we have and what types of devices they use.

Not Required Purpose (60.8%):

All of our games are not intended for children under the age of 13 (or 14, 15, 16) and we do not knowingly market to or collect, use or disclose information from children.

Organisational Measure (80.5%), Personal Data (99.4%), Processing (93.1%):

If NimbleBit learns that we have inadvertently gathered personal information from children under such age, we will take reasonable measures to promptly erase such personal information from our records.

Organisational Measure (88.5%):

Security We take precautions to protect your information.

Processing (84.2%), Technical Measure (77.0%):

All sensitive information is encrypted and transmitted to us in a secure way using standard web security practices.

Technical Measure (93.5%):

While we use encryption to protect sensitive information transmitted online, we also protect your information offline.

Personal Data (98.7%):

Only employees who need the information to perform a specific job (for example customer service) are granted access to personally identifiable information.
